## **PART I — FINANCIAL INFORMATION**

### **Item 2. Management’s Discussion and Analysis of Financial Condition and Results of Operations**

#### **Business Overview**

LPL serves the advisor-mediated marketplace as the nation’s largest independent broker-dealer, a leading investment advisory firm and a top custodian. We serve more than 21,000 financial advisors, including advisors at approximately 1,100 enterprises and at approximately 500 registered investment advisor (“RIA”) firms nationwide, providing the front-, middle- and back-office support our advisors need. We offer integrated technology solutions; brokerage and advisory platforms; clearing, compliance, business and planning and advice services; consultative practice management programs and training; and in-house research to help our advisors run successful businesses.

We are steadfast in our commitment to the advisor-mediated advice model and the belief that investors deserve access to personalized guidance from a financial advisor. We believe advisors should have the freedom to choose the business model, services and technology they need and to manage their client relationships. We believe investors achieve better outcomes when working with a financial advisor, and we strive to make it easy for advisors to do what is best for their clients.

We believe that we are the only company that offers the unique combination of an integrated technology platform, comprehensive self-clearing services and access to a wide range of curated non-proprietary products all delivered in an environment unencumbered by conflicts from product manufacturing, underwriting and market-making.

#### **Our Sources of Revenue**

Our revenue is derived primarily from fees and commissions from products and advisory services offered by our advisors to their clients, a substantial portion of which we pay out to our advisors, as well as fees we receive from our advisors for the use of our technology, custody, clearing, trust and reporting platforms. We also generate asset-based revenue through our insured bank sweep vehicles, money market account balances and the access we provide to a variety of product providers with the following product lines:

- Alternative Investments
- Annuities
- Exchange Traded Products
- Insurance Based Products
- Mutual Funds
- Retirement Plan Products
- Separately Managed Accounts
- Structured Products
- Unit Investment Trusts

Under our self-clearing platform, we custody the majority of client assets invested in these financial products, for which we provide statements, transaction processing and ongoing account management. In return for these services, mutual funds, insurance companies, banks and other financial product sponsors pay us fees based on asset levels or number of accounts managed. We also earn interest from margin loans made to our advisors’ clients, cash and equivalents segregated under federal or other regulations, advisor repayable loans and operating cash, which is included in Interest income, net in the condensed consolidated statements of income. A portion of our revenue is not asset-based or correlated with the equity financial markets.

We regularly review various aspects of our operations and service offerings, including our policies, procedures and platforms, in response to marketplace developments. We seek to continuously improve and enhance aspects of our operations and service offerings in order to position our advisors for long-term growth and to align with competitive and regulatory developments. For example, we regularly review the structure and fees of our products and services, including related disclosures, in the context of the changing regulatory environment and competitive landscape for advisory and brokerage accounts.

- (3) Consists of total client deposits into advisory or brokerage accounts less total client withdrawals from advisory or brokerage accounts, plus dividends, plus interest, minus advisory fees. - (5) During the second quarter of 2022, the Company updated its definition of client cash balances to include client cash account ("CCA") balances and exclude purchased money market funds. CCA balances include cash that clients have deposited with LPL Financial that is included in Client payables in the condensed consolidated statements of financial condition. Prior period disclosures have been updated to reflect this change as applicable.
- (6) Represents the amount of securities purchased less the amount of securities sold in client accounts custodied with LPL Financial.
- (7) Calculated based on the end of period total advisory and brokerage assets divided by the end of period advisor count.
- (8) The leverage ratio is a financial metric from our Credit Agreement and is calculated by dividing Credit Agreement net debt, which equals consolidated total debt less Corporate Cash, by Credit Agreement EBITDA. Credit Agreement EBITDA, a non-GAAP financial measure, is defined by the Credit Agreement as "Consolidated EBITDA," which is Consolidated Net Income (as defined in the Credit Agreement) plus interest expense on borrowings, provision for income taxes, depreciation and amortization, and amortization of other intangibles, and is further adjusted to exclude certain non-cash charges and other adjustments (including unusual or non-recurring charges) and gains, and to include future expected cost savings, operating expense reductions or other synergies from certain transactions. Please consult the "Debt and Related Covenants" section for more information. Below are reconciliations of corporate debt and other borrowings to Credit Agreement net debt as of the dates below and net income to EBITDA and Credit Agreement EBITDA for the trailing twelve month periods presented below (in millions):

- (†) Totals may not foot due to rounding.

- (9) Adjusted EPS is a non-GAAP financial measure defined as adjusted net income, a non-GAAP financial measure defined as net income plus the after-tax impact of amortization of other intangibles and acquisition costs, divided by the weighted average number of diluted shares outstanding for the applicable period. The Company presents adjusted net income and adjusted EPS because management believes that these metrics can provide investors with useful insight into the Company's core operating performance by excluding non-cash items and acquisition costs that management does not believe impact the Company's ongoing operations. Adjusted net income and adjusted EPS are not measures of the Company's financial performance under GAAP and should not be considered as alternatives to net income, earnings per diluted share or any other performance measure derived in accordance with GAAP. Below is a reconciliation of net income and earnings per diluted share to adjusted net income and adjusted EPS for the periods presented (in millions, except per share data):

Adjusted Net Income / Adjusted EPS Reconciliation	Three Months Ended March 31,

(†) Totals may not foot due to rounding.

- (10) Gross profit is a non-GAAP financial measure defined as total revenue less advisory and commission expense; brokerage, clearing and exchange expense; and market fluctuations on employee deferred compensation. All other expense categories, including depreciation and amortization of property and equipment and amortization of other intangibles, are considered by management to be general and administrative in nature. Because our gross profit amounts do not include any depreciation and amortization expense, we consider our gross profit amounts to be non-GAAP financial measures that may not be comparable to those of others in our industry. We believe that gross profit amounts can provide investors with useful insight into our core operating performance before indirect costs that are general and administrative in nature. Below is a calculation of gross profit for the periods presented (in millions):

Gross Profit	Three Months Ended March 31,	
	2023	2022
Total revenue	\$ 2,417.8	\$ 2,065.7

- (11) EBITDA is a non-GAAP financial measure defined as net income plus interest expense on borrowings, provision for income taxes, depreciation and amortization, and amortization of other intangibles. The Company presents EBITDA because management believes that it can be a useful financial metric in understanding the Company's earnings from operations. EBITDA is not a measure of the Company's financial performance under GAAP and should not be considered as an alternative to net income or any other performance measure derived in accordance with GAAP. Below is a reconciliation of net income to EBITDA for the periods presented (in millions):

EBITDA Reconciliation	Three Months Ended March 31,	
	2023	2022
Net income	\$ 338.9	\$ 133.7
Interest expense on borrowings	39.2	27.2

Amortization of other intangibles	24.1	21.2
<b>EBITDA<sup>(†)</sup></b>	<b>\$ 563.8</b>	<b>\$ 267.2</b>

(†) Totals may not foot due to rounding.

- (12) Core G&A is a non-GAAP financial measure defined as total expense less the following expenses: advisory and commission; depreciation and amortization; interest expense on borrowings; brokerage, clearing and exchange; amortization of other intangibles; market fluctuations on employee deferred compensation; promotional (ongoing); employee share-based compensation; regulatory charges; and acquisition costs. Management presents core G&A because it believes core G&A reflects the corporate expense categories over which management can generally exercise a measure of control, compared with expense items over which management either cannot exercise control, such as advisory and commission expense, or which management views as promotional expense necessary to support advisor growth and retention, including conferences and transition assistance. Core G&A is not a measure of the Company's total expense as calculated in accordance with GAAP. Below is a reconciliation of the Company's total expense to core G&A for the periods presented (in millions):

Core G&A Reconciliation	Three Months Ended March 31,

- (14) M&A accretion is an adjustment to reflect the annualized expected run rate EBITDA of an acquisition as permitted by the Credit Agreement for up to eight fiscal quarters following the close of such acquisition.
- (15) Acquisition costs include the costs to setup, onboard and integrate acquired entities. The below table summarizes the primary components of acquisition costs for the periods presented (in millions):

Acquisition costs	Three Months Ended March 31,	
	2023	2022
Professional services	\$ 1.6	\$ 5.6
Compensation and benefits	0.9	5.6
Promotional <sup>(17)</sup>	0.2	1.9

<b>Acquisition costs</b>	<b>\$ 3.1</b>	<b>\$ 13.3</b>

- (16) During the first quarter of 2023, the Company updated its presentation of employee deferred compensation to be consistent with its presentation of advisor deferred compensation. This change has not been applied retroactively as the impact on prior periods was not material.
- (17) Promotional (ongoing) includes \$3.2 million and \$2.3 million of support costs related to full-time employees that are classified within Compensation and benefits expense in the condensed consolidated statements of income for the three months ended March 31, 2023 and 2022, respectively, and excludes \$0.2 million and \$1.9 million of promotional expenses incurred as a result of acquisitions, which are included in the Acquisition costs line item for the same periods.

## Legal and Regulatory Matters

The financial services industry is subject to extensive regulation by U.S. federal, state and international government agencies as well as various self-regulatory organizations. Compliance with all applicable laws and regulations involves a significant investment in time and resources, and we continue to invest in our compliance functions to monitor our adherence to the numerous legal and regulatory requirements applicable to our business. Any new laws or regulations applicable to our business, any changes to existing laws or regulations, or any changes to the interpretations or enforcement of those laws or regulations may affect our operations and/or financial condition. We seek to participate in the development of significant rules and regulations that govern our industry.

As a regulated entity, we are subject to regulatory oversight and inquiries related to, among other items, our compliance and supervisory systems and procedures and other controls, as well as our disclosures, supervision and reporting. We review these items in the ordinary course of business in our effort to adhere to legal and regulatory requirements applicable to our operations. Nevertheless, additional regulation and enhanced regulatory enforcement has resulted, and may result in the future, in additional operational and compliance costs, as well as increased costs in the form of penalties and fines, investigatory and settlement costs, customer restitution and remediation related to regulatory matters. In the ordinary course of business, we periodically identify or become

aware of purported inadequacies, deficiencies and other issues. It is our policy to evaluate these matters for potential legal or regulatory violations and other potential compliance issues. It is also our policy to self-report known violations and issues as required by applicable law and regulation. When deemed probable that matters may result in financial losses, we accrue for those losses based on an estimate of possible fines, customer restitution and losses related to the repurchase of sold securities and other losses, as applicable. Certain regulatory and other legal claims and losses may be covered through our wholly-owned captive insurance subsidiary, which is chartered with the insurance commissioner in the state of Tennessee.

Assessing the probability of a loss occurring and the timing and amount of any loss related to a regulatory matter or legal proceeding, whether or not covered by our captive insurance subsidiary, is inherently difficult and requires judgments based on a variety of factors and assumptions. There are particular uncertainties and complexities involved when assessing the adequacy of loss reserves for potential liabilities that are self-insured by our captive insurance subsidiary, which depends in part on historical claims experience, including the actual timing and costs of resolving matters that begin in one policy period and are resolved in a subsequent period.

Our accruals, including those established through our captive insurance subsidiary at March 31, 2023, include estimated costs for significant regulatory matters or legal proceedings, generally relating to the adequacy of our compliance and supervisory systems and procedures and other controls, for which we believe losses are both probable and reasonably estimable.

The outcome of regulatory or legal proceedings could result in legal liability, regulatory fines or monetary penalties in excess of our accruals and insurance, which could have a material adverse effect on our business, results of operations, cash flows or financial condition. For more information on management's loss contingency policies, see Note 10 - *Commitments and Contingencies*, within the notes to the condensed consolidated financial statements.

### **Acquisitions, Integrations and Divestitures**

We continuously assess the competitive landscape in connection with our capital allocation framework as we pursue acquisitions, integrations and divestitures. These activities are part of our overall growth strategy but can distort comparability when reviewing revenue and expense trends for periods presented. Our recent acquisition activity includes the following:

- On January 31, 2023, we acquired FRGIS, an independent branch office and broker-dealer, for an initial payment of approximately \$140 million with potential contingent payments over the three years following the closing.
- We acquired intangible assets of \$118.1 million as a result of other acquisitions, including acquisitions as part of our Liquidity & Succession solution under which we buy advisor practices, during the three months ended March 31, 2023.

See Note 4 - *Acquisitions*, within the notes to the condensed consolidated financial statements for further detail.

### **Economic Overview and Impact of Financial Market Events**

Our business is directly and indirectly sensitive to several macroeconomic factors and the state of the financial markets in the United States. According to the most recent estimate from the U.S. Bureau of Economic Analysis, the U.S. economy grew at an annualized pace of 1.1% in the first quarter of 2023 after growing at an annualized pace of 2.6% in the fourth quarter of 2022.

Although inflation, rising interest rates and volatile global markets were all headwinds, the U.S. economy is projected to have added approximately 1.0 million jobs in the first quarter of 2023, while the unemployment rate averaged 3.5% in the first quarter of 2023, down slightly from the 3.6% average during the fourth quarter of 2022. The equity markets experienced volatility from an increasingly hawkish Federal Reserve ("Fed") and the collapse of Silicon Valley Bank. However, the S&P 500 and the Bloomberg Barclays U.S. Aggregate Bond Index grew 7.5% and 3.0%, respectively, during the first quarter of 2023.

Our business is also sensitive to current and expected short-term interest rates, which are largely driven by Fed policy. During the first quarter of 2023, Fed policymakers increased the target range for the federal funds rate to 4.75% to 5.00%. The Fed anticipates that some additional policy firming may be appropriate.

Please consult the "*Risks Related to Our Business and Industry*" section within Part I, "*Item 1A. Risk Factors*" in our 2022 Annual Report on Form 10-K for more information about the risks associated with significant interest rate changes and the potential related effects on our profitability and financial condition.

## Revenue

### Advisory

Advisory revenue represents fees charged to advisors' clients' advisory accounts on our corporate RIA advisory platform and is based on a percentage of the market value of the eligible assets in the clients' advisory accounts. We provide ongoing investment advice and act as a custodian, providing brokerage and execution services on transactions, and perform administrative services for these accounts. Advisory fees are primarily billed to clients on a quarterly basis in advance, and are recognized as revenue ratably during the quarter. The performance obligation for advisory fees is considered a series of distinct services that are substantially the same and are satisfied daily. As the value of the eligible assets in an advisory account is susceptible to changes due to customer activity, this revenue includes variable consideration and is constrained until the date that the fees are determinable. The majority of these client accounts are on a calendar quarter and are billed using values as of the last business day of the preceding quarter. The value of the eligible assets in an advisory account on the billing date is adjusted for estimates of contributions and withdrawals to determine the amount billed, and accordingly, the revenue earned in the following three-month period. Advisory revenue collected on our corporate RIA advisory platform is proposed by the advisor and agreed to by the client and was approximately 1% of the underlying assets for the three months ended March 31, 2023.

We also support independent RIA firms that conduct their business through separate investment advisor firms ("Independent RIAs") through our Independent RIA advisory platform, which allows advisors to engage us for technology, clearing and custody services, as well as access the capabilities of our investment platforms. The assets held under an Independent RIA's investment advisory accounts custodied with LPL Financial are included in total advisory assets and net new advisory assets. However, the advisory revenue generated by an Independent RIA is not included in our advisory revenue. We charge separate fees to Independent RIAs for technology, clearing, administrative, oversight and custody services, which may vary and are included in Service and fee revenue in our condensed consolidated statements of income.

The following table summarizes the composition of advisory assets for the periods presented (in billions):

	March 31,			
	2023	2022	\$ Change	% Change
Corporate advisory assets	\$ 415.3	\$ 415.8	\$ (0.5)	— %
Independent RIA advisory assets	205.6	208.5	(2.9)	(1)%
Total advisory assets	\$ 620.9	\$ 624.3	\$ (3.4)	(1)%

Net new advisory assets are generated throughout the quarter, therefore, the full impact of net new advisory assets to advisory revenue is not realized in the same period. The following table summarizes activity impacting advisory assets for the periods presented (in billions):

	Three Months Ended March 31,	
	2023	2022
Balance - Beginning of period	\$ 583.1	\$ 643.2
Net new advisory assets <sup>(1)</sup>	14.6	17.4
Market impact <sup>(2)</sup>	23.2	(36.3)
Balance - End of period	\$ 620.9	\$ 624.3

(1) Net new advisory assets consist of total client deposits into custodied advisory accounts less total client withdrawals from custodied advisory accounts, plus dividends, plus interest, minus advisory fees. We consider conversions from and to brokerage accounts as deposits and withdrawals, respectively.

(2) Market impact is the difference between the beginning and ending asset balance less the net new asset amounts, representing the implied growth or decline in asset balances due to market changes over the same period of time.

Advisory revenue decreased during the three months ended March 31, 2023 as compared to 2022 due to a decline in advisory asset balances related to market changes.

### Asset-Based

Asset-based revenue consists of fees from our client cash programs, fees from our sponsorship programs with financial product manufacturers and fees from omnibus processing and networking services (collectively referred to as "recordkeeping"). Client cash revenue is generated on advisors' clients' cash balances in insured bank sweep

accounts and money market accounts. We also receive fees from certain financial product manufacturers in connection with sponsorship programs that support our marketing and sales force education and training efforts. Compensation for these performance obligations is either a fixed fee, a percentage of the average annual amount of product sponsor assets held in advisors' clients' accounts, a percentage of new sales or a combination. Omnibus processing revenue is paid to us by mutual fund product sponsors or their affiliates and is based on the value of mutual fund assets in accounts for which the Company provides omnibus processing services and the number of accounts in which the related mutual fund positions are held. Networking revenue on brokerage assets is correlated to the number of positions we administer and is paid to us by mutual fund product sponsors and annuity product manufacturers.

Asset-based revenue for the three months ended March 31, 2023 increased by \$325.3 million compared to 2022, due to an increase in client cash revenue. Client cash revenue for the three months ended March 31, 2023 increased compared to 2022 due to increases to the federal funds effective rate, partially offset by lower average client cash balances during the three months ended March 31, 2023 as compared to 2022. For the three months ended March 31, 2023, our average client cash balances decreased to \$55.7 billion compared to \$57.6 billion in 2022.

### Commission

We generate two types of commission revenue: (1) sales-based commissions that are recognized at the point of sale on the trade date and are based on a percentage of an investment product's current market value at the time of purchase and (2) trailing commissions that are recognized over time as earned and are generally based on the market value of investment holdings in trail-eligible assets. Sales-based commission revenue, which occurs when clients trade securities or purchase various types of investment products, primarily represents gross commissions generated by our advisors and can vary from period to period based on the overall economic environment, number of trading days in the reporting period and investment activity of our advisors' clients. We earn trailing commission revenue primarily on mutual funds and variable annuities held by clients of our advisors. See Note 3 - *Revenue*, within the notes to the condensed consolidated financial statements for further detail regarding our commission revenue by product category.

The following table sets forth the components of our commission revenue for the periods presented (in thousands):

	Three Months Ended March 31,			
	2023	2022	\$ Change	% Change
Trailing	\$ 317,653	\$ 345,194	\$ (27,541)	(8)%
Sales-based	286,072	240,331	45,741	19 %
Total commission revenue	\$ 603,725	\$ 585,525	\$ 18,200	3 %

The decrease in trailing commission revenue for the three months ended March 31, 2023 compared to 2022 was primarily due to volatility-driven declines in trail eligible assets. The increase in sales-based commission revenue for the three months ended March 31, 2023 compared to 2022 was primarily driven by an increase in sales of annuities, partially offset by a decrease in sales of mutual funds.

The following table summarizes activity impacting brokerage assets for the periods presented (in billions):

	Three Months Ended March 31,	
	2023	2022
Balance - Beginning of period	\$ 527.7	\$ 563.2
Net new brokerage assets <sup>(1)</sup>	9.9	0.2
Market impact <sup>(2)</sup>	16.7	(24.6)
Balance - End of period	\$ 554.3	\$ 538.8

(1) Net new brokerage assets consist of total client deposits into brokerage accounts less total client withdrawals from brokerage accounts, plus dividends, plus interest. We consider conversions from and to advisory accounts as deposits and withdrawals, respectively.

(2) Market impact is the difference between the beginning and ending asset balance less the net new asset amounts, representing the implied growth or decline in asset balances due to market changes over the same period of time.

### Service and Fee

Service and fee revenue is generated from advisor and retail investor services, including technology, insurance, conferences, licensing, business services and planning and advice services, IRA custodian and other client account fees. We charge separate fees to RIAs on our Independent RIA advisory platform for technology, clearing, administrative, oversight and custody services, which may vary. We also host certain advisor conferences that serve

as training, education, sales and marketing events for which we charge sponsors a fee. Service and fee revenue for the three months ended March 31, 2023 increased compared to 2022, primarily due to increases in IRA custodian fees and business services and planning and advice services fees.

#### *Transaction*

Transaction revenue includes transaction charges generated in both advisory and brokerage accounts from mutual funds, exchange-traded funds and fixed income products. Transaction revenue for the three months ended March 31, 2023 increased compared to 2022, primarily due to increases in the number of transactions and transaction charges for fixed income products, partially offset by a decrease in charges for managed assets.

#### *Interest Income, net*

We earn interest income primarily from client margin loans, CCA balances segregated under federal or other regulations and advisor repayable loans. Interest income, net for the three months ended March 31, 2023 increased compared to 2022, primarily due to increases in interest earned on margin loans, bank deposits and short-term U.S. treasury bills, partially offset by an increase in interest paid on CCA balances.

#### *Other*

Other revenue primarily includes unrealized gains and losses on assets held by us in our advisor non-qualified deferred compensation plan and model research portfolios and other miscellaneous revenue, which is not generated from contracts with customers. Other revenue for the three months ended March 31, 2023 increased compared to 2022, primarily due to unrealized gains on assets held in our advisor non-qualified deferred compensation plan, which are based on the market performance of the underlying investment allocations chosen by advisors in the plan, and a related increase in dividend income on assets held in our advisor non-qualified deferred compensation plan.

### **Expense**

#### *Advisory and Commission*

Advisory and commission expense consists of the following: payout amounts that are earned by and paid out to advisors and enterprises based on advisory and commission revenue earned on each client's account, production-based bonuses earned by advisors and enterprises based on the levels of advisory and commission revenue they produce, compensation and benefits paid to employee advisors, the recognition of share-based compensation expense from equity awards granted to advisors and enterprises based on the fair value of the awards at grant date and the deferred advisory and commission fee expense associated with mark-to-market gains or losses on the non-qualified deferred compensation plan offered to our advisors.

The following table sets forth our payout rate, which is a statistical or operating measure, for the periods presented:

	Three Months Ended March 31,		Change
	2023	2022	
Payout rate	86.19%	86.10%	9 bps

Our payout rate for the three months ended March 31, 2023 increased slightly compared to 2022, primarily due to increases in sales of higher-payout products.

#### *Compensation and Benefits*

Compensation and benefits expense includes salaries, wages, benefits, share-based compensation and related taxes for our employees, as well as compensation for temporary workers and contractors. The following table sets forth our average number of employees for the periods presented:

	Three Months Ended March 31,		Change
	2023	2022	
Average number of employees	7,124	6,059	18%

Compensation and benefits expense for the three months ended March 31, 2023 increased by \$41.5 million compared to 2022, primarily due to an increase in headcount.

#### *Promotional*

Promotional expense includes business development costs related to advisor recruitment and retention, costs related to hosting certain advisory conferences that serve as training, sales and marketing events, and other costs

that support advisor business growth. Promotional expense for the three months ended March 31, 2023 increased by \$11.2 million compared to 2022, primarily due to increases in recruited assets and advisors that led to higher costs to support transition assistance and retention.

#### *Occupancy and Equipment*

Occupancy and equipment expense includes the costs of leasing and maintaining our office spaces, software licensing and maintenance costs, and maintenance expense on computer hardware and other equipment. Occupancy and equipment expense for the three months ended March 31, 2023 increased by \$9.1 million compared to 2022, primarily due to increased expense related to software licenses and our technology portfolio.

#### *Depreciation and Amortization*

Depreciation and amortization expense relates to the use of property and equipment, which includes internally developed software, hardware, leasehold improvements and other equipment. Depreciation and amortization expense for the three months ended March 31, 2023 increased by \$10.6 million compared to 2022, primarily due to our continued investment in technology to support integrations, enhance our advisor platform and experience, and support onboarding of enterprises.

#### *Interest Expense on Borrowings*

Interest expense on borrowings includes the interest associated with the Company's senior notes, senior secured Term Loan B ("Term Loan B"), amortization of debt issuance costs and fees associated with the Company's revolving lines of credit. Interest expense on borrowings for the three months ended March 31, 2023 increased by \$12.0 million compared to 2022, primarily due to increases in interest rates associated with our Term Loan B. See Note 9 - *Corporate Debt and Other Borrowings, Net*, within the notes to the condensed consolidated financial statements for further detail.

#### *Provision for Income Taxes*

Our effective income tax rate was 23.8% and 22.9% for the three months ended March 31, 2023 and 2022, respectively. The Company's effective income tax rate differs from the federal corporate tax rate of 21.0%, primarily as a result of state taxes, state and federal settlement contingencies, tax credits and other permanent differences in tax deductibility of certain expenses. Our effective income tax rates for the three months ended March 31, 2023 and 2022 benefited from share-based compensation and option exercises during those periods, partially offset by settlement contingencies recognized during the three months ended March 31, 2022.

#### **COVID-19 Impact**

The COVID-19 pandemic has had a significant impact on global financial markets, and we continue to monitor for developments that could have a material effect on our operations. Please consult the "*Risks Related to Our Business and Industry*" section within Part I, "*Item 1A. Risk Factors*" in our 2022 Annual Report on Form 10-K for more information about the risks associated with COVID-19.

#### **Liquidity and Capital Resources**

We have established liquidity and capital policies intended to support the execution of strategic initiatives, while meeting regulatory capital requirements and maintaining ongoing and sufficient liquidity. We believe liquidity is of critical importance to the Company and, in particular, to LPL Financial, our primary broker-dealer subsidiary. The objective of our policies is to ensure that we can meet our strategic, operational and regulatory liquidity and capital requirements under both normal operating conditions and under periods of stress in the financial markets.

#### **Liquidity**

Our liquidity needs are primarily driven by capital requirements at LPL Financial, interest due on our corporate debt and other capital returns to stockholders. Our liquidity needs at LPL Financial are driven primarily by the level and volatility of our client activity. Management maintains a set of liquidity sources and monitors certain business trends and market metrics closely in an effort to ensure we have sufficient liquidity. We believe that based on current levels of cash flows from operations and anticipated growth, together with available cash balances and external liquidity sources, we have adequate liquidity to satisfy our short-term and long-term working capital needs, the payment of all of our obligations and the funding of anticipated capital expenditures.

#### **Parent Company Liquidity**

LPL Holdings, Inc. ("Parent"), the direct holding company of our operating subsidiaries, considers its primary source of liquidity to be Corporate Cash. Corporate Cash, a component of cash and equivalents, is the sum of cash and

equivalents from the following: (1) cash and equivalents held at the Parent, (2) cash and equivalents held at regulated subsidiaries as defined by the Credit Agreement, which include LPL Financial, FRGIS and The Private Trust Company, N.A. ("PTC"), in excess of the capital requirements of the Credit Agreement (which, in the case of LPL Financial and FRGIS, is net capital in excess of 10% of their aggregate debits, or five times the net capital required in accordance with Exchange Act Rule 15c3-1) and (3) cash and equivalents held at non-regulated subsidiaries.

We believe Corporate Cash is a useful measure of the Parent's liquidity as it represents the capital available for use in excess of the amount we are required to reserve pursuant to the Credit Agreement. The following table presents the components of Corporate Cash (in thousands):

	March 31, 2023	December 31, 2022
<b>Cash and equivalents</b>	\$ 469,785	\$ 847,519
Cash at regulated subsidiaries	(408,288)	(392,571)
Excess cash at regulated subsidiaries per the Credit Agreement	172,705	4,439
<b>Corporate Cash</b>	<b>\$ 234,202</b>	<b>\$ 459,387</b>
<b>Corporate Cash</b>		
Cash at Parent	\$ 54,603	\$ 448,180
Excess cash at regulated subsidiaries per the Credit Agreement	172,705	4,439
Cash at non-regulated subsidiaries	6,894	6,768
<b>Corporate Cash</b>	<b>\$ 234,202</b>	<b>\$ 459,387</b>

Corporate Cash is monitored as part of our liquidity risk management. We target maintaining approximately \$200.0 million in Corporate Cash, which covers approximately 18 months of principal and interest due on our corporate debt. The Company maintains additional liquidity through a \$1.0 billion secured committed revolving credit facility. The Parent has the ability to borrow against the credit facility for working capital and general corporate purposes. Dividends from and excess capital generated by LPL Financial are the primary sources of liquidity. Subject to regulatory approval or notification, capital generated by regulated subsidiaries can be distributed to the Parent to the extent the capital levels exceed regulatory requirements, Credit Agreement requirements and internal capital thresholds. LPL Financial paid no dividends to the Parent during the three months ended March 31, 2023 and \$153.0 million of dividends to the Parent during the three months ended March 31, 2022.

Cash requirements and liquidity needs are primarily funded through our cash flow from operations and our capacity for additional borrowing. We actively monitor changes to our liquidity needs caused by general business volumes and price volatility, including higher margin requirements of clearing corporations and exchanges, and stress scenarios involving a sustained market downturn and the persistence of current interest rates. We believe that based on current levels of operations and anticipated growth, our cash flow from operations, together with other available sources of funds, which include five uncommitted lines of credit, the revolving credit facility established through our Credit Agreement and the committed revolving credit facility of LPL Financial, will provide us with adequate liquidity to satisfy our short-term and long-term working capital needs, the payment of all of our obligations and the funding of anticipated capital expenditures.

We regularly evaluate our existing indebtedness, including potential refinancing opportunities, based on a number of factors, including our capital requirements, future prospects, contractual restrictions, the availability of refinancing on attractive terms and general market conditions. The earliest principal maturity date for our corporate debt is in 2026 and our revolving credit facilities mature between 2023 and 2026, which makes us less dependent on capital markets in the near-term.

#### Share Repurchases

We engage in a share repurchase program that was approved by our Board of Directors (the "Board"), pursuant to which we may repurchase our issued and outstanding shares of common stock from time to time. Purchases may be effected in open market or privately negotiated transactions. Our current capital deployment framework remains focused on investing in organic growth first, pursuing acquisitions where appropriate and returning excess capital to stockholders. We repurchased 1,205,862 shares for a total of \$275.0 million during the three months ended March 31, 2023. As of March 31, 2023 we had \$1.7 billion remaining under our existing repurchase program. The timing and amount of share repurchases, if any, is determined at our discretion within the constraints of our Credit Agreement, the Indentures, applicable laws and consideration of our general liquidity needs. See Note 11 - *Stockholders' Equity*, within the notes to the condensed consolidated financial statements for additional information regarding our share repurchases.

### Common Stock Dividends

The payment, timing and amount of any dividends are subject to approval by the Board, as well as certain limits under our Credit Agreement and the Indentures. The Board approved an increase to the quarterly cash dividend to \$0.30 per share beginning in the first quarter of 2023. See Note 11 - *Stockholders' Equity*, within the notes to the condensed consolidated financial statements for additional information regarding our dividends.

### LPL Financial Liquidity

LPL Financial relies primarily on client payables to fund margin lending. LPL Financial maintains additional liquidity through external lines of credit totaling \$1.2 billion at March 31, 2023. LPL Financial also maintains a line of credit with the Parent.

### External Liquidity Sources

The following table presents amounts outstanding and available under our external lines of credit at March 31, 2023 (in millions):

### Capital Resources

The Company seeks to manage capital levels in support of its business strategy of generating and effectively deploying capital for the benefit of our stockholders.

Our primary requirement for working capital relates to funds we loan to our advisors' clients for trading conducted on margin and funds we are required to maintain for regulatory capital and reserves based on the requirements of our regulators and clearing organizations, which also consider client balances and trading activities. We have several sources of funds that enable us to meet increases in working capital requirements that relate to increases in client margin activities and balances. These sources include cash and equivalents on hand, the committed revolving credit facility of LPL Financial and proceeds from repurchasing or selling client securities in margin accounts. When an advisor's client purchases securities on margin or uses securities as collateral to borrow from us on margin, we are permitted, pursuant to the applicable securities industry regulations, to repledge, loan or sell securities, up to 140% of the client's margin loan balance, that collateralize those margin accounts.

Our other working capital needs are primarily related to loans we are making to advisors and timing associated with receivables and payables, which we have satisfied in the past from internally generated cash flows.

We may sometimes be required to fund timing differences arising from the delayed receipt of client funds associated with the settlement of client transactions in securities markets and cash sweep balances held at third-party banks. These timing differences are funded either with internally generated cash flows or, if needed, with funds drawn on our uncommitted lines of credit at LPL Financial or one of our revolving credit facilities.

Our broker-dealer subsidiaries are subject to the SEC's Uniform Net Capital Rule (Rule 15c3-1 under the Exchange Act), which requires the maintenance of minimum net capital. LPL Financial, our primary broker-dealer subsidiary, computes net capital requirements under the alternative method, which requires firms to maintain minimum net capital equal to the greater of \$250,000 or 2% of aggregate debit balances arising from client transactions.

The following table presents the net capital position of the Company's primary broker-dealer subsidiary (in thousands):

	<b>March 31, 2023</b>	
<b>LPL Financial LLC</b>		
Net capital	\$	236,393
Less: required net capital		14,941
Excess net capital	\$	221,452

Payment by our broker-dealer subsidiaries of dividends greater than 10% of their respective excess net capital during any 35-day rolling period requires approval from the Financial Industry Regulatory Authority ("FINRA"). In addition, each broker-dealer subsidiary's ability to pay dividends would be restricted if its net capital would be less than 5% of aggregate customer debit balances.

LPL Financial also acts as an introducing broker-dealer for commodities and futures. Accordingly, its trading activities are subject to the National Futures Association's ("NFA") financial requirements and it is required to maintain net capital that is in excess of or equal to the greatest of NFA's minimum financial requirements. The NFA was designated by the Commodity Futures Trading Commission as LPL Financial's primary regulator for such activities. Currently, the highest NFA requirement is the minimum net capital calculated and required pursuant to the SEC's Uniform Net Capital Rule.

Our subsidiary PTC is also subject to various regulatory capital requirements. Failure to meet the respective minimum capital requirements can result in certain mandatory and discretionary actions by regulators that, if undertaken, could have substantial monetary and non-monetary impacts on PTC's operations.

### **Debt and Related Covenants**

The Credit Agreement and the Indentures contain a number of covenants that, among other things, restrict, subject to certain exceptions, our ability to:

- incur additional indebtedness or issue disqualified stock or preferred stock;
- declare dividends, or other distributions to stockholders;
- repurchase equity interests;
- redeem indebtedness that is subordinated in right of payment to certain debt instruments;
- make investments or acquisitions;
- create liens;
- sell assets;
- guarantee indebtedness;
- engage in certain transactions with affiliates;
- enter into agreements that restrict dividends or other payments from subsidiaries; and
- consolidate, merge or transfer all or substantially all of our assets.

Our Credit Agreement and the Indentures allow us to pay dividends and distributions or repurchase our common stock only when certain conditions are met. In addition, our revolving credit facility requires us to be in compliance with certain financial covenants as of the last day of each fiscal quarter. The financial covenants require the calculation of Credit Agreement EBITDA, as defined in, and calculated by management in accordance with, the Credit Agreement. The Credit Agreement defines Credit Agreement EBITDA as "Consolidated EBITDA," which is Consolidated Net Income (as defined in the Credit Agreement) plus interest expense on borrowings, provision for income taxes, depreciation and amortization, and amortization of other intangibles, and is further adjusted to exclude certain non-cash charges and other adjustments (including unusual or non-recurring charges) and gains, and to include future expected cost savings, operating expense reductions or other synergies from certain transactions.

As of March 31, 2023, we were in compliance with our Credit Agreement financial covenants, which include a maximum Consolidated Total Debt to Consolidated EBITDA Ratio (as defined in the Credit Agreement) or “Leverage Ratio” and a minimum Consolidated EBITDA to Consolidated Interest Expense Ratio (as defined in the Credit Agreement) or “Interest Coverage”. The breach of these financial covenants would be subject to certain equity cure rights. The required ratios under our financial covenants and actual ratios were as follows:

Financial Ratio	March 31, 2023	
	Covenant Requirement	Actual Ratio
Leverage Ratio (Maximum)	5.00	1.34
Interest Coverage (Minimum)	3.00	15.60

See Note 9 - *Corporate Debt and Other Borrowings, Net*, within the notes to the condensed consolidated financial statements for further detail regarding the Credit Agreement and the Indentures.

### Contractual Obligations

During the three months ended March 31, 2023, there were no material changes in our contractual obligations, other than in the ordinary course of business, from those disclosed in our 2022 Annual Report on Form 10-K. See Note 9 - *Corporate Debt and Other Borrowings, Net* and Note 10 - *Commitments and Contingencies*, within the notes to the condensed consolidated financial statements, as well as the Contractual Obligations section within Part II, “*Item 7. Management’s Discussion and Analysis of Financial Condition and Results of Operations*” in our 2022 Annual Report on Form 10-K, for further detail.

### Risk Management

In order to assist in the mitigation and control of operational risk, we have an enterprise risk management (“ERM”) framework that is designed to enable assessment and reporting on operational risk across the firm. This framework aims to ensure policies and procedures are in place and appropriately designed to identify and manage operational risk at appropriate levels throughout our organization and within various departments. These control mechanisms attempt to ensure that operational policies and procedures are being followed and that our employees and advisors operate within established corporate policies and limits. Please consult the “*Risks Related to Our Technology*” and the “*Risks Related to Our Business and Industry*” sections within Part I, “*Item 1A. Risk Factors*” in our 2022 Annual Report on Form 10-K for more information about the risks associated with our technology, including risks related to security, our risk management policies and procedures, and the potential related effects on our operations.

We employ an ERM framework that is intended to address key risks and responsibilities, enable us to execute our business strategy and protect our Company and its franchise. For a discussion of our ERM framework, please see the “*Risk Management*” section within Part II, “*Item 7. Management’s Discussion and Analysis of Financial Condition and Results of Operations*” in our 2022 Annual Report on Form 10-K.

### Operational Risk

Operational risk is defined as the risk of loss resulting from failed or inadequate processes or systems, actions by people or external events. We operate in diverse markets and are reliant on the ability of our employees and information technology systems, as well as third-party service providers and their systems, to manage a large volume of transactions and confidential information, including personally identifiable information, effectively and securely. Managing these risks is critical, particularly in a rapidly changing operating environment with increasing transaction volumes and in light of increasing reliance on systems capabilities and performance, as well as third-party service providers. In the event of the breakdown, obsolescence or improper operation of systems, malicious cyber activity or improper action by employees, advisors or third-party service providers, we could suffer business disruptions, financial loss, data loss, regulatory sanctions and damage to our reputation. Although we have developed business continuity and disaster recovery plans, those plans could be inadequate, disrupted or otherwise unsuccessful in maintaining the competitiveness, stability, security or continuity of critical systems as a result of, among other things, obsolescence, improper operation, third-party dependencies or limitations of our current technology.

### Regulatory and Legal Risk

The regulatory environment in which we operate is discussed in detail within Part I, “*Item 1. Business*” in our 2022 Annual Report on Form 10-K. In recent years, and during the periods presented in this Quarterly Report on Form 10-Q, we have observed the SEC, FINRA, the U.S. Department of Labor and state regulators broaden the scope, frequency and depth of their examinations and inquiries to include greater emphasis on the quality, consistency and

oversight of our compliance systems and programs. Please consult the “*Risks Related to Our Regulatory Environment*” and the “*Risks Related to Our Business and Industry*” sections within Part I, “*Item 1A. Risk Factors*” in our 2022 Annual Report on Form 10-K for more information about the risks associated with operating within our regulatory environment, pending regulatory matters and the potential related effects on our operations.

### **Critical Accounting Policies and Estimates**

In the notes to our consolidated financial statements and in Part II, “*Item 7. Management’s Discussion and Analysis of Financial Condition and Results of Operations*” included in our 2022 Annual Report on Form 10-K, we have disclosed those accounting policies that we consider to be most significant in determining our results of operations and financial condition and involve a higher degree of judgment and complexity. There have been no changes to those policies that we consider to be material since the filing of our 2022 Annual Report on Form 10-K. The accounting principles used in preparing our condensed consolidated financial statements conform in all material respects to GAAP.

Unearned revenue increased from \$138.1 million as of December 31, 2022 to \$174.5 million as of March 31, 2023. The increase in unearned revenue for the three months ended March 31, 2023 is primarily driven by cash payments received or due in advance of satisfying the Company's performance obligations, partially offset by \$136.2 million of revenue recognized during the three months ended March 31, 2023 that was included in the unearned revenue balance as of December 31, 2022.

The Company receives cash in advance for advisory services to be performed and conferences to be held in future periods. **NOTE 4 - ACQUISITIONS*****Acquisition of Financial Resources Group Investment Services, LLC ("FRGIS")***

On January 31, 2023, the Company acquired Financial Resources Group Investment Services, LLC, a broker-dealer and independent branch office, in order to expand its addressable markets and complement organic growth. The transaction closed on January 31, 2023 for an initial payment of approximately \$140 million with potential contingent payments over the three years following the closing. The Company accounted for the acquisition under the acquisition method of accounting for business combinations. At March 31, 2023, the Company had provisionally allocated \$123.4 million of the purchase price to goodwill, \$55.8 million to definite-lived intangible assets, \$41.3 million to liabilities for contingent consideration, \$9.0 million to cash acquired and the remainder to other assets acquired and liabilities assumed as part of the acquisition.

The goodwill primarily includes synergies expected to result from combining operations and is deductible for tax purposes. The intangible assets are comprised of \$36.4 million of bank relationships and \$19.4 million of advisor relationships, which were valued using the income approach and are included in the Advisor and enterprise relationships line item in Note 7 - *Goodwill and Other Intangibles, Net*. The fair value determination of bank and advisor relationships required the Company to make significant estimates and assumptions related to future net cash flows and discount rates.

***Other Acquisitions***

During the three months ended March 31, 2023, the Company also allocated \$118.1 million to intangible assets acquired under its Liquidity & Succession solution and as part of the acquisition of Boenning & Scattergood's Private Client Group on January 31, 2023. These transactions include potential contingent payments of up to \$75.4 million, which may become payable over the next five years. The Company has not recognized a liability for these contingent payments as the amounts to be paid will be uncertain until a future measurement date. See Note 7 - *Goodwill and Other Intangibles, Net*, for additional information.

**NOTE 5 - FAIR VALUE MEASUREMENTS**

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants at the measurement date. Inputs used to measure fair value are prioritized within a three-level fair value hierarchy. This hierarchy requires entities to maximize the use of observable inputs and minimize the use of unobservable inputs. The three levels of inputs used to measure fair value are as follows:

*Level 1* — Quoted prices in active markets for identical assets or liabilities.

*Level 2* — Observable inputs other than quoted prices included in Level 1, such as quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

*Level 3* — Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities. This includes certain pricing models, discounted cash flow methodologies and similar techniques that use significant unobservable inputs.

There have been no transfers of assets or liabilities between these fair value measurement classifications during the three months ended March 31, 2023 or 2022.

The Company's fair value measurements are evaluated within the fair value hierarchy, based on the nature of inputs used to determine the fair value at the measurement date. At March 31, 2023 and December 31, 2022, the Company had the following financial assets and liabilities that are measured at fair value on a recurring basis:

*Cash Equivalents* — The Company's cash equivalents include money market funds and U.S. government obligations, which are short term in nature with readily determinable values derived from active markets.

**LPL FINANCIAL HOLDINGS INC. AND SUBSIDIARIES**  
**Notes to Condensed Consolidated Financial Statements (Unaudited)**

*Cash Equivalents Segregated Under Federal or Other Regulations* — The Company's cash equivalents segregated under federal or other regulations include U.S. treasury bills, which are short term in nature with readily determinable values derived from active markets.

*Trading Securities and Securities Sold, But Not Yet Purchased* — The Company's trading securities consist of house account model portfolios established and managed for the purpose of benchmarking the performance of its fee-based advisory platforms and temporary positions resulting from the processing of client transactions.

The Company uses prices obtained from independent third-party pricing services to measure the fair value of its trading securities. Prices received from the pricing services are validated using various methods including comparison to prices received from additional pricing services, comparison to available quoted market prices and review of other relevant market data including implied yields of major categories of securities. In general, these quoted prices are derived from active markets for identical assets or liabilities. When quoted prices in active markets for identical assets and liabilities are not available, the quoted prices are based on similar assets and liabilities or inputs other than the quoted prices that are observable, either directly or indirectly. For negotiable certificates of deposit and treasury securities, the Company utilizes market-based inputs, including observable market interest rates that correspond to the remaining maturities or the next interest reset dates. At March 31, 2023 and December 31, 2022, the Company did not adjust prices received from the independent third-party pricing services.

*Other Assets* — The Company's other assets include: (1) deferred compensation plan assets that are invested in life insurance, money market and other mutual funds, which are actively traded and valued based on quoted market prices; and (2) certain non-traded real estate investment trusts and auction rate notes, which are valued using quoted prices for identical or similar securities and other inputs that are observable or can be corroborated by observable market data.

*Fractional Shares* — The Company's investment in fractional shares held by customers is reflected in other assets while the related purchase obligation for such shares is reflected in other liabilities. The Company uses prices obtained from independent third-party pricing services to measure the fair value of its investment in fractional shares held by customers and the related repurchase obligation. Prices received from the pricing services are validated using various methods including comparison to prices received from additional pricing services, comparison to available quoted market prices and review of other relevant market data including implied yields of major categories of securities. At March 31, 2023 and December 31, 2022, the Company did not adjust prices received from the independent third-party pricing services.

*Accounts Payable and Accrued Liabilities* — The Company's accounts payable and accrued liabilities include contingent consideration liabilities that are measured using Level 3 inputs.

### **Level 3 Recurring Fair Value Measurements**

The Company determines the fair value for its contingent consideration obligations using a scenario-based approach whereby the Company assesses the forecasted assets under management or number of future transactions. The contingent payments are estimated by applying assumptions, including forecasted volatility and discount rates, to the forecasted payments to calculate the fair value as of the valuation date. The Company evaluates the underlying projections and other related factors used in determining fair value each period and makes updates when there have been significant changes in management's expectations.

(3) Borrowings bear interest at a rate per annum of 125 basis points over SOFR plus 10 basis points or 25 basis points over the alternate base rate (PRIME rate).

The following table presents amounts outstanding and available under the Company's external lines of credit at March 31, 2023 (in millions):

**Credit Agreement**

On March 13, 2023, LPLFH and LPLH entered into a sixth amendment agreement to the Company's amended and restated credit agreement ("Credit Agreement"), which, among other things, replaced LIBOR with SOFR. The Credit Agreement subjects the Company to certain financial and non-financial covenants. As of March 31, 2023, the Company was in compliance with such covenants.

**Parent Revolving Credit Facility**

Borrowings under the revolving credit facility bear interest at a rate per annum ranging from 125 to 175 basis points over SOFR plus 10 basis points or 25 to 75 basis points over the alternate base rate (the greatest of (i) the NYFRB Rate plus 1/2 of 1%, (ii) the Prime Rate and (iii) the Adjusted Term SOFR Rate for a one month Interest Period plus 1%, each as defined in the Credit Agreement) depending on the Consolidated Secured Debt to Consolidated EBITDA Ratio (as defined in the Credit Agreement).

**Notes to Condensed Consolidated Financial Statements (Unaudited)**

*Broker-Dealer Revolving Credit Facility*

On August 4, 2022, LPL Financial, the Company's broker-dealer subsidiary, entered into a committed senior unsecured revolving credit facility that matures on August 3, 2023 and allows for a maximum borrowing of up to \$1.0 billion. This revolving credit facility replaced the \$300.0 million credit facility that was due to mature on July 31, 2024. Borrowings under the credit facility bear interest at a rate per annum equal to 1.25% per annum plus the greatest of (i) SOFR plus 0.10%, (ii) the effective federal funds rate and (iii) the overnight bank funding rate, in each case, as such rate is administered or determined by the Federal Reserve Bank of New York from time to time. In connection with the credit facility, LPL Financial incurred \$1.9 million in costs, which were capitalized as debt issuance costs in the condensed consolidated statements of financial condition. The broker-dealer credit agreement subjects LPL Financial to certain financial and non-financial covenants. LPL Financial was in compliance with such covenants as of March 31, 2023.

*Other External Lines of Credit*

LPL Financial maintained five uncommitted lines of credit as of March 31, 2023. Two of the lines have unspecified limits, which are primarily dependent on LPL Financial's ability to provide sufficient collateral. The other three lines have a total limit of \$200.0 million, which allow for uncollateralized borrowings. There were no balances outstanding under these lines at March 31, 2023 or December 31, 2022.

**NOTE 10 - COMMITMENTS AND CONTINGENCIES**

***Service and Development Contracts***

The Company is party to certain long-term contracts for systems and services that enable back-office trade processing and clearing for its product and service offerings.

***Guarantees***

The Company occasionally enters into contracts that contingently require it to indemnify certain parties against third-party claims. The terms of these obligations vary and, because a maximum obligation is not explicitly stated, the Company has determined that it is not possible to make an estimate of the amount that it could be obligated to pay under such contracts.

LPL Financial provides guarantees to securities clearing houses and exchanges under their standard membership agreements, which require a member to guarantee the performance of other members. Under these agreements, if a member becomes unable to satisfy its obligations to the clearing houses and exchanges, all other members would be required to meet any shortfall. The Company's liability under these arrangements is not quantifiable and could exceed the cash and securities it has posted as collateral. However, the potential requirement for the Company to make payments under these agreements is remote. Accordingly, no liability has been recognized for these transactions.

***Loan Commitments***

From time to time, LPL Financial makes loans to advisors and enterprises, primarily to newly recruited advisors and enterprises to assist in the transition process, which may be forgivable. Due to timing differences, LPL Financial may make commitments to issue such loans prior to actually funding them. These commitments are generally contingent upon certain events occurring, including but not limited to the advisor or enterprise joining LPL Financial. LPL Financial had no significant unfunded loan commitments at March 31, 2023 or December 31, 2022.

***Legal and Regulatory Matters***

The Company is subject to extensive regulation and supervision by U.S. federal and state agencies and various self-regulatory organizations. The Company and its advisors periodically engage with such agencies and organizations, in the context of examinations or otherwise, to respond to inquiries, informational requests and investigations. From time to time, such engagements result in regulatory complaints or other matters, the resolution of which has in the past and may in the future include fines, customer restitution and other remediation. Assessing the probability of a loss occurring and the timing and amount of any loss related to a legal proceeding or regulatory matter is inherently difficult. While the Company exercises significant and complex judgments to make certain estimates presented in its condensed consolidated financial statements, there are particular uncertainties and complexities involved when assessing the potential outcomes of legal proceedings and regulatory matters. The

**LPL FINANCIAL HOLDINGS INC. AND SUBSIDIARIES**  
**Notes to Condensed Consolidated Financial Statements (Unaudited)**

Company's assessment process considers a variety of factors and assumptions, which may include: the procedural status of the matter and any recent developments; prior experience and the experience of others in similar matters; the size and nature of potential exposures; available defenses; the progress of fact discovery; the opinions of counsel and experts; or the potential opportunities for settlement and the status of any settlement discussions. The Company monitors these factors and assumptions for new developments and re-assesses the likelihood that a loss will occur and the estimated range or amount of loss, if those amounts can be reasonably determined. The Company has established an accrual for those legal proceedings and regulatory matters for which a loss is both probable and the amount can be reasonably estimated.

In October 2022, the Company received a request for information from the SEC in connection with an investigation of the Company's compliance with records preservation requirements for business-related electronic communications stored on personal devices or messaging platforms that have not been approved by the Company. The Company intends to cooperate fully with the SEC's inquiry. The Company has estimated that it is reasonably possible that it could incur losses as a result of this request; however, the Company cannot estimate a possible loss or range of loss at this time. At this time, the Company does not believe that this request will have a material adverse effect on its results of operations, financial position or cash flows.

#### *Third-Party Insurance*

The Company maintains third-party insurance coverage for certain potential legal proceedings, including those involving certain client claims. With respect to such client claims, the estimated losses on many of the pending matters are less than the applicable deductibles of the insurance policies.

#### *Self-Insurance*

The Company has self-insurance for certain potential liabilities through the Captive Insurance Subsidiary. Liabilities associated with the risks that are retained by the Company are not discounted and are estimated by considering, in part, historical claims experience, severity factors, and actuarial assumptions and estimates. The estimated accruals for these potential liabilities could be significantly affected if future occurrences and claims differ from such assumptions and historical trends, so there are particular complexities and uncertainties involved when assessing the adequacy of loss reserves for potential liabilities that are self-insured. Self-insurance liabilities are included in accounts payable and accrued liabilities in the condensed consolidated statements of financial condition. Self-insurance related charges are included in other expense in the condensed consolidated statements of income.

The following table provides a reconciliation of the beginning and ending balances of self-insurance liabilities for the periods presented (in thousands):

	<b>Three Months Ended March 31,</b>	
	<b>2023</b>	<b>2022</b>
Beginning balance — January 1	\$ 74,071	\$ 67,152

Losses paid	(5,725)	(7,864)
Ending balance — March 31	<u>\$ 77,393</u>	<u>\$ 68,414</u>

#### *Other Commitments*

As of March 31, 2023, the Company had approximately \$475.7 million of client margin loans that were collateralized with securities having a fair value of approximately \$666.0 million that LPL Financial can repledge, loan or sell. Of these securities, approximately \$190.8 million were client-owned securities pledged to the Options Clearing Corporation as collateral to secure client obligations related to options positions. As of March 31, 2023, there were no restrictions that materially limited the Company's ability to repledge, loan or sell the remaining \$475.2 million of client collateral.

Investment securities on the condensed consolidated statements of financial condition include \$4.4 million and \$4.5 million of trading securities pledged to the Options Clearing Corporation at March 31, 2023 and December 31, 2022, respectively, and \$19.7 million and \$19.9 million of trading securities pledged to the National Securities Clearing Corporation at March 31, 2023 and December 31, 2022, respectively.

**NOTE 11 - STOCKHOLDERS' EQUITY**
**Dividends**

The payment, timing, and amount of any dividends are subject to approval by the Company's Board of Directors (the "Board") as well as certain limits under the Credit Agreement and the indentures governing the Company's senior unsecured notes (the "Indentures"). Cash dividends per share of common stock and total cash dividends paid on a quarterly basis were as follows (in millions, except per share data):

	2023		2022	
	Dividend per Share	Total Cash Dividend	Dividend per Share	Total Cash Dividend
First quarter	\$ 0.30	\$ 23.6	\$ 0.25	\$ 20.0

**Share Repurchases**

The Company engages in a share repurchase program that was approved by the Board, pursuant to which the Company may repurchase its issued and outstanding shares of common stock from time to time. Repurchased shares are included in treasury stock on the condensed consolidated statements of financial condition.

During the three months ended March 31, 2023 the Company repurchased 1,205,862 shares of common stock at a weighted-average price of \$228.07 for a total of \$275.0 million. As of March 31, 2023, the Company had \$1.7 billion remaining under the existing share repurchase program. Future share repurchases may be effected in open market or privately negotiated transactions, including transactions with affiliates, with the timing of purchases and the amount of stock purchased generally determined at the discretion of the Company within the constraints of the Credit Agreement, the Indentures and the Company's general working capital needs.

**NOTE 12 - SHARE-BASED COMPENSATION**

In May 2021, the Company adopted its 2021 Omnibus Equity Incentive Plan (the "2021 Plan"), which provides for the granting of stock options, warrants, restricted stock awards, restricted stock units, deferred stock units, performance stock units and other equity-based compensation to the Company's employees, non-employee directors and other service providers. The 2021 Plan serves as the successor to the Company's 2010 Omnibus Equity Incentive Plan (the "2010 Plan"). Following the adoption of the 2021 Plan, the Company is no longer making grants under the 2010 Plan, and the 2021 Plan is the only plan under which equity awards are granted. However, awards previously granted under the 2010 Plan will remain outstanding until vested, exercised or forfeited, as applicable.

There were 17,754,197 shares authorized for grant under the 2021 Plan and 12,800,659 shares remaining available for future issuance at March 31, 2023.

As of March 31, 2023, there was no unrecognized compensation cost related to non-vested stock options as the remaining share-based compensation expense was recognized during the three months ended March 31, 2022.

#### **Restricted Stock and Stock Units**

The following summarizes the Company's activity in its restricted stock awards and stock units, which include restricted stock units, deferred stock units and performance stock units, as of and for the three months ended March 31, 2023:

(1) Includes 82,322 vested and undistributed deferred stock units.

The Company grants restricted stock awards and deferred stock units to its directors and restricted stock units and performance stock units to its employees and officers. Restricted stock awards and stock units must vest or are subject to forfeiture; however, restricted stock awards are included in shares outstanding upon grant and have the same dividend and voting rights as the Company's common stock. The Company recognized \$16.2 million and \$11.9 million of share-based compensation expense related to the vesting of these restricted stock awards and stock units during the three months ended March 31, 2023 and 2022, respectively. As of March 31, 2023, total unrecognized compensation cost for restricted stock awards and stock units was \$115.3 million, which is expected to be recognized over a weighted-average remaining period of 2.36 years.

The Company also grants restricted stock units to its advisors and to enterprises. The Company recognized share-based compensation expense of \$0.7 million and \$0.6 million related to the vesting of these awards during the three months ended March 31, 2023 and 2022, respectively. As of March 31, 2023, total unrecognized compensation cost for restricted stock units granted to advisors and enterprises was \$4.4 million, which is expected to be recognized over a weighted-average remaining period of 1.97 years.

**Notes to Condensed Consolidated Financial Statements (Unaudited)**

**NOTE 13 - EARNINGS PER SHARE**

Basic earnings per share is computed by dividing net income available to common stockholders by the weighted-average number of shares of common stock outstanding during the period. The computation of diluted earnings per share is similar to the computation of basic earnings per share, except that the denominator is increased to include the number of additional shares of common stock that would have been outstanding if dilutive potential shares of common stock had been issued. The calculation of basic and diluted earnings per share for the periods noted was as follows (in thousands, except per share data):

	Three Months Ended March 31,	
	2023	2022
Net income	\$ 338,884	\$ 133,744
Basic weighted-average number of shares outstanding	78,750	79,976
Dilutive common share equivalents	1,224	1,596
Diluted weighted-average number of shares outstanding	79,974	81,572
Basic earnings per share	\$ 4.30	\$ 1.67
Diluted earnings per share	\$ 4.24	\$ 1.64

The computation of diluted earnings per share excludes stock options, warrants and stock units that are anti-dilutive. For the three months ended March 31, 2023 and 2022, stock options, warrants and stock units representing common share equivalents of 75,416 shares and 60,275 shares, respectively, were anti-dilutive.

**NOTE 14 - NET CAPITAL AND REGULATORY REQUIREMENTS**

The Company's broker-dealer subsidiaries are subject to the SEC's Uniform Net Capital Rule (Rule 15c3-1 under the Exchange Act), which requires the maintenance of minimum net capital. The net capital rules also provide that a broker-dealer's capital may not be withdrawn if the resulting net capital would be less than minimum requirements. Additionally, certain withdrawals require the approval of the SEC and the Financial Industry Regulatory Authority ("FINRA") to the extent they exceed defined levels, even though such withdrawals would not cause net capital to be less than minimum requirements. Net capital and the related net capital requirement may fluctuate on a daily basis.

The following table presents the net capital position of the Company's primary broker-dealer subsidiary (in thousands):

	March 31, 2023
<b>LPL Financial LLC</b>	
Net capital	\$ 236,393
Less: required net capital	14,941
Excess net capital	\$ 221,452

The Company's subsidiary, PTC, also operates in a highly regulated industry and is subject to various regulatory capital requirements. Failure to meet minimum capital requirements can initiate certain mandatory and possible additional discretionary actions by regulators that, if undertaken, could have substantial monetary and non-monetary impacts on PTC's operations.

As of March 31, 2023, LPL Financial and PTC met all capital adequacy requirements to which they were subject.

**Notes to Condensed Consolidated Financial Statements (Unaudited)**

**NOTE 15 - FINANCIAL INSTRUMENTS WITH OFF-BALANCE SHEET CREDIT RISK  
AND CONCENTRATIONS OF CREDIT RISK**

LPL Financial may offer loans to new and existing advisors and enterprises to facilitate their relationship with LPL Financial, transition to LPL Financial's platform or fund business development activities. LPL Financial may incur losses if advisors or enterprises do not fulfill their obligations with respect to these loans. To mitigate this risk, LPL Financial evaluates the performance and creditworthiness of the advisor or enterprise prior to offering repayable loans.

LPL Financial's client securities activities are transacted on either a cash or margin basis. In margin transactions, LPL Financial extends credit to the advisor's client, subject to various regulatory and internal margin requirements, which is collateralized by cash and securities in the client's account. As clients write options contracts or sell securities short, LPL Financial may incur losses if the clients do not fulfill their obligations and the collateral in the clients' accounts is not sufficient to fully cover losses that clients may incur from these strategies. To control this risk, LPL Financial monitors margin levels daily and clients are required to deposit additional collateral, or reduce positions, when necessary.

LPL Financial is obligated to settle transactions with brokers and other financial institutions even if its advisors' clients fail to meet their obligation to LPL Financial. Clients are required to complete their transactions on the settlement date, generally two business days after the trade date. If clients do not fulfill their contractual obligations, LPL Financial may incur losses. In addition, the Company occasionally enters into certain types of contracts to fulfill its sale of when-issued securities. When-issued securities have been authorized but are contingent upon the actual issuance of the security. LPL Financial has established procedures to reduce this risk by generally requiring that clients deposit cash or securities into their account prior to placing an order.

LPL Financial may at times hold equity securities on both a long and short basis that are recorded on the condensed consolidated statements of financial condition at market value. While long inventory positions represent LPL Financial's ownership of securities, short inventory positions represent obligations of LPL Financial to deliver specified securities at a contracted price, which may differ from market prices prevailing at the time of completion of the transaction. Accordingly, both long and short inventory positions may result in losses or gains to LPL Financial as market values of securities fluctuate. To mitigate the risk of losses, long and short positions are marked-to-market daily and are continuously monitored by LPL Financial.

**NOTE 16 - SUBSEQUENT EVENTS**

The Company's Board declared a cash dividend of \$0.30 per share on the Company's outstanding common stock to be paid on June 1, 2023 to all stockholders of record on May 18, 2023.

### Item 3. Quantitative and Qualitative Disclosures About Market Risk

#### Market Risk

We maintain trading securities and securities sold, but not yet purchased in order to facilitate client transactions, to meet a portion of our clearing deposit requirements at various clearing organizations, to track the performance of our research models and in connection with our dividend reinvestment program. Trading securities are included in investment securities while securities sold, but not yet purchased are included in other liabilities on the condensed consolidated statements of financial condition and can include mutual funds, money market funds, debt securities and equity securities. We enter into market risk sensitive instruments for purposes other than trading, which are included in other assets on the condensed consolidated statements of financial condition and can include deferred compensation plan assets invested in life insurance, money market and other mutual funds, investments in fractional shares held by customers, and other non-traded real estate investment trusts and auction rate notes. Changes in the value of our market risk sensitive instruments may result from fluctuations in interest rates, credit ratings of the issuer, equity prices or a combination of these factors.

In facilitating client transactions, our trading securities and securities sold, but not yet purchased generally involve mutual funds, including dividend reinvestments. Our positions held are based upon the settlement of client transactions, which are monitored by our Trading and Operations departments.

Positions held to meet clearing deposit requirements consist of U.S. government securities and equity securities. The amount of securities deposited depends upon the requirements of the clearing organization. The level of securities deposited is monitored by the settlements group within our Trading and Operations departments.

Our Research department develops model portfolios that are used by advisors in developing client portfolios. We maintain trading securities in internal accounts based on these model portfolios to track the performance of our Research department. At the time a portfolio is developed, we purchase the securities in that model portfolio in an amount equal to the account minimum, which varies by product.

In addition, we are subject to market risk resulting from operational risk events, which can require customer trade corrections. We also bear market risk on the fees we earn that are based on the market value of advisory and brokerage assets, as well as assets on which trailing commissions are paid and assets eligible for sponsor payments.

As of March 31, 2023, the fair value of our trading securities was \$36.7 million and securities sold, but not yet purchased were not material. The fair value of market risk sensitive instruments entered into for other than trading purposes included within other assets was \$670.7 million as of March 31, 2023. See Note 5 - *Fair Value Measurements*, within the notes to the condensed consolidated financial statements for information regarding the fair value of trading securities; securities sold, but not yet purchased; and other assets associated with our client facilitation activities.

#### Interest Rate Risk

We are exposed to risk associated with changes in interest rates. As of March 31, 2023, \$1.2 billion of our outstanding debt was subject to floating interest rate risk. While our senior secured term loan is subject to increases in interest rates, we do not believe that a short-term change in interest rates would have a material impact on our net income given revenue generated by our client cash balances, which is generally subject to the same, but off-setting, interest rate risk.

The following table summarizes the impact of increasing interest rates on our interest expense from the variable portion of our debt outstanding, calculated using the projected average outstanding balance over the subsequent twelve-month period (in thousands):

Corporate Debt and Other Borrowings	Outstanding Balance at March 31, 2023	Annual Impact of an Interest Rate <sup>(†)</sup> Increase of			
		10 Basis Points	25 Basis Points	50 Basis Points	100 Basis Points
Term Loan B	\$ 1,035,225	\$ 1,029	\$ 2,571	\$ 5,143	\$ 10,285
Revolving Credit Facility	135,000	135	338	675	1,350
Variable Rate Debt Outstanding	\$ 1,170,225	\$ 1,164	\$ 2,909	\$ 5,818	\$ 11,635

(†) Our interest rate for our Term Loan B is locked in for one, two, three, six or twelve months as allowed under the Credit Agreement. At the end of the selected periods, the rates will be locked in at the then current rate. The effect of these interest rate locks are not included in the table above.

See Note 9 - *Corporate Debt and Other Borrowings, Net* within the notes to the condensed consolidated financial statements for additional information.

We offer our advisors and their clients two FDIC insured bank sweep vehicles and a client cash account (“CCA”) that are interest rate sensitive. Our FDIC insured sweep vehicles include an (1) insured cash account (“ICA”) for individuals, trusts, sole proprietorships and entities organized or operated to make a profit, such as corporations, partnerships, associations, business trusts and other organizations and (2) an insured deposit cash account (“DCA”) for advisory individual retirement accounts. Clients earn interest on deposits in the ICA and the DCA while we earn a fee. The fees we earn from cash held in the ICA are based primarily on prevailing interest rates in the current interest rate environment. The fees we earn from the DCA are calculated as a per account fee, and such fees increase as the federal funds target rate increases, subject to a cap.

The Company places ICA sweep overflow into the CCA. These deposits are either used to fund client margin lending or placed in third-party bank or investment accounts, both of which are segregated under federal or other regulations, where they are held as cash or invested in short-term U.S. treasury bills. We earn interest income on these bank deposits and investments in short-term U.S. treasury bills and pay interest to clients on these CCA balances, which are sensitive to prevailing interest rates. This interest income and expense is included in interest income, net in the condensed consolidated statements of income. Changes in interest rates and fees for the deposit sweep vehicles are monitored by our Rate Setting Committee (the “RSC”), which governs and approves any changes to our fees. By meeting promptly around the time of Federal Open Market Committee meetings, or for other market or non-market reasons, the RSC considers financial risk of the deposit sweep vehicles relative to other products into which clients may move cash balances.

### Credit Risk

Credit risk is the risk of loss due to adverse changes in a borrower’s, issuer’s or counterparty’s ability to meet its financial obligations under contractual or agreed upon terms. We are subject to credit risk from certain loans extended to advisors and enterprises when we extend loans with repayment terms to facilitate advisors’ and enterprises’ transition to our platform or to fund business development activities. We are also subject to credit risk when a forgivable loan to an advisor or enterprise converts to repayable upon advisor termination or change in agreed upon terms.

Credit risk arises when collateral posted with LPL Financial by clients to support margin lending or derivative trading is insufficient to meet clients’ contractual obligations to LPL Financial. Our credit exposure in these transactions consists primarily of margin accounts, through which we extend credit to advisors’ clients collateralized by securities in the clients’ accounts. Under many of these agreements, we are permitted to sell, repledge or loan these securities held as collateral and use these securities to enter into securities lending arrangements or to deliver to counterparties to cover short positions.

As our advisors execute margin transactions on behalf of their clients, we may incur losses if clients do not fulfill their obligations, the collateral in the clients’ accounts is insufficient to fully cover losses from such investments and our advisors fail to reimburse us for such losses. Our losses on margin accounts were immaterial during the three months ended March 31, 2023 and 2022. We monitor exposure to industry sectors and individual securities and perform analyses on a regular basis in connection with our margin lending activities. We adjust our margin requirements if we believe our risk exposure is not appropriate based on market conditions.

We are subject to concentration risk if we extend large loans to or have large commitments with a single counterparty, borrower or group of similar counterparties or borrowers, or if we accept a concentrated position as

collateral for a margin loan. Receivables from and payables to clients and stock borrowing and lending activities are conducted with a large number of clients and counterparties and potential concentration is monitored. We seek to limit this risk through review of the underlying business and the use of limits established by senior management taking into consideration factors including current market conditions, the financial strength of the counterparty, the size of the position or commitment, the expected duration of the position or commitment and other positions or commitments outstanding.

#### Item 4. Controls and Procedures

Based on that evaluation, the Chief Executive Officer and Chief Financial Officer concluded that our disclosure controls and procedures as of the end of the period covered by this report were effective.

This SIXTH AMENDMENT (this “Agreement”), dated as of March 13, 2023, is made by and among LPL HOLDINGS, INC., a Massachusetts corporation (the “Borrower”), LPL FINANCIAL HOLDINGS INC., a Delaware corporation (“Holdings”), each subsidiary of the Borrower listed on the signature pages hereto (the “Subsidiary Guarantors”; the Subsidiary Guarantors, together with Holdings, the “Guarantors”; and the Guarantors, together with the Borrower, the “Credit Parties”) and JPMORGAN CHASE BANK, N.A. (“JPMorgan”), as administrative agent for the Lenders under the Amended Credit Agreement (as defined below) (the “Administrative Agent”).

### RECITALS

WHEREAS, the Borrower, the Guarantors, the lenders from time to time party thereto (the “Lenders”), and JPMorgan Chase Bank, N.A., as Administrative Agent and collateral agent, are party to that certain Amended Credit Agreement, dated as of March 20, 2017 (as amended by that certain Amendment Agreement, dated as of June 20, 2017, as amended by that certain Second Amendment, dated as of September 21, 2017, as amended by that certain Third Amendment, dated as of April 25, 2019, as amended by that certain Fourth Amendment, dated as of November 12, 2019, as amended by that certain Fifth Amendment, dated as of March 15, 2021 and as may be otherwise amended, restated, amended and restated, extended, supplemented or otherwise modified in writing from time to time prior to the date hereof, the “Credit Agreement”, and as further amended by this Agreement, the “Amended Credit Agreement”); and

WHEREAS, certain loans, commitments and/or other extensions of credit (the “Loans”) under the Credit Agreement denominated in U.S. Dollars incur or are permitted to incur interest, fees or other amounts based on the London Interbank Offered Rate as administered by the ICE Benchmark Administration (“LIBOR”) in accordance with the terms of the Credit Agreement;

WHEREAS, the Administrative Agent has determined that the circumstances set forth in Section 2.10(e)(ii) have occurred, and pursuant to Section 2.10(e) of the Credit Agreement, the Administrative Agent and the Borrower have determined in accordance with the Credit Agreement that LIBOR should be replaced with the Adjusted Term SOFR Rate (as defined in the Amended Credit Agreement) for all purposes under the Credit Agreement and any other Credit Document and such changes shall become effective after 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the date notice of such rate replacement is provided to the Lenders (such time, the Objection Deadline”), so long as the Administrative Agent has not received, by such time, written notice of objection to such replacement rate from Lenders comprising the Required Revolving Lenders and the Required Term Lenders.

NOW, THEREFORE, in consideration of the premises and the mutual covenants contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. Defined Terms. Capitalized terms used herein but not otherwise defined herein shall have the meanings provided to such terms in the Credit Agreement, as amended by this Agreement.

2. Agreement. Pursuant to Section 2.10(e) of the Credit Agreement, and subject to the satisfaction of the conditions precedent set forth in Section 4 hereof, effective on and as of the Sixth Amendment Effective Date, each of the parties hereto agrees that the Credit Agreement is hereby amended to delete the stricken text (indicated textually in the same manner as the following example: ~~stricken text~~) and to add the double-underlined text (indicated textually in the same manner as the following example: double-underlined text) as set forth in the pages attached as Exhibit A hereto; provided that if any Eurodollar Borrowing is outstanding on the Sixth Amendment Effective Date, such Borrowing shall continue to accrue interest based on the Eurodollar Rate (as defined in the Credit Agreement immediately prior to the Sixth Amendment Effective Date) until the end of the Interest Period applicable to such Borrowing (and references to “Eurodollar Loans”, “Eurodollar Borrowings” and the “LIBOR Rate” in the Credit Agreement immediately prior to the Sixth Amendment Effective Date shall

continue to apply to such Borrowings until the end of such Interest Period); provided, further, that on and after the Sixth Amendment Effective Date, the Borrowers shall not be entitled to request any new Eurodollar Borrowing or the continuation of any existing Eurodollar Borrowing.

3. Payment of Expenses. The Borrower agrees to pay on demand all reasonable and documented out-of-pocket costs and expenses of the Administrative Agent in connection with the preparation, execution and delivery of this Agreement and any other instruments or documents to be delivered hereunder (including, without limitation, the reasonable and documented fees and expenses of counsel for the Administrative Agent) in accordance with the terms of Section 13.5 of the Credit Agreement.

4. Conditions Precedent. This effectiveness of this Agreement is subject to the satisfaction of each of the following conditions (the date of the satisfaction of all such conditions, the "Sixth Amendment Effective Date"):

(a) The Administrative Agent (or its counsel) shall have received from each Credit Party, either (x) a counterpart of this Agreement signed on behalf of such party or (y) written evidence reasonably satisfactory to the Administrative Agent (which may include delivery of a signed signature page of this Agreement by facsimile or other means of electronic transmission (e.g., "pdf")) that such party has signed a counterpart of this Agreement.

(b) The Administrative Agent has not received, by the Objection Deadline, written notice of objection to such applicable Benchmark Replacement or the amendments to the Credit Agreement as provided herein from Lenders comprising the Required Revolving Lenders and the Required Term Lenders.

5. Representations and Warranties. Each Credit Party represents and warrants to the Administrative Agent that, as of the date hereof:

it has duly executed and delivered this Agreement and such Agreement constitutes the legal, valid and binding obligation of such Credit Party enforceable in accordance with its terms, subject to the effects of bankruptcy, insolvency, fraudulent conveyance, reorganization and other similar laws relating to or affecting creditors' rights generally and general principles of equity (whether considered in a proceeding in equity or law);

the execution, delivery and performance by such Credit Party of this Agreement and compliance with the terms and provisions hereof or thereof (i) will not contravene any material applicable provision of any material Applicable Law of any Governmental Authority, (ii) result in any breach of any of the terms, covenants, conditions or provisions of, or constitute a default under, or give rise to any right to accelerate or to require the prepayment, repurchase or redemption of any obligation under, or result in the creation or imposition of (or the obligation to create or impose) any Lien upon any of the property or assets of any of Holdings, the Borrower or any of the Restricted Subsidiaries (other than Liens created under the Credit Documents) pursuant to, the terms of any material indenture, loan agreement, lease agreement, mortgage or deed of trust or any other Contractual Obligation to which Holdings, the Borrower or any of their Restricted Subsidiaries is a party or by which they or any of their property or assets is bound, except to the extent that any such conflict, breach, contravention, default, creation or imposition could not reasonably be expected to result in a Material Adverse Effect or (iii) violate any provision of the Organizational Documents of Holdings, the Borrower or any of their Restricted Subsidiaries; and

at the time of and immediately after the effectiveness of this Agreement, no Default or Event of Default shall have occurred and be continuing.

6. Reference to and Effect on the Credit Documents; Confirmation of Guarantors.

(1) On and after the effectiveness of this Agreement, each reference in the Amended Credit Agreement to "this Agreement", "hereunder", "hereof" or words of like import referring to the

Credit Agreement, shall mean and be a reference to the Credit Agreement, as amended by, and after giving effect to, this Agreement.

(2) Each Credit Document, after giving effect to this Agreement, is and shall continue to be in full force and effect and is hereby in all respects ratified and confirmed, except that, on and after the effectiveness of this Agreement, each reference in each of the Credit Documents (including the Security Agreement and the other Security Documents) to the "Credit Agreement", "thereunder", "thereof" or words of like import referring to the Credit Agreement shall mean and be a reference to the Amended Credit Agreement. Without limiting the generality of the foregoing, the Security Documents and all of the Collateral described therein do and shall continue to secure the payment of all Obligations, including under the Credit Documents, as amended by, and after giving effect to, this Agreement, in each case subject to the terms thereof.

(3) Each Credit Party hereby (i) ratifies and reaffirms all of its payment and performance obligations, contingent or otherwise, under each of the Credit Documents (including, to the extent applicable, as amended by this Agreement) to which it is a party, (ii) ratifies and reaffirms each grant of a lien on, or security interest in, its property made pursuant to the Credit Documents (including, without limitation, the grant of security made by such Credit Party pursuant to the Security Agreement and the other Security Documents) and confirms that such liens and security interests continue to secure the Obligations under the Credit Documents, in each case subject to the terms thereof, and (iii) in the case of each Guarantor, ratifies and reaffirms its guaranty of the Obligations pursuant to its respective Guarantee.

(4) The execution, delivery and effectiveness of this Agreement shall not, except as expressly provided herein, operate as a waiver of any right, power or remedy of any Lender or any Agent under any of the Credit Documents, or constitute a waiver of any provision of any of the Credit Documents or serve to effect a novation of the Obligations.

(5) In the event of any conflict between the terms of this Agreement and the terms of the Credit Agreement or the other Credit Documents, the terms hereof shall control.

7. Governing Law; Waiver of Jury Trial.

(a) THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

(b) EACH PARTY HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER CREDIT DOCUMENT AND FOR ANY COUNTERCLAIM THEREIN.

8. Amendments; Headings; Severability. This Agreement may not be amended nor may any provision hereof be waived except in accordance with the Credit Agreement. The Section headings used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting this Agreement. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

9. Execution in Counterparts. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute but one and the same agreement. The words "execution," "signed," "signature," "delivery," and words of like import in or relating to this Agreement and/or any document to be signed in connection with this Agreement and the transactions contemplated hereby shall be deemed to include Electronic Signatures (as defined below),

deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be. “Electronic Signatures” means any electronic symbol or process attached to, or associated with, any contract or other record and adopted by a person with the intent to sign, authenticate or accept such contract or record.

Notwithstanding anything to the contrary herein, in the event an item of Indebtedness (or any portion thereof) is incurred or issued, any Lien is incurred or other transaction is undertaken in reliance on an Incurrence-Based Basket, such Incurrence-Based Basket shall be calculated without regard to the incurrence of any Revolving Credit Loans or any other revolving credit loans prior to or in connection therewith (except that, with respect to any Incremental Revolving Credit Commitments being established under the Incurrence-Based Incremental Amount, the Incurrence-Based Incremental Amount shall be calculated assuming, solely at the time of establishment of such Incremental Revolving Credit Commitments, a borrowing of the maximum amount of Loans thereunder and under all other previously incurred and then outstanding Incremental Revolving Credit Commitments (except to the extent that such Incremental Revolving Credit Commitments refinanced or replaced all or any portion of the Revolving Credit Commitments outstanding prior to such date)).

xv. Notwithstanding anything in this Agreement or any Credit Document to the contrary, when (a) calculating any applicable ratio, basket, Consolidated Total Assets, Consolidated Net Income or Consolidated EBITDA in connection with the incurrence of Indebtedness, the issuance of Disqualified Capital Stock or preferred stock, the creation of Liens, the making of any Disposition, the making of an Investment, the making of a Dividend, the designation of a Subsidiary as a Restricted Subsidiary or an Unrestricted Subsidiary or the repayment of Indebtedness, Disqualified Capital Stock or preferred stock, (b) determining compliance with any provision of this Agreement which requires that no Default or Event of

Default has occurred, is continuing or would result therefrom, (c) determining compliance with any provision of this Agreement which requires compliance with any representations and warranties set forth herein or (d) determining the satisfaction of all other conditions precedent to the incurrence of Indebtedness, the issuance of Disqualified Capital Stock or preferred stock, the creation of Liens, the making of any Disposition, the making of an Investment, the making of a Dividend, the designation of a Subsidiary as a Restricted Subsidiary or an Unrestricted Subsidiary or the repayment of Indebtedness, Disqualified Capital Stock or preferred stock, in each case in connection with a Limited Condition Transaction, the date of determination of such ratio, basket or other provisions, determination of whether any Default or Event of Default has occurred, is continuing or would result therefrom, determination of compliance with any representations or warranties or the satisfaction of any other conditions shall, at the option of the Borrower (the Borrower's election to exercise such option in connection with any Limited Condition Transaction, an "LCT Election"), be the LCT Test Date, and, if after giving Pro Forma Effect to the Limited Condition Transaction and the other transactions to be entered into in connection therewith as if they had occurred at the beginning of the most recent Test Period ending prior to the LCT Test Date (or, in the case of any incurrence or repayment of Indebtedness (except in the case of the Consolidated EBITDA to Consolidated Interest Expense Ratio (or similar ratio)), as if incurred (or repaid, as applicable) on the last day of the applicable Test Period), the Borrower could have consummated such Limited Condition Transaction on the relevant LCT Test Date in compliance with such ratio, basket or other provision, such ratio, basket or other provision shall be deemed to have been complied with; provided that (i) if financial statements for one or more subsequent fiscal quarters shall have become available, the Borrower may elect, in its sole discretion, to re-determine all such ratios, tests or baskets on the basis of such financial statements, in which case, such date of redetermination shall thereafter be deemed to be the applicable LCT Test Date for such ratios, tests or baskets and (ii) such ratios, baskets and other provisions shall not be tested at the time of consummation of such Limited Condition Transaction. For the avoidance of doubt, if, following the LCT Test Date, any of such ratios, baskets or other provisions are exceeded or breached as a result of fluctuations in such ratio or basket (including due to fluctuations in Consolidated Total Assets, Consolidated EBITDA or other components of such ratio or basket) or other provision at or prior to the consummation of the relevant Limited Condition Transaction, such ratios, baskets and other provisions will not be deemed to have been failed to have been satisfied or exceeded, respectively, as a result of such fluctuations solely for purposes of determining whether the Limited Condition Transaction and related transactions are permitted hereunder. If the Borrower has made an LCT Election for any Limited Condition Transaction, then in connection with any subsequent calculation of any ratio, basket or other provision (other than for purposes of (i) testing actual compliance with Sections 10.9 and 10.10 or (ii) determining the Applicable Margin or the Commitment Fee Rate) on or following the relevant LCT Test Date and prior to the earlier of (i) the date on which such Limited Condition Transaction is consummated or (ii) the date that the definitive agreement for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction, any such ratio, basket or other provision shall be calculated on a Pro Forma Basis assuming such Limited Condition Transaction and other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) have been consummated until such time as the applicable Limited Condition Transaction has actually closed or the definitive agreement with respect thereto has been terminated or expired.

xvi. In the event that any Lien, Investment, Indebtedness, Dividend or payment in respect of Subordinated Debt (whether at the time of incurrence or upon application of all or a portion of the proceeds thereof) meets the criteria of one or more than one of the "baskets" or categories of transactions permitted pursuant to any clause or subsection of Article II or Article X, such transaction (or portion thereof) at any time shall be permitted under one or more of such clauses or subsections at the time of such transaction or any later time, in each case, as determined by the Borrower in its sole discretion at such time and the Borrower may, in its sole

discretion, classify and reclassify or later divide, classify or reclassify such Lien, Investment, Indebtedness, Dividend or payment in respect of Subordinated Debt (or any portion thereof) among such clauses in any manner not expressly prohibited by this Agreement.

c. Accounting Terms.

i. All accounting terms not specifically or completely defined herein shall be construed in conformity with, and all financial data (including financial ratios and other financial calculations) required to be submitted pursuant to this Agreement shall be prepared in conformity with, GAAP, applied in a manner consistent with that used in preparing the Historical Financial Statements, except as otherwise specifically prescribed herein; provided that if the Borrower notifies the Administrative Agent that the Borrower requests an amendment to any provision hereof to eliminate the effect of any change occurring after the Effective Date in GAAP or in the application thereof on the operation of such provision (or if the Administrative Agent notifies the Borrower that the Required Lenders request an amendment to any provision hereof for such purpose), regardless of whether any such notice is given before or after such change in GAAP or in the application thereof, then such provision shall be interpreted on the basis of GAAP as in effect and applied immediately before such change shall have become effective until such notice shall have been withdrawn or such provision amended in accordance herewith.

ii. Notwithstanding any other provision contained herein, all terms of an accounting or financial nature used herein shall be construed, and all computations of amounts and ratios referred to herein shall be made, without giving effect to any election under Financial Accounting Standards Accounting Standards Codification No. 825—Financial Instruments, or any successor thereto (including pursuant to the Accounting Standards Codification), to value any Indebtedness of Holdings, the Borrower or any Subsidiary at “fair value” as defined therein.

d. Rounding. Any financial ratios required to be maintained or complied with by the Borrower pursuant to this Agreement (or required to be satisfied in order for a specific action to be permitted under this Agreement) shall be calculated by dividing the appropriate component by the other component, carrying the result to one place more than the number of places by which such ratio is expressed herein and rounding the result up or down to the nearest number (with a rounding-up if there is no nearest number).

e. References to Agreements, Laws, etc. Unless otherwise expressly provided herein, (a) references to Organizational Documents, agreements (including the Credit Documents) and other Contractual Obligations shall be deemed to include all subsequent amendments, restatements, amendment and restatements, extensions, supplements and other modifications thereto, but only to the extent that such amendments, restatements, amendment and restatements, extensions, supplements and other modifications are permitted by any Credit Document; and (b) references to any Applicable Law shall include all statutory and regulatory provisions consolidating, amending, replacing, supplementing or interpreting such Applicable Law.

When the payment of any obligation or the performance of any covenant, duty or obligation is stated to be due or performance required on a day which is not a Business Day, the date of such payment (other than as described in Section 2.5 or Section 2.9) or performance shall extend to the immediately succeeding Business Day.

h. Letter of Credit Amounts. Unless otherwise specified herein, the amount of a Letter of Credit at any time shall be deemed to be the Stated Amount of such Letter of Credit in effect at such time; provided that with respect to any Letter of Credit that, by its terms or the terms of any Issuer Document related thereto, provides for one or more automatic increases in the Stated Amount thereof, the amount of such Letter of Credit shall be deemed to be the maximum Stated Amount of such Letter of Credit after giving effect to all such increases, whether or not such maximum Stated Amount is in effect at such time.

i. Currency Equivalents Generally.

i. For purposes of any determination under Section 9, Section 10 (other than Section 10.9 or 10.10) or Section 11 or any determination under any other provision of this Agreement requiring the use of a current exchange rate, all amounts incurred, outstanding or proposed to be incurred or outstanding in currencies other than Dollars shall be translated into Dollars at the Exchange Rate then in effect on the date of such determination; provided that (x) for purposes of determining compliance with Section 10 with respect to the amount of any Indebtedness, Investment, Disposition, Dividend or payment under Section 10.7 in a currency other than Dollars, no Default or Event of Default shall be deemed to have occurred solely as a result of changes in rates of exchange occurring after the time such Indebtedness or Investment is incurred or Disposition, Dividend or payment under Section 10.7 is made, (y) for purposes of determining compliance with any Dollar-denominated restriction on the incurrence of Indebtedness, if such Indebtedness is incurred to Refinance other Indebtedness denominated in a foreign currency, and such Refinancing would cause the applicable Dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such Refinancing, such Dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such Refinanced Indebtedness does not exceed the principal amount of such Indebtedness being Refinanced and (z) for the avoidance of doubt, the foregoing provisions of this Section 1.9 shall otherwise apply to such Sections, including with respect to determining whether any Indebtedness or Investment may be incurred or Disposition, Dividend or payment under Section 10.7 may be made at any time under such Sections. For purposes of Section 10.9 or 10.10, amounts in currencies other than Dollars shall be translated into Dollars at the applicable Exchange Rate(s) used in preparing the most recently delivered financial statements pursuant to Section 9.1(a) or (b).

ii. Each provision of this Agreement shall be subject to such reasonable changes of construction as the Administrative Agent may from time to time specify with the Borrower's consent (such consent not to be unreasonably withheld) to appropriately reflect a change in currency of any country and any relevant market conventions or practices relating to such change in currency.

j. Pro Forma Basis. Notwithstanding anything to the contrary herein, for purposes of determining compliance with any test or covenant contained in this Agreement, including the Consolidated Secured Debt to Consolidated EBITDA Ratio, the Consolidated Total Debt to Consolidated EBITDA Ratio and the Consolidated EBITDA to Consolidated Interest Expense Ratio and Consolidated Total Assets or Consolidated EBITDA for purposes of determining an amount based on a percentage of Consolidated Total Assets or Consolidated EBITDA shall be calculated on a Pro Forma Basis assuming that any Specified Transaction that has been made (i) during the applicable Test Period and (ii) other than for purposes of calculating the "Applicable Margin" and actual compliance with Sections 10.9 and 10.10, subsequent to the Test Period and prior to or simultaneously with the event for which the calculation of any such ratio is made shall be calculated on a Pro Forma Basis.

k. Classification of Loans and Borrowings. For purposes of this Agreement, Loans may be classified and referred to by Class (e.g., a "Revolving Credit Loan")

or by Type (e.g., a “**Eurodollar Term SOFR Rate** Loan”). Borrowings also may be classified and referred to by Class (e.g., a “Revolving Credit Borrowing”) or by Type (e.g., a “**Eurodollar Term SOFR Rate** Borrowing”).

l. Guaranties of Hedging Obligations. Notwithstanding anything else to the contrary in any Credit Document, no Specified Credit Party shall be required to guarantee or provide security for Excluded Swap Obligations, and any reference in any Credit Document with respect to such Specified Credit Party guaranteeing or providing security for the Obligations shall be deemed to be all Obligations other than the Excluded Swap Obligations.

1.13 **Cashless Rollovers.** Notwithstanding anything to the contrary contained in this Agreement or in any other Credit Document, to the extent that any Lender extends the maturity date of, or replaces, renews or refinances, any of its then-existing Loans with Incremental Term Loans, Loans in connection with any Additional/Replacement Revolving Credit Commitments, Extended Loans/Commitments or loans incurred under a new credit facility, in each case, to the extent such extension, replacement, renewal or refinancing is effected by means of a “cashless roll” by such Lender, such extension, replacement, renewal or refinancing shall be deemed to comply with any requirement hereunder or any other Credit Document that such payment be made “in immediately available funds”, “in Cash” or any other similar requirement.

**1.14 Interest Rates; Benchmark Notification. The interest rate on a Loan denominated in dollars may be derived from an interest rate benchmark that may be discontinued or is, or may in the future become, the subject of regulatory reform. Upon the occurrence of certain circumstances described in Section 2.10(e), Section 2.10(e) provides a mechanism for determining an alternative rate of interest. The Administrative Agent does not warrant or accept any responsibility for, and shall not have any liability with respect to, the administration, submission, performance or any other matter related to any interest rate used in this Agreement, or with respect to any alternative or successor rate thereto, or replacement rate thereof, including without limitation, whether the composition or characteristics of any such alternative, successor or replacement reference rate will be similar to, or produce the same value or economic equivalence of, the existing interest rate being replaced or have the same volume or liquidity as did any existing interest rate prior to its discontinuance or unavailability. The Administrative Agent and its affiliates and/or other related entities may engage in transactions that affect the calculation of any interest rate used in this Agreement or any alternative, successor or alternative rate (including any replacement rate determined in accordance with Section 2.10(e)) and/or any relevant adjustments thereto, in each case, in a manner adverse to the Borrower under this Agreement and all similarly situated borrowers. The Administrative Agent may select information sources or services in its reasonable discretion to ascertain any interest rate used in this Agreement, any component thereof, or rates referenced in the definition thereof, in each case pursuant to the terms of this Agreement, and shall have no liability to the Borrower, any Lender or any other person or entity for damages of any kind, including direct or indirect, special, punitive, incidental or consequential damages, costs, losses or expenses (whether in tort, contract or otherwise and whether at law or in equity), for any error or calculation of any such rate (or component thereof) provided by any such information source or service.**

On the Tranche B-1 Term Loan Maturity Date, all outstanding Tranche B-1 Term Loans shall be repaid in full.

iv. Each Lender may at its option make any ~~Eurodollar~~ **Term SOFR Rate** Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan; provided, that (i) any exercise of such option shall not affect the obligation of the Borrower to repay such Loan and (ii) in exercising such option, such Lender shall use its reasonable efforts to minimize any increased costs to the Borrower resulting therefrom (which obligation of the Lender shall not require it to take, or refrain from taking, actions that it determines would result in increased costs for which it will not be compensated hereunder or that it determines would be otherwise disadvantageous to it and in the event of such request for costs for which compensation is provided under this Agreement, the provisions of Section 2.10 shall apply).

v. Subject to and upon the terms and conditions herein set forth, each Swingline Lender in its individual capacity agrees, at any time and from time to time on and after the Fifth Amendment Effective Date and prior to the Swingline Maturity Date, to make a loan or loans (each, a "Swingline Loan" and collectively, the "Swingline Loans") to the Borrower in Dollars, which Swingline Loans (A) shall be ABR Loans, (B) shall have the benefit of the provisions of Section 2.1(f), (C) shall not exceed at any time outstanding the Swingline Commitment of such Swingline Lender, (D) shall not, after giving effect thereto and to the application of the proceeds thereof, result at any time in (x) the aggregate amount of all Lenders' Revolving Credit Exposures exceeding the Total Revolving Credit Commitment then in effect or (y) the amount of any Swingline Lender's Revolving Credit Exposure exceeding its respective Revolving Credit Commitment then in effect, and (E) may be repaid and reborrowed in accordance with the provisions hereof. On the Swingline Maturity Date, all outstanding Swingline Loans shall be repaid in full. No Swingline Lender shall make any Swingline Loan after receiving a written notice from the Borrower, the Administrative Agent or the Required Lenders stating that a Default or an Event of Default exists and is continuing until such time as such Swingline Lender shall have received written notice (x) of rescission of all such notices from the party or parties originally delivering such notice, (y) of the waiver of such Default or Event of Default in accordance with the provisions of Section 13.1 or (z) from the Administrative Agent that such Default or Event of Default is no longer continuing.

vi. Any Swingline Lender (x) may in its sole discretion on any Business Day prior to the tenth Business Day after the date of extension of any Swingline Loan and (y) shall on the tenth Business Day after such extension date (so long as such Swingline Loan remains outstanding), give notice to the Revolving Credit Lenders, with a copy to the Borrower, that all then-outstanding Swingline Loans shall be funded with a Borrowing of Revolving Credit Loans denominated in Dollars, in which case Revolving Credit Loans constituting ABR Loans (each such Borrowing, a "Mandatory Borrowing") shall be made on the immediately succeeding Business Day by all Revolving Credit Lenders pro rata based on each such Lender's Revolving Credit Commitment Percentage, and the proceeds thereof shall be applied directly to such Swingline Lender to repay the Swingline Lender for such outstanding Swingline Loans. Each Revolving Credit Lender hereby irrevocably agrees to make such Revolving Credit Loans upon one Business Day's notice pursuant to each Mandatory Borrowing in the amount and in the manner specified in the preceding sentence and on the date specified to it in writing by such Swingline Lender notwithstanding (i) that the amount of the Mandatory Borrowing may not comply with the minimum amount for each Borrowing specified in Section 2.2, (ii) whether any conditions specified in Section 7.1 are then satisfied, (iii) whether a Default or an Event of Default has occurred and is continuing, (iv) the date of such Mandatory Borrowing or (v) any

reduction in the Total Revolving Credit Commitment after any such Swingline Loans were made. In the event that, in the sole judgment of the applicable Swingline Lender, any Mandatory Borrowing cannot for any reason be made on the date otherwise required above (including as a result of the commencement of a proceeding under the Bankruptcy Code in respect of the Borrower), each Revolving Credit Lender hereby agrees that it shall forthwith purchase from such Swingline Lender (without recourse or warranty) such participation of the outstanding Swingline Loans as shall be necessary to cause each such Lender to share in such Swingline Loans ratably based upon their respective Revolving Credit Commitment Percentages; provided that all principal and interest payable on such Swingline Loans shall be for the account of such Swingline Lender until the date the respective participation is purchased and, to the extent attributable to the purchased participation, shall be payable to the Lender purchasing same from and after such date of purchase.

vii. The Borrower may, at any time and from time to time, designate as additional Swingline Lenders one or more Revolving Credit Lenders that agree to serve in such capacity as provided below. The acceptance by a Revolving Credit Lender of an appointment as a Swingline Lender hereunder shall be evidenced by an agreement, which shall be in form and substance reasonably satisfactory to the Administrative Agent and the Borrower, executed by the Borrower, the Administrative Agent and such designated Swingline Lender, and, from and after the effective date of such agreement, (i) such Revolving Credit Lender shall have all the rights and obligations of a Swingline Lender under this Agreement and (ii) references herein to the term "Swingline Lender" shall be deemed to include such Revolving Credit Lender in its capacity as a lender of Swingline Loans hereunder.

viii. The Borrower may terminate the appointment of any Swingline Lender as a "Swingline Lender" hereunder by providing a written notice thereof to such Swingline Lender, with a copy to the Administrative Agent. Any such termination shall become effective upon the earlier of (i) such Swingline Lender's acknowledging receipt of such notice and (ii) the fifth Business Day following the date of the delivery thereof; provided that no such termination shall become effective until and unless any outstanding Swingline Loans of such Swingline Lender shall have been reduced to zero. Notwithstanding the effectiveness of any such termination, the terminated Swingline Lender shall remain a party hereto and shall continue to have all the rights of a Swingline Lender under this Agreement with respect to Swingline Loans made by it prior to such termination, but shall not make any additional Swingline Loans.

b. Minimum Amount of Each Borrowing; Maximum Number of Borrowings. The aggregate principal amount of each Borrowing of Term Loans or Revolving Credit Loans shall be in a multiple of \$1,000,000 and Swingline Loans shall be in a multiple of \$100,000 and, in each case, shall not be less than the Minimum Borrowing Amount with respect thereto (except that Mandatory Borrowings shall be made in the amounts required by Section 2.1(f) and Revolving Credit Loans to reimburse the Letter of Credit Issuers with respect to any Unpaid Drawing shall be made in the amounts required by Section 3.3 or Section 3.4, as applicable). More than one Borrowing may be incurred on any date; provided that at no time shall there be outstanding more than 20 Borrowings of **Eurodollar Term SOFR Rate** Loans under this Agreement. For purposes of the foregoing, Borrowings having different Interest Periods, regardless of whether they commence on the same date, shall be considered separate Borrowings.

c. Notice of Borrowing. (a) The Borrower shall give the Administrative Agent at the Administrative Agent's Office (i) prior to 1:00 p.m. (New York City time) at least three Business Days' prior written notice (or telephonic notice promptly confirmed in writing) of the Borrowing of Initial Term Loans or any Borrowing of Incremental Term Loans (unless otherwise set forth in the applicable Incremental Agreement), as the case may be, if all or any of such Term Loans are to be initially **Eurodollar Term SOFR Rate** Loans, and (ii) prior

written notice (or telephonic notice promptly confirmed in writing) prior to 1:00 p.m. (New York City time) on the date of the Borrowing of Initial Term Loans or any Borrowing of Incremental Term Loans, as the case may be, if all such Term Loans are to be ABR Loans. Such notice (together with each notice of a Borrowing of Revolving Credit Loans pursuant to Section 2.3(b) and each notice of a Borrowing of Swingline Loans pursuant to Section 2.3(c), a “Notice of Borrowing”) shall specify substantially in the form of Exhibit D (i) the aggregate principal amount of the Initial Term Loans or Incremental Term Loans, as the case may be, to be made, (ii) the date of the Borrowing (which shall be (x) in the case of Initial Term Loans, the Effective Date and (y) in the case of Incremental Term Loans, the applicable Incremental Facility Closing Date in respect of such Class), and (iii) whether the Initial Term Loans or Incremental Term Loans, as the case may be, shall consist of ABR Loans and/or Eurodollar Term SOFR Rate Loans and, if the Initial Term Loans or Incremental Term Loans, as the case may be, are to include Eurodollar Term SOFR Rate Loans, the Interest Period to be initially applicable thereto. The Administrative Agent shall promptly give each Lender written notice (or telephonic notice promptly confirmed in writing) of each proposed Borrowing of Term Loans, of such Lender’s proportionate share thereof and of the other matters covered by the related Notice of Borrowing.

i. Whenever the Borrower desires to incur Revolving Credit Loans hereunder (other than Mandatory Borrowings or borrowings to repay Unpaid Drawings under Letters of Credit), it shall give the Administrative Agent at the Administrative Agent’s Office, (i) prior to 1:00 p.m. (New York City time) at least three Business Days’ prior written notice (or telephonic notice promptly confirmed in writing) of each Borrowing of Revolving Credit Loans that are to be Eurodollar Term SOFR Rate Loans, and (ii) prior written notice (or telephonic notice promptly confirmed in writing) prior to 1:00 p.m. (New York City time) on the date of each Borrowing of Revolving Credit Loans that are to be ABR Loans. Each such Notice of Borrowing, except as otherwise expressly provided in Section 2.10, shall specify (x) the aggregate principal amount of the Revolving Credit Loans to be made pursuant to such Borrowing, (y) the date of Borrowing (which shall be a Business Day) and (z) whether the respective Borrowing shall consist of ABR Loans or Eurodollar Term SOFR Rate Loans and, if Eurodollar Term SOFR Rate Loans, the Interest Period to be initially applicable thereto. The Administrative Agent shall promptly give each Lender written notice (or telephonic notice promptly confirmed in writing) of each proposed Borrowing of Revolving Credit Loans, of such Lender’s proportionate share thereof and of the other matters covered by the related Notice of Borrowing.

ii. Whenever the Borrower desires to incur Swingline Loans hereunder, it shall give the Administrative Agent written notice (or telephonic notice promptly confirmed in writing) of each Borrowing of Swingline Loans prior to 3:00 p.m. (New York City time) or such later time as is agreed by the applicable Swingline Lender on the date of such Borrowing. Each such notice shall be irrevocable and shall specify (i) the aggregate principal amount of the Swingline Loans to be made pursuant to such Borrowing and (ii) the date of Borrowing (which shall be a Business Day). The Administrative Agent shall promptly give the applicable Swingline Lender written notice (or telephonic notice promptly confirmed in writing) of each proposed Borrowing of Swingline Loans and of the other matters covered by the related Notice of Borrowing.

iii. Mandatory Borrowings shall be made upon the notice specified in Section 2.1(f), with the Borrower irrevocably agreeing, by its incurrence of any Swingline Loan, to the making of Mandatory Borrowings as set forth in such Section.

iv. Borrowings of Revolving Credit Loans to reimburse Unpaid Drawings under Letters of Credit shall be made upon the terms set forth in Section 3.3 or Section 3.4(a).

v. Without in any way limiting the obligation of the Borrower to confirm in writing any notice it may give hereunder by telephone, the Administrative Agent may act prior to receipt of written confirmation without liability upon the basis of such telephonic notice believed by the Administrative Agent in good faith to be from an Authorized Officer of the Borrower. In each such case, the Borrower hereby waives the right to dispute the Administrative Agent's record of the terms of any such telephonic notice.

vi. If the Borrower fails to specify a Type of Loan in a Notice of Borrowing then the applicable Term Loans or Revolving Credit Loans shall be made as **Eurodollar Term SOFR Rate** Loans with an Interest Period of one (1) month. If the Borrower requests a Borrowing of **Eurodollar Term SOFR Rate** Loans in any such Notice of Borrowing, but fails to specify an Interest Period, it will be deemed to have specified an Interest Period of one (1) month.

d. Disbursement of Funds. (a) No later than 2:00 p.m. (New York City time) on the date specified in each Notice of Borrowing (including Mandatory Borrowings and Borrowings to reimburse Unpaid Drawings under Letters of Credit), each Lender will make available its pro rata portion, if any, of each Borrowing requested to be made on such date in the manner provided below; provided that on the Effective Date (or with respect to any Incremental Facilities, on the relevant Incremental Facility Closing Date), such funds may be made available at such earlier time as may be agreed among the relevant Lenders, the Borrower and the Administrative Agent for the purpose of consummating the Transactions; provided, further, that all Swingline Loans shall be made available to the Borrower in the full amount thereof by the applicable Swingline Lender no later than 4:00 p.m. (New York City time) on the date requested.

i. Each Lender shall make available all amounts it is to fund to the Borrower under any Borrowing for its applicable Commitments in immediately available funds to the Administrative Agent at the Administrative Agent's Office and the Administrative Agent will (except in the case of Mandatory Borrowings and Borrowings to repay Unpaid Drawings under Letters of Credit) make available to the Borrower, by depositing to an account designated by the Borrower to the Administrative Agent in writing, the aggregate of the amounts so made available in Dollars. Unless the Administrative Agent shall have been notified by any Lender prior to the date of any such Borrowing that such Lender does not intend to make available to the Administrative Agent its portion of the Borrowing or Borrowings to be made on such date, the Administrative Agent may assume that such Lender has made such amount available to the Administrative Agent on such date of Borrowing, and the Administrative Agent, in reliance upon such assumption, may (in its sole discretion and without any obligation to do so) make available to the Borrower a corresponding amount. If such corresponding amount is not in fact made available to the Administrative Agent by such Lender and the Administrative Agent has made available same to the Borrower, the Administrative Agent shall be entitled to recover such corresponding amount from such Lender. If such Lender does not pay such corresponding amount forthwith upon the Administrative Agent's demand therefor, the Administrative Agent shall promptly notify the Borrower and the Borrower shall immediately pay such corresponding amount to the Administrative Agent. The Administrative Agent shall also be entitled to recover from such Lender or the Borrower, as the case may be, interest on such corresponding amount in respect of each day from the date such corresponding amount was made available by the Administrative Agent to the Borrower, to the date such corresponding amount is recovered by the Administrative Agent, at a rate per annum equal to (i) if paid by such Lender, the Federal Funds Effective Rate or (ii) if paid by the Borrower, the then-applicable rate of interest, calculated in accordance with Section 2.8, for the respective Loans. If the Borrower and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrower the amount of such interest paid by the Borrower for such period. If such Lender pays its share of the applicable Borrowing to the Administrative Agent, then the amount so paid shall constitute such Lender's Loan included in such Borrowing. Any payment by the Borrower shall be without prejudice to any claim the

Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent. Each Swingline Lender shall make available all amounts it is to fund to the Borrower under any Borrowing of Swingline Loans in immediately available funds to the Borrower by depositing to an account designated by the Borrower to such Swingline Lender in writing.

ii. Nothing in this Section 2.4 shall be deemed to relieve any Lender from its obligation to fulfill its commitments hereunder or to prejudice any rights that the Borrower may have against any Lender as a result of any default by such Lender hereunder (it being understood, however, that no Lender shall be responsible for the failure of any other Lender to fulfill its commitments hereunder)

iii. Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders or the Letter of Credit Issuers hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders or the Letter of Credit Issuers, as the case may be, the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders or the Letter of Credit Issuers, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or the Letter of Credit Issuers, in immediately available funds with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the Federal Funds Effective Rate.

e. Repayment of Loans; Evidence of Debt.

i. The Borrower agrees to repay to the Administrative Agent, for the benefit of the applicable Lenders, (i) on the Initial Term Loan Maturity Date, all then outstanding Initial Term Loans, (ii) on the Tranche B Term Loan Maturity Date, any then outstanding Tranche B Term Loans, (iii) on the Tranche B-1 Term Loan Maturity Date, any then outstanding Tranche B-1 Term Loans, (iv) on the relevant Incremental Term Loan Maturity Date for any Class of Incremental Term Loans, any then outstanding Incremental Term Loans of such Class, (v) on the Revolving Credit Maturity Date, all then outstanding Revolving Credit Loans, (vi) on the relevant maturity date for any Class of Additional/Replacement Revolving Credit Commitments, all then outstanding Additional/Replacement Revolving Credit Loans of such Class, (vii) on the relevant maturity date for any Class of Extended Term Loans, all then outstanding Extended Term Loans of such Class, (viii) on the relevant maturity date for any Class of Extended Revolving Credit Commitments, all then outstanding Extended Revolving Credit Loans of such Class and (ix) on the Swingline Maturity Date, all then outstanding Swingline Loans.

ii. The Borrower shall repay to the Administrative Agent, for the benefit of the Initial Term Lenders, on the last Business Day of each March, June, September and December (each such date, with respect to the Initial Term Lenders, an “Initial Term Loan Repayment Date”), commencing on the last Business Day of the first full fiscal quarter ending after the Effective Date, an aggregate principal amount of Initial Term Loans equal to 0.25% of the aggregate principal amount of Initial Term Loans outstanding on the Effective Date (each such amount, a “Initial Term Loan Repayment Amount”) (as such principal amount may be reduced by, and after giving effect to, any voluntary and mandatory prepayments made in accordance with Section 5 or as contemplated by Section 2.15).

iii. The Borrower shall repay to the Administrative Agent, (x) for the benefit of the Tranche B Term Lenders, on the last Business Day of each March, June, September and December (each such date, with respect to the Tranche B Term Lenders, an “Tranche B Term

Loan Repayment Date”), commencing on the last Business Day of the first full fiscal quarter ending after the Second Amendment Effective Date, an aggregate principal amount of Tranche B Term Loans equal to 0.25% of the aggregate principal amount of Tranche B Term Loans outstanding on the Second Amendment Effective Date (each such amount, a “Tranche B Term Loan Repayment Amount”) (as such principal amount may be reduced by, and after giving effect to, any voluntary and mandatory prepayments made in accordance with Section 5 or as contemplated by Section 2.15) and (y) for the benefit of the Tranche B-1 Term Lenders, on the last Business Day of each March, June, September and December (each such date, with respect to the Tranche B-1 Term Lenders, an “Tranche B-1 Term Loan Repayment Date”), commencing on the last Business Day of the first full fiscal quarter ending after the Fourth Amendment Effective Date, an aggregate principal amount of Tranche B-1 Term Loans equal to 0.25% of the aggregate principal amount of Tranche B-1 Term Loans outstanding on the Fourth Amendment Effective Date (each such amount, a “Tranche B-1 Term Loan Repayment Amount”) (as such principal amount may be reduced by, and after giving effect to, any voluntary and mandatory prepayments made in accordance with Section 5 or as contemplated by Section 2.15).

iv. In the event any Incremental Term Loans are made, such Incremental Term Loans shall mature and be repaid in amounts (each such amount, an “Incremental Term Loan Repayment Amount”) and on dates as agreed between the Borrower and the relevant Lenders of such Incremental Term Loans in the applicable Incremental Agreement (each an “Incremental Term Loan Repayment Date”), subject to the requirements set forth in Section 2.14. In the event that any Extended Term Loans are established, such Extended Term Loans shall, subject to the requirements of Section 2.15, mature and be repaid by the Borrower in the amounts (each such amount, an “Extended Term Loan Repayment Amount”) and on the dates (each an “Extended Repayment Date”) set forth in the applicable Extension Agreement. In the event any Extended Revolving Credit Commitments are established, such Extended Revolving Credit Commitments shall, subject to the requirements of Section 2.15, be terminated (and all Extended Revolving Credit Loans of the same Extension Series repaid) on the dates set forth in the applicable Extension Agreement.

v. Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to the appropriate lending office of such Lender resulting from each Loan made by such lending office of such Lender from time to time, including the amounts of principal and interest payable and paid to such lending office of such Lender from time to time under this Agreement.

vi. The Administrative Agent, on behalf of the Borrower, shall maintain the Register pursuant to Section 13.6(b) and a subaccount for each Lender, in which the Register and the subaccounts (taken together) shall be recorded (i) the amount of each Loan made hereunder, whether such Loan is an Initial Term Loan, a Tranche B Term Loan, a Tranche B-1 Term Loan, an Incremental Term Loan (and the relevant Class thereof), a Revolving Credit Loan, an Additional/Replacement Revolving Credit Loan (and the relevant Class thereof), an Extended Term Loan (and the relevant Class thereof), an Extended Revolving Credit Loan (and the relevant Class thereof) or a Swingline Loan, as applicable, the Type of each Loan made and the Interest Period, if any, applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender or each Swingline Lender hereunder, (iii) the amount of any sum received by the Administrative Agent hereunder from the Borrower and each Lender’s share thereof and (iv) any cancellation or retirement of Loans contemplated by Section 13.6(i).

vii. The entries made in the Register and accounts and subaccounts maintained pursuant to paragraphs (d) and (e) of this Section 2.5 shall, to the extent permitted by Applicable Law, be prima facie evidence of the existence and amounts of the obligations of the Borrower therein recorded; provided that the failure of any Lender or the Administrative Agent to maintain

such account, such Register or such subaccount, as applicable, or any error therein, shall not in any manner affect the obligation of the Borrower to repay (with applicable interest) the Loans made to the Borrower by such Lender in accordance with the terms of this Agreement.

f. Conversions and Continuations. (a) The Borrower shall have the option on any Business Day, subject to Section 2.11, to convert all or a portion equal to at least the Minimum Borrowing Amount of the outstanding principal amount of Term Loans, Revolving Credit Loans, Additional/Replacement Revolving Credit Loans or Extended Revolving Credit Loans of one Type into a Borrowing or Borrowings of another Type and except as otherwise provided herein the Borrower shall have the option on the last day of an Interest Period to continue the outstanding principal amount of any **Eurodollar Term SOFR Rate** Loans as **Eurodollar Term SOFR Rate** Loans for an additional Interest Period; provided that (i) no partial conversion of **Eurodollar Term SOFR Rate** Loans shall reduce the outstanding principal amount of **Eurodollar Term SOFR Rate** Loans made pursuant to a single Borrowing to less than the Minimum Borrowing Amount, (ii) ABR Loans may not be converted into **Eurodollar Term SOFR Rate** Loans if an Event of Default is in existence on the date of the conversion and the Administrative Agent has, or the Required Credit Facility Lenders with respect to any such Credit Facility have, determined in its or their sole discretion not to permit such conversion, (iii) **Eurodollar Term SOFR Rate** Loans may not be continued as **Eurodollar Term SOFR Rate** Loans for an additional Interest Period if an Event of Default is in existence on the date of the proposed continuation and the Administrative Agent has, or the Required Credit Facility Lenders with respect to any such Credit Facility have, determined in its or their sole discretion not to permit such continuation and (iv) Borrowings resulting from conversions pursuant to this Section 2.6 shall be limited in number as provided in Section 2.2. Each such conversion or continuation shall be effected by the Borrower giving the Administrative Agent at the Administrative Agent's Office prior to 1:00 p.m. (New York City time) at least (i) three Business Days', in the case of a continuation of, or conversion to, **Eurodollar Term SOFR Rate** Loans or (ii) one Business Day's, in the case of a conversion into ABR Loans, prior written notice (or telephonic notice promptly confirmed in writing) (each, a "Notice of Conversion or Continuation") specifying the Loans to be so converted or continued, the Type of Loans to be converted into or continued, the requested date of the conversion or continuation, as the case may be (which shall be a Business Day), the principal amount of Loans to be converted or continued, as the case may be, and, if such Loans are to be converted into, or continued as, **Eurodollar Term SOFR Rate** Loans, the Interest Period to be initially applicable thereto. If the Borrower fails to give a timely notice requesting a conversion or continuation, then the applicable Term Loans, Revolving Credit Loans, Additional/Replacement Revolving Credit Loans or Extended Revolving Credit Loans shall be made or continued as the same Type of Loan, which, if a **Eurodollar Term SOFR Rate** Loan, shall have the same Interest Period as that of the Loans being continued or converted (subject to the definition of Interest Period). Any such automatic continuation shall be effective as of the last day of the Interest Period then in effect with respect to the applicable **Eurodollar Term SOFR Rate** Loans. If the Borrower requests a conversion to, or continuation of **Eurodollar Term SOFR Rate** Loans in any such Notice of Conversion or Continuation, but fails to specify an Interest Period, it will be deemed to have specified an Interest Period of one month's duration. Notwithstanding anything to the contrary herein, a Swingline Loan may not be converted to a **Eurodollar Term SOFR Rate** Loan. The Administrative Agent shall give each applicable Lender notice as promptly as practicable of any such proposed conversion or continuation affecting any of its Loans.

i. If an Event of Default is in existence at the time of any proposed continuation of any **Eurodollar Term SOFR Rate** Loans and the Administrative Agent has, or the Required Lenders with respect to any such continuation have, determined in its or their sole discretion not to permit such continuation, **Eurodollar Term SOFR Rate** Loans shall be automatically converted on the last day of the current Interest Period into ABR Loans.

g. Pro Rata Borrowings. Each Borrowing of Initial Term Loans under this Agreement shall be granted by the Initial Term Lenders pro rata on the basis of their then-applicable Initial Term Loan Commitments. Each Borrowing of Tranche B Term Loans under this Agreement shall be granted by the Tranche B Term Lenders pro rata on the basis of their then-applicable Tranche B Term Loan Commitments. Each Borrowing of Tranche B-1 Term Loans under this Agreement shall be granted by the Tranche B-1 Term Lenders pro rata on the basis of their then-applicable Tranche B-1 Term Loan Commitments. Each Borrowing of Revolving Credit Loans under this Agreement shall be granted by the Revolving Credit Lenders pro rata on the basis of their then-applicable Revolving Credit Commitment Percentages with respect to the applicable Class. Each Borrowing of Incremental Term Loans under this Agreement shall be granted by the Lenders of the relevant Class thereof pro rata on the basis of their then-applicable Incremental Term Loan Commitments for such Class. Each Borrowing of Additional/Replacement Revolving Credit Loans under this Agreement shall be granted by the Lenders of the relevant Class thereof pro rata on the basis of their then-applicable Additional/Replacement Revolving Credit Commitments for such Class. Each Borrowing of Extended Revolving Credit Loans under this Agreement shall be granted by the Lenders of the relevant Class thereof pro rata on the basis of their then-applicable Extended Revolving Credit Commitments for such Class. It is understood that (a) no Lender shall be responsible for any default by any other Lender in its obligation to make Loans hereunder and that each Lender, severally and not jointly, shall be obligated to make the Loans provided to be made by it hereunder, regardless of the failure of any other Lender to fulfill its commitments hereunder, and (b) other than as expressly provided herein with respect to a Defaulting Lender, failure by a Lender to perform any of its obligations under any of the Credit Documents shall not release any Person from performance of its obligations under any Credit Document.

h. Interest. (a) The unpaid principal amount of each ABR Loan shall bear interest from the date of the Borrowing thereof until maturity (whether by acceleration or otherwise) at a rate per annum that shall at all times be the Applicable Margin in effect from time to time plus the ABR in effect from time to time.

i. The unpaid principal amount of each **Eurodollar Term SOFR Rate** Loan shall bear interest from the date of the Borrowing thereof until maturity thereof (whether by acceleration or otherwise) at a rate per annum that shall at all times be the Applicable Margin in effect from time to time plus the **Eurodollar Adjusted Term SOFR** Rate in effect from time to time.

ii. If all or a portion of the principal amount of any Loan or any interest payable thereon or any fees or other amounts due hereunder shall not be paid when due (whether at the stated maturity, by acceleration or otherwise), such overdue amount shall bear interest (including post-petition interest in any proceeding under the Bankruptcy Code or other applicable bankruptcy laws) at a rate per annum that is (i) in the case of overdue principal, the rate that would otherwise be applicable thereto plus 2% or (ii) in the case of overdue interest, fees or other amounts due hereunder, to the extent permitted by Applicable Law, the rate described in Section 2.8 (a) plus 2% from and including the date of such non-payment to but excluding the date on which such amount is paid in full (after as well as before judgment). All such interest shall be payable on demand.

iii. Interest on each Loan shall accrue from and including the date of any Borrowing to but excluding the date of any repayment thereof and shall be payable in Dollars and, except as provided below, shall be payable (i) in respect of each ABR Loan, quarterly in arrears on the last Business Day of each March, June, September and December, (ii) in respect of each **Eurodollar Term SOFR Rate** Loan, on the last day of each Interest Period applicable thereto and, in the case of an Interest Period in excess of three months, on each date occurring at three-month intervals after the first day of such Interest Period, and (iii) in respect of each Loan

(except, in the case of prepayments, any ABR Loan), on any prepayment (on the amount prepaid), at maturity (whether by acceleration or otherwise) and, after such maturity, on demand; provided that any Loan that is repaid on the same date on which it is made shall bear interest for one day.

iv. All computations of interest hereunder shall be made in accordance with Section 5.5.

v. The Administrative Agent, upon determining the interest rate for any Borrowing of **Eurodollar Term SOFR Rate** Loans, shall promptly notify the Borrower and the relevant Lenders thereof. Each such determination shall, absent clearly demonstrable error, be final and conclusive and binding on all parties hereto.

vi. Except as otherwise provided herein, whenever any payment hereunder or under the other Credit Documents shall be stated to be due on a day other than a Business Day, such payment shall be made on the next succeeding Business Day, and such extension of time shall in such case be included in the computation of payment of interest or commitment or letter of credit fee or commission, as the case may be.

i. Interest Periods. At the time the Borrower gives a Notice of Borrowing or Notice of Conversion or Continuation in respect of the making of, or conversion into or continuation as, a Borrowing of **Eurodollar Term SOFR Rate** Loans (in the case of the initial Interest Period applicable thereto) on or prior to 1:00 p.m. (New York City time) on the third Business Day prior to the expiration of an Interest Period applicable to a Borrowing of **Eurodollar Term SOFR Rate** Loans, the Borrower shall have the right to elect, by giving the Administrative Agent written notice (or telephonic notice promptly confirmed in writing), the Interest Period applicable to such Borrowing, which Interest Period shall be the period commencing on the date of such Borrowing and ending on the numerically corresponding day (or, if there is no numerically corresponding day, on the last Business Day) in the calendar month that is one, ~~two~~, three or six months thereafter (or, if ~~available~~ **agreed** to ~~by~~ all relevant Lenders participating in the relevant Credit Facility, (i) twelve months thereafter or (ii) another period acceptable to the Administrative Agent (including a shorter period)); ~~provided that, notwithstanding the foregoing parenthetical, the initial Interest Period beginning on the Effective Date and the initial Interest Period beginning on the Second Amendment Effective Date may be for a period less than one month if agreed upon by the Borrower and the Administrative Agent; provided, further, that (x) the initial Interest Period with respect to Tranche B-1 Term Loans made on the Fourth Amendment Effective Date will end on the last day of the Interest Period applicable to Tranche B Term Loans outstanding immediately prior to the Fourth Amendment Effective Date and (y) the Eurodollar Rate applicable to Tranche B-1 Term Loans made on the Fourth Amendment Effective Date shall be the same rate applicable to Tranche B Term Loans outstanding immediately prior to the Fourth Amendment Effective Date.~~

Notwithstanding anything to the contrary contained above:

1. the initial Interest Period for any Borrowing of **Eurodollar Term SOFR Rate** Loans shall commence on the date of such Borrowing (including the date of any conversion from a Borrowing of ABR Loans) and each Interest Period occurring thereafter in respect of such Borrowing shall commence on the day on which the next preceding Interest Period expires;

2. if any Interest Period relating to a Borrowing of **Eurodollar Term SOFR Rate** Loans begins on the last Business Day of a calendar month or begins on a day for which there is no numerically corresponding day in the calendar month at the end of such

Interest Period, such Interest Period shall end on the last Business Day of the calendar month at the end of such Interest Period;

3. if any Interest Period would end on a day other than a Business Day, such Interest Period shall be extended to the next succeeding Business Day unless such next succeeding Business Day would fall in the next calendar month, in which case such Interest Period shall end on the next preceding Business Day;

4. Interest shall accrue from and including the first day of an Interest Period to but excluding the last day of such Interest Period; and

5. the Borrower shall not be entitled to elect any Interest Period in respect of any **Eurodollar Term SOFR Rate** Loan if such Interest Period would extend beyond the applicable Maturity Date of such Loan.

j. Increased Costs, Illegality, Etc. (a) In the event that any Lender shall have reasonably determined (which determination shall, absent clearly demonstrable error, be final and conclusive and binding upon all parties hereto):

1. that, due to a Change in Law, which shall (A) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender; (B) subject any Lender to any tax (other than (1) taxes indemnified under Section 5.4, (2) taxes described in clause (A), (B) or (C) of Section 5.4(a) or (3) taxes described in clause (f) of Section 5.4) on its loans, letters of credits, commitments or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or (C) impose on any Lender or ~~the London~~ **any applicable** interbank market any other condition, cost or expense affecting this Agreement or **Eurodollar Term SOFR Rate** Loans made by such Lender, which results in the cost to such Lender of making, converting into, continuing or maintaining **Eurodollar Term SOFR Rate** Loans or participating in Letters of Credit (in each case hereunder) increasing by an amount which such Lender reasonably deems material or the amounts received or receivable by such Lender hereunder with respect to the foregoing shall be reduced; or

2. at any time after the Effective Date that the making or continuance of any **Eurodollar Term SOFR Rate** Loan has become unlawful by compliance by such Lender in good faith with any Applicable Law, (or would conflict with any such Applicable Law not having the force of law even though the failure to comply therewith would not be unlawful), or has become impracticable as a result of a contingency occurring after the Effective Date that materially and adversely affects the **applicable** interbank ~~Eurodollar~~ market;

then, and in any such event, such Lender shall within a reasonable time thereafter give notice (if by telephone, confirmed in writing) to the Borrower and the Administrative Agent of such determination (which notice the Administrative Agent shall promptly transmit to each of the other Lenders). Thereafter (x) in the case of clause (i) above, the Borrower shall pay to such Lender, promptly (but no later than 10 Business Days) after receipt of written demand therefor, such additional amounts (in the form of an increased rate of, or a different method of calculating, interest or otherwise as such Lender in its reasonable discretion shall determine) as shall be required to compensate such Lender for such increased costs or reductions in amounts receivable hereunder (it being agreed that a written notice as to the additional amounts owed to such Lender, showing in reasonable detail the basis for the calculation thereof, submitted to the Borrower by such Lender shall, absent clearly demonstrable error, be final and conclusive and binding upon all parties hereto) and (y) in the case of clause (ii) above, the Borrower shall take one of the actions specified in Section 2.10(b) as promptly as possible and, in any event, within the time period required by Applicable Law.

i. At any time that any **Eurodollar Term SOFR Rate** Loan is affected by the circumstances described in Section 2.10(a), the Borrower may (and in the case of a **Eurodollar Term SOFR Rate** Loan affected pursuant to Section 2.10(a) (ii) shall) either (x) if the affected **Eurodollar Term SOFR Rate** Loan is then being made pursuant to a Borrowing, cancel said Borrowing by giving the Administrative Agent telephonic notice (confirmed promptly in writing) thereof on the same date that the Borrower was notified by a Lender pursuant to Section 2.10(a) or (y) if the affected **Eurodollar Term SOFR Rate** Loan is then outstanding, upon at least three Business Days' notice to the Administrative Agent, require the affected Lender to convert each such **Eurodollar Term SOFR Rate** Loan into an ABR Loan, if applicable; provided, that if more than one Lender is affected at any time, then all affected Lenders must be treated in the same manner pursuant to this Section 2.10(b).

ii. If any Change in Law regarding capital adequacy or liquidity requirements, has or would have the effect of reducing the rate of return on such Lender's or Letter of Credit Issuer's or their respective parent's capital or assets as a consequence of such Lender's or Letter of Credit Issuer's commitments or obligations hereunder to a level below that which such Lender or Letter of Credit Issuer or their respective parent could have achieved but for such Change in Law (taking into consideration such Lender's or Letter of Credit Issuer's or their respective parent's policies with respect to capital adequacy and liquidity), then from time to time, promptly (but no later than 10 Business Days) after written demand by such Lender or Letter of Credit Issuer (with a copy to the Administrative Agent), the Borrower shall pay to such Lender or Letter of Credit Issuer such additional amount or amounts as will compensate such Lender or Letter of Credit Issuer or their respective parent for such reduction, it being understood and agreed, however, that a Lender or Letter of Credit Issuer shall not be entitled to such compensation as a result of such Lender's or Letter of Credit Issuer's compliance with, or pursuant to any request or directive to comply with, any such Applicable Law as in effect on the Effective Date except as a result of a Change in Law. Each Lender or Letter of Credit Issuer, upon determining in good faith that any additional amounts will be payable pursuant to this Section 2.10(c), will give prompt written notice thereof to the Borrower (on its own behalf) which notice shall set forth in reasonable detail the basis of the calculation of such additional amounts, although the failure to give any such notice shall not, subject to Section 2.13, release or diminish any of the Borrower's obligations to pay additional amounts pursuant to this Section 2.10(c) upon receipt of such notice.

iii. If prior to the commencement of any Interest Period for a **Eurodollar Term SOFR Rate** Loan:

1. the Administrative Agent determines (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining ~~LIBOR, as applicable~~ **the Adjusted Term SOFR Rate** (including, without limitation, because the ~~LIBO Screen~~ **Term SOFR Reference** Rate is not available or published on a current basis), for such Interest Period; or

2. the Administrative Agent is advised by the Required Lenders that ~~LIBOR, as applicable, the~~ **Adjusted Term SOFR Rate** for such Interest Period will not adequately and fairly reflect the cost to such Lenders (or Lender) of making or maintaining their Loans (or its Loan) included in such Borrowing for such Interest Period;

then the Administrative Agent shall give notice thereof to the Borrower and the Lenders by telephone or telecopy as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, (A) any Notice of Conversion or Continuation that requests the conversion of any Loan to, or continuation of any Loan as, a **Eurodollar Term SOFR Rate** Loan shall be ineffective and (B) if any Notice of Borrowing requests Revolving Credit Loans as **Eurodollar Term SOFR**

**Rate** Loans, such Borrowing shall be made as ABR Loans; provided that if the circumstances giving rise to such notice affect only one Type of Borrowings, then all other Types of Borrowings shall be permitted.

iv.If at any time the Administrative Agent determines (which determination shall be conclusive absent manifest error) that (i) the circumstances set forth in Section 2.10(d)(i) have arisen and such circumstances are unlikely to be temporary or (ii) the circumstances set forth in Section 2.10(d)(i) have not arisen but the supervisor for the administrator of the ~~LIBO ScreenTerm SOFR Reference~~ Rate or a Governmental Authority having jurisdiction over the Administrative Agent has made a public statement identifying a specific date after which the ~~LIBO ScreenTerm SOFR Reference~~ Rate shall no longer be used for determining interest rates for loans, then the Administrative Agent and the Borrower shall endeavor to establish an alternate rate of interest to the ~~LIBO Adjusted Term SOFR~~ Rate that gives due consideration to the then prevailing market convention for determining a rate of interest for syndicated loans in the United States at such time, and shall enter into an amendment to this Agreement to reflect such alternate rate of interest and such other related changes to this Agreement as may be applicable. Notwithstanding anything to the contrary in Section 13.1, such amendment shall become effective without any further action or consent of any other party to this Agreement so long as the Administrative Agent shall not have received, within five Business Days of the date notice of such alternate rate of interest is provided to the Lenders, a written notice from the Required Lenders of each Class stating that such Required Lenders object to such amendment. Until an alternate rate of interest shall be determined in accordance with this clause (e) (but, in the case of the circumstances described in clause (ii) of the first sentence of this Section 2.10(e), only to the extent the ~~LIBO ScreenTerm SOFR Reference~~ Rate for such Interest Period is not available or published at such time on a current basis), (x) any Notice of Conversion or Continuation that requests the conversion of any Loans to, or continuation of any Loans as, ~~EurodollarTerm SOFR Rate~~ Loans shall be ineffective, and (y) if any Notice of Borrowing requests Revolving Credit Loans as ~~EurodollarTerm SOFR Rate~~ Loans, such Borrowing shall be made as ABR Loans; provided that, if such alternate rate of interest shall be less than zero, such rate shall be deemed to be zero for the purposes of this Agreement.

v.This Section 2.10 shall not apply to taxes to the extent duplicative of Section 5.4.

vi.The agreements in this Section 2.10 shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

vii.Notwithstanding the foregoing, no Lender or Letter of Credit Issuer shall be entitled to seek compensation under this Section 2.10 based on the occurrence of a Change in Law arising solely from the Dodd-Frank Wall Street Reform and Consumer Protection Act or any requests, rules, guidelines or directives thereunder or issued in connection therewith, unless such Lender or Letter of Credit Issuer is generally seeking compensation from other borrowers in the U.S. leveraged loan market with respect to its similarly affected commitments, loans and/or participations under agreements with such borrowers having provisions similar to this Section 2.10.

k. Compensation. If (a) any payment of principal of a ~~EurodollarTerm SOFR Rate~~ Loan is made by the Borrower to or for the account of a Lender other than on the last day of the Interest Period for such ~~EurodollarTerm SOFR Rate~~ Loan as a result of a payment or conversion pursuant to Section 2.5, 2.6, 2.10, 5.1, 5.2 or 13.7, as a result of acceleration of the maturity of the Loans pursuant to Section 11 or for any other reason, (b) any Borrowing of ~~EurodollarTerm SOFR Rate~~ Loans is not made as a result of a withdrawn Notice of Borrowing, (c) any ABR Loan is not converted into a ~~EurodollarTerm SOFR Rate~~ Loan as a result of a withdrawn Notice of Conversion or Continuation, (d) any ~~EurodollarTerm SOFR Rate~~ Loan is not continued as a ~~EurodollarTerm SOFR Rate~~ Loan as

a result of a withdrawn Notice of Conversion or Continuation or (e) any prepayment of principal of a **Eurodollar Term SOFR Rate** Loan is not made as a result of a withdrawn notice of prepayment pursuant to Section 5.1 or 5.2, the Borrower shall, after receipt of a written request by such Lender (which request shall set forth in reasonable detail the basis for requesting such amount and, absent clearly demonstrable error, the amount requested shall be final and conclusive and binding upon all parties hereto), pay to the Administrative Agent for the account of such Lender within 10 Business Days of such request any amounts required to compensate such Lender for any additional losses, costs or expenses that such Lender may reasonably incur as a result of such payment, failure to borrow, failure to convert, failure to continue, failure to prepay, reduction or failure to reduce, including any loss, cost or expense (excluding loss of anticipated profits) actually incurred by reason of the liquidation or reemployment of deposits or other funds acquired by such Lender to fund or maintain such **Eurodollar Term SOFR Rate** Loan.

l. Change of Lending Office. Each Lender agrees that, upon the occurrence of any event giving rise to the operation of Section 2.10(a), 2.10(c), 3.5 or 5.4 with respect to such Lender, it will, if requested by the Borrower, use reasonable efforts (subject to overall policy considerations of such Lender) to designate another lending office for any Loans affected by such event; provided, that such designation is made on such terms that such Lender and its lending office suffer no economic, legal or regulatory disadvantage, with the object of avoiding the consequence of the event giving rise to the operation of any such Section. Nothing in this Section 2.12 shall affect or postpone any of the obligations of the Borrower or the right of any Lender provided in Section 2.10, 3.5 or 5.4.

m. Notice of Certain Costs. Notwithstanding anything in this Agreement to the contrary, to the extent any notice required by Section 2.10, 2.11, 3.5 or 5.4 is given by any Lender more than 180 days after such Lender has knowledge (or should have had knowledge) of the occurrence of the event giving rise to the additional cost, reduction in amounts, loss, tax or other additional amounts described in such Sections, such Lender shall not be entitled to compensation under Section 2.10, 2.11, 3.5 or 5.4, as the case may be, for any such amounts incurred or accruing prior to the giving of such notice to the Borrower; provided that, if the circumstance giving rise to such claim is retroactive, then such 180 day period referred to above shall be extended to include the period of retroactive effect thereof.

n. Incremental Facilities.

i. The Borrower may at any time or from time to time after the Effective Date, by written notice delivered to the Administrative Agent (whereupon the Administrative Agent shall promptly deliver a copy to each of the Lenders), request (i) one or more new term loans which may be the same Class as any outstanding Class of Term Loans (a "Term Loan Increase") and/or one or more new Classes of term loans (collectively, with any Term Loan Increase (and including the Tranche B Term Loans and Tranche B-1 Term Loans), the "Incremental Term Loans"), (ii) one or more increases in the amount of the Revolving Credit Commitments of any Class (each such increase, an "Incremental Revolving Credit Commitment Increase") or (iii) one or more additional Classes of revolving credit commitments (the "Additional/Replacement Revolving Credit Commitments"), and together with the Incremental Term Loans and the Incremental Revolving Credit Commitment Increases, the "Incremental Facilities" and the commitments in respect thereof are referred to as the "Incremental Commitments" (including therein the Tranche B Term Loan Facility and Tranche B-1 Term Loan Facility, and the Tranche B Term Loan Commitments and the Tranche B-1 Term Loan Commitments, respectively)); provided that:

1. after giving effect to the effectiveness of any Incremental Agreement referred to below, except as set forth in the proviso to clause (b) below, no Event of

Default shall exist and at the time that any such Incremental Term Loan, Incremental Revolving Credit Commitment Increase or Additional/Replacement Revolving Credit Commitment is made or effected (and after giving effect thereto), no Event of Default shall exist; provided that, with respect to any Incremental Agreement the primary purpose of which is to finance a Permitted Acquisition or any other Investment permitted by this Agreement constituting an acquisition of assets constituting a business unit, line of business or division of, or all or substantially all of the Capital Stock of, another Person, this clause (i) may be waived or omitted by Incremental Lenders holding more than 50% of the aggregate Incremental Commitments under such Incremental Agreement (other than with respect to the absence of any Event of Default under Section 11.1 or Section 11.5, which requirement may not be waived by such Incremental Lenders); and

2. after giving effect to the incurrence of such Incremental Term Loans or borrowing under such Incremental Revolving Credit Commitment Increase or borrowing under such Additional/Replacement Revolving Credit Commitments (and after giving effect to any Specified Transaction to be consummated in connection therewith), the Borrower and the Restricted Subsidiaries would be in compliance on a Pro Forma Basis with the requirements of Sections 10.9 and 10.10 as of the most recently ended Test Period on or prior to the incurrence of any such Incremental Facilities, calculated on a Pro Forma Basis, in each case as if such Incremental Term Loans, Incremental Revolving Credit Commitment Increase or Additional/Replacement Revolving Credit Commitments, as applicable, had been outstanding (and any related transactions had occurred) on the first day of such Test Period.

ii. Each tranche of Incremental Term Loans, each tranche of Additional/Replacement Revolving Credit Commitments and each Incremental Revolving Credit Commitment Increase shall be in an aggregate principal amount that is not less than \$5,000,000 (provided that such amount may be less than \$5,000,000 if such amount represents all remaining availability under the limit set forth below) (and in minimum increments of \$1,000,000 in excess thereof), and following the Effective Date, the aggregate amount of the Incremental Term Loans, Incremental Revolving Credit Commitment Increases and the Additional/Replacement Revolving Credit Commitments shall not exceed, at the time of incurrence thereof and after giving Pro Forma Effect thereto and the use of the proceeds thereof, of the sum of (A) the greater of \$500,000,000 and an amount equal to 100% of Consolidated EBITDA for the Test Period most recently then-ended for which the Section 9.1 Financials required by Section 9.1(a) or Section 9.1(b) have actually been delivered (minus, the aggregate principal amount of all Permitted Additional Debt incurred under clause (A) of the proviso to Section 10.1(v)(ii) at any time following the Effective Date), plus (B) an aggregate additional amount of Indebtedness, such that, after giving Pro Forma Effect to such incurrence or issuance (and after giving effect to any Specified Transaction to be consummated in connection therewith and assuming that all Incremental Revolving Credit Commitments then outstanding were fully drawn (except to the extent that such Incremental Revolving Credit Commitments refinanced or replaced all or any portion of the Revolving Credit Commitments outstanding on the Effective Date))) the Borrower would be in compliance with a Consolidated Secured Debt to Consolidated EBITDA Ratio as of the Test Period most recently ended on or prior to the incurrence of any such Incremental Facility, calculated on a Pro Forma Basis, as if such incurrence (and transaction) had occurred on the first day of such Test Period, that is no greater than 4.0:1.0 (the amounts under clause (A), the “Free and Clear Incremental Amount” and the amounts under clause (B), the “Incurrence-Based Incremental Amount” and, together with the Free and Clear Incremental Amount, the “Incremental Limit”); provided that (i) Incremental Term Loans may be incurred without regard to the Incremental Limit, without regard to the requirement set forth in the proviso to Section 2.14(a) that the Borrower and the Restricted Subsidiaries be in compliance on a Pro Forma Basis with the requirements of Sections 10.9 and 10.10 as of the most recently ended Test Period, and without regard to whether an Event of Default has occurred and is continuing, to the extent that the Net Cash Proceeds from such Incremental Term Loans are used on the date of incurrence of

such Incremental Term Loans to prepay Term Loans in accordance with the procedures set forth in Section 5.2(a)(i) and subject to the payment of premiums set forth in Section 5.1(b), if applicable, (ii) Additional/Replacement Revolving Credit Commitments may be provided without regard to the Incremental Limit, without regard to the requirement set forth in the proviso to Section 2.14(a) that the Borrower and the Restricted Subsidiaries be in compliance on a Pro Forma Basis with the requirements of Sections 10.9 and 10.10 as of the most recently ended Test Period, and without regard to whether an Event of Default has occurred and is continuing, to the extent that the existing Revolving Credit Commitments shall be permanently reduced in accordance with Section 5.2(e)(ii) by an amount equal to the aggregate amount of Additional/Replacement Revolving Credit Commitments so provided and (iii) the Borrower may elect to use the Incurrence-Based Incremental Amount prior to the Free and Clear Incremental Amount or any combination thereof in accordance with Section 1.2(m) (and, absent such election, shall be deemed to have used the Incurrence-Based Incremental Amount). Without limiting the foregoing, all or any portion of the Free and Clear Incremental Amount incurred concurrently with all or any portion of the Incurrence-Based Incremental Amount shall not count as Indebtedness for the purposes of calculating the applicable ratio pursuant to the Incurrence-Based Incremental Amount in accordance with Section 1.2(m).

iii.(i) The Incremental Term Loans (I) shall rank *pari passu* in right of payment and of security with the Tranche B-1 Term Loans, (II) shall not mature earlier than the Tranche B-1 Term Loan Maturity Date, (III) shall not have a shorter Weighted Average Life to Maturity than the Tranche B-1 Term Loan Facility, (IV) shall have an amortization schedule (subject to clause (III) above), and interest rates (including through fixed interest rates), interest margins, rate floors, upfront fees, funding discounts, original issue discounts and prepayment premiums for the Incremental Term Loans as determined by the Borrower and the lenders of the Incremental Term Loans; provided, however, that if the Effective Yield in respect of any Incremental Term Loans that rank *pari passu* in right of payment and security with the Tranche B-1 Term Loans as of the date of funding thereof and established on or prior to the Tranche B-1 Term Loan Maturity Date exceeds the Effective Yield in respect of the Tranche B-1 Term Loans by more than 0.50%, then the Applicable Margin in respect of the Initial Term Loans shall be adjusted so that the Effective Yield in respect of the Tranche B-1 Term Loans is equal to the Effective Yield of the Incremental Term Loans minus 0.50%; provided, further, to the extent that any change in the Effective Yield of the Tranche B-1 Term Loans is necessitated by this clause (c)(i) on the basis of an effective interest rate floor in respect of the Incremental Term Loans, the increased Effective Yield in the Tranche B-1 Term Loans shall (unless otherwise agreed in writing by the Borrower) have such increase in the Effective Yield effected solely by increases in the interest rate floor(s) applicable to the Tranche B-1 Term Loans and (V) may otherwise have terms and conditions different from those of the Tranche B-1 Term Loans; provided that (except with respect to matters contemplated by subclauses (II), (III) and (IV) in above) any differences shall be reasonably satisfactory to the Administrative Agent.

1. The Incremental Revolving Credit Commitment Increase shall be treated the same as the Revolving Credit Commitments (including with respect to maturity date thereof) and shall be considered to be part of the Revolving Credit Facility.

2. The Additional/Replacement Revolving Credit Commitments (i) shall rank *pari passu* in right of payment and of security with the Revolving Credit Loans, (ii) shall not mature earlier than the Revolving Credit Maturity Date and shall require no mandatory commitment reduction prior to the Revolving Credit Maturity Date, (iii) shall have interest rates (including through fixed interest rates), interest margins, rate floors, upfront fees, undrawn commitment fees, funding discounts, original issue discounts and prepayment premiums as determined by the Borrower and the lenders of such commitments, (iv) shall contain borrowing, repayment and termination of Commitment procedures as determined by the Borrower and the lenders of such commitments, (v) may include provisions relating to swingline

loans and/or letters of credit, as applicable, issued thereunder, which issuances shall be on terms substantially similar (except for the overall size of such subfacilities, the fees payable in connection therewith and the identity of the swingline lender and letter of credit issuer, as applicable, which shall be determined by the Borrower, the lenders of such commitments and the applicable letter of credit issuers and swingline lenders and borrowing, repayment and termination of commitment procedures with respect thereto, in each case which shall be specified in the applicable Incremental Agreement) to the terms relating to Swingline Loans and Letters of Credit with respect to the Revolving Credit Commitments or otherwise reasonably acceptable to the Administrative Agent and (vi) may otherwise have terms and conditions different from those of the Revolving Credit Facility; provided that (except with respect to matters contemplated by clauses (ii), (iii), (iv) and (v) above) any differences shall be reasonably satisfactory to the Administrative Agent.

iv. Each notice from the Borrower pursuant to this Section 2.14 shall be given in writing and shall set forth the requested amount and proposed terms of the relevant Incremental Term Loans, Incremental Revolving Credit Commitment Increases or Additional/Replacement Revolving Credit Commitments. Incremental Term Loans may be made, and Incremental Revolving Credit Commitment Increases and Additional/Replacement Revolving Credit Commitments may be provided, subject to the prior written consent of the Borrower (not to be unreasonably withheld), by any existing Lender (it being understood that no existing Lender will have an obligation to make a portion of any Incremental Term Loan, no existing Lender with a Revolving Credit Commitment will have any obligation to provide a portion of any Incremental Revolving Credit Commitment Increase and no existing Lender with an Revolving Credit Commitment will have an obligation to provide a portion of any Additional/Replacement Revolving Credit Commitment) or by any other bank, financial institution, other institutional lender or other investor (any such other bank, financial institution or other investor being called an “Additional Lender”); provided that (i) the Administrative Agent shall have consented (not to be unreasonably withheld) to such Lender’s or Additional Lender’s making such Incremental Term Loans or providing such Incremental Revolving Credit Commitment Increases or such Additional/Replacement Revolving Credit Commitments if such consent would be required under Section 13.6(b) for an assignment of Loans or Commitments, as applicable, to such Lender or Additional Lender; provided further that, solely with respect to any Incremental Revolving Credit Commitment Increases or Additional/Replacement Revolving Credit Commitments, each Swingline Lender and each Letter of Credit Issuer shall have consented (not to be unreasonably withheld) to such Additional Lender’s providing such Incremental Revolving Credit Commitment Increases or Additional/Replacement Revolving Credit Commitments if such consent would be required under Section 13.6(b) for an assignment of Loans or Commitments, as applicable, to such Lender or Additional Lender.

v. Commitments in respect of Incremental Term Loans, Incremental Revolving Credit Commitment Increases and Additional/Replacement Revolving Credit Commitments shall become Commitments (or in the case of an Incremental Revolving Credit Commitment Increase to be provided by an existing Lender with a Revolving Credit Commitment, an increase in such Lender’s applicable Revolving Credit Commitment) under this Agreement pursuant to an amendment (an “Incremental Agreement”) to this Agreement and, as appropriate, the other Credit Documents, executed by Holdings, the Borrower, each Lender agreeing to provide such Commitment, if any, each Additional Lender, if any, and the Administrative Agent. The Incremental Agreement may, subject to Section 2.14(c), without the consent of any other Lenders, effect such amendments to this Agreement and the other Credit Documents as may be necessary, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section. The effectiveness of any Incremental Agreement shall be subject to the satisfaction on the date thereof (each, an “Incremental Facility Closing Date” (including the Second Amendment Effective Date, the Fourth Amendment Effective Date and the Fifth Amendment Effective Date)), and the occurrence of any Credit Events pursuant to such

Incremental Agreement, shall be subject to the satisfaction of such conditions as the parties thereto shall agree. The Borrower will use the proceeds of the Incremental Term Loans, Incremental Revolving Credit Commitment Increases and Additional/Replacement Revolving Credit Commitments for any purpose not prohibited by this Agreement; provided that the proceeds of any Incremental Term Loans incurred, and any Additional/Replacement Revolving Credit Commitments provided, in either case as described in the proviso to Section 2.14(b), shall be used in accordance with the terms thereof.

vi.(i) No Lender shall be obligated to provide any Incremental Term Loans, Incremental Revolving Credit Commitment Increases or Additional/Replacement Revolving Credit Commitments unless it so agrees and the Borrower shall not be obligated to offer any existing Lender the opportunity to provide any Incremental Term Loans, Incremental Revolving Credit Commitment Increases or Additional/Replacement Revolving Credit Commitments.

1. Upon each increase in the Revolving Credit Commitments pursuant to this Section, each Lender with a Revolving Credit Commitment of such Class immediately prior to such increase will automatically and without further act be deemed to have assigned to each Lender providing a portion of the Incremental Revolving Credit Commitment Increase (each, an “Incremental Revolving Credit Commitment Increase Lender”) in respect of such increase, and each such Incremental Revolving Credit Commitment Increase Lender will automatically and without further act be deemed to have assumed, a portion of such Lender’s participations hereunder in outstanding Letters of Credit and Swingline Loans such that, after giving effect to each such deemed assignment and assumption of participations, the percentage of the aggregate outstanding (A) participations hereunder in Letters of Credit and (B) participations hereunder in Swingline Loans held by each Lender with a Revolving Credit Commitment (including each such Incremental Revolving Credit Commitment Increase Lender) will equal the percentage of the aggregate Revolving Credit Commitments of all Lenders represented by such Lender’s Revolving Credit Commitment. If, on the date of such increase, there are any Revolving Credit Loans outstanding, such Revolving Credit Loans shall on or prior to the effectiveness of such Incremental Revolving Credit Commitment Increase be prepaid from the proceeds of additional Revolving Credit Loans made hereunder (reflecting such increase in Revolving Credit Commitments), which prepayment shall be accompanied by accrued interest on the Revolving Credit Loans being prepaid and any costs incurred by any Lender in accordance with Section 2.11. The Administrative Agent and the Lenders hereby agree that the minimum borrowing, pro rata borrowing and pro rata payment requirements contained elsewhere in this Agreement shall not apply to the transactions effected pursuant to the immediately preceding sentence.

vii. This Section 2.14 shall supersede any provisions in Section 2.7 or 13.1 to the contrary. For the avoidance of doubt, any provisions of this Section 2.14 may be amended with the consent of the Required Lenders, provided no such amendment shall require any Lender to provide any Incremental Commitment without such Lender’s consent.

o. Extensions of Term Loans, Revolving Credit Loans and Revolving Credit Commitments and Additional/Replacement Revolving Credit Loans and Additional/Replacement Revolving Credit Commitments.

i.(i) The Borrower may at any time and from time to time request that all or a portion of each Term Loan of any Class (an “Existing Term Loan Class”) be exchanged to extend the scheduled final maturity date(s) of any payment of principal with respect to all or a portion of any principal amount of such Term Loans (any such Term Loans which have been so extended, “Extended Term Loans”) and to provide for other terms consistent with this Section 2.15. Prior to entering into any Extension Agreement with respect to any Extended Term Loans, the Borrower shall provide written notice to the Administrative Agent (who shall provide

a copy of such notice to each of the Lenders of the applicable Existing Term Loan Class, with such request offered to all such Lenders of such Existing Term Loan Class) (a “Term Loan Extension Request”) setting forth the proposed terms of the Extended Term Loans to be established, which terms shall be substantially similar to the Term Loans of the Existing Term Loan Class from which they are to be extended except that (w) the scheduled final maturity date shall be extended and all or any of the scheduled amortization payments of all or a portion of any principal amount of such Extended Term Loans may be delayed to later dates than the scheduled amortization of principal of the Term Loans of such Existing Term Loan Class (with any such delay resulting in a corresponding adjustment to the scheduled amortization payments reflected in Section 2.5 or in the Extension Agreement or Incremental Agreement, as the case may be, with respect to the Existing Term Loan Class of Term Loans from which such Extended Term Loans were extended, in each case as more particularly set forth in Section 2.15(c) below), (x) (A) the interest rates (including through fixed interest rates), interest margins, rate floors, upfront fees, funding discounts, original issue discounts and premiums with respect to the Extended Term Loans may be different than those for the Term Loans of such Existing Term Loan Class and/or (B) additional fees and/or premiums may be payable to the Lenders providing such Extended Term Loans in addition to any of the items contemplated by the preceding clause (A), in each case, to the extent provided in the applicable Extension Agreement, (y) subject to the provisions set forth in Sections 5.1 and 5.2, the Extended Term Loans may have optional prepayment terms (including call protection and prepayment premiums) and mandatory prepayment terms as may be agreed between the Borrower and the Lenders thereof and (z) the Extension Agreement may provide for other covenants and terms that apply to any period after the Latest Maturity Date. No Lender shall have any obligation to agree to have any of its Term Loans of any Existing Term Loan Class exchanged into Extended Term Loans pursuant to any Term Loan Extension Request. Any Extended Term Loans of any Extension Series shall constitute a separate Class of Term Loans from the Existing Term Loan Class of Term Loans from which they were extended.

1. The Borrower may at any time and from time to time request that all or a portion of the Revolving Credit Commitments of any Class, the Extended Revolving Credit Commitments of any Class and/or any Additional/Replacement Revolving Credit Commitments of any Class, existing at the time of such request (each, an “Existing Revolving Credit Commitment” and any related revolving credit loans under any such facility, “Existing Revolving Credit Loans”; each Existing Revolving Credit Commitment and related Existing Revolving Credit Loans together being referred to as an “Existing Revolving Credit Class”) be exchanged to extend the termination date thereof and the scheduled maturity date(s) of any payment of principal with respect to all or a portion of any principal amount of Existing Revolving Credit Loans related to such Existing Revolving Credit Commitments (any such Existing Revolving Credit Commitments which have been so extended, “Extended Revolving Credit Commitments” and any related revolving credit loans, “Extended Revolving Credit Loans”) and to provide for other terms consistent with this Section 2.15. Prior to entering into any Extension Agreement with respect to any Extended Revolving Credit Commitments, the Borrower shall provide a notice to the Administrative Agent (who shall provide a copy of such notice to each of the Lenders of the applicable Class of Existing Revolving Credit Commitments, with such request offered to all Lenders of such Class) (a “Revolving Credit Extension Request”) setting forth the proposed terms of the Extended Revolving Credit Commitments to be established thereunder, which terms shall be substantially similar to those applicable to the Existing Revolving Credit Commitments from which they are to be extended (the “Specified Existing Revolving Credit Commitment Class”) except that (w) all or any of the final maturity dates of such Extended Revolving Credit Commitments may be delayed to later dates than the final maturity dates of the Existing Revolving Credit Commitments of the Specified Existing Revolving Credit Commitment Class, (x)(A) the interest rates, interest margins, rate floors, upfront fees, funding discounts, original issue discounts and prepayment premiums with respect to the Extended Revolving Credit Commitments may be different than those for the Existing

Revolving Credit Commitments of the Specified Existing Revolving Credit Commitment Class and/or (B) additional fees and/or premiums may be payable to the Lenders providing such Extended Revolving Credit Commitments in addition to or in lieu of any of the items contemplated by the preceding clause (A), (y)(1) the undrawn revolving credit commitment fee rate with respect to the Extended Revolving Credit Commitments may be different than those for the Specified Existing Revolving Credit Commitment Class and (2) the Extension Agreement may provide for other covenants and terms that apply to any period after the Latest Maturity Date; provided that, notwithstanding anything to the contrary in this Section 2.15 or otherwise, (1) the borrowing and repayment (other than in connection with a permanent repayment and termination of commitments) of the Extended Revolving Credit Loans under any Extended Revolving Credit Commitments shall not be required to be made on a pro rata basis with any borrowings and repayments of the Existing Revolving Credit Loans of the Specified Existing Revolving Credit Commitment Class (the mechanics for which may be implemented through the applicable Extension Agreement and may include technical changes related to the borrowing and repayment procedures of the Specified Existing Revolving Credit Commitment Class), (2) assignments and participations of Extended Revolving Credit Commitments and Extended Revolving Credit Loans shall be governed by the assignment and participation provisions set forth in Section 13.6 and (3) subject to the applicable limitations set forth in Section 4.2 and Section 5.2(e)(ii), permanent repayments of Extended Revolving Credit Loans (and corresponding permanent reduction in the related Extended Revolving Credit Commitments) shall be permitted as may be agreed between the Borrower and the Lenders thereof. No Lender shall have any obligation to agree to have any of its Revolving Credit Loans or Revolving Credit Commitments of any Existing Revolving Credit Class exchanged into Extended Revolving Credit Loans or Extended Revolving Credit Commitments pursuant to any Extension Request. Any Extended Revolving Credit Commitments of any Extension Series shall constitute a separate Class of revolving credit commitments from Existing Revolving Credit Commitments of the Specified Existing Revolving Credit Commitment Class and from any other Existing Revolving Credit Commitments (together with any other Extended Revolving Credit Commitments so established on such date).

ii. The Borrower shall provide the applicable Extension Request to the Administrative Agent (for further delivery to the Lenders) not later than 30 days prior to the maturity date or termination date, as the case may be, of the applicable Term Loan, Revolving Credit Loan, Revolving Credit Commitment, Additional/Replacement Revolving Credit Loan or Additional/Replacement Revolving Credit Commitment, and shall provide each applicable Lender in such Extension Request a period of at least five Business Days (or such shorter period as the Administrative Agent may determine in its reasonable discretion) prior to the date on which Lenders under the Existing Class are requested to respond, and shall agree to such procedures, if any, as may be established by, or acceptable to, the Administrative Agent, in each case acting reasonably, to accomplish the purpose of this Section 2.15. Any Lender (an "Extending Lender") wishing to have all or a portion of its Term Loans, Revolving Credit Commitments or Additional/Replacement Revolving Credit Commitments (or any earlier Extended Revolving Credit Commitments) of an Existing Class subject to such Extension Request exchanged into Extended Loans/Commitments shall notify the Administrative Agent (an "Extension Election") on or prior to the date specified in such Extension Request of the amount of its Term Loans, Revolving Credit Commitments and/or Additional/Replacement Revolving Credit Commitments (and/or any earlier extended Extended Revolving Credit Commitments) which it has elected to convert into Extended Loans/Commitments (subject to any minimum denomination requirements imposed by the Administrative Agent). In the event that the aggregate amount of Term Loans, Revolving Credit Commitments, Additional/Replacement Revolving Credit Commitments or earlier extended Extended Revolving Credit Commitments, as applicable, subject to Extension Elections exceeds the amount of Extended Loans/Commitments requested pursuant to the Extension Request, such Term Loans, Revolving Credit Commitments, Additional/Replacement Revolving Credit Commitments or earlier extended Extended Revolving Credit Commitments

subject to Extension Elections shall be exchanged to Extended Loans/Commitments on a pro rata basis (subject to such rounding requirements as may be established by the Administrative Agent) based on the principal amount of Term Loans, Revolving Credit Commitments, Additional/Replacement Revolving Credit Commitments or earlier extended Extended Revolving Credit Commitments included in such Extension Election or as may be otherwise agreed to in the applicable Extension Agreement.

iii. Extended Loans/Commitments shall be established pursuant to an amendment (an “Extension Agreement”) to this Agreement (which, except to the extent expressly contemplated by the penultimate sentence of this Section 2.15(c) and notwithstanding anything to the contrary set forth in Section 13.1, shall not require the consent of any Lender other than the Extending Lenders with respect to the Extended Loans/Commitments established thereby) executed by the Credit Parties, the Administrative Agent and the Extending Lenders. In addition to any terms and changes required or permitted by Section 2.15(a), each Extension Agreement in respect of Extended Term Loans shall amend the scheduled amortization payments pursuant to Section 2.5 or the applicable Incremental Agreement or Extension Agreement with respect to the Existing Class of Term Loans from which the Extended Term Loans were exchanged to reduce each scheduled Repayment Amount for the Existing Class in the same proportion as the amount of Term Loans of the Existing Class is to be reduced pursuant to such Extension Agreement (it being understood that the amount of any Repayment Amount payable with respect to any individual Term Loan of such Existing Class that is not an Extended Term Loan shall not be reduced as a result thereof). In connection with any Extension Agreement, the Borrower shall deliver an opinion of counsel reasonably acceptable to the Administrative Agent (i) as to the enforceability of such Extension Agreement, this Agreement as amended thereby, and such of the other Credit Documents (if any) as may be amended thereby (in the case of such other Credit Documents as contemplated by the immediately preceding sentence) and covering other customary matters and (ii) to the effect that such Extension Agreement, including the Extended Loans/Commitments provided for therein, does not conflict with or violate the terms and provisions of Section 13.1 of this Agreement.

iv. Notwithstanding anything to the contrary contained in this Agreement, (A) on any date on which any Existing Term Loan Class or Class of Existing Revolving Credit Commitments is exchanged to extend the related scheduled maturity date(s) in accordance with paragraph (a) above (an “Extension Date”), (I) in the case of the existing Term Loans of each Extending Lender, the aggregate principal amount of such existing Term Loans shall be deemed reduced by an amount equal to the aggregate principal amount of Extended Term Loans so exchanged by such Lender on such date, and the Extended Term Loans shall be established as a separate Class of Term Loans (together with any other Extended Term Loans so established on such date), and (II) in the case of the Existing Revolving Credit Commitments of each Extending Lender under any Specified Existing Revolving Credit Commitment Class, the aggregate principal amount of such Existing Revolving Credit Commitments shall be deemed reduced by an amount equal to the aggregate principal amount of Extended Revolving Credit Commitments so exchanged by such Lender on such date (or by any greater amount as may be agreed by the Borrower and such Lender), and such Extended Revolving Credit Commitments shall be established as a separate Class of revolving credit commitments from the Specified Existing Revolving Credit Commitment Class and from any other Existing Revolving Credit Commitments (together with any other Extended Revolving Credit Commitments so established on such date) and (B) if, on any Extension Date, any Existing Revolving Credit Loans of any Extending Lender are outstanding under the Specified Existing Revolving Credit Commitment Class, such Existing Revolving Credit Loans (and any related participations) shall be deemed to be exchanged to Extended Revolving Credit Loans (and related participations) of the applicable Class in the same proportion as such Extending Lender’s Specified Existing Revolving Credit Commitments to Extended Revolving Credit Commitments of such Class.

v. In the event that the Administrative Agent determines in its sole discretion that the allocation of Extended Term Loans of a given Extension Series or the Extended Revolving Credit Commitments of a given Extension Series, in each case to a given Lender was incorrectly determined as a result of manifest administrative error in the receipt and processing of an Extension Election timely submitted by such Lender in accordance with the procedures set forth in the applicable Extension Agreement, then the Administrative Agent, the Borrower and such affected Lender may (and hereby are authorized to), in their sole discretion and without the consent of any other Lender, enter into an amendment to this Agreement and the other Credit Documents (each, a “Corrective Extension Amendment”) within 15 days following the effective date of such Extension Agreement, as the case may be, which Corrective Extension Amendment shall (i) provide for the exchange and extension of Term Loans under the Existing Term Loan Class or Existing Revolving Credit Commitments (and related revolving credit exposure), as the case may be, in such amount as is required to cause such Lender to hold Extended Term Loans or Extended Revolving Credit Commitments (and related revolving credit exposure) of the applicable Extension Series into which such other Term Loans or Commitments were initially exchanged, as the case may be, in the amount such Lender would have held had such administrative error not occurred and had such Lender received the minimum allocation of the applicable Loans or Commitments to which it was entitled under the terms of such Extension Agreement, in the absence of such error, (ii) be subject to the satisfaction of such conditions as the Administrative Agent, the Borrower and such Lender may agree (including conditions of the type required to be satisfied for the effectiveness of an Extension Agreement described in Section 2.15(c)), and (iii) effect such other amendments of the type (with appropriate reference and nomenclature changes) described in the penultimate sentence of Section 2.15(c).

vi. No exchange of Loans or Commitments pursuant to any Extension Agreement in accordance with this Section 2.15 shall constitute a voluntary or mandatory payment or prepayment for purposes of this Agreement.

vii. This Section 2.15 shall supersede any provisions in Section 2.4 or Section 13.1 to the contrary. For the avoidance of doubt, any of the provisions of this Section 2.15 may be amended with the consent of the Required Lenders; provided that no such amendment shall require any Lender to provide any Extended Loans/Commitments without such Lender’s consent.

p. **Defaulting Lenders.** Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

i. fees shall cease to accrue on the unfunded portion of the Commitment of such Defaulting Lender pursuant to Section 4.1(a);

ii. the Commitment of and the Revolving Credit Exposure of such Defaulting Lender shall not be included in determining whether all Lenders or the Required Lenders or any other requisite Lenders have taken or may take any action hereunder (including any consent to any amendment or waiver pursuant to Section 13.1); provided that (i) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender which affects such Defaulting Lender differently than other affected Lenders shall require the consent of such Defaulting Lender and (ii) the Commitment of any Defaulting Lender may not be increased or extended without the consent of such Lender;

iii. if any Swingline Exposure or Letter of Credit Exposure exists at the time a Lender becomes a Defaulting Lender, then (i) all or any part of such Letter of Credit Exposure of such Defaulting Lender and such Swingline Exposure of such Defaulting Lender will, subject to the limitation in the first proviso below, automatically be reallocated (effective on the day such

Lender becomes a Defaulting Lender) among the Non-Defaulting Lenders pro rata in accordance with their respective Revolving Credit Commitment Percentages; provided that (A) each Non-Defaulting Lender's Revolving Credit Exposure may not in any event exceed the Revolving Credit Commitment of such Non-Defaulting Lender as in effect at the time of such reallocation and (B) neither such reallocation nor any payment by a Non-Defaulting Lender pursuant thereto will constitute a waiver or release of any claim the Borrower, the Administrative Agent, any Letter of Credit Issuer, any Swingline Lender or any other Lender may have against such Defaulting Lender or cause such Defaulting Lender to be a Non-Defaulting Lender, (ii) to the extent that all or any portion (the "unreallocated portion") of the Defaulting Lender's Letter of Credit Exposure and Swingline Exposure cannot, or can only partially, be so reallocated to Non-Defaulting Lenders, whether by reason of the first proviso in Section 2.16(c)(i) above or otherwise, the Borrower shall within one Business Day following notice by the Administrative Agent (x) first, prepay such Swingline Exposure (after giving effect to any partial reallocation pursuant to clause (i) above) and (y) second, Cash Collateralize such Defaulting Lender's Letter of Credit Exposure (after giving effect to any partial reallocation pursuant to clause (i) above), in accordance with the procedures set forth in Section 3.8 for so long as such Letter of Credit Exposure is outstanding, (iii) if the Borrower Cash Collateralizes any portion of such Defaulting Lender's Letter of Credit Exposure pursuant to the requirements of this Section 2.16(c), the Borrower shall not be required to pay any fees to such Defaulting Lender pursuant to Section 4.1(c) with respect to such Defaulting Lender's Letter of Credit Exposure during the period such Defaulting Lender's Letter of Credit Exposure is Cash Collateralized, (iv) if the Letter of Credit Exposure of the Non-Defaulting Lenders is reallocated pursuant to the requirements of this Section 2.16(c), then the fees payable to the Lenders pursuant to Section 4.1(c) shall be adjusted in accordance with such Non-Defaulting Lenders' Revolving Credit Commitment Percentages and the Borrower shall not be required to pay any fees to the Defaulting Lender pursuant to Section 4.1(c) with respect to such Defaulting Lender's Letter of Credit Exposure during the period that such Defaulting Lender's Letter of Credit Exposure is reallocated, or (v) if any Defaulting Lender's Letter of Credit Exposure is neither Cash Collateralized nor reallocated pursuant to the requirements of this Section 2.16(c), then, without prejudice to any rights or remedies of any Letter of Credit Issuer or any Lender hereunder, all fees payable under Section 4.1(c) with respect to such Defaulting Lender's Letter of Credit Exposure shall be payable to the Letter of Credit Issuers until such Letter of Credit Exposure is Cash Collateralized and/or reallocated;

iv.(i) No Letter of Credit Issuer will be required to issue any new Letter of Credit or amend any outstanding Letter of Credit to increase the face amount thereof, alter the drawing terms thereunder or extend the expiry date thereof, unless such Letter of Credit Issuer is reasonably satisfied that any exposure that would result from the exposure to such Defaulting Lender is eliminated or fully covered by the Revolving Credit Commitments of the Non-Defaulting Lenders or by Cash Collateralization or a combination thereof in accordance with the requirements of this Section 2.16 or otherwise in a manner reasonably satisfactory to such Letter of Credit Issuer; and

1. No Swingline Lender will be required to fund any Swingline Loans unless such Swingline Lender is reasonably satisfied that any exposure that would result from the exposure to such Defaulting Lender is eliminated or fully covered by the Revolving Credit Commitments of the Non-Defaulting Lenders or a combination thereof in accordance with the requirements of Section 2.16(c) above.

v.If the Borrower, the Administrative Agent, the Swingline Lenders and the Letter of Credit Issuers agree in writing in their discretion that a Lender that is a Defaulting Lender should no longer be deemed to be a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon, as of the effective date specified in such notice and subject to any conditions set forth therein, such Lender will, to the extent applicable, purchase at par that

portion of outstanding Revolving Credit Loans of the other Revolving Credit Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause such outstanding Revolving Credit Loans and funded and unfunded participations in Letters of Credit and Swingline Loans to be held on a pro rata basis by the Revolving Credit Lenders (including such Lender) in accordance with their applicable percentages, whereupon such Lender will cease to be a Defaulting Lender and will be a Non-Defaulting Lender and any applicable Cash Collateral shall be promptly returned to the Borrower and any Letter of Credit Exposure and Swingline Exposure of such Lender reallocated pursuant to the requirements of Section 2.16(c) shall be reallocated back to such Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; provided that, except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Non-Defaulting Lender will constitute a waiver or release of any claim of any party hereunder arising from such Lender's having been a Defaulting Lender;

vi. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of that Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Section 11 or otherwise, and including any amounts made available to the Administrative Agent by that Defaulting Lender pursuant to Section 13.8), shall be applied at such time or times as may be determined by the Administrative Agent as follows: first, to the payment of any amounts owing by that Defaulting Lender to the Administrative Agent hereunder; second, in the case of a Revolving Credit Lender, to the payment on a pro rata basis of any amounts owing by that Defaulting Lender to each Letter of Credit Issuer and each Swingline Lender hereunder; third, as the Borrower may request (so long as no Default or Event of Default exists), to the funding of any Loan in respect of which that Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; fourth, if so determined by the Administrative Agent and the Borrower, to be held in a non-interest bearing deposit account and released pro rata in order to (x) satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement and (y) Cash Collateralize, in accordance with Section 3.8, any Letter of Credit Issuer's future fronting exposure with respect to such Defaulting Lender with respect to future Letters of Credit issued under this Agreement, fifth, to the payment of any amounts owing to the Lenders, the Letter of Credit Issuers or the Swingline Lenders as a result of any judgment of a court of competent jurisdiction obtained by any Lender, such Letter of Credit Issuer or such Swingline Lender against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; sixth, so long as no Default or Event of Default exists, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; and seventh, to that Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if such payment is a payment of the principal amount of any Loans or Unpaid Drawings, such payment shall be applied solely to pay the relevant Loans of, and Unpaid Drawings owed to, the relevant non-Defaulting Lenders on a pro rata basis prior to being applied in the manner set forth in this Section 2.16(f). Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to Section 3.8 shall be deemed paid to and redirected by that Defaulting Lender, and each Lender irrevocably consents hereto.

### SECTION 3. Letters of Credit

a. Issuance of Letters of Credit. (a) Subject to and upon the terms and conditions herein set forth, at any time and from time to time on and after the Fifth Amendment Effective Date and prior to the Letter of Credit Maturity Date, each Letter of Credit Issuer agrees to issue (or cause its respective Affiliates or other financial institution with which

such Letter of Credit Issuer shall have entered into an agreement regarding the issuance of letters of credit hereunder, to issue on its behalf), upon the request of and for the account of the Borrower or any Restricted Subsidiary, letters of credit (each, a “Letter of Credit”) in such form as may be approved by such Letter of Credit Issuer in its reasonable discretion; provided that the Borrower shall be a co-applicant, and be jointly and severally liable, with respect to each Letter of Credit issued for the account of a Restricted Subsidiary.

i. Notwithstanding the foregoing, (i) no Letter of Credit shall be issued the Stated Amount of which, when added to the Letter of Credit Obligations at such time, would exceed the Total Letter of Credit Commitment then in effect, (ii) no Letter of Credit shall be issued the Stated Amount of which, when added to the Letter of Credit Obligations and the Revolving Credit Loans and Swingline Loans outstanding at such time, would exceed the Total Revolving Credit Commitment then in effect, (iii) each Letter of Credit shall have an expiration date occurring no later than the earlier of (x) one year after the date of issuance thereof, unless otherwise agreed upon by the Administrative Agent and the applicable Letter of Credit Issuer or as provided under Section 3.2(e), and (y) the Letter of Credit Maturity Date, (iv) each Letter of Credit shall be denominated in Dollars, (v) no Letter of Credit shall be issued if it would be illegal under any Applicable Law for the beneficiary of the Letter of Credit to have a Letter of Credit issued in its favor, and (vi) no Letter of Credit shall be issued after any Letter of Credit Issuer has received a written notice from the Borrower, the Administrative Agent or the Required Lenders stating that a Default or an Event of Default has occurred and is continuing until such time as such Letter of Credit Issuer shall have received a written notice of (x) rescission of such notice from the party or parties originally delivering such notice or (y) the waiver of such Default or Event of Default in accordance with the provisions of Section 13.1 or that such Default or Event of Default is no longer continuing.

ii. No Letter of Credit Issuer shall be under any obligation to issue any Letter of Credit if:

1. any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain such Letter of Credit Issuer from issuing the Letter of Credit, or any requirement of law applicable to the Letter of Credit Issuer or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over such Letter of Credit Issuer shall prohibit, or request that such Letter of Credit Issuer refrain from, the issuance of letters of credit generally or the Letter of Credit in particular or shall impose upon such Letter of Credit Issuer with respect to the Letter of Credit any restriction, reserve or capital requirement (for which such Letter of Credit Issuer is not otherwise compensated hereunder) not in effect on the Effective Date, or shall impose upon such Letter of Credit Issuer any unreimbursed loss, cost or expense which was not applicable on the Effective Date and which such Letter of Credit Issuer in good faith deems material to it;

2. the issuance of such Letter of Credit would violate one or more policies of such Letter of Credit Issuer applicable to Letters of Credit generally;

3. except as otherwise agreed by the Administrative Agent and such Letter of Credit Issuer, the Letter of Credit is in an initial Stated Amount less than \$100,000;

4. the Letter of Credit is to be denominated in a currency other than Dollars; or

5. the Stated Amount of such Letter of Credit, when added to the Letter of Credit Obligations applicable to such Letter of Credit Issuer, would exceed the Letter of Credit Commitment of such Letter of Credit Issuer.

iii. In connection with the establishment of any Extended Revolving Credit Commitments or Additional/Replacement Revolving Credit Commitments and subject to the availability of unused Commitments with respect to such newly established Class and the satisfaction of the Conditions set forth in Section 7, the Borrower may, with the written consent of the applicable Letter of Credit Issuer, designate any outstanding Letter of Credit to be a Letter of Credit issued pursuant to such Class of Extended Revolving Credit Commitments or Additional/Replacement Revolving Credit Commitments, as applicable. Upon such designation such Letter of Credit shall no longer be deemed to be issued and outstanding under such prior Class and shall instead be deemed to be issued and outstanding under such newly established Class of Extended Revolving Credit Commitments or Additional/Replacement Revolving Credit Commitments, as applicable.

b. Letter of Credit Requests. (a) Whenever the Borrower desires that a Letter of Credit be issued (or amended, renewed or extended), it shall give the Administrative Agent and the Letter of Credit Issuer a Letter of Credit Request by no later than 1:00 p.m. (New York City time) at least two (or such lesser number as may be agreed upon by the Administrative Agent and such Letter of Credit Issuer) Business Days prior to the proposed date of issuance, amendment, renewal or extension for any Letter of Credit. The Administrative Agent shall promptly transmit copies of each Letter of Credit Request to each Lender.

i. In the case of a request for an initial issuance of a Letter of Credit, such Letter of Credit Request shall specify: (A) the proposed issuance date of the requested Letter of Credit (which shall be a Business Day); (B) the Stated Amount thereof in the relevant currency; (C) the expiry date thereof; (D) the name and address of the beneficiary thereof; (E) the documents to be presented by such beneficiary in case of any drawing thereunder; (F) the full text of any certificate to be presented by such beneficiary in case of any drawing thereunder and (G) such other matters as such Letter of Credit Issuer may reasonably require. In the case of a request for an amendment of any outstanding Letter of Credit, such Letter of Credit Request shall specify: (A) the Letter of Credit to be amended; (B) the proposed date of amendment thereof (which shall be a Business Day); (C) the nature of the proposed amendment; and (D) such other matters as such Letter of Credit Issuer may reasonably require. Each notice shall be executed by the Borrower and shall be in the form of Exhibit E (each, a "Letter of Credit Request").

ii. Promptly after receipt of any Letter of Credit Request, such Letter of Credit Issuer will confirm with the Administrative Agent in writing that the Administrative Agent has received a copy of such Letter of Credit Request from the applicable Borrower and, if not, such Letter of Credit Issuer will provide the Administrative Agent with a copy thereof. Unless the Letter of Credit Issuer has received written notice from any Revolving Credit Lender, the Administrative Agent or any Credit Party, at least two Business Days prior to the requested date of issuance or amendment of the applicable Letter of Credit, that one or more applicable conditions contained in Sections 6 and 7 shall not then be satisfied, then, subject to the terms and conditions hereof, such Letter of Credit Issuer shall, on the requested date, issue a Letter of Credit for the account of the applicable Borrower (or the applicable Restricted Subsidiary) or enter into the applicable amendment, as the case may be, in each case in accordance with the terms hereof.

iii. The making of each Letter of Credit Request shall be deemed to be a representation and warranty by the Borrower that the Letter of Credit may be issued in accordance with, and will not violate the requirements of, Section 3.1(b).

iv. If the Borrower so requests in any applicable Letter of Credit Request, such Letter of Credit Issuer may agree to issue a Letter of Credit that has automatic extension provisions (each, an "Auto-Extension Letter of Credit"); provided that any such Auto-Extension Letter of Credit must permit such Letter of Credit Issuer to prevent any such extension at least once in each twelve-month period (commencing with the date of issuance of such Letter of Credit) by

giving prior notice to the beneficiary thereof not later than a day (the “Non-Extension Notice Date”) in each such twelve-month period to be agreed upon at the time such Letter of Credit is issued. Unless otherwise directed by the Letter of Credit Issuer, the Borrower shall not be required to make a specific request to such Letter of Credit Issuer for any such extension. Once an Auto-Extension Letter of Credit has been issued, the Lenders shall be deemed to have authorized (but may not require) such Letter of Credit Issuer to permit the extension of such Letter of Credit at any time to an expiry date not later than the Letter of Credit Maturity Date; provided, however, that the Letter of Credit Issuer shall not permit any such extension if (A) the Letter of Credit Issuer has determined that it would not be permitted, or would have no obligation, at such time to issue such Letter of Credit in its revised form (as extended) under the terms hereof (by reason of the provisions of Section 3.1(b) or otherwise), or (B) it has received notice (which may be by telephone or in writing) on or before the day that is two Business Days before the Non-Extension Notice Date (1) from the Administrative Agent that the Required Revolving Class Lenders have elected not to permit such extension or (2) from the Administrative Agent, the Required Revolving Class Lenders or the Borrower that one or more of the applicable conditions specified in Section 7 are not then satisfied, and in each such case directing the Letter of Credit Issuer not to permit such extension.

v. Promptly after its delivery of any Letter of Credit or any amendment, renewal or extension to a Letter of Credit to an advising bank with respect thereto or to the beneficiary thereof, the Letter of Credit Issuer will also deliver to the Borrower a true and complete copy of such Letter of Credit or amendment, renewal or extension. On the last Business Day of each March, June, September and December, each Letter of Credit Issuer shall provide the Administrative Agent a list of all Letters of Credit issued by it that are outstanding at such time.

c. Letter of Credit Participations. (a) Immediately upon the issuance by the Letter of Credit Issuer of any Letter of Credit, the Letter of Credit Issuer shall be deemed to have sold and transferred to each other Revolving Credit Lender (each such Revolving Credit Lender, in its capacity under this Section 3.3(a), a “Letter of Credit Participant”), and each such Letter of Credit Participant shall be deemed irrevocably and unconditionally to have purchased and received from the Letter of Credit Issuer, without recourse or warranty, an undivided interest and participation (each, a “Letter of Credit Participation”), to the extent of such Letter of Credit Participant’s Revolving Credit Commitment Percentage, in such Letter of Credit, each substitute letter of credit, each drawing made thereunder and the obligations of the Borrower under this Agreement with respect thereto, and any security therefor or guaranty pertaining thereto (although Letter of Credit Fees will be paid directly to the Administrative Agent for the ratable account of the Letter of Credit Participants as provided in Section 4.1(c) and the Letter of Credit Participants shall have no right to receive any portion of any fees paid to the Administrative Agent for the account of any Letter of Credit Issuers in respect of each Letter of Credit issued hereunder).

i. In determining whether to pay under any Letter of Credit, the Letter of Credit Issuer shall have no obligation relative to the Letter of Credit Participants other than to confirm that any documents required to be delivered under such Letter of Credit have been delivered and that they appear to comply on their face with the requirements of such Letter of Credit. Any action taken or omitted to be taken by the Letter of Credit Issuer under or in connection with any Letter of Credit issued by it, if taken or omitted in the absence of gross negligence or willful misconduct, shall not create for the Letter of Credit Issuer any resulting liability.

ii. Whenever the Letter of Credit Issuer receives a payment in respect of an unpaid reimbursement obligation as to which the Administrative Agent has received for the account of the Letter of Credit Issuer any payments from the Letter of Credit Participants, the Letter of Credit Issuer shall pay to the Administrative Agent and the Administrative Agent shall promptly pay to each Letter of Credit Participant that has paid its Revolving Credit Commitment

Percentage of such reimbursement obligation, in Dollars and in immediately available funds, an amount equal to such Letter of Credit Participant's share (based upon the proportionate aggregate amount originally funded or deposited by such Letter of Credit Participant to the aggregate amount funded or deposited by all Letter of Credit Participants) of the principal amount of such reimbursement obligation and interest thereon accruing after the purchase of the respective Letter of Credit Participations.

iii. The obligations of the Letter of Credit Participants to purchase Letter of Credit Participations from the Letter of Credit Issuer and make payments to the Administrative Agent for the account of the Letter of Credit Issuer with respect to Letters of Credit shall be irrevocable and not subject to counterclaim, set-off or other defense or any other qualification or exception whatsoever and shall be made in accordance with the terms and conditions of this Agreement under all circumstances, including under any of the following circumstances:

1. any lack of validity or enforceability of such Letter of Credit, this Agreement, or any other Credit Document;
2. the existence of any claim, counterclaim, setoff, defense or other right that the Borrower or any Subsidiary may have at any time against any beneficiary or any transferee of such Letter of Credit (or any Person for whom any such beneficiary or any such transferee may be acting), the Letter of Credit Issuer or any other Person, whether in connection with this Agreement, the transactions contemplated hereby or by such Letter of Credit or any agreement or instrument relating thereto, or any unrelated transaction;
3. any draft, demand, certificate or other document presented under such Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; or any loss or delay in the transmission or otherwise of any document required in order to make a drawing under such Letter of Credit;
4. honor of a demand for payment presented electronically even if such Letter of Credit requires that demand be in the form of a draft;
5. any payment made by the Letter of Credit Issuer in respect of an otherwise complying item presented after the date specified as the expiration date of, or the date by which documents must be received under such Letter of Credit if presentation after such date is authorized by the UCC, the ISP or the UCP, as applicable;
6. any payment by the Letter of Credit Issuer under such Letter of Credit against presentation of a draft or certificate that does not strictly comply with the terms of such Letter of Credit; or any payment made by the Letter of Credit Issuer under such Letter of Credit to any Person purporting to be a trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, liquidator, receiver or other representative of or successor to any beneficiary or any transferee of such Letter of Credit, including any arising in connection with any proceeding under any Debtor Relief Law;
7. the surrender or impairment of any security for the performance or observance of any of the terms of any of the Credit Documents; or
8. the occurrence of any Default or Event of Default;

provided that no Letter of Credit Participant shall be obligated to pay to the Administrative Agent for the account of the Letter of Credit Issuer its Revolving Credit Commitment Percentage of any unreimbursed amount arising from any wrongful payment made by the Letter of Credit

Issuer under a Letter of Credit as a result of acts or omissions constituting willful misconduct or gross negligence on the part of the Letter of Credit Issuer as determined in the final, non-appealable judgment of a court of competent jurisdiction.

d. Agreement to Repay Letter of Credit Drawings. (a) Upon receipt from any beneficiary of any Letter of Credit of any notice of drawing under such Letter of Credit, the Letter of Credit Issuer shall notify the Borrower and the Administrative Agent thereof. The Borrower hereby agrees to reimburse the Letter of Credit Issuer with respect to any such drawing, by making payment, whether with its own internal funds, with proceeds of Revolving Credit Loans, or any other source, to the Administrative Agent for the account of the Letter of Credit Issuer in immediately available funds, for any payment or disbursement made by the Letter of Credit Issuer under any Letter of Credit issued by it (each such amount so paid until reimbursed, an “Unpaid Drawing”) (i) within one Business Day of the date of such payment or disbursement, if the Letter of Credit Issuer provides notice to the Borrower of such payment or disbursement prior to 10:00 a.m. (New York City time) on such next succeeding Business Day after the date of such payment or disbursement or (ii) if such notice is received after such time, on the Business Day following the date of receipt of such notice (such required date for reimbursement under clause (i) or (ii), as applicable, the “Required Reimbursement Date”), with interest on the amount so paid or disbursed by such Letter of Credit Issuer, from and including the date of such payment or disbursement to but excluding the Required Reimbursement Date, at the per annum rate for each day equal to the rate described in Section 2.8(a); provided, that, notwithstanding anything contained in this Agreement to the contrary, with respect to any Letter of Credit, (i) unless the Borrower shall have notified the Administrative Agent and the Letter of Credit Issuer prior to 10:00 a.m. (New York City time) on the Required Reimbursement Date that the Borrower intends to reimburse the Letter of Credit Issuer for the amount of such drawing with funds other than the proceeds of Revolving Credit Loans, the Borrower shall be deemed to have given a Notice of Borrowing requesting that the Lenders with Revolving Credit Commitments make Revolving Credit Loans (which shall be ABR Loans) on the Required Reimbursement Date in an amount equal to the amount of such drawing, and (ii) the Administrative Agent shall promptly notify each Letter of Credit Participant of such drawing and the amount of its Revolving Credit Loan to be made in respect thereof, and each Letter of Credit Participant shall be irrevocably obligated to make a Revolving Credit Loan to the Borrower in the manner deemed to have been requested in the amount of its Revolving Credit Commitment Percentage of the applicable Unpaid Drawing by 12:00 noon (New York City time) on such Required Reimbursement Date by making the amount of such Revolving Credit Loan available to the Administrative Agent. Such Revolving Credit Loans made in respect of such Unpaid Drawing on such Required Reimbursement Date shall be made without regard to the Minimum Borrowing Amount and without regard to the satisfaction of the conditions set forth in Section 7. The Administrative Agent shall use the proceeds of such Revolving Credit Loans solely for the purpose of reimbursing the Letter of Credit Issuer for the related Unpaid Drawing. If and to the extent such Letter of Credit Participant shall not have so made its Revolving Credit Commitment Percentage of the amount of such payment available to the Administrative Agent for the account of the Letter of Credit Issuer, such Letter of Credit Participant agrees to pay to the Administrative Agent for the account of the Letter of Credit Issuer, forthwith on demand, such amount, together with interest thereon for each day from such date until the date such amount is paid to the Administrative Agent for the account of the Letter of Credit Issuer at a rate per annum equal to the Federal Funds Effective Rate from time to time then in effect, plus any administrative, processing or similar fees customarily charged by the Letter of Credit Issuer in connection with the foregoing. The failure of any Letter of Credit Participant to make available to the Administrative Agent for the account of the Letter of Credit Issuer its Revolving Credit Commitment Percentage of any payment under any Letter of Credit shall not relieve any other Letter of Credit Participant of its obligation hereunder to make available to the Administrative Agent for the account of the Letter of Credit Issuer its Revolving Credit Commitment Percentage of any payment under such Letter of Credit on the date required, as specified above, but no Letter

of Credit Participant shall be responsible for the failure of any other Letter of Credit Participant to make available to the Administrative Agent such other Letter of Credit Participant's Revolving Credit Commitment Percentage of any such payment.

i. The obligations of the Borrower under this Section 3.4 to reimburse the Letter of Credit Issuer with respect to Unpaid Drawings (including, in each case, interest thereon) shall be absolute and unconditional under any and all circumstances and irrespective of any set-off, counterclaim or defense to payment that the Borrower or any other Person may have or have had against the Letter of Credit Issuer, the Administrative Agent or any Lender (including in its capacity as a Letter of Credit Participant), including any defense based upon the failure of any drawing under a Letter of Credit (each a "Drawing") to conform to the terms of the Letter of Credit or any non-application or misapplication by the beneficiary of the proceeds of such Drawing; provided, that the Borrower shall not be obligated to reimburse the Letter of Credit Issuer for any wrongful payment made by the Letter of Credit Issuer under the Letter of Credit issued by it as a result of acts or omissions constituting willful misconduct or gross negligence on the part of the Letter of Credit Issuer as determined in the final, non-appealable judgment of a court of competent jurisdiction.

ii. The obligation of the Borrower to reimburse the Letter of Credit Issuer for each drawing under each Letter of Credit and to repay each Letter of Credit Borrowing shall be absolute, unconditional and irrevocable and shall be paid strictly in accordance with the terms of this Agreement under all circumstances, including the following:

1. any lack of validity or enforceability of such Letter of Credit, this Agreement, or any other Credit Document;
2. the existence of any claim, counterclaim, set-off, defense or other right that the Borrower or any Subsidiary may have at any time against any beneficiary or any transferee of such Letter of Credit (or any Person for whom any such beneficiary or any such transferee may be acting), the Letter of Credit Issuer or any other Person, whether in connection with this Agreement, the transactions contemplated hereby or by such Letter of Credit or any agreement or instrument relating thereto, or any unrelated transaction;
3. any draft, demand, certificate or other document presented under such Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; or any loss or delay in the transmission or otherwise of any document required in order to make a drawing under such Letter of Credit;
4. waiver by the Letter of Credit Issuer of any requirement that exists for the Letter of Credit Issuer's protection and not the protection of the Borrower or any waiver by the Letter of Credit Issuer which does not in fact materially prejudice the Borrower;
5. honor of a demand for payment presented electronically even if such Letter of Credit requires that demand be in the form of a draft;
6. any payment made by the Letter of Credit Issuer in respect of an otherwise complying item presented after the date specified as the expiration date of, or the date by which documents must be received under such Letter of Credit if presentation after such date is authorized by the UCC, the ISP or the UCP, as applicable;
7. any payment by the Letter of Credit Issuer under such Letter of Credit against presentation of a draft or certificate that does not strictly comply with the terms of such Letter of Credit; or any payment made by the Letter of Credit Issuer under such Letter of

Credit to any Person purporting to be a trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, liquidator, receiver or other representative of or successor to any beneficiary or any transferee of such Letter of Credit, including any arising in connection with any proceeding under any Debtor Relief Law; or

8. any other circumstance or happening whatsoever, whether or not similar to any of the foregoing, including any other circumstance that might otherwise constitute a defense available to, or a discharge of, the Borrower or any Subsidiary;

provided that the foregoing shall not excuse the Letter of Credit Issuer from liability to the Borrower to the extent of any direct damages (as opposed to consequential damages, claims in respect of which are waived by the Borrower to the extent permitted by applicable law) suffered by the Borrower as a result of acts or omissions of or by the Letter of Credit Issuer constituting gross negligence or willful misconduct as determined in the final, non-appealable judgment of a court of competent jurisdiction.

The Borrower shall promptly examine a copy of each Letter of Credit and each amendment thereto that is delivered to it and, in the event of any claim of noncompliance with the Borrower's instructions or other irregularity as to the form of any such Letter of Credit, the Borrower will promptly notify the Letter of Credit Issuer. To the extent the Borrower has approved the form of any Letter of Credit, the Borrower shall be conclusively deemed to have waived any claim against the Letter of Credit Issuer and its correspondents based on any noncompliance of such Letter of Credit to conform with the Borrower's instructions or other irregularity as to such form.

e. **Increased Costs.** If the adoption of any Change in Law shall either (a) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against letters of credit issued by the Letter of Credit Issuer, or any Letter of Credit Participant's Letter of Credit Participation therein or (b) impose on the Letter of Credit Issuer or any Letter of Credit Participant any other conditions affecting its obligations under this Agreement in respect of Letters of Credit or Letter of Credit Participations therein or any Letter of Credit or such Letter of Credit Participant's Letter of Credit Participation therein, and the result of any of the foregoing is to increase the cost to the Letter of Credit Issuer or such Letter of Credit Participant of issuing, maintaining or participating in any Letter of Credit, or to reduce the amount of any sum received or receivable by the Letter of Credit Issuer or such Letter of Credit Participant hereunder (other than any such increase or reduction attributable to (i) taxes indemnified under Section 5.4, (ii) taxes described in clause (A), (B) or (C) of Section 5.4(a) or (iii) taxes described in clause (f) of Section 5.4) in respect of Letters of Credit or Letter of Credit Participations therein, then, promptly after receipt of written demand to the Borrower by the Letter of Credit Issuer or such Letter of Credit Participant, as the case may be (a copy of which notice shall be sent by the Letter of Credit Issuer or such Letter of Credit Participant to the Administrative Agent), the Borrower shall pay to the Letter of Credit Issuer or such Letter of Credit Participant such additional amount or amounts as will compensate the Letter of Credit Issuer or such Letter of Credit Participant for such increased cost or reduction, it being understood and agreed, however, that the Letter of Credit Issuer or a Letter of Credit Participant shall not be entitled to such compensation as a result of such Person's compliance with, or pursuant to any request or directive to comply with, any such Applicable Law that would have existed in the event a Change in Law had not occurred. A certificate submitted to the Borrower by the Letter of Credit Issuer or a Letter of Credit Participant, as the case may be (a copy of which certificate shall be sent by the Letter of Credit Issuer or such Letter of Credit Participant to the Administrative Agent), setting forth in reasonable detail the basis for the determination of such additional amount or amounts necessary to compensate the Letter of Credit Issuer or such Letter of Credit Participant as aforesaid shall be conclusive and binding on the Borrower absent clearly demonstrable error.

f. New or Successor Letter of Credit Issuer. (a) The Letter of Credit Issuer may resign as a Letter of Credit Issuer upon 30 days' prior written notice to the Administrative Agent, the Revolving Credit Lenders and the Borrower. Subject to the terms of the following sentence, the Borrower may replace the Letter of Credit Issuer for any reason upon written notice to the Administrative Agent and the Letter of Credit Issuer and the Borrower may add Letter of Credit Issuers at any time upon notice to the Administrative Agent and with the agreement of such new Letter of Credit Issuer. If the Letter of Credit Issuer shall resign or be replaced, or if the Borrower shall decide to add a new Letter of Credit Issuer under this Agreement, then the Borrower may appoint a successor issuer of Letters of Credit or a new Letter of Credit Issuer, as the case may be, with the consent of the Administrative Agent (such consent not to be unreasonably withheld), whereupon such successor issuer shall succeed to the rights, powers and duties of the replaced or resigning Letter of Credit Issuer under this Agreement and the other Credit Documents, or such new issuer of Letters of Credit shall be granted the rights, powers and duties of a Letter of Credit Issuer hereunder, and the term "Letter of Credit Issuer" shall mean such successor or such new issuer of Letters of Credit effective upon such appointment. At the time such resignation or replacement shall become effective, the Borrower shall pay to the resigning or replaced Letter of Credit Issuer all accrued and unpaid fees pursuant to Sections 4.1(c) and 4.1(d). The acceptance of any appointment as a Letter of Credit Issuer hereunder, whether as a successor issuer or new issuer of Letters of Credit in accordance with this Agreement, shall be evidenced by an agreement entered into by such new or successor issuer of Letters of Credit, in a form satisfactory to the Borrower and the Administrative Agent, and, from and after the effective date of such agreement, such new or successor issuer of Letters of Credit shall become a "Letter of Credit Issuer" hereunder. After the resignation or replacement of a Letter of Credit Issuer hereunder, the resigning or replaced Letter of Credit Issuer shall remain a party hereto and shall continue to have all the rights and obligations of a Letter of Credit Issuer under this Agreement and the other Credit Documents with respect to Letters of Credit issued by it prior to such resignation or replacement, but shall not be required to issue additional Letters of Credit or amend or renew existing Letters of Credit. In connection with any resignation or replacement pursuant to this clause (a) (but, in case of any such resignation, only to the extent that a successor issuer of Letters of Credit shall have been appointed), either (i) the Borrower, the resigning or replaced Letter of Credit Issuer and the successor issuer of Letters of Credit shall arrange to have any outstanding Letters of Credit issued by the resigning or replaced Letter of Credit Issuer replaced with Letters of Credit issued by the successor issuer of Letters of Credit or (ii) the Borrower shall cause the successor issuer of Letters of Credit, if such successor issuer is reasonably satisfactory to the replaced or resigning Letter of Credit Issuer, to issue "back-stop" Letters of Credit naming the resigning or replaced Letter of Credit Issuer as beneficiary for each outstanding Letter of Credit issued by the resigning or replaced Letter of Credit Issuer, which new Letters of Credit shall have a face amount equal to the Letters of Credit being back-stopped, and the sole requirement for drawing on such new Letters of Credit shall be a drawing on the corresponding back-stopped Letters of Credit. After any resigning or replaced Letter of Credit Issuer's resignation or replacement as Letter of Credit Issuer, the provisions of this Agreement relating to a Letter of Credit Issuer shall inure to its benefit as to any actions taken or omitted to be taken by it (A) while it was a Letter of Credit Issuer under this Agreement or (B) at any time with respect to Letters of Credit issued by such Letter of Credit Issuer.

i. To the extent that there are, at the time of any resignation or replacement as set forth in clause (a) above, any outstanding Letters of Credit, nothing herein shall be deemed to impact or impair any rights and obligations of any of the parties hereto with respect to such outstanding Letters of Credit (including, without limitation, any obligations related to the payment of fees or the reimbursement or funding of amounts drawn), except that the Borrower, the resigning or replaced Letter of Credit Issuer and the successor issuer of Letters of Credit shall have the obligations regarding outstanding Letters of Credit described in clause (a) above.

ii. On a monthly basis, each Letter of Credit Issuer shall deliver to the Administrative Agent and the Borrower a complete list of all outstanding Letters of Credit issued by such Letter of Credit Issuer.

g. **Role of Letter of Credit Issuer.** Each Revolving Credit Lender and the Borrower agree that, in paying any drawing under a Letter of Credit, the Letter of Credit Issuer shall not have any responsibility to obtain any document (other than any sight draft, certificates and documents expressly required by the Letter of Credit) or to ascertain or inquire as to the validity or accuracy of any such document or the authority of the Person executing or delivering any such document. None of the Letter of Credit Issuer, the Administrative Agent, any of their respective Affiliates or any correspondent, participant or assignee of the Letter of Credit Issuer shall be liable to any Lender for (i) any action taken or omitted in connection herewith at the request or with the approval of the Required Lenders or the Required Revolving Class Lenders, as applicable; (ii) any action taken or omitted in the absence of gross negligence or willful misconduct; or (iii) the due execution, effectiveness, validity or enforceability of any document or instrument related to any Letter of Credit or Issuer Document. The Borrower hereby assumes all risks of the acts or omissions of any beneficiary or transferee with respect to its use of any Letter of Credit; provided that this assumption is not intended to, and shall not, preclude the Borrower's pursuing such rights and remedies as it may have against the beneficiary or transferee at law or under any other agreement. None of the Letter of Credit Issuer, the Administrative Agent, any of their respective Affiliates or any correspondent, participant or assignee of the Letter of Credit Issuer shall be liable or responsible for any of the matters described in Section 3.4(c); provided that anything in such clauses to the contrary notwithstanding, the Borrower may have a claim against the Letter of Credit Issuer, and the Letter of Credit Issuer may be liable to the Borrower, to the extent, but only to the extent, of any direct, as opposed to consequential or exemplary, damages suffered by the Borrower caused by the Letter of Credit Issuer's willful misconduct or gross negligence or the Letter of Credit Issuer's willful failure to pay under any Letter of Credit after the presentation to it by the beneficiary of a sight draft and certificate(s) strictly complying with the terms and conditions of a Letter of Credit. In furtherance and not in limitation of the foregoing, the Letter of Credit Issuer may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary, and the Letter of Credit Issuer shall not be responsible for the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign a Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason.

h. **Cash Collateral.**

i. If, as of the Letter of Credit Maturity Date, there are any Letter of Credit Obligations, the Borrower shall promptly Cash Collateralize the Letter of Credit Obligations that for any reason remain outstanding. Section 2.16 and Section 5.2 set forth certain additional requirements to deliver Cash Collateral hereunder.

ii. If any Event of Default shall occur and be continuing, the Required Revolving Class Lenders may require that the Letter of Credit Obligations be Cash Collateralized; provided that, upon the occurrence of an Event of Default referred to in Section 11.5, the Borrower shall immediately Cash Collateralize the Letters of Credit then outstanding and no notice or request by or consent from the Required Lenders shall be required.

iii. For purposes of this Agreement, "Cash Collateralize" means to pledge and deposit with or deliver to the Administrative Agent, for the benefit of the Letter of Credit Issuers as collateral for the Letter of Credit Obligations, cash or deposit account balances ("Cash Collateral") in an amount equal to 100% of the amount of the Letter of Credit Obligations

required to be Cash Collateralized pursuant to documentation in form and substance reasonably satisfactory to the Administrative Agent and the Letter of Credit Issuers (which documents are hereby consented to by the Revolving Credit Lenders). Derivatives of such terms have corresponding meanings. The Borrower hereby grants to the Administrative Agent, for the benefit of the Letter of Credit Issuers and the Letter of Credit Participants a security interest in all such cash, deposit accounts and all balances therein and all proceeds of the foregoing. Cash Collateral shall be maintained in blocked, interest bearing deposit accounts with the Administrative Agent. If at any time the Administrative Agent determines that any funds held as Cash Collateral are subject to any right or claim of any Person other than the Administrative Agent or that the total amount of such funds is less than the Letter of Credit Obligations, the Borrower will, forthwith upon demand by the Administrative Agent, pay to the Administrative Agent, as additional funds to be deposited as Cash Collateral, an amount equal to the excess of (x) such aggregate outstanding amount over (y) the total amount of funds, if any, then held as Cash Collateral that the Administrative Agent determines to be free and clear of any such right and claim. Upon the drawing of any Letter of Credit for which funds are on deposit as Cash Collateral, such funds shall be applied, to the extent permitted under Applicable Laws to reimburse the applicable Letter of Credit Issuer. To the extent the amount of any Cash Collateral exceeds the aggregate outstanding amount of all Letter of Credit Obligations and so long as no Event of Default has occurred and is continuing, the excess shall be refunded to the Borrower.

i. Conflict with Issuer Documents. In the event of any conflict between the terms hereof and the terms of any Issuer Document, the terms hereof shall control.

j. Letters of Credit Issued for Restricted Subsidiaries. Notwithstanding that a Letter of Credit issued or outstanding hereunder is in support of any obligations of, or is for the account of, a Restricted Subsidiary, the Borrower shall be obligated to reimburse the applicable Letter of Credit Issuer hereunder for any and all drawings under such Letter of Credit. The Borrower hereby acknowledges that the issuance of Letters of Credit for the account of Restricted Subsidiaries inures to the benefit of the Borrower, and that the Borrower's business derives substantial benefits from the businesses of such Restricted Subsidiaries.

k. Existing Letters of Credit. Subject to the terms and conditions hereof, each existing "Letter of Credit" (as defined in this Agreement immediately prior to giving effect to the Fifth Amendment) that is outstanding on the Fifth Amendment Effective Date, shall, effective as of the Fifth Amendment Effective Date and without any further action by the Borrower, be continued as a Letter of Credit hereunder, from and after the Fifth Amendment Effective Date be deemed a Letter of Credit for all purposes hereof, and be subject to and governed by the terms and conditions hereof.

l. Applicability of ISP and UCP. Unless otherwise expressly agreed by the applicable Letter of Credit Issuer and the Borrower when a Letter of Credit is issued, (i) the rules of the ISP shall apply to each standby Letter of Credit, and (ii) the rules of the UCP shall apply to each commercial Letter of Credit. Notwithstanding the foregoing, such Letter of Credit Issuer shall not be responsible to the Borrower for, and such Letter of Credit Issuer's rights and remedies against the Borrower shall not be impaired by, any action or inaction of such Letter of Credit Issuer required or permitted under any Applicable Law, order, or practice that is required or permitted to be applied to any Letter of Credit or this Agreement, including the Applicable Law or any order of a jurisdiction where such Letter of Credit Issuer or the beneficiary is located, the practice stated in the ISP or UCP, as applicable, or in the decisions, opinions, practice statements, or official commentary of the ICC Banking Commission, the Bankers Association for Finance and Trade - International Financial Services Association (BAFT-IFSA), or the Institute of International Banking Law & Practice, whether or not any Letter of Credit chooses such law or practice.

SECTION 4. Fees; Commitment Reductions and Terminations.

a. Fees. (a) The Borrower agrees to pay to the Administrative Agent for the account of each Revolving Credit Lender (in each case pro rata according to the respective Revolving Credit Commitments of all such Revolving Credit Lenders) a commitment fee (the "Commitment Fee") that shall accrue from and including the Fifth Amendment Effective Date to but excluding the Revolving Credit Termination Date. Each Commitment Fee shall be payable (x) quarterly in arrears on the last Business Day of each March, June, September and December (for the three-month period (or portion thereof) ended on such day for which no payment has been received) and (y) on the Revolving Credit Termination Date (for the period ended on such date for which no payment has been received pursuant to clause (x) above), and shall be computed for each day during such period at a rate per annum equal to the Commitment Fee Rate in effect on such day to be calculated based on the actual amount of the Available Revolving Credit Commitment (assuming for this purpose that there is no reference to "Swingline Loans" in clause (b)(i) of the definition of Available Revolving Credit Commitment) in effect on such day.

i. The Borrower agrees to pay (i) directly to the applicable Letter of Credit Issuer for its own account a fronting fee (the "Fronting Fee") with respect to each Letter of Credit, computed at the rate for each day equal to 0.125% per annum or such other amount as is agreed in a separate writing between any Letter of Credit Issuer and the Borrower times the average daily Stated Amount of such Letter of Credit and (ii) any other letter of credit fee agreed to in writing by any Letter of Credit Issuer and the Borrower. The Fronting Fee shall be due and payable quarterly in arrears on the first Business Day after the end of each March, June, September and December, in respect of the most recently-ended quarterly period (or portion thereof, in the case of the first payment), commencing with the first such date to occur after the issuance of such Letter of Credit, on the Letter of Credit Maturity Date and thereafter on demand. For purposes of computing the daily amount available to be drawn under any Letter of Credit, the amount of such Letter of Credit shall be determined in accordance with Section 1.8. In addition, the Borrower agrees to pay directly to the applicable Letter of Credit Issuer for its own account the customary issuance, presentation, amendment and other processing fees, and other standard costs and charges, of such Letter of Credit Issuer relating to letters of credit as from time to time in effect. Such customary fees and standard costs and charges are due and payable within 10 Business Days after demand and are nonrefundable.

ii. The Borrower agrees to pay to the Administrative Agent for the account of each Revolving Credit Lender, pro rata according to the Letter of Credit Exposure of such Lender, a fee in respect of each Letter of Credit (the "Letter of Credit Fee"), for the period from and including the date of issuance of such Letter of Credit to but excluding the termination or expiration date of such Letter of Credit, computed at the per annum rate for each day equal to (x) the Applicable Margin for Eurodollar Term SOFR Rate Loans then in effect for Revolving Credit Loans times (y) the average daily Stated Amount of such Letter of Credit. The Letter of Credit Fee shall be due and payable quarterly in arrears on the last Business Day of each March, June, September and December and on the Revolving Credit Termination Date. If there is any change in the Applicable Margin during any quarter, the daily maximum amount of each Letter of Credit shall be computed and multiplied by the Applicable Margin separately for each period during such quarter that such Applicable Margin was in effect.

iii. The Borrower agrees to pay to the Administrative Agent the administrative fees in the amounts and on the dates as set forth in the Agency Fee Letter.

b. Voluntary Reduction of Commitments. (a) Upon prior written notice (or telephonic notice promptly confirmed in writing) to the Administrative Agent at the Administrative Agent's Office (which notice the Administrative Agent shall promptly transmit to

each of the Lenders), the Borrower shall have the right, without premium or penalty, on any day, permanently to terminate or reduce the Commitments of any Class as determined by the Borrower, in whole or in part; provided that (a) any such notice shall be received by the Administrative Agent not later than 11:00 a.m. three Business Days prior to the date of termination or reduction, (b) any such termination or reduction shall apply proportionately and permanently to reduce the Commitments of each of the Lenders within any such Class, except that, notwithstanding the foregoing, (1) the Borrower may allocate any termination or reduction of Commitments among Classes of Commitments at its direction (including, for the avoidance of doubt, to the Commitments with respect to any Class of Extended Revolving Credit Commitments without any termination or reduction of the Commitments with respect to any Existing Revolving Credit Class of the same Specified Existing Revolving Credit Commitment Class) and (2) in connection with the establishment on any date of any Extended Revolving Credit Commitments pursuant to Section 2.15, the Existing Revolving Credit Commitments of any one or more Lenders providing any such Extended Revolving Credit Commitments on such date shall be reduced in an amount equal to the amount of Specified Existing Revolving Credit Commitments so extended on such date (or, if agreed by the Borrower and the Lenders providing such Extended Revolving Credit Commitments, by any greater amount so long as the Borrower prepays the Existing Revolving Credit Loans of such Class owed to such Lenders providing such Extended Revolving Credit Commitments to the extent necessary to ensure that after giving effect to such repayment or reduction, the Existing Revolving Credit Loans of such Class are held by the Lenders of such Class on a pro rata basis in accordance with their Existing Revolving Credit Commitments of such Class after giving effect to such reduction) (provided that (x) after giving effect to any such reduction and to the repayment of any Loans made on such date, the aggregate amount of the revolving credit exposure of any such Lender does not exceed the Existing Revolving Credit Commitment thereof (such revolving credit exposure and Existing Revolving Credit Commitment being determined in each case, for the avoidance of doubt, exclusive of such Lender's Extended Revolving Credit Commitment and any exposure in respect thereof) and (y) for the avoidance of doubt, any such repayment of Loans contemplated by the preceding clause shall be made in compliance with the requirements of Section 5.3(a) with respect to the ratable allocation of payments hereunder, with such allocation being determined after giving effect to any exchange pursuant to Section 2.15 of Existing Revolving Credit Commitments and Existing Revolving Credit Loans into Extended Revolving Credit Commitments and Extended Revolving Credit Loans respectively, and prior to any reduction being made to the Commitment of any other Lender), (c) any partial reduction pursuant to this Section 4.2 shall be in an aggregate amount of \$10,000,000 or any whole multiple of \$1,000,000 in excess thereof, (d) after giving effect to such termination or reduction and to any prepayments of Revolving Credit Loans or cancellation or Cash Collateralization of Letters of Credit made on the date thereof in accordance with this Agreement, the aggregate amount of the Lenders' Revolving Credit Exposures for such Class shall not exceed the Total Revolving Credit Commitment for such Class, (e) after giving effect to such termination or reduction and to any prepayments of Additional/Replacement Revolving Credit Loans of any Class or cancellation or cash collateralization of letters of credit made on the date thereof in accordance with the Agreement, the aggregate amount of such Lender's revolving credit exposure shall not exceed the Total Additional/Replacement Revolving Credit Commitment for such Class and (f) if, after giving effect to any reduction hereunder, the Total Letter of Credit Commitment or the Total Swingline Commitment exceeds the sum of the Total Revolving Credit Commitment and the Total Additional/Replacement Revolving Credit Commitment (if any), such Commitment shall be automatically reduced by the amount of such excess.

i. Upon at least one Business Day's prior written notice (or telephonic notice promptly confirmed in writing) to the Administrative Agent and each Letter of Credit Issuer (which notice the Administrative Agent shall promptly transmit to each of the applicable Revolving Credit Lenders), the Borrower shall have the right, on any day, permanently to terminate or reduce the Total Letter of Credit Commitment in whole or in part; provided that,

after giving effect to such termination or reduction, (i) the Letter of Credit Obligations shall not exceed the Total Letter of Credit Commitment and (ii) the Letter of Credit Obligations applicable to each Letter of Credit Issuer shall not exceed such Letter of Credit Issuer's Letter of Credit Commitment.

ii. The Borrower may terminate the unused amount of the Commitment of a Defaulting Lender upon not less than two Business Days' prior notice to the Administrative Agent (which will promptly notify the Lenders thereof), and in such event the provisions of Section 2.16(a)(iv) will apply to all amounts thereafter paid by the Borrower for the account of such Defaulting Lender under this Agreement (whether on account of principal, interest, fees, indemnity or other amounts), provided that such termination will not be deemed to be a waiver or release of any claim the Borrower, the Administrative Agent, any Letter of Credit Issuer, any Swingline Lender or any Lender may have against such Defaulting Lender.

c. **Mandatory Termination of Commitments.** (a) The Initial Term Loan Commitment shall terminate at 5:00 p.m. (New York City time) on the Effective Date.

i. The Total Revolving Credit Commitment shall terminate at 5:00 p.m. (New York City time) on the Revolving Credit Maturity Date.

ii. All Swingline Commitments shall terminate at 5:00 p.m. (New York City time) on the Swingline Maturity Date.

## SECTION 5. Payments

a. **Voluntary Prepayments.** (a) The Borrower shall have the right to prepay Term Loans, Revolving Credit Loans, Extended Revolving Credit Loans, Additional/Replacement Revolving Credit Loans and Swingline Loans, without, except as set forth in Section 5.1(b), premium or penalty, in whole or in part from time to time on the following terms and conditions: (a) the Borrower shall give the Administrative Agent at the Administrative Agent's Office written notice (or telephonic notice promptly confirmed in writing) of its intent to make such prepayment, the amount of such prepayment and in the case of **Eurodollar Term SOFR Rate** Loans, the specific Borrowing(s) pursuant to which made, which notice shall be given by the Borrower no later than (i) in the case of Term Loans, Extended Revolving Credit Loans, Additional/Replacement Revolving Credit Loans or Revolving Credit Loans, 1:00 p.m. (New York City time) (x) one Business Day prior to (in the case of ABR Loans) or (y) three

Business Days prior to (in the case of **Eurodollar Term SOFR Rate** Loans), or (ii) in the case of Swingline Loans, 1:00 p.m. (New York City time) on, the date of such prepayment and shall promptly be transmitted by the Administrative Agent to each of the relevant Lenders or the relevant Swingline Lenders, as the case may be; (b) each partial prepayment of any Borrowing of Term Loans or Revolving Credit Loans shall be in a multiple of \$100,000 and in an aggregate principal amount of at least \$1,000,000 and each partial prepayment of Swingline Loans shall be in a multiple of \$100,000 and in an aggregate principal amount of at least \$100,000; provided that no partial prepayment of **Eurodollar Term SOFR Rate** Loans made pursuant to a single Borrowing shall reduce the outstanding **Eurodollar Term SOFR Rate** Loans made pursuant to such Borrowing to an amount less than the Minimum Borrowing Amount for **Eurodollar Term SOFR Rate** Loans and (c) any prepayment of **Eurodollar Term SOFR Rate** Loans pursuant to this Section 5.1 on any day other than the last day of an Interest Period applicable thereto shall be subject to compliance by the Borrower with the applicable provisions of Section 2.11. Each such notice shall specify the date and amount of such prepayment and the Class(es) and Type(s) of Loans to be prepaid. Each prepayment in respect of any Class of Term Loans pursuant to this Section 5.1 shall be applied to reduce the Repayment Amounts in such order as the Borrower may determine and may be applied to any Class of Term Loans as directed by the Borrower. For the avoidance of doubt, the Borrower may (i) prepay Term Loans of an Existing Term Loan Class pursuant to this Section 5.1 without any requirement to prepay Extended Term Loans that were exchanged from such Existing Term Loan Class and (ii) prepay Extended Term Loans pursuant to this Section 5.1 without any requirement to prepay Term Loans of an Existing Term Loan Class that were exchanged for such Extended Term Loans. In the event that the Borrower does not specify the order in which to apply prepayments to reduce Repayment Amounts or as between Classes of Term Loans, the Borrower shall be deemed to have elected that such proceeds be applied to reduce the Repayment Amounts in direct order of maturity and/or a pro rata basis among Term Loan Classes. All prepayments under this Section 5.1 shall also be subject to the provisions of Section 5.2(d) and Section 5.2(e). At the Borrower's election in connection with any prepayment pursuant to this Section 5.1, such prepayment shall not be applied to any Loan of a Defaulting Lender.

i. Notwithstanding anything to the contrary contained in this Agreement, at the time of the effectiveness of any Repricing Transaction with respect to the Tranche B-1 Term Loans that is consummated prior to the date that is six months following the Fourth Amendment Effective Date, the Borrower agrees to pay to the Administrative Agent, for the ratable account of each Lender with outstanding Tranche B-1 Term Loans, a fee in an amount equal to 1.0% of (i) in the case of a Repricing Transaction of the type described in clause (a) of the definition thereof, the aggregate principal amount of all Tranche B-1 Term Loans prepaid (or exchanged) in connection with such Repricing Transaction, and (ii) in the case of a Repricing Transaction described in clause (b) of the definition thereof, the aggregate principal amount of all the Tranche B-1 Term Loans outstanding on such date that are subject to an effective pricing reduction pursuant to such Repricing Transaction. Such fees shall be due and payable upon the date of the effectiveness of such Repricing Transaction.

b. **Mandatory Prepayments.**

i. **Term Loan Prepayments.**

1. On each occasion that a Prepayment Event occurs, the Borrower shall, within one Business Day after the receipt of Net Cash Proceeds from a Debt Incurrence Prepayment Event, and within five Business Days after the receipt of Net Cash Proceeds in connection with the occurrence of any other Prepayment Event, offer to prepay, in accordance with Sections 5.2(c) and (d) below, a principal amount of Term Loans in an amount equal to 100% of the Net Cash Proceeds from such Prepayment Event; provided, that, in the case of Net Cash Proceeds from an Asset Sale Prepayment Event, a Recovery Prepayment Event or a

Permitted Sale Leaseback, the Borrower may use a portion of such Net Cash Proceeds to prepay, redeem or repurchase Permitted First Priority Refinancing Debt or other Permitted Additional Debt with a Lien on the Collateral not ranking junior or senior to the Liens securing the Obligations (but without regard to the control of remedies), the documentation of which requires the issuer of or borrower under such Indebtedness to prepay or make an offer to purchase such Indebtedness with the proceeds of such Prepayment Event, in each case in an amount not to exceed the product of (x) the amount of such Net Cash Proceeds multiplied by (y) a fraction, the numerator of which is the outstanding principal amount of Permitted First Priority Refinancing Debt and other Permitted Additional Debt with a Lien on the Collateral not ranking junior or senior to the Liens securing the Obligations (but without regard to the control of remedies) and with respect to which such a requirement to prepay or make an offer to redeem or purchase exists and the denominator of which is the sum of the outstanding principal amount of such Permitted First Priority Refinancing Debt and other Permitted Additional Debt and the outstanding principal amount of Term Loans.

2. Not later than the date that is 10 Business Days following the date Section 9.1 Financials are required to be delivered under Section 9.1(a) (commencing with the Section 9.1 Financials to be delivered with respect to the fiscal year ending December 31, 2017), the Borrower shall offer to prepay, in accordance with Sections 5.2(c) and (d) below, an aggregate principal amount of Term Loans equal to (x) 50% of Excess Cash Flow for such fiscal year (or if the Consolidated Total Debt to Consolidated EBITDA Ratio for the fiscal year ended prior to such prepayment date for which the Borrower has delivered Section 9.1 Financials is less than or equal to 3.5 to 1.0, 25% of Excess Cash Flow for such fiscal year) minus (y) at the Borrower's option, the aggregate principal amount of Term Loans voluntarily prepaid pursuant to Section 5.1 and Revolving Credit Loans, Extended Revolving Credit Loans and Additional/Replacement Revolving Credit Loans voluntarily prepaid pursuant to Section 5.1 to the extent accompanied by a permanent reduction of the Revolving Credit Commitments, Extended Revolving Credit Commitments or the Additional/Replacement Revolving Credit Commitments, as applicable, in an equal amount pursuant to Section 4.2, in each case during such fiscal year or after year-end and prior to the time such prepayment pursuant to this Section 5.2(a)(ii) is due (excluding the aggregate principal amount of any such voluntary prepayments made with the proceeds of issuances or incurrences of long-term Indebtedness or equity); provided that no prepayment of any Term Loans shall be required under this Section 5.2(a)(ii) if the Consolidated Total Debt to Consolidated EBITDA Ratio for the fiscal year ended prior to such prepayment date, for which the Borrower has delivered Section 9.1 Financials, is less than or equal to 3.0 to 1.0; provided, further, that the calculation of the Consolidated Total Debt to Consolidated EBITDA Ratio for the purposes of this Section 5.2(a)(ii) shall give Pro Forma Effect to all prepayments made under Sections 5.1 and 5.2 (other than prepayments made pursuant to this Section 5.2(a)(ii)) made after the last day of any such Test Period but prior to the date of prepayment under this Section 5.2(a)(ii) as if such prepayments occurred as of the last day of the most recently ended Test Period. Any prepayment amounts credited pursuant to subclause (y) above against such amount in subclause (x) above shall be without duplication of any such credit in any prior or subsequent fiscal year.

ii. Repayment of Revolving Credit Loans. If on any date the aggregate amount of the Revolving Credit Lenders' Revolving Credit Exposures for any reason exceeds the Total Revolving Credit Commitment as then in effect, the Borrower shall forthwith repay on such date the principal amount of Swingline Loans and, after all Swingline Loans have been paid in full, Revolving Credit Loans in an amount equal to such excess. If, after giving effect to the prepayment of all outstanding Swingline Loans and Revolving Credit Loans, the aggregate amount of the Lenders' Revolving Credit Exposures exceed the Total Revolving Credit Commitment then in effect, the Borrower shall Cash Collateralize the Letter of Credit Obligations to the extent required to eliminate such excess.

iii. Application to Repayment Amounts. (i) Subject to clause (ii) of this Section 5.2(c) and the proviso to Section 5.2(a)(i), (A) each prepayment of Term Loans required by Section 5.2(a)(i) (other than in connection with a Debt Incurrence Prepayment Event) shall be allocated to the Classes of Term Loans outstanding, pro rata, based upon the applicable remaining Repayment Amounts due in respect of each such Class of Term Loans, shall be applied pro rata to Lenders within each Class, based upon the outstanding principal amounts owing to each such Lender under each such Class of Term Loans and be applied to reduce such scheduled Repayment Amounts within each such Class in accordance with Section 5.2(d)(ii), (B) each prepayment of Term Loans required by Section 5.2(a)(i) in connection with a Debt Incurrence Prepayment Event shall be allocated to any Class of Term Loans outstanding as directed by the Borrower, shall be applied pro rata to Lenders within each Class, based upon the outstanding principal amounts owing to each such Lender under each such Class of Term Loans and be applied to reduce such scheduled Repayment Amounts within each such Class in accordance with Section 5.2(d)(ii) and (C) each prepayment of Term Loans required by Section 5.2(a)(ii) shall be applied pro rata to the Term Lenders, based upon the outstanding principal amounts owing to each such Lender under each such Class and be applied to reduce such scheduled Repayment Amounts in accordance with Section 5.2(d)(ii); provided that, with respect to the allocation of such prepayments under either clause (A) or (C) above between an Existing Term Loan Class and Extended Term Loans of the same Extension Series, the Borrower may allocate such prepayments as the Borrower may specify, subject to the limitation that the Borrower shall not allocate to Extended Term Loans of any Extension Series any such mandatory prepayment under such clauses unless such prepayment is accompanied by at least a pro rata prepayment, based upon the applicable remaining Repayment Amounts due in respect thereof, of the Term Loans of the Existing Term Loan Class, if any, from which such Extended Term Loans were exchanged (or such Term Loans of the Existing Term Loan Class have otherwise been repaid in full).

1. With respect to each such prepayment required by Section 5.2(a)(i) and Section 5.2(a)(ii) (other than any Debt Incurrence Prepayment Event), (A) the Borrower will, not later than the date specified in Section 5.2(a) for offering to make such prepayment, give the Administrative Agent telephonic notice (promptly confirmed in writing) requesting that the Administrative Agent provide notice of such prepayment to each Lender of Term Loans and the Administrative Agent will promptly provide such notice to each Lender of Term Loans, (B) other than if such prepayment arises due to a Debt Incurrence Prepayment Event, each Term Lender will have the right to refuse any such prepayment by giving written notice of such refusal to the Administrative Agent and the Borrower within five Business Days after such Term Lender's receipt of notice from the Administrative Agent of such prepayment (and the Borrower shall not prepay any Term Loans until the date that is specified in clause (D) below) (such refused amounts, the "Refused Proceeds"), (C) the Refused Proceeds will be re-offered for prepayment to the Term Lenders not having refused a prepayment under this Section 5.2(c)(ii) by the Administrative Agent promptly providing notice of such re-offer to each such Term Lender, each such Term Lender will have the right to refuse any such re-offer of prepayment by giving written notice of such refusal to the Administrative Agent and the Borrower within five Business Days after such Term Lender's receipt of notice from the Administrative Agent of such re-offer of prepayment (and the Borrower shall not prepay any Term Loans until the date that is specified in clause (D) below), (D) the Borrower will make all such prepayments not so refused upon the earlier of (x) the tenth Business Day after the Term Lenders received first notice of repayment from the Administrative Agent and (y) such time as the Borrower has received notice from any Term Lender that it consents to such prepayment, and (E) thereafter, any remaining Refused Proceeds may be retained by the Borrower (the "Retained Refused Proceeds").

iv. Application to Term Loans.

1. With respect to each prepayment of Term Loans elected by the Borrower pursuant to Section 5.1 or pursuant to a Debt Incurrence Prepayment Event, such prepayments shall be applied to reduce Repayment Amounts in such order as the Borrower may specify (or, if not specified, in direct order of maturity) and the Borrower may designate the Types of Loans that are to be prepaid and the specific Borrowing(s) pursuant to which made; provided that the Borrower pays any amounts, if any, required to be paid pursuant to Section 2.11 with respect to prepayments of **Eurodollar Term SOFR Rate** Loans made on any date other than the last day of the applicable Interest Period. In the absence of a designation by the Borrower as described in the preceding sentence, the Administrative Agent shall, subject to the above, make such designation in a manner that minimizes the amount of payments required to be made by the Borrower pursuant to Section 2.11.

2. With respect to each prepayment of Term Loans by the Borrower required pursuant to Section 5.2(a) (other than a Debt Incurrence Prepayment Event), such prepayments shall be applied to reduce Repayment Amounts in direct order of maturity for the respective scheduled payments pursuant to Section 2.5(b) following the applicable prepayment event with respect to each such mandatory prepayment and the amount of such mandatory prepayment shall be applied first to Term Loans that are ABR Loans to the full extent thereof before application to Term Loans that are **Eurodollar Term SOFR Rate** Loans in a manner that minimizes the amount of any payments required to be made by the Borrower pursuant to Section 2.11.

v. Application to Revolving Credit Loans; Mandatory Commitment Reductions. (i) With respect to each prepayment of Revolving Credit Loans, Extended Revolving Credit Loans and Additional/Replacement Revolving Credit Loans elected by the Borrower pursuant to Section 5.1 or required by Section 5.2(b), the Borrower may designate (i) the Class and Types of Loans that are to be prepaid and the specific Borrowing(s) pursuant to which made and (ii) the Revolving Credit Loans, Extended Revolving Credit Loans or Additional/Replacement Revolving Credit Loans to be prepaid; provided, that (x) **Eurodollar Term SOFR Rate** Loans may be designated for prepayment pursuant to this Section 5.2 only on the last day of an Interest Period applicable thereto unless all **Eurodollar Term SOFR Rate** Loans with Interest Periods ending on such date of required prepayment and all ABR Loans have been paid in full; (y) each prepayment of any Loans made pursuant to a Borrowing shall be applied pro rata among such Loans of such Class (except that any prepayment made in connection with a reduction of the Commitments of such Class pursuant to Section 4.2 shall be applied pro rata based on the amount of the reduction in the Commitments of such Class of each applicable Lender); and (z) notwithstanding the provisions of the preceding clause (y), at the option of the Borrower, no prepayment made pursuant to Section 5.1 or Section 5.2(b) of Revolving Credit Loans, Extended Revolving Credit Loans or Additional/Replacement Revolving Credit Loans shall be applied to Loans of any Defaulting Lender. In the absence of a designation by the Borrower as described in the preceding sentence, the Administrative Agent shall, subject to the above, make such designation in a manner that minimizes the amount of any payments required to be made by the Borrower pursuant to Section 2.11.

1. With respect to each mandatory reduction and termination of Revolving Credit Commitments, Additional/Replacement Revolving Credit Commitments (and any previously extended Extended Revolving Credit Commitments) required by clause (ii) of the proviso to Section 2.14(b) or in connection with the incurrence of any Credit Agreement Refinancing Indebtedness issued or incurred to Refinance any Revolving Credit Commitments, Additional/Replacement Revolving Credit Commitments and/or Extended Revolving Credit Commitments, the Borrower may designate (A) the Classes of Commitments to be reduced and terminated and (B) the corresponding Classes of Loans to be prepaid; provided that (a) any such reduction and termination shall apply proportionately and permanently to reduce the Commitments of each of the Lenders within any such Class and (b) after giving effect to such

termination or reduction and to any prepayments of Loans or cancellation or cash collateralization of letters of credit made on the date of each such reduction and termination in accordance with this Agreement, the aggregate amount of such Lenders' credit exposures shall not exceed the remaining Commitments of such Lenders' in respect of the Class reduced and terminated.

vi. Eurodollar Term SOFR Rate Interest Periods. In lieu of making any payment pursuant to this Section 5.2 in respect of any Eurodollar Term SOFR Rate Loan other than on the last day of the Interest Period therefor so long as no Default or Event of Default shall have occurred and be continuing, the Borrower at its option may deposit with the Administrative Agent an amount equal to the amount of the Eurodollar Term SOFR Rate Loan to be prepaid and such Eurodollar Term SOFR Rate Loan shall be repaid on the last day of the Interest Period therefor in the required amount. Such deposit shall be held by the Administrative Agent in a corporate time deposit account established on terms reasonably satisfactory to the Administrative Agent, earning interest at the then-customary rate for accounts of such type. Such deposit shall constitute cash collateral for the Obligations, provided that the Borrower may at any time direct that such deposit be applied to make the applicable payment required pursuant to this Section 5.2.

vii. Minimum Amount. No prepayment shall be required pursuant to Section 5.2(a)(i) (except to the extent such prepayment arises due to a Debt Incurrence Prepayment Event) unless and until the amount at any time of Net Cash Proceeds from Prepayment Events required to be offered at or prior to such time pursuant to such Section and not yet offered at or prior to such time to prepay Term Loans pursuant to such Section exceeds (i) \$5,000,000 for any single Prepayment Event or series of related Prepayment Events and (ii) \$10,000,000 in the aggregate for all such Prepayment Events, at which time the entire amount of such Net Cash Proceeds (not only the amount in excess of \$5,000,000 or \$10,000,000, as the case may be) will be applied as provided in Section 5.2(a)(i), with the date of receipt of such Net Cash Proceeds being deemed for such purpose to be the date such thresholds set forth in clauses (i) and (ii) of this clause (g) are met.

viii. Foreign Asset Sales. Notwithstanding any other provisions of this Section 5.2, (i) to the extent that any of or all the Net Cash Proceeds of any asset sale by a Restricted Foreign Subsidiary giving rise to an Asset Sale Prepayment Event (a "Foreign Asset Sale"), the Net Cash Proceeds of any Recovery Event from a Restricted Foreign Subsidiary (a "Foreign Recovery Event"), or Excess Cash Flow that is attributable to Restricted Foreign Subsidiaries are prohibited or delayed by applicable local law from being repatriated to the United States, the portion of such Net Cash Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Term Loans at the times provided in this Section 5.2 but may be retained by the applicable Restricted Foreign Subsidiary so long, but only so long, as the applicable local law will not permit repatriation to the United States (the Borrower hereby agreeing to cause the applicable Restricted Foreign Subsidiary to promptly take all actions required by the applicable local law to permit such repatriation), and once such repatriation of any of such affected Net Cash Proceeds or Excess Cash Flow is permitted under the applicable local law, such repatriation will be immediately effected and such repatriated Net Cash Proceeds or Excess Cash Flow will be promptly (and in any event not later than two Business Days after such repatriation) applied (net of additional taxes payable or reserved against as a result thereof) to the repayment of the Term Loans pursuant to this Section 5.2 and (ii) to the extent that the Borrower has determined in good faith that repatriation of any of or all the Net Cash Proceeds of any Foreign Asset Sale, any Foreign Recovery Event or Excess Cash Flow would have a material adverse tax cost consequence with respect to such Net Cash Proceeds or Excess Cash Flow, the Net Cash Proceeds or Excess Cash Flow so affected may be retained by the applicable Restricted Foreign Subsidiary; provided that, in the case of this clause (ii), on or before the date on which any Net Cash Proceeds from any Foreign Asset Sale or Foreign Recovery Event so retained would

otherwise have been required to be applied to reinvestments or prepayments pursuant to Section 5.2(a) (or, in the case of Excess Cash Flow, a date on or before the date that is six months after the date such Excess Cash Flow would have been so required to be applied to prepayments pursuant to Section 5.2(a)(ii) unless previously repatriated in which case such repatriated Excess Cash Flow shall have been promptly applied to the repayment of the Term Loans pursuant to Section 5.2(a)), (x) the Borrower applies an amount equal to such Net Cash Proceeds or Excess Cash Flow to such reinvestments or prepayments as if such Net Cash Proceeds or Excess Cash Flow had been received by the Borrower rather than such Restricted Foreign Subsidiary, less the amount of additional taxes that would have been payable or reserved against if such Net Cash Proceeds or Excess Cash Flow had been repatriated (or, if less, the Net Cash Proceeds or Excess Cash Flow that would be calculated if received by such Foreign Subsidiary) or (y) such Net Cash Proceeds or Excess Cash Flow are applied to the repayment of Indebtedness of a Restricted Foreign Subsidiary.

c. Method and Place of Payment. (a) Except as otherwise specifically provided herein, all payments under this Agreement shall be made by the Borrower, without set-off, counterclaim or deduction of any kind, to the Administrative Agent for the ratable account of the Lenders entitled thereto, the Letter of Credit Issuers or the Swingline Lenders (except to the extent payments are to be made directly to a Letter of Credit Issuer or a Swingline Lender), as the case may be, not later than 2:00 p.m. (New York City time) on the date when due and shall be made in immediately available funds in Dollars at the Administrative Agent's Office, it being understood that written or facsimile notice by the Borrower to the Administrative Agent to make a payment from the funds in the Borrower's account at the Administrative Agent's Office shall constitute the making of such payment to the extent of such funds held in such account. The Administrative Agent will thereafter cause to be distributed on the same day (if payment was actually received by the Administrative Agent prior to 2:30 p.m. (New York City time) on such day and, if not, on the next Business Day in the sole discretion of the Administrative Agent) like funds relating to the payment of principal or interest or Fees ratably to the Lenders entitled thereto or to the Letter of Credit Issuer or the Swingline Lender, as applicable.

i. For purposes of computing interest or fees, any payments under this Agreement that are made later than 2:00 p.m. (New York City time) shall be deemed to have been made on the next succeeding Business Day in the sole discretion of the Administrative Agent (which may extend such deadline in its discretion whether or not such payments are in process). Except as otherwise provided herein, whenever any payment to be made hereunder shall be stated to be due on a day that is not a Business Day, the due date thereof shall be extended to the next succeeding Business Day and, with respect to payments of principal, interest shall be payable during such extension at the applicable rate in effect immediately prior to such extension.

d. Net Payments. (a) Except as required by Applicable Law, all payments made by or on behalf of the Borrower under this Agreement or any other Credit Document shall be made free and clear of, and without deduction or withholding for or on account of, any current or future income, stamp or other taxes, levies, imposts, duties, charges, fees, deductions or withholdings, now or hereafter imposed, levied, collected, withheld or assessed by any Governmental Authority (including any interest, additions to tax and penalties) (collectively, "Taxes"), excluding in the case of each Lender and each Agent and except as otherwise provided in Section 5.4(f), (A) net income Taxes (and franchise Taxes imposed in lieu of net income Taxes) that would not have been imposed on such Agent or such Lender but for a present or former connection between such Agent or such Lender and the jurisdiction of the Governmental Authority imposing such Tax or any political subdivision or Governmental Authority thereof or therein (other than any such connection arising from such Agent or such Lender having executed, delivered or performed its obligations or received a payment under, or enforced, received or perfected a security interest under, or engaged in any other transactions

pursuant to, this Agreement or any other Credit Document), (B) any branch profits Taxes imposed by the United States of America or any similar Tax imposed by any other jurisdiction described in clause (A) and (C) any U.S. federal withholding Tax pursuant to FATCA (all non-excluded Taxes, “Non-Excluded Taxes” and all such excluded Taxes, “Excluded Taxes”). If any Taxes are required to be withheld by a Withholding Agent from any amounts payable under this Agreement or any other Credit Document, the applicable Withholding Agent shall so withhold (pursuant to the information and documentation to be delivered pursuant to Section 5.4(d), 5.4(e) and 5.4(g)) and shall remit the amount withheld to the appropriate taxing authority. In addition, where an amount has been withheld in respect of a Non-Excluded Tax, the applicable Credit Party shall increase the amounts payable to the Administrative Agent or such Lender to the extent necessary to yield to the Administrative Agent or such Lender (after payment of all Non-Excluded Taxes or Other Taxes including those applicable to any amounts payable under this Section 5.4) interest or any such other amounts payable hereunder at the rates or in the amounts specified in such Credit Document. Whenever any Taxes are payable by any Credit Party, as promptly as possible thereafter the applicable Credit Party shall send to the Administrative Agent for its own account or for the account of such Lender, as the case may be, a certified copy of an original official receipt, if available (or other evidence acceptable to such Lender, acting reasonably) received by the applicable Credit Party showing payment thereof.

i. In addition, each Credit Party shall pay, or at the option of the Administrative Agent timely reimburse it for the payment for, any present or future stamp, documentary, filing, mortgage, recording, excise, property or intangible taxes (including any interest, additions to tax and penalties) that arise from any payment made by such Credit Party hereunder or under any other Credit Documents or from the execution, delivery or registration or recordation of, performance under, or otherwise with respect to, this Agreement or the other Credit Documents (hereinafter referred to as “Other Taxes”).

ii.(i) Subject to Section 5.4(f), the Credit Parties shall indemnify each Lender and each Agent for and hold them harmless against the full amount of Non-Excluded Taxes and Other Taxes, (and for the full amount of Non-Excluded Taxes and Other Taxes imposed or asserted by any jurisdiction on any additional amounts or indemnities payable under this Section 5.4) imposed on or paid by such Lender or such Agent (as the case may be) and any liability (including penalties, additions to tax, interest and expenses) regardless of whether any such Taxes are correctly or legally asserted and arising therefrom or with respect thereto; provided that if any claim pursuant to this Section 5.4(c)(i) is made later than 180 days after the date on which the relevant Lender or Agent had actual knowledge of the relevant Non-Excluded Taxes or Other Taxes, then the Credit Parties shall not be required to indemnify the applicable Lender or Agent for any interest or penalties which accrue in respect of such Non-Excluded Taxes or Other Taxes after the 180th day. This indemnification shall be made within 30 days from the date such Lender or such Agent (as the case may be) makes written demand therefor.

1. Each Lender shall, and does hereby, severally indemnify, and shall make payment in respect thereof within 30 days after demand therefor, (x) the Administrative Agent against any Non-Excluded Taxes attributable to such Lender (but only to the extent that any Credit Party has not already indemnified the Administrative Agent for such Non-Excluded Taxes and without limiting the obligation of Credit Parties to do so), (y) the Administrative Agent and the Credit Parties, as applicable, against any Taxes attributable to such Lender's failure to comply with the provisions of Section 13.6(d)(ii) relating to the maintenance of a Participant Register and (z) the Administrative Agent and the Credit Parties, as applicable, against any Excluded Taxes attributable to such Lender that are payable or paid by the Administrative Agent or the Credit Parties in connection with any Credit Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent

shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Credit Document against any amount due to the Administrative Agent under this clause (ii).

iii. Each Lender shall, at such times as are reasonably requested by the Borrower or the Administrative Agent, provide the Borrower and the Administrative Agent with any documentation prescribed by any Applicable Law or reasonably requested by the Borrower or the Administrative Agent (i) as will permit such payments to be made without, or at a reduced rate of, withholding or (ii) as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to withholding or information reporting requirements. Each such Lender shall, whenever a lapse in time or change in circumstances renders such documentation obsolete, expired or inaccurate in any material respect, deliver promptly to the Borrower and the Administrative Agent updated or other appropriate documentation (including any new documentation reasonably requested by the Borrower or the Administrative Agent) or promptly notify the Borrower and the Administrative Agent of its inability to do so. Unless the Borrower or the Administrative Agent has received forms or other documents satisfactory to it indicating that payments under any Credit Document to or for a Lender are not subject to withholding Tax or are subject to such Tax at a rate reduced by an applicable tax treaty, the Borrower or the Administrative Agent (as applicable) may withhold amounts required to be withheld by Applicable Law from such payments at the applicable statutory rate. Notwithstanding anything forgoing to the contrary, the completion, execution and submission of such documentation (other than such documentation set forth in Section 5.4(d)(i), Section 5.4(e) and Section 5.4(g) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender. Without limiting the foregoing to the extent permitted by law, each Lender that is not a United States person within the meaning of Section 7701(a)(30) of the Code (a "Non-U.S. Lender") shall:

1. deliver to the Borrower and the Administrative Agent on or before the date on which it becomes a party to this Agreement (and from time to time thereafter upon the request of the Borrower or the Administrative Agent) two originals of either (w) in the case of Non-U.S. Lender claiming exemption from U.S. federal withholding Tax under Section 871(h) or 881(c) of the Code with respect to payments of "portfolio interest," United States Internal Revenue Service Form W-8BEN (together with a certificate representing that such Non-U.S. Lender is not a bank for purposes of Section 881(c) of the Code, is not a 10-percent shareholder (within the meaning of Section 871(h)(3)(B) of the Code) of the Borrower and is not a controlled foreign corporation related to the Borrower (within the meaning of Section 864(d)(4) of the Code) substantially in the form of Exhibit M (a "United States Tax Compliance Certificate"), (x) United States Internal Revenue Service Form W-8BEN or Form W-8ECL, (y) to the extent a Non-U.S. Lender is not the Beneficial Owner (for example, where the Non-U.S. Lender is a partnership or a participating Lender), United States Internal Revenue Service Form W-8IMY (or any successor forms) of the Non-U.S. Lender, accompanied by a Form W-8ECL, W-8BEN, United States Tax Compliance Certificate, Form W-9, Form W-8IMY or any other required information from each Beneficial Owner, as applicable (provided that, if one or more Beneficial Owners are claiming the portfolio interest exemption, the United States Tax Compliance Certificate may be provided by such Non-U.S. Lender on behalf of such Beneficial Owner) or (z) two properly completed and duly signed original copies of any other form prescribed by applicable U.S. federal income Tax laws (including the United States Treasury Regulations) as a basis for claiming a complete exemption from, or a reduction in, U.S. federal withholding Tax on any payments to such Lender under the Credit Documents, in each case properly completed and duly executed by such Non-U.S. Lender claiming complete

exemption from, or reduced rate of, U.S. federal withholding Tax on payments by the Borrower under this Agreement; and

2. deliver to the Borrower and the Administrative Agent two further originals of any such form or certification (or any applicable successor form) on or before the date that any such form or certification expires or becomes obsolete or inaccurate and promptly after the occurrence of any event requiring a change in the most recent form previously delivered by it to the Borrower;

unless in any such case any change in treaty, law or regulation has occurred prior to the date on which any such delivery would otherwise be required that renders any such form inapplicable or would prevent such Lender from duly completing and delivering any such form with respect to it. Each Lender shall promptly notify the Borrower and the Administrative Agent at any time it determines that it is no longer in a position to provide any previously delivered form or certification to the Borrower or the Administrative Agent.

Notwithstanding anything to the contrary in this Section 5.4(d), a Lender is not required to deliver any form or other documentation that it is not legally eligible to deliver.

iv.If a payment made to a Lender under this Agreement or any other Credit Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Withholding Agent, at the time or times prescribed by Applicable Law and at such time or times reasonably requested by the Withholding Agent, such documentation prescribed by Applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Withholding Agent as may be necessary for the Withholding Agent to comply with its obligations under FATCA, to determine (i) whether such Lender has complied with such Lender's obligations under FATCA or (ii) the amount, if any, to deduct and withhold from such payment. Solely for purposes of this Section 5.4(e), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

v.No Credit Party shall be required to indemnify any Lender, Beneficial Owner or Agent pursuant to Section 5.4(c) or to pay any additional amounts to any Lender, Beneficial Owner or Agent, pursuant to Section 5.4(a) in respect of (i) U.S. federal withholding Taxes imposed under any Applicable Law in effect on the date such Lender or such Beneficial Owner acquired its interest in the applicable Loan, Commitment or Letter of Credit or changed its lending office; provided that this Section 5.4(f) shall not apply to the extent that (x) the indemnity payments or additional amounts such Lender (or such Beneficial Owner) would be entitled to receive (without regard to this clause (i)) do not exceed the indemnity payment or additional amounts that the person making the assignment, or change in lending office would have been entitled to receive immediately prior to such assignment or change in lending office, or (y) such assignment had been requested by a Credit Party and (ii) Taxes attributable to a Lender's failure to comply with the provisions of Section 5.4(d) or 5.4(g).

vi.Each Lender that is a United States person within the meaning of Section 7701(a)(30) of the Code shall (A) on or prior to the date such Lender becomes a Lender hereunder and (B) from time to time if reasonably requested by the Borrower or the Administrative Agent (or, in the case of a participant, the relevant Lender) to the extent such Lender is legally entitled to do so, provide the Administrative Agent and the Borrower (or, in the case of a participant, the relevant Lender) with two duly completed and signed originals of United States Internal Revenue Service Form W-9 (certifying that such Lender is entitled to an exemption from U.S. backup withholding Tax) or any successor form.

vii. Unless required by applicable Laws, at no time shall the Administrative Agent have any obligation to file for or otherwise pursue on behalf of a Lender, or have any obligation to pay to any Lender, any refund of Taxes withheld or deducted from funds paid for the account of such Lender. If any Lender or the Administrative Agent determines in its sole discretion, exercised in good faith, that it has received a refund of a Non-Excluded Tax or Other Taxes for which a payment has been made by a Credit Party pursuant to this Agreement, which refund in the good faith judgment of such Lender or the Administrative Agent, as the case may be, is attributable to such payment made by such Credit Party, then such Lender or the Administrative Agent, as the case may be, shall reimburse the Credit Party for such amount (together with any interest received thereon) as such Lender or the Administrative Agent, as the case may be, reasonably determines to be the proportion of the refund as will leave it, after such reimbursement, in no better or worse position than it would have been in if the payment had not been required; provided that the Credit Party, upon the request of such Lender, agrees to repay the amount paid over to the Credit Party (with interest and penalties) in the event such Lender or the Administrative Agent is required to repay such refund to such Governmental Authority. Neither any Lender nor the Administrative Agent shall be obliged to disclose any information regarding its tax affairs or computations to any Credit Party in connection with this paragraph (h) or any other provision of this Section 5.4; provided, further, that nothing in this Section 5.4 shall obligate any Lender (or Transferee) or the Administrative Agent to apply for any refund.

viii. For purpose of this Section 5.4, the term “Lender” shall include any Swingline Lender and Letter of Credit Issuer.

ix. The agreements in this Section 5.4 shall survive the termination of this Agreement, the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, and the payment of the Loans and all other amounts payable hereunder.

e. **Computations of Interest and Fees.** All computations of interest and of fees shall be made by the Administrative Agent on the basis of a year of 360 days and, in the case of ABR Loans calculated on the Prime Rate, 365/366-days, in each case for the actual number of days (including the first day but excluding the last day) occurring in the period for which such interest and fees are payable.

f. **Limit on Rate of Interest.**

i. **No Payment Shall Exceed Lawful Rate.** Notwithstanding any other term of this Agreement, the Borrower shall not be obliged to pay any interest or other amounts under or in connection with this Agreement in excess of the amount or rate permitted under or consistent with any Applicable Law.

ii. **Payment at Highest Lawful Rate.** If the Borrower is not obliged to make a payment which it would otherwise be required to make, as a result of Section 5.6(a), the Borrower shall make such payment to the maximum extent permitted by or consistent with Applicable Law.

iii. **Adjustment if Any Payment Exceeds Lawful Rate.** If any provision of this Agreement or any of the other Credit Documents would obligate the Borrower to make any payment of interest or other amount payable to any Lender in an amount or calculated at a rate which would be prohibited by any Applicable Law, then notwithstanding such provision, such amount or rate shall be deemed to have been adjusted with retroactive effect to the maximum amount or rate of interest, as the case may be, as would not be so prohibited by law (in the case of the Borrower), such adjustment to be effected, to the extent necessary, as follows:

1. firstly, by reducing the amount or rate of interest required to be paid by the Borrower to the affected Lender under Section 2.8; and
2. thereafter, by reducing any fees, commissions, premiums and other amounts required to be paid by the Borrower to the affected Lender.

Notwithstanding the foregoing, and after giving effect to all adjustments contemplated thereby, if any Lender shall have received from the Borrower an amount in excess of the maximum permitted by any Applicable Law, then the Borrower shall be entitled, by notice in writing to the Administrative Agent, to obtain reimbursement from such Lender in an amount equal to such excess, and pending such reimbursement, such amount shall be deemed to be an amount payable by such Lender to the Borrower.

#### SECTION 6. Conditions Precedent to Effective Date

The conditions to the effectiveness of this Agreement and the obligation of the Letter of Credit Issuers and the Lenders to make extensions of credit in connection with the initial Credit Event are set forth in Section 4 of the Amendment.

#### SECTION 7. Additional Conditions Precedent

a. **No Default; Representations and Warranties.** The agreement of each Lender to make any Loan requested to be made by it on any date (excluding Mandatory Borrowings and Letter of Credit Participations which shall each be made without regard to the satisfaction of the condition set forth in this Section 7.1 and excluding borrowings made pursuant to Section 2.14, which shall be subject to conditions precedent and representations to be agreed upon with the applicable Lenders) and the obligation of each Letter of Credit Issuer to issue, amend, extend or renew Letters of Credit on any date is subject to the satisfaction of the condition precedent that at the time of each such Credit Event and also after giving effect thereto (a) no Default or Event of Default shall have occurred and be continuing and (b) all representations and warranties made by any Credit Party contained herein or in the other Credit Documents shall be true and correct in all material respects with the same effect as though such representations and warranties had been made on and as of the date of such Credit Event (except where such representations and warranties expressly relate to an earlier date, in which case such representations and warranties shall have been true and correct in all material respects as of such earlier date); provided that any representation and warranty that is qualified as to “materiality”, “Material Adverse Effect” or similar language shall be true and correct in all respects on the date of such credit extension or on such earlier date, as the case may be (after giving effect to such qualification). The acceptance of the benefits of each Credit Event shall constitute a representation and warranty by each Credit Party to each of the Lenders that the conditions contained in this Section 7.1 have been met as of such date.

b. **Notice of Borrowing; Letter of Credit Request.** (a) Prior to the making of each Term Loan, each Revolving Credit Loan (other than any Revolving Credit Loan made pursuant to Section 2.1(f) or 3.4), each Additional/Replacement Revolving Credit Loan, each Extended Revolving Credit Loan and each Swingline Loan, the Administrative Agent shall have received a Notice of Borrowing (whether in writing or by telephone) meeting the requirements of Section 2.3.

i. Prior to the issuance of each Letter of Credit, the Administrative Agent and any Letter of Credit Issuer shall have received a Letter of Credit Request meeting the requirements of Section 3.2.

#### SECTION 8. Representations, Warranties and Agreements

The designation of any Subsidiary as an Unrestricted Subsidiary after the Effective Date shall constitute an Investment by the Borrower therein at the date of designation in an amount equal to the Fair Market Value of the Borrower's investment therein. The designation of any Unrestricted Subsidiary as a Restricted Subsidiary shall constitute the incurrence at the time of designation of any Investment, Indebtedness or Liens of such Subsidiary existing at such time.

q. Post-Closing Covenant. The Borrower shall, and shall cause each Restricted Subsidiary of the Borrower to, comply with the terms and conditions set forth on Schedule 9.17.

2. Consolidated Total Debt with respect to any Test Period subsequent to the Test Period for which the Cure Amount is deemed applied that includes such fiscal quarter with respect to which such Cure Amount is received by the Borrower shall be decreased solely to the extent proceeds of the Cure Amount are applied to prepay any Indebtedness (provided that any such Indebtedness so prepaid shall be a permanent repayment of such Indebtedness and termination of commitments thereunder) included in the calculation of Consolidated Total Debt; and

iii. Expected Cure Amount. Notwithstanding anything herein to the contrary, to the extent that the Expected Cure Amount is (i) greater than the Necessary Cure Amount, then such difference may be used for the purposes of determining any baskets (other than any previously contributed Cure Amounts), with respect to the covenants contained in the Credit Documents, the Available Amount or the Available Equity Amount and (ii) less than the Necessary Cure Amount, then not later than the applicable Cure Deadline, the Borrower must receive the cash proceeds from the issuance of Capital Stock or a cash capital contribution to Holdings, which cash proceeds received by Borrower shall be equal to the shortfall between such Expected Cure Amount and such Necessary Cure Amount.

## SECTION 12. The Administrative Agent and the Collateral Agent

a. Appointment. (a) Each of the Lenders and the Letter of Credit Issuers hereby irrevocably appoints JPMorgan to act on its behalf as the Administrative Agent hereunder and under the other Credit Documents and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. It is understood and agreed that the use of the term “agent” herein or in any other Credit Documents (or any other similar term) with reference to the Administrative Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law. Instead such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between contracting parties.

(b) The Administrative Agent shall also act as the “Collateral Agent” under the Credit Documents, and each of the Lenders (including in its capacities as a potential Hedge Bank and a potential Cash Management Bank) and the Letter of Credit Issuers hereby irrevocably appoints and authorizes the Administrative Agent to act as the agent of such Lender and such Letter of Credit Issuer for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted under the Security Documents to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Administrative Agent, as “Collateral Agent”, and any co-agents, sub-agents and attorneys-in-fact appointed by the Administrative Agent pursuant to Section 12.2 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Security Documents, or for exercising any rights and remedies thereunder at the direction of the Administrative Agent, shall be entitled to the benefits of all provisions of this Section 12 and Section 13 (including Section 13.5(a), as though such co-agents, sub-agents and attorneys-in-fact were the “Collateral Agent” under the Credit Documents) as if set forth in full herein with respect thereto.

b. Delegation of Duties. The Administrative Agent and the Collateral Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Credit Document by or through any one or more sub-agents appointed by the Administrative Agent or the Collateral Agent, as applicable. The Administrative Agent, the Collateral Agent and any such sub-agent may perform any and all of its duties and exercise their respective rights and powers by or through their respective Related Parties. The exculpatory provisions of this Section 12 shall apply to any such sub-agent and to the Related Parties of the Administrative Agent, the Collateral Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein

as well as activities as Administrative Agent or the Collateral Agent, as applicable. The Administrative Agent shall not be responsible for the negligence or misconduct of any sub-agents except to the extent that a court of competent jurisdiction determines in a final and non-appealable judgment that the Administrative Agent acted with gross negligence or willful misconduct in the selection of such sub-agents.

c. Exculpatory Provisions. The Administrative Agent and the Collateral Agent shall not have any duties or obligations except those expressly set forth herein and in the other Credit Documents and its duties hereunder shall be administrative in nature. Without limiting the generality of the foregoing, the Administrative Agent and the Collateral Agent:

(a) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(b) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Credit Documents that the Administrative Agent or the Collateral Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Credit Documents), provided that the Administrative Agent and the Collateral Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent or the Collateral Agent to liability or that is contrary to any Credit Document or applicable law, including for the avoidance of doubt any action that may be in violation of the automatic stay under any Debtor Relief Law or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any Debtor Relief Law;

(c) shall not, except as expressly set forth herein and in the other Credit Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Affiliates that is communicated to or obtained by the Person serving as the Administrative Agent or the Collateral Agent or any of its Affiliates in any capacity;

(d) shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 12.10 and 13.1) or (ii) in the absence of its own gross negligence or willful misconduct as determined by a court of competent jurisdiction by final and nonappealable judgment. The Administrative Agent and the Collateral Agent shall be deemed not to have knowledge of any Default unless and until notice describing such Default is given to the Administrative Agent and the Collateral Agent by the Borrower, a Lender or a Letter of Credit Issuer; and

(e) shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Credit Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Credit Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Security Documents, (v) the value or

the sufficiency of any Collateral, or (v) the satisfaction of any condition set forth in Section 6, Section 7 or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent and the Collateral Agent.

d. **Reliance by Administrative Agent.** The Administrative Agent and the Collateral Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Administrative Agent and the Collateral Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan, or the issuance, extension, renewal or increase of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender or a Letter of Credit Issuer, the Administrative Agent may presume that such condition is satisfactory to such Lender or such Letter of Credit Issuer unless the Administrative Agent shall have received notice to the contrary from such Lender or such Letter of Credit Issuer prior to the making of such Loan or the issuance of such Letter of Credit. The Administrative Agent and the Collateral Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

e. **Notice of Default.** The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default hereunder unless the Administrative Agent has received notice from a Lender or the Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a “notice of default”. In the event that the Administrative Agent receives such a notice, the Administrative Agent shall give notice thereof to the Lenders. The Administrative Agent shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Required Lenders, provided that unless and until the Administrative Agent shall have received such directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable in the best interests of the Lenders (except to the extent that this Agreement requires that such action be taken only with the approval of the Required Lenders or each of the Lenders, as applicable).

f. **Non-Reliance on Administrative Agent and Other Lenders.** Each Lender expressly acknowledges that neither the Administrative Agent nor any of its officers, directors, employees, agents, attorneys-in-fact or Affiliates has made any representations or warranties to it and that no act by the Administrative Agent hereinafter taken, including any review of the affairs of the Borrower, any Guarantor or any other Credit Party, shall be deemed to constitute any representation or warranty by the Administrative Agent to any Lender. Each Lender represents to the Administrative Agent that it has, independently and without reliance upon the Administrative Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Borrower, any Guarantor and any other Credit Party and made its own decision to make its Loans hereunder and enter into this Agreement. Each Lender also represents that it will, independently and without reliance upon the Administrative Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Credit Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Borrower, any Guarantor and any other Credit Party. Except for

notices, reports and other documents expressly required to be furnished to the Lenders by the Administrative Agent hereunder, the Administrative Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, assets, operations, properties, financial condition, prospects or creditworthiness of the Borrower, any Guarantor or any other Credit Party that may come into the possession of the Administrative Agent or any of its officers, directors, employees, agents, attorneys-in-fact or Affiliates.

g. Indemnification. The Lenders agree to indemnify the Agents in their capacity as such (to the extent not reimbursed by the Borrower and without limiting the obligation of the Borrower to do so), ratably according to their respective portions of the Total Credit Exposure in effect on the date on which indemnification is sought (or, if indemnification is sought after the date upon which the Commitments shall have terminated and the Loans shall have been paid in full, ratably in accordance with their respective portions of the Total Credit Exposure in effect immediately prior to such date), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time (including at any time following the payment of the Loans) be imposed on, incurred by or asserted against the Agents in any way relating to or arising out of, the Commitments, this Agreement, any of the other Credit Documents or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by the Agents under or in connection with any of the foregoing, provided that no Lender shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from the Agents' gross negligence or willful misconduct. The agreements in this Section 12.7 shall survive the payment of the Loans and all other amounts payable hereunder.

h. Successor Agent. The Administrative Agent and the Collateral Agent may at any time, upon no less than 30 days prior written notice to the Lenders, the Letter of Credit Issuers and the Borrower, resign as an Agent hereunder. In addition, if the Administrative Agent, and/or Collateral Agent shall become a Defaulting Lender pursuant to clause (d) of the definition thereof, then such Agent may be removed from its capacity as Agent hereunder upon the request of the Required Lenders and the Borrower and by notice in writing to such Person. Upon receipt of any such notice of resignation or after notice of removal, the Required Lenders shall have the right, with the consent of the Borrower (such consent not to be unreasonably withheld or delayed), to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. In respect of a resignation, if no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Administrative Agent or Collateral Agent, as applicable, gives notice of its resignation (or such earlier day as shall be agreed by the Required Lenders) (the "Resignation Effective Date"), then the retiring Administrative Agent or Collateral Agent, as applicable, may with the consent of the Borrower (such consent not to be unreasonably withheld or delayed) on behalf of the Lenders and the Letter of Credit Issuers, appoint a successor Administrative Agent or Collateral Agent, as applicable, meeting the qualifications set forth above; provided that if the Administrative Agent shall notify the Borrower and the Lenders that no qualifying Person has accepted such appointment, then, whether or not a successor has been appointed, such resignation shall nonetheless become effective in accordance with such notice on the Resignation Effective Date. In respect of a removal, if no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after receipt by the removed Administrative Agent or Collateral Agent, as applicable, of the written notice of its removal (or such earlier day as shall be agreed by the Required Lenders) (the "Removal Effective Date"), if the Required Lenders shall notify the Borrower and the Lenders that no qualifying Person has accepted such appointment, then, whether or not a successor has been appointed, such removal

shall nonetheless become effective in accordance with such notice on the Removal Effective Date. Effective as of the Resignation Effective Date or the Removal Effective Date, as applicable, (a) the retiring Administrative Agent or Collateral Agent, as applicable, shall be discharged from its duties and obligations hereunder and under the other Credit Documents (except that in the case of any collateral security held by the Collateral Agent on behalf of the Lenders or the Letter of Credit Issuers under any of the Credit Documents, the retiring Collateral Agent shall continue to hold such collateral security until such time as a successor Collateral Agent is appointed) and (b) all payments, communications and determinations provided to be made by, to or through the Administrative Agent or Collateral Agent, as applicable, shall instead be made by or to each Lender and Letter of Credit Issuer directly, until such time as the Required Lenders appoint a successor Administrative Agent or Collateral Agent, as applicable, as provided for above in this Section. Upon the acceptance of a successor's appointment as Administrative Agent or Collateral Agent, as applicable, hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) or replaced Administrative Agent or Collateral Agent, as applicable, and the retiring (or retired) or replaced Administrative Agent or Collateral Agent, as applicable, shall be discharged from all of its duties and obligations hereunder or under the other Credit Documents (if not already discharged therefrom as provided above in this Section). The fees payable by the Borrower to a successor Administrative Agent or Collateral Agent, as applicable, shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring or replaced Administrative Agent's or Collateral Agent's as applicable, resignation or replacement hereunder and under the other Credit Documents, the provisions of this Section 12 and Section 13.5 shall continue in effect for the benefit of such retiring or replaced Administrative Agent or Collateral Agent, as applicable, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Administrative Agent or Collateral Agent, as applicable, was acting as Administrative Agent or Collateral Agent, as applicable.

Any resignation or replacement by JPMorgan as Administrative Agent pursuant to this Section shall also constitute its resignation or replacement as Letter of Credit Issuer and Swingline Lender. If JPMorgan resigns or is replaced as a Letter of Credit Issuer, it shall retain all the rights, powers, privileges and duties of a Letter of Credit Issuer hereunder with respect to all Letters of Credit outstanding as of the effective date of its resignation or replacement as Letter of Credit Issuer and all Letter of Credit Obligations with respect thereto, including the right to require the Lenders to make Revolving Credit Loans or fund risk participations in Unpaid Drawings pursuant to Section 3.3. If JPMorgan resigns as Swingline Lender, it shall retain all the rights of the Swingline Lender provided for hereunder with respect to Swingline Loans made by it and outstanding as of the effective date of such resignation, including the right to require the Lenders to make Revolving Credit Loans or fund risk participations in outstanding Swingline Loans pursuant to Section 2.1(f). Upon the appointment by the Borrower of a successor Letter of Credit Issuer or Swingline Lender hereunder (which successor shall in all cases be a Lender other than a Defaulting Lender), (a) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring Letter of Credit Issuer or Swingline Lender, as applicable, (b) the retiring Letter of Credit Issuer and Swingline Lender shall be discharged from all of their respective duties and obligations hereunder or under the other Credit Documents, and (c) the successor Letter of Credit Issuer shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to JPMorgan to effectively assume the obligations of JPMorgan with respect to such Letters of Credit.

i. **Withholding Tax.** To the extent required by any applicable law, the Administrative Agent may withhold from any interest payment to any Lender an amount equivalent to any applicable withholding tax, except taxes imposed as a result of a current or former connection unrelated to this Agreement between the Administrative Agent and any

jurisdiction outside of the United States imposing such tax. If the Internal Revenue Service or any authority of the United States or other jurisdiction asserts a claim that the Administrative Agent did not properly withhold tax from amounts paid to or for the account of any Lender (because the appropriate form was not delivered, was not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstances which rendered the exemption from, or reduction of, withholding tax ineffective, or for any other reason), such Lender shall indemnify the Administrative Agent fully for all amounts paid, directly or indirectly, by the Administrative Agent as tax or otherwise, including penalties and interest, together with all expenses incurred, including legal expenses, allocated staff costs and any out of pocket expenses.

j. **Rights as a Lender.** The Person serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent and the term "Lender" or "Lenders" shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Administrative Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Borrower or any Subsidiary or other Affiliate thereof as if such Person were not the Administrative Agent hereunder and without any duty to account therefor to the Lenders.

k. **No Other Duties, Etc.** Anything herein to the contrary notwithstanding, none of the Joint Lead Arrangers, Joint Bookrunners, Syndication Agent or the Documentation Agent listed on the cover page hereof shall have any powers, duties or responsibilities under this Agreement or any of the other Credit Documents, except in its capacity, as applicable, as the Administrative Agent, a Lender or a Letter of Credit Issuer hereunder.

l. **Administrative Agent May File Proofs of Claim.** In case of the pendency of any proceeding under any under the Bankruptcy Code, any other applicable bankruptcy laws or any other judicial proceeding relative to any Credit Party, the Administrative Agent (irrespective of whether the principal of any Loan or Letter of Credit Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

i. to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, Letter of Credit Obligations and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the Letter of Credit Issuers and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, the Letter of Credit Issuers and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders, the Letter of Credit Issuers and the Administrative Agent under Sections 4.1 and 13.5) allowed in such judicial proceeding; and

ii. to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender and Letter of Credit Issuer to make such payments to the Administrative Agent and, if the Administrative Agent shall consent to the making of such payments directly to the Lenders and the Letter of Credit Issuers, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses,

disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Sections 4.1 and 13.5.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender or Letter of Credit Issuer any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or Letter of Credit Issuer to authorize the Administrative Agent to vote in respect of the claim of any Lender or Letter of Credit Issuer or in any such proceeding.

m. Secured Cash Management Agreements and Secured Hedge Agreements. Except as otherwise expressly set forth herein or in any Guarantee or any Security Document, no Cash Management Bank or Hedge Bank that obtains the benefits of any Guarantee or any Collateral by virtue of the provisions hereof or of any Guarantee or any Security Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Credit Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Credit Documents. Notwithstanding any other provision of this Section 12 to the contrary, the Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Obligations arising under Secured Cash Management Agreements and Secured Hedging Agreements unless the Administrative Agent has received written notice of such Obligations, together with such supporting documentation as the Administrative Agent may request, from the applicable Cash Management Bank or Hedge Bank, as the case may be.

n. Intercreditor Agreements. In connection with the incurrence by the Borrower or any Restricted Subsidiary of any Indebtedness that is secured by Liens permitted by Section 10.2, at the request of the Borrower, the Administrative Agent (including in its capacity as Collateral Agent) agrees to execute and deliver the Customary Intercreditor Agreements, as applicable, and any amendments, amendments and restatements, restatements or waivers of or supplements thereto. In connection with any such amendment, restatement, waiver, supplement or other modification, the Credit Parties shall deliver such officers' certificates and supporting documentation as the Administrative Agent may reasonably request. The Lenders hereby authorize the Administrative Agent to take any action contemplated by the preceding sentence, and any such amendment, amendment and restatement, restatement, waiver of or supplement to or other modification of any such Credit Document shall be effective notwithstanding the provisions of Section 13.1.

#### SECTION 13. Miscellaneous

a. Amendments and Waivers. Except as expressly set forth in this Agreement, neither this Agreement nor any other Credit Document, nor any terms hereof or thereof may be amended, supplemented or modified except in accordance with the provisions of this Section 13.1. The Required Lenders may, or, with the written consent of the Required Lenders, the Administrative Agent and/or the Collateral Agent shall, from time to time, (a) enter into with the relevant Credit Party or Credit Parties written amendments, supplements or modifications hereto and to the other Credit Documents for the purpose of adding any provisions to this Agreement or the other Credit Documents or changing in any manner the rights of the Lenders or the Credit Parties hereunder or thereunder or (b) waive, on such terms and conditions as the Required Lenders, the Administrative Agent and/or the Collateral Agent, as the case may be, may specify in such instrument, any of the requirements of this Agreement or the other Credit Documents or any Default or Event of Default and its consequences (other than with respect to any amendment or waiver contemplated in (I) clauses (i) and (vii), which shall only require the consent of the Lenders directly and adversely affected thereby and (II) clauses (ii) and (x), which

shall only require the consent of the Required Credit Facility Lenders under the applicable Credit Facility or Credit Facilities, as applicable); provided that no such waiver, amendment, supplement or modification shall directly:

1. reduce or forgive the principal of any Loan (it being understood that a waiver of any condition precedent or waiver of any Default, Event of Default, mandatory prepayment or mandatory commitment reduction shall not constitute a reduction or forgiveness of principal) or extend any scheduled amortization payments or the final scheduled maturity date of any Loan (other than as a result of waiving the conditions precedent set forth in Section 6 and Section 7 or other than as a result of a waiver or amendment of any Default, Event of Default, mandatory prepayment of Term Loans or mandatory commitment reduction (which shall not constitute an extension, forgiveness or postponement of any maturity date)), or reduce the stated interest rate applicable to the Loans (it being understood that any change (x) to the definition of “Consolidated Total Debt to Consolidated EBITDA Ratio”, “Consolidated Secured Debt to Consolidated EBITDA Ratio” or “Consolidated EBITDA to Consolidated Interest Expense Ratio” or (y) in the component definitions thereof shall not constitute a reduction in the rate and provided that only the consent of the Required Lenders shall be necessary to waive any obligation of the Borrower to pay interest at the “default rate” or amend Section 2.8(c)), or reduce or forgive any portion, or extend the date for the payment, of any interest or fee payable hereunder, (other than as a result of waiving the applicability of any post-default increase in interest rates and other than as a result of waiving the conditions precedent set forth in Section 6 and Section 7 or other than as a result of a waiver or amendment of any Default, Event of Default, any mandatory prepayment of Term Loans or mandatory commitment reduction (which shall not constitute an extension, forgiveness or postponement of any date for payment of principal, interest or fees) or extend the final expiration date of any Lender’s Commitment or extend the final expiration date of any Letter of Credit beyond the date specified in Section 3.1(a), or increase the aggregate amount of any Commitment (other than with respect to any Incremental Facility to which such Lender has agreed) of any Lender (other than as a result of waiving the conditions precedent set forth in Section 6 and Section 7 or other than as a result of a waiver or amendment of any Default, Event of Default, mandatory prepayment of Term Loans or mandatory commitment reduction (which shall not constitute an extension or increase of any commitment)), or decrease or forgive any Repayment Amount, or extend any scheduled Initial Term Loan Repayment Date or any date scheduled for the repayment of any installment of Incremental Term Loans, in each case, without the written consent of each Lender directly and adversely affected thereby, or

2. reduce the percentages specified in the definition of the term “Required Revolving Class Lenders”, “Required Term Class Lenders” or “Required Additional/Replacement Revolving Credit Lenders”, in each case without the written consent of each Revolving Credit Lender directly and adversely affected thereby, each Term Lender directly and adversely affected thereby or each Additional/Replacement Revolving Credit Lenders directly and adversely affected thereby, as applicable, or

3. amend, modify or waive any provision of this Section 13.1 or reduce the percentages specified in the definition of the term “Required Lenders” or consent to the assignment or transfer by the Borrower of its rights and obligations under any Credit Document to which it is a party (except as permitted pursuant to Section 10.3), without the written consent of each Lender directly and adversely affected thereby, or

4. amend, modify or waive any provision of Section 12 without the written consent of the then-current Administrative Agent and/or the Collateral Agent, as applicable, or

5. amend, modify or waive any provision of Section 2.16 (to the extent applicable to it) or Section 3 without the written consent of each Letter of Credit Issuer, or
  6. amend, modify or waive any provisions hereof relating to Swingline Loans without the written consent of each Swingline Lender, or
  7. change any Commitment to a Commitment of a different Class without the prior written consent of each Lender directly and adversely affected thereby, or
  8. release all or substantially all of the Guarantors under the Guarantee (except as expressly permitted by the Guarantee), or release all or substantially all of the Collateral under the Security Documents, in each case without the prior written consent of each Lender, or
  9. amend Section 2.9 so as to permit Interest Period intervals greater than six months if not available to all applicable Lenders, in each case without the written consent of each applicable Lender, or
- (x) amend or otherwise modify Section 10.9 or Section 10.10 or any definition related thereto (as any such definition is used for purposes of Sections 10.9 and 10.10) or waive any Default or Event of Default resulting from a failure to perform or observe the financial covenants in Sections 10.9 and 10.10 without the written consent of the Required Revolving Class Lenders; provided, however, that the waivers described in this clause (x) shall not require the consent of any Lenders other than the Required Revolving Class Lenders;

provided, further, that (A) any waiver, amendment or modification of this Agreement that by its terms affects the rights or duties under this Agreement of Lenders holding Loans or Commitments of a particular Class (but not the Lenders holding Loans or Commitments of any other Class) may be effected by an agreement or agreements in writing entered into by Holdings, the Borrower and the requisite percentage in interest of the affected Class of Lenders that would be required to consent thereto under this Section if such Class of Lenders were the only Class of Lenders hereunder at the time and (B) any provision of this Agreement or any other Credit Document may be amended by an agreement in writing entered into by Holdings, the Borrower and the Administrative Agent to cure any ambiguity, omission, defect or inconsistency (including, without limitation, amendments, supplements or waivers to any of the Security Documents, guarantees, intercreditor agreements or related documents executed by any Credit Party or any other Subsidiary in connection with this Agreement if such amendment, supplement or waiver is delivered in order to cause such Security Documents, guarantees, intercreditor agreements or related documents to be consistent with this Agreement and the other Credit Documents) so long as, in each case, the Lenders shall have received at least five Business Days' prior written notice thereof and the Administrative Agent shall not have received, within five Business Days of the date of such notice to the Lenders, a written notice from the Required Lenders stating that the Required Lenders object to such amendment; provided that the consent of the Lenders or the Required Lenders, as the case may be, shall not be required to make any such changes necessary to be made in connection with any borrowing of Incremental Term Loans to effect the provisions of Section 2.14, the provision of any Incremental Revolving Credit Commitment Increase, any Additional/Replacement Revolving Credit Commitments or otherwise to effect the provisions of Section 2.14, 2.15 or 10.2(a).

Notwithstanding the foregoing, this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent, Holdings and the Borrower (a) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Credit

Documents with the Term Loans, the Revolving Credit Loans and Additional/Replacement Revolving Credit Loans and the accrued interest and fees in respect thereof and (b) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders and other definitions related to such new Class.

Notwithstanding anything to the contrary contained in this Section 13.1, Holdings, the Borrower, the Collateral Agent and the Administrative Agent may (in its or their respective sole discretion, or shall, to the extent required by any Credit Document), without the input or consent of any other Person, (i) effect amendments, supplements or waivers to any of the Security Documents, guarantees, intercreditor agreements or related documents executed by any Credit Party or any other Subsidiary in connection with this Agreement if such amendment, supplement or waiver is delivered in order (x) to comply with Applicable Law or advice of local counsel, (y) to cure ambiguities, omissions, mistakes or defects or (z) to cause such Security Documents, guarantees, intercreditor agreements or related documents to be consistent with this Agreement and the other Credit Documents, (ii) enter into any amendment or waiver of any Security Document, or enter into any new agreement or instrument, to effect the granting, perfection, protection, expansion or enhancement of any security interest in any Collateral or additional property to become Collateral for the benefit of the Secured Parties, or as required by Applicable Law to give effect to, or protect any security interest for the benefit of the Secured Parties, in any property or so that the security interests therein comply with applicable Applicable Law and (iii) effect changes to this Agreement that are necessary and appropriate to provide for the mechanics contemplated by the offering process described in Section 13.6(g)(i)(H) herein.

b. Notices.

i. Notices Generally. Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in clause (b) below), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by telecopier as follows, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

1. if to the Borrower, the Administrative Agent, any Letter of Credit Issuer or any Swingline Lender, to the address, telecopier number, electronic mail address or telephone number specified for such Person on Schedule 13.2 or to such other address, telecopier number, electronic mail address or telephone number as shall be designated by such party in a notice to the other parties; and

2. if to any other Lender, to the address, telecopier number, electronic mail address or telephone number specified in its administrative questionnaire or to such other address, telecopier number, electronic mail address or telephone number as shall be designated by such party in a notice to the other parties.

Notices and other communications sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices and other communications sent by telecopier shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next business day for the recipient). Notices and other communications delivered through electronic communications to the extent provided in subsection (b) below shall be effective as provided in such subsection (b).

ii. Electronic Communications. Notices and other communications to the Lenders and Letter of Credit Issuers hereunder may be delivered or furnished by electronic

communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent, provided that the foregoing shall not apply to notices to any Lender or Letter of Credit Issuer pursuant to Section 2 if such Lender or such Letter of Credit Issuer, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Section by electronic communication. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it, provided that approval of such procedures may be limited to particular notices or communications.

Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), provided that if such notice, email or other communication is not sent during the normal business hours of the recipient, such notice, email or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

iii. Reliance by Agents and Lenders. The Administrative Agent, the Collateral Agent and the Lenders shall be entitled to rely and act upon any notices purportedly given by or on behalf of the Borrower even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. All telephonic notices to the Administrative Agent and/or the Collateral Agent may be recorded by the Administrative Agent and/or the Collateral Agent, and each of the parties hereto hereby consents to such recording.

iv. The Platform. THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE." THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Administrative Agent or any of its Related Parties (collectively, the "Agent Parties") have any liability to Holdings, the Borrower, any Lender, any Letter of Credit Issuer or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the Borrower's, any Credit Party's or the Administrative Agent's transmission of Borrower Materials through the Internet, except to the extent that such losses, claims, damages, liabilities or expenses are determined by a court of competent jurisdiction by a final and non-appealable judgment to have resulted from the gross negligence, bad faith or willful misconduct of such Agent Party.

c. No Waiver; Cumulative Remedies. No failure to exercise and no delay in exercising, on the part of the Administrative Agent, the Collateral Agent or any Lender, any right, remedy, power or privilege hereunder or under the other Credit Documents shall operate as a waiver thereof, nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other

right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law.

d. **Survival of Representations and Warranties.** All representations and warranties made hereunder, in the other Credit Documents and in any document, certificate or statement delivered pursuant hereto or in connection herewith shall survive the execution and delivery of this Agreement and the making of the Loans hereunder.

e. **Payment of Expenses and Taxes; Indemnification.** (a) The Borrower agrees (i) to pay or reimburse each of the Agents, each Joint Lead Arranger, each Joint Bookrunner and the Syndication Agent for all their reasonable and documented and invoiced out-of-pocket costs and reasonable expenses (without duplication) associated with the syndication of the Credit Facilities and incurred in connection with the development, preparation, execution and delivery of, and any amendment, supplement and/or modification to this Agreement and the other Credit Documents and any other documents prepared in connection herewith or therewith, and the consummation and administration of the transactions contemplated hereby and thereby, including the reasonable fees, disbursements and other charges of Shearman & Sterling LLP as counsel to the Agents with statements with respect to the foregoing to be submitted to the Borrower prior to the Effective Date (in the case of amounts to be paid on the Effective Date and from time to time thereafter on a quarterly basis) and one counsel in each relevant local jurisdiction approved by, or otherwise retained with the consent of, the Borrower, (ii) to pay or reimburse the Collateral Agent, the Administrative Agent and each Lender for all their reasonable and documented and invoiced out-of-pocket costs and reasonable expenses incurred in connection with the enforcement or preservation of any rights under this Agreement, the other Credit Documents and any such other documents, including the reasonable fees, disbursements and other charges of one firm or counsel to the Administrative Agent and the Collateral Agent and, to the extent required, one firm or local counsel in each relevant local jurisdiction or otherwise retained with the Borrower's consent (such consent not to be unreasonably withheld, conditioned or delayed (which may include a single special counsel acting in multiple jurisdictions), and (iii) to pay, indemnify and hold harmless each Lender, the Administrative Agent, the Collateral Agent, each Joint Lead Arranger, the Joint Bookrunners, the Syndication Agent, each Letter of Credit Issuer and their respective Related Parties (without duplication) (the "Indemnified Parties") from and against any and all other liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, reasonable expenses or disbursements of any kind or nature whatsoever (including, but not limited to, any action, claim, litigation, investigation, inquiry or other proceeding), including, taken as a whole, reasonable and documented or invoiced out-of-pocket fees, reasonable expenses, disbursements and other charges of one firm of counsel for all Indemnified Parties, taken as a whole (and, in the case of an actual or perceived conflict of interest where the Indemnified Party affected by such conflict notifies the Borrower of any existence of such conflict and in connection with the investigating or defending any of the foregoing (including the reasonable fees) has retained its own counsel, of another firm of counsel for such affected Indemnified Party), and to the extent required, one firm or local counsel in each relevant jurisdiction (which may include a single special counsel acting in multiple jurisdictions) of any such Indemnified Party arising out of or relating to any action, claim, litigation, investigation or other proceeding (including any inquiry or investigation of the foregoing) (regardless of whether such Indemnified Party is a party thereto or whether or not such action, claim, litigation or proceeding was brought by the Borrower, its equity holders, affiliates or creditors or any other third person), arising out of, or with respect to the Transactions or to the execution, delivery, enforcement, performance and administration of this Agreement, the other Credit Documents and any such other documents or the use of the proceeds of the Loans or Letters of Credit, including any of the foregoing relating to the violation of, noncompliance with or liability under, any Environmental Law or any actual or alleged presence of or Release of Hazardous Materials applicable to the Borrower, any of its Subsidiaries or any of the Real Property (all the foregoing in this clause (iii), collectively, the "indemnified

liabilities”); provided that the Borrower shall have no obligation hereunder to any Indemnified Party with respect to indemnified liabilities arising from (i) the gross negligence, bad faith or willful misconduct of such Indemnified Party or any of its Related Parties as determined in a final and nonappealable judgment as determined by a court of competent jurisdiction, (ii) a material breach of the obligations of such Indemnified Party or any of its Related Parties under the terms of this Agreement by such Indemnified Party or any of its Related Parties as determined in a final and non-appealable judgment as determined by a court of competent jurisdiction, (iii) in addition to clause (ii) above, in the case of any action, claim, litigation, investigation, inquiry or other proceeding initiated by the Borrower against the relevant Indemnified Party, solely from a breach of the obligations of such Indemnified Party or its Related Parties under the terms of this Agreement as determined in a final and non-appealable judgment by a court of competent jurisdiction, or (iv) any proceeding between and among Indemnified Parties that does not involve an act or omission by the direct parent of the Borrower, the Borrower or its Restricted Subsidiaries; provided that the Administrative Agent, the Collateral Agent, the Letter of Credit Issuers, the Swingline Lenders, the Joint Lead Arrangers, the Joint Bookrunners and the Syndication Agent to the extent acting in their capacity as such, shall remain indemnified in respect of such proceeding, to the extent that none of the exceptions set forth in clause (i), (ii), (iii) or (iv) of the immediately preceding proviso applies to such person at such time. All amounts payable under this Section 13.5(a) shall be paid within 10 Business Days after receipt by the Borrower of an invoice relating thereto setting forth such expense in reasonable detail. The agreements in this Section 13.5 shall survive repayment of the Loans and all other amounts payable hereunder.

i.No Credit Party nor any Indemnified Party shall have any liability for any punitive, indirect or consequential damages resulting from this Agreement or any other Credit Document or arising out of its activities in connection herewith or therewith (whether before or after the Effective Date); provided that, nothing in this Section 13.5(b) shall limit any Credit Party’s indemnity obligations to the extent such special, indirect, consequential or punitive damages are included in any third party claim in connection with which an Indemnified Party is entitled to indemnification thereunder. No Indemnified Party shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Credit Documents or the transactions contemplated hereby or thereby, except to the extent that such damages have resulted from the willful misconduct, bad faith or gross negligence of any Indemnified Party or any of its Related Parties.

f. Successors and Assigns; Participations and Assignments.

i.The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any Affiliate of any Letter of Credit Issuer that issues any Letter of Credit), except that (i) except as set forth in Section 10.3(a), the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Affiliate of any Letter of Credit Issuer that issues any Letter of Credit), Participants (to the extent provided in Section 13.6(d)) and, to the extent expressly contemplated hereby, the Indemnified Parties) any legal or equitable right, remedy or claim under or by reason of this Agreement.

ii.(i) Subject to the conditions set forth in paragraph 13.6(b)(ii), any Lender may assign to one or more Eligible Assignees all or a portion of its rights and obligations under this

Agreement (including all or a portion of its Commitments and the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld or delayed) of:

(A) the Borrower; provided that no consent of the Borrower shall be required (x) for an assignment of any Term Loan to a Lender, an Affiliate of a Lender or an Approved Fund (unless increased costs would result therefrom), (y) for an assignment of any Revolving Credit Loan or Additional/Replacement Revolving Credit Loan to a Revolving Credit Lender or an Additional/Replacement Revolving Credit Lender or (z) if an Event of Default under Section 11 has occurred and is continuing; provided, further, that the Borrower shall be deemed to have consented to any such assignment of a Term Loan unless it shall object thereto by written notice to the Administrative Agent within 10 Business Days after having received notice thereof; provided, further, that it shall be understood that, without limitation, the Borrower shall have the right to withhold its consent to any assignment if, in order for such assignment to comply with Applicable Law, the Borrower would be required to obtain the consent of, or make any filing or registration with, any Governmental Authority, and

(B) the Administrative Agent and, in the case of Revolving Credit Commitments or Revolving Credit Loans, each Swingline Lender and each Letter of Credit Issuer; provided that no consent of the Administrative Agent shall be required for an assignment of any Term Loan to a Lender, an Affiliate of a Lender or an Approved Fund or to any Purchasing Borrower Party or any Affiliated Lender.

Notwithstanding the foregoing or anything to the contrary set forth herein, any assignment of any Loans to a Purchasing Borrower Party or any Affiliated Lender shall also be subject to the requirements of Section 13.6(g).

1. Assignments shall be subject to the following additional conditions:

(A) except in the case of (i) an assignment to a Lender, an Affiliate of a Lender or an Approved Fund or (ii) an assignment of the entire remaining amount of the assigning Lender's Commitments or Loans, the amount of the Commitments or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent) shall not be less than, in the case of Revolving Credit Commitments or Revolving Credit Loans, Additional/Replacement Revolving Credit Commitments or Additional/Replacement Revolving Credit Loans, \$5,000,000 or, in the case of Initial Term Loan Commitments, Tranche B Term Loan Commitments, Tranche B-1 Term Loan Commitments, Incremental Term Loan Commitments or Term Loans, \$1,000,000, unless each of the Borrower and the Administrative Agent otherwise consents; provided that no such consent of the Borrower shall be required if an Event of Default under Section 11 has occurred and is continuing; and provided, further, that contemporaneous assignments to a single assignee made by affiliated Lenders or related Approved Funds or by a single assignor to related Approved Funds shall be aggregated for purposes of meeting the minimum assignment amount requirements stated above;

(B) subject to the terms of Section 13.7(c), the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Acceptance;

(C) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Acceptance together with a processing fee of \$3,500; provided that (x) a single processing fee of \$3,500 will be payable for multiple assignments by Lenders permitted hereunder that comprise one transaction and are implemented substantially concurrently with one another and (y) the Administrative Agent may, in its sole discretion, elect to waive or reduce such processing fee in the case of any assignment, including assignments effected pursuant to the provisions of Section 13.7;

(D) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent any tax form required by Section 5.4 and an administrative questionnaire in a form approved by the Administrative Agent in which the assignee designates one or more credit contacts to whom all syndicate-level information (which may contain material non-public information about the Credit Parties and their Related Parties or their respective securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and Applicable Laws, including Federal and state securities laws; and

(E) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loan or the Commitment assigned, except that this clause (E) shall not prohibit any Lender from assigning all or a portion of its rights and obligations among separate tranches of Loans (if any) on a non-pro rata basis.

Notwithstanding the foregoing or anything to the contrary set forth herein (i) any assignment of any Loans or Commitments to an Affiliated Lender shall also be subject to the requirements set forth in Section 13.6(g) and (ii) no natural person may be an assignee or Participant with respect to any Loans or Commitments.

2. Subject to acceptance and recording thereof pursuant to Section 13.6(b)(vi), from and after the effective date specified in each Assignment and Acceptance, the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits and subject to the requirements of Sections 2.10, 2.11, 5.4 and 13.5). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 13.6 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 13.6(d).

3. By executing and delivering an Assignment and Acceptance, the assigning Lender thereunder and the assignee thereunder shall be deemed to confirm to and agree with each other and the other parties hereto as follows: (A) such assigning Lender warrants that it is the legal and beneficial owner of the interest being assigned thereby free and clear of any adverse claim and that its Initial Term Loan Commitment, Tranche B Term Loan Commitment,

Tranche B-1 Term Loan Commitment, Incremental Term Loan Commitment, Revolving Credit Commitment and Additional/Replacement Revolving Credit Commitment, and the outstanding balances of its Loans, in each case without giving effect to assignments thereof which have not become effective, are as set forth in such Assignment and Acceptance, (B) except as set forth in (A) above, such assigning Lender makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with this Agreement, or the execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement, any other Credit Document or any other instrument or document furnished pursuant hereto, or the financial condition of Holdings, the Borrower or any Subsidiary or the performance or observance by Holdings, the Borrower or any Subsidiary of any of its obligations under this Agreement, any other Credit Document or any other instrument or document furnished pursuant hereto; (C) such assignee represents and warrants that it is legally authorized to enter into such Assignment and Acceptance; (D) such assignee confirms that it has received a copy of this Agreement, together with copies of the most recent financial statements referred to in Section 8.9 or delivered pursuant to Section 9.1 and such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Acceptance; (E) such assignee will independently and without reliance upon the Administrative Agent, the Collateral Agent, such assigning Lender or any other Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement; (F) such assignee appoints and authorizes the Administrative Agent and the Collateral Agent to take such action as agent on its behalf and to exercise such powers under this Agreement and the other Credit Documents as are delegated to the Administrative Agent and the Collateral Agent, respectively, by the terms hereof, together with such powers as are reasonably incidental thereto; and (G) such assignee agrees that it will perform in accordance with their terms all the obligations which by the terms of this Agreement are required to be performed by it as a Lender; provided, that except to the extent otherwise expressly agreed by the affected parties, no assignment by a Defaulting Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

4. The Administrative Agent, acting for this purpose as an agent of the Borrower, shall maintain at the Administrative Agent's Office a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amount of the Loans (and interest thereon) and any payment made by any Letter of Credit Issuer under any Letter of Credit owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). Further, the Register shall contain the name and address of the Administrative Agent and the lending office through which each such Person acts under this Agreement. The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Administrative Agent, the Collateral Agent, the Letter of Credit Issuers and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register, as in effect at the close of business on the preceding Business Day, shall be available for inspection by (x) the Borrower, the Letter of Credit Issuers and the Collateral Agent and (y) any Lender, at any reasonable time and from time to time upon reasonable prior notice.

5. Upon its receipt of and, if required, consent to, a duly completed Assignment and Acceptance executed by an assigning Lender and an assignee, the assignee's completed administrative questionnaire and any tax form required by Section 5.4 (unless the assignee shall already be a Lender hereunder) and any written consent to such assignment required by Section 13.6(b), the Administrative Agent shall promptly accept such Assignment and Acceptance and record the information contained therein in the Register. No assignment shall be effective for purposes of this Agreement unless and until it has been recorded in the Register as provided in this paragraph.

iii. Notwithstanding any provision to the contrary, any Lender may assign to one or more wholly owned special purpose funding vehicles (each, an “SPV”) all or any portion of its funded Loans (without the corresponding Commitment), without the consent of any Person or the payment of a fee, by execution of a written assignment agreement in a form agreed to by such assigning Lender and such SPV, and may grant any such SPV the option, in such SPV’s sole discretion, to provide the Borrower all or any part of any Loans that such assigning Lender would otherwise be obligated to make pursuant to this Agreement. Such SPVs shall have all the rights which a Lender making or holding such Loans would have under this Agreement, but no obligations. Any such assigning Lender shall remain liable for all its original obligations under this Agreement, including its Commitment (although the unused portion thereof shall be reduced by the principal amount of any Loans held by an SPV). Notwithstanding such assignment, the Administrative Agent and the Borrower may deliver notices to such assigning Lender (as agent for the SPV) and not separately to the SPV unless the Administrative Agent and the Borrower are requested in writing by the SPV to deliver such notices separately to it. Notwithstanding anything herein to the contrary, (i) neither the grant to the SPV nor the exercise by any SPV of such option will increase the costs or expenses or otherwise change the obligations of the Borrower under this Agreement and the other Credit Documents, except, in the case of Section 2.10, 2.11, 3.5 or 5.4, where (A) the increase or change results from a change in any Applicable Law after the SPV becomes an SPV and the assigning Lender notifies the Borrower in writing of such increase or change no later than 90 days after such change in Applicable Law becomes effective or (B) the grant was made with the Borrower’s prior written consent, (ii) the assigning Lender shall for all purposes, including the approval of any amendment, waiver or other modification of any provision of any Credit Document and the receipt of any notices provided by the Administrative Agent and the Borrower (as agent for the SPV) remain the Lender of record hereunder and (iii) no SPV shall be liable for any indemnity or similar payment obligation under this Agreement (all liability for which shall remain with the assigning Lender). The Borrower shall, at the request of any such assigning Lender, execute and deliver to such Person as such assigning Lender may designate, a promissory note, substantially in the form of Exhibit H-1, H-2, H-3 or H-4, as applicable (each, a “Note”), in the amount of such assigning Lender’s original Note to evidence the Loans of such assigning Lender and related SPV.

iv.(i) Any Lender may, without the consent of the Borrower, the Administrative Agent, the Collateral Agent, the Letter of Credit Issuers or the Swingline Lenders, sell participations to one or more banks or other entities (each, a “Participant”) in all or a portion of such Lender’s rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans owing to it); provided that (A) such Lender’s obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, (C) the Borrower, the Administrative Agent, the Collateral Agent, the Letter of Credit Issuers and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Agreement and (D) such Lender shall, at the Borrower’s request and expense, use reasonable efforts to cooperate with the Borrower to effectuate the provisions of Section 13.7 with respect to any Participant. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement or any other Credit Document; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the first proviso to Section 13.1 that affects such Participant. Subject to paragraph (d)(ii) of this Section, the Borrower agrees that each Participant shall be entitled to the benefits (and subject to the requirements) of Sections 2.10, 2.11, 5.4 and 13.5 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 13.6(b). To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 13.8(b) as though it were a Lender; provided such Participant agrees to be subject to Section 13.8(a) as though it were a Lender.

1. A Participant shall not be entitled to receive any greater payment under Section 2.10, 2.11, 3.5 or 5.4 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless (A) the entitlement to a greater payment resulted from a change in any Applicable Law after the Participant became a Participant and the participating Lender notifies the Borrower in writing of such entitlement to a greater payment no later than 90 days after such change in Applicable Law becomes effective or (B) the sale of the participation to such Participant is made with the Borrower's prior written consent. Each Lender having sold a participation in any of its Obligations, acting as a non-fiduciary agent of the Borrower solely for this purpose, shall establish and maintain at its address a record of ownership, in which such Lender shall register by book entry (A) the name and address of each such Participant (and each change thereto, whether by assignment or otherwise) and (B) the rights, interest or obligation of each such Participant in any Obligation, in any Commitment and in any right to receive any interest or principal payment hereunder (the "Participant Register"). Each Lender, acting as a non-fiduciary agent of the Borrower, shall maintain a register of principal, interest and other amounts owing to its Participants. The parties shall treat the Person listed in the Participant Register as the Participant for all purposes of this Agreement notwithstanding notice to the contrary. No Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Credit Event or other obligations under any Credit Document) except to the extent that such disclosure is necessary to establish that any such Commitment, Credit Event or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. Unless otherwise required by the Internal Revenue Service, any disclosure required by the foregoing sentence shall be made by the relevant Lender directly and solely to the Internal Revenue Service. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

v. Any Lender may, without the consent of the Borrower, the Collateral Agent or the Administrative Agent, at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto. In order to facilitate such pledge or assignment, the Borrower hereby agrees that, upon request of any Lender at any time and from time to time after the Borrower has made its initial borrowing hereunder, the Borrower shall provide to such Lender, at the Borrower's own expense, a Note substantially in the form of Exhibit H-1, H-2, H-3 or H-4, as the case may be, evidencing the Term Loans, Revolving Credit Loans, Incremental Term Loans and Additional/Replacement Revolving Credit Loans and Swingline Loans, respectively, owing to such Lender.

vi. Subject to Section 13.16, the Borrower authorizes each Lender to disclose to any Participant, secured creditor of such Lender or assignee (each, a "Transferee") and any prospective Transferee any and all financial information in such Lender's possession concerning the Borrower and its Affiliates that has been delivered to such Lender by or on behalf of the Borrower and its Affiliates pursuant to this Agreement or which has been delivered to such Lender by or on behalf of the Borrower and its Affiliates in connection with such Lender's credit evaluation of the Borrower and its Affiliates prior to becoming a party to this Agreement.

vii.(i) Notwithstanding anything else to the contrary contained in this Agreement, any Lender may assign all or a portion of its Term Loans to any Purchasing Borrower Party or any Affiliated Lender in accordance with Section 13.6(b) (which assignment, if to a Purchasing Borrower Party, will not constitute a prepayment of Loans for any purposes of this Agreement and the other Credit Documents); provided that:

(A) with respect to any assignment to a Purchasing Borrower Party, no Event of Default has occurred or is continuing or would result therefrom;

(B) any Purchasing Borrower Party shall offer to all Lenders of any Class of Term Loans to buy the Term Loans within such Class on a pro rata basis based on the then outstanding principal amount of all Term Loans of such Class, pursuant to procedures to be reasonably agreed between the Administrative Agent and the Borrower;

(C) the assigning Lender and Purchasing Borrower Party or Non-Debt Fund Affiliate purchasing such Lender's Term Loans, as applicable, shall execute and deliver to the Administrative Agent an assignment agreement substantially in the form of Exhibit K hereto (an "Affiliated Lender Assignment and Acceptance") in lieu of an Assignment and Acceptance;

(D) for the avoidance of doubt, Lenders shall not be permitted to assign Revolving Credit Commitments, Revolving Credit Loans, Additional/Replacement Revolving Credit Loans or Additional/Replacement Revolving Credit Commitments to any Purchasing Borrower Party or any Affiliated Lender;

(E) any Term Loans assigned to any Purchasing Borrower Party shall be automatically and permanently cancelled upon the effectiveness of such assignment and will thereafter no longer be outstanding for any purpose hereunder (it being understood that any gains or losses by any Purchasing Borrower Party upon purchase or acquisition and cancellation of such Term Loans shall not be taken into account in the calculation of Excess Cash Flow, Consolidated Net Income and Consolidated EBITDA);

(F) no Purchasing Borrower Party may use the proceeds from Revolving Credit Loans or Swingline Loans or Additional/Replacement Revolving Credit Loans to purchase any Term Loans;

(G) no Term Loan may be assigned to a Non-Debt Fund Affiliate or a Purchasing Borrower Party pursuant to this Section 13.6(g), if after giving effect to such assignment, Non-Debt Fund Affiliates and Purchasing Borrower Parties in the aggregate would own in excess of 25% of the Term Loans of any Class then outstanding (determined as of the time of such purchase);

(H) any purchases (or assignments) of Loans by a Purchasing Borrower Party or a Non-Debt Fund Affiliate made through "dutch auctions" shall (i) be conducted pursuant to procedures to be established by the Administrative Agent that are consistent with this 13.6(g)(i) and are otherwise reasonably acceptable to the Borrower and (ii) require that such Person (A) make a customary representation to all assigning or assignee Lenders, as applicable, that it does not possess material non-public information with respect to the Borrower and its Subsidiaries that either (1) has not been disclosed to the Lenders generally (other than Lenders that have elected not to receive such information) or (2) if not disclosed to the Lenders, could reasonably be expected to have a material effect on, or

otherwise be material to (a) a Lender's decision to participate in any such "dutch auction" or (b) the market price of the Loans (for the avoidance of doubt, no such representation will be required in the case of open market purchases by any Purchasing Borrower Party or any such Non-Debt Fund Affiliate, which may possess such non-material non-public information) and (B) clearly identify itself as a Purchasing Borrower Party or a Non-Debt Fund Affiliate, as the case may be, in any assignment and assumption agreement executed in connection with such purchases or assignments;

(I) Neither the Administrative Agent nor any Joint Lead Arranger will have any obligation to participate in, arrange, sell or otherwise facilitate, and will have no liability in connection with, any open market purchases (or assignments) of Loans by any Purchasing Borrower Party.

1. Notwithstanding anything to the contrary in this Agreement, no Non-Debt Fund Affiliate or a Purchasing Borrower Party shall have any right to (A) attend (including by telephone) any meeting or discussions (or portion thereof) among the Administrative Agent or any Lender to which representatives of the Credit Parties are not invited, (B) receive any information or material prepared by Administrative Agent or any Lender or any communication by or among the Administrative Agent and/or one or more Lenders, except to the extent such information or materials have been made available to any Credit Party or its representatives (and in any case, other than the right to receive notices of prepayments and other administrative notices in respect of its Loans required to be delivered to Lenders pursuant to Sections 2.1, 3.1, 4.1 and 5.1 of this Agreement), or (C) make or bring (or participate in, other than as a passive participant in or recipient of its pro rata benefits of) any claim, in its capacity as a Lender, against the Administrative Agent, the Collateral Agent or any other Lender with respect to any duties or obligations or alleged duties or obligations of such Agent or any other such Lender under the Credit Documents, except to the extent such claim arises from the gross negligence, bad faith or willful misconduct of the Administrative Agent, the Collateral Agent or any other Lender as determined by a court of competent jurisdiction in a final and non-appealable decision.

2. By its acquisition of Term Loans, a Non-Debt Fund Affiliate shall be deemed to have acknowledged and agreed that, if any Credit Party shall be subject to any voluntary or involuntary proceeding commenced under any Debtor Relief Law:

(A) each such Non-Debt Fund Affiliate shall not take any step or action (whether directly or indirectly) in such proceeding to object to, impede, or delay the exercise of any right or the taking of any action by the Administrative Agent (or the taking of any action by a third party to which the Administrative Agent has consented with respect to any disposition of assets by the Borrower or any equity or debt financing to be made to the Borrower), including, without limitation, the filing of any pleading by the Administrative Agent in (or with respect to any matters related to) the proceeding so long as the Administrative Agent is not taking any action to treat such Non-Debt Fund Affiliate's Loans in a manner that is less favorable to such Non-Debt Fund Affiliate in any material respect than the proposed treatment of similar Obligations held by other Lenders (including, without limitation, objecting to any debtor-in-possession financing, use of cash collateral, grant of adequate protection, sale or disposition, compromise or plan of reorganization); and

(B) each Non-Debt Fund Affiliate shall not have the right to vote in accordance with its discretion, but shall be deemed to have voted in such proceedings in the same proportion as the allocation of voting with respect to such matter by those Lenders who are not Non-Debt Fund Affiliate that have purchased Term Loans, except to the extent that any plan under the Bankruptcy Code proposes to treat the Obligations held by such Non-Debt Fund Affiliate in a manner that is less favorable to such Non-Debt Fund Affiliate in any material respect than the proposed treatment of similar Obligations held by other Lenders. For the avoidance of doubt, except to the extent that any plan under the Bankruptcy Code proposes to treat the Obligations held by any such Non-Debt Fund Affiliate in a manner that is less favorable to such Non-Debt Fund Affiliate in any material respect than the proposed treatment of similar Obligations held by other Lenders, the Administrative Agent is hereby irrevocably authorized and empowered (in the name of such Non-Debt Fund Affiliate) to vote on behalf of such Non-Debt Fund Affiliate or consent on behalf of such Non-Debt Fund Affiliate in any such proceedings with respect to any and all claims of such Non-Debt Fund Affiliate relating to the Obligations. Each Non-Debt Fund Affiliate acknowledges that the foregoing constitutes an irrevocable proxy in favor of the Administrative Agent to vote or consent on behalf of such Non-Debt Fund Affiliate in any proceeding in the manner set forth above and that such Non-Debt Fund Affiliate shall be irrevocably bound to any such votes made or consents given and further shall not challenge or otherwise object to such votes or consents and shall not itself vote or provide consents in the proceeding.

viii. Notwithstanding anything in Section 13.1 or the definition of “Required Lenders” to the contrary, for purposes of determining whether the Required Lenders or any other requisite Class vote required by this Agreement have (i) consented (or not consented) to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Credit Document or any departure by any Credit Party therefrom, (ii) otherwise acted on any matter related to any Credit Document, or (iii) directed or required the Administrative Agent, Collateral Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Credit Document, (A) all Term Loans held by any Non-Debt Fund Affiliate or a Purchasing Borrower Party shall be deemed to be not outstanding for all purposes of calculating whether the Required Lenders (or requisite vote of any Class of Lenders) have taken any actions and (B) the aggregate amount of Term Loans held by Debt Fund Affiliates will be excluded to the extent in excess of 50% of the amount required to constitute “Required Lenders” (any such excess amount shall be deemed to be not outstanding on a pro rata basis among all Debt Fund Affiliates).

ix. Upon any contribution of Term Loans to the Borrower or any Restricted Subsidiary and upon any purchase of Term Loans by a Purchasing Borrower Party (A) the aggregate principal amount (calculated on the face amount thereof) of such Term Loans shall automatically be cancelled and retired by the Borrower on the date of such contribution or purchase (and, if requested by the Administrative Agent, with respect to a contribution of Term Loans, any applicable contributing Lender shall execute and deliver to the Administrative Agent an Assignment and Acceptance, or such other form as may be reasonably requested by the Administrative Agent, in respect thereof pursuant to which the respective Lender assigns its interest in such Loans to the Borrower for immediate cancellation) and (B) the Administrative Agent shall record such cancellation or retirement in the Register.

x. The Borrower shall maintain at its offices a copy of each Assignment and Acceptance delivered to it by any Non-Debt Fund Affiliate (the “Affiliated Lender Register”). Each Non-Debt Fund Affiliate shall advise the Borrower and the Administrative Agent in writing of (i) any proposed disposition of Term Loans by such Lender. Additionally, if any Lender becomes a Non-Debt Fund Affiliate at a time that such Lender holds any Term Loans, such Lender shall promptly advise the Borrower and the Administrative Agent that such Lender is a Non-Debt Fund Affiliate. Copies of the Affiliated Lender Register shall be provided to the Administrative Agent and the Non-Debt Fund Affiliate upon request. Notwithstanding the foregoing if at any time (if applicable, after giving effect to any proposed assignment to a Non-Debt Fund Affiliate), all Non-Debt Fund Affiliates own or would, in the aggregate own more than 25% of the principal amount of all any Class of Term Loans then outstanding (i) any proposed pending assignment to a Non-Debt Fund Affiliate that would cause such threshold to be exceeded shall not become effective or be recorded in the Affiliated Lender Register, (ii) in the event that a Non-Debt Fund Affiliate has acquired any Term Loans pursuant to an assignment which was not recorded in the Affiliated Lender Register, the assignment of such Term Loans shall be null and void *ab initio* and (iii) if such threshold is exceeded solely as a result of a Lender becoming a Non-Debt Fund Affiliate after it has acquired Term Loans, such Non-Debt Fund Affiliate shall assign sufficient Term Loans of such Class so that Non-Debt Fund Affiliates in the aggregate own less than 25% of the aggregate principal amount of Term Loans of such Class then outstanding. The Administrative Agent may conclusively rely upon the Affiliated Lender Register in connection with any amendment or waiver hereunder and shall not have any responsibility for monitoring any acquisition or disposition of Term Loans by any Non-Debt Fund Affiliate or for any losses suffered by any Person as a result of any purported assignment to or from an Affiliated Lender.

g. Replacements of Lenders under Certain Circumstances. (a) The Borrower, at its sole expense, shall be permitted to replace any Lender (or any Participant) that (a) requests reimbursement for amounts owing pursuant to Section 2.10, 2.11, 3.5 or 5.4, (b) is affected in the manner described in Section 2.10(a)(ii) and as a result thereof any of the actions described in such Section is required to be taken or (c) becomes a Defaulting Lender, with a replacement bank, financial institution or other investor that is an Eligible Assignee; provided, that (i) such replacement does not conflict with any Applicable Law, (ii) no Event of Default shall have occurred and be continuing at the time of such replacement, (iii) the Borrower shall repay (or the replacement bank, financial institution or other investor that is an Eligible Assignee shall purchase, at par) all Loans and pay all other amounts (other than any disputed amounts) owing to such replaced Lender hereunder (including, for the avoidance of doubt, pursuant to Section 2.10, 2.11, 3.5 or 5.4, as the case may be) and under the other Credit Documents prior to the date of replacement of such Lender, (iv) the replacement bank, financial institution or other investor, if not already a Lender, and the terms and conditions of such replacement, shall be reasonably satisfactory to the Administrative Agent, (v) the replaced Lender shall be obligated to make such replacement in accordance with the provisions of Section 13.6 and (vi) any such replacement shall not be deemed to be a waiver of any rights that the Borrower, the Administrative Agent or any other Lender shall have against the replaced Lender or that the replaced Lender shall have against the Borrower and the other parties for indemnity, contribution, payment of disputed and other unpaid amounts and otherwise.

i. If any Lender (such Lender a “Non-Consenting Lender”) has failed to consent to a proposed amendment, waiver, discharge or termination, which pursuant to the terms of Section 13.1 requires the consent of all of the Lenders affected and with respect to which the Required Lenders shall have granted their consent, then, provided no Event of Default has occurred and is continuing, the Borrower shall have the right (unless such Non-Consenting Lender grants such consent) at its own cost and expense to replace such Non-Consenting Lender by requiring such Non-Consenting Lender to assign its Loans and Commitments to one or more Eligible Assignees reasonably acceptable to the Administrative Agent, provided that: (i) all

Obligations of the Borrower owing to such Non-Consenting Lender being replaced shall be paid in full (including any applicable premium under Section 5.1(b)) to such Non-Consenting Lender concurrently with such assignment, (ii) the replacement Lender shall purchase the foregoing by paying to such Non-Consenting Lender a price equal to the principal amount thereof plus accrued and unpaid interest thereon, (iii) the replacement Lender shall consent to the proposed amendment, waiver, discharge or termination and (iv) all Lenders (except all Non-Consenting Lenders which are simultaneously replaced) have consented to such proposed amendment, waiver, discharge or termination. In connection with any such assignment, the Borrower, the Administrative Agent, such Non-Consenting Lender and the replacement Lender shall otherwise comply with Section 13.6.

ii. Notwithstanding anything herein to the contrary, each party hereto agrees that any assignment pursuant to the terms of this Section 13.7 may be effected pursuant to an Assignment and Acceptance executed by the Borrower, the Administrative Agent and the assignee and that the Lender making such assignment need not be a party thereto.

h. Adjustments; Set-off. (a) Except as otherwise set forth herein, if any Lender (a “Benefited Lender”) shall at any time receive any payment of all or part of the principal amount of any of its Revolving Credit Loans, Term Loans, Additional/Replacement Revolving Credit Loans and/or the participations in letter of credit obligations or swingline loans held by it, or receive any collateral in respect thereof (whether voluntarily or involuntarily, by set-off, pursuant to events or proceedings of the nature referred to in Section 11.5, or otherwise), resulting in such Lender receiving payment of a greater proportion of the aggregate amount at the Revolving Credit Loans, Term Loans, Additional/Replacement Revolving Credit Loans and/or participations in letter of credit obligations or swingline loans and accrued interest thereon than the proportion received by any other Lender that is entitled thereto, such Benefited Lender shall (i) notify the Administrative Agent of such fact, and (ii) purchase for cash at face value from the other Lenders a participating interest in such portion of each such other Lender’s Revolving Credit Loans, Term Loans, Additional/Replacement Revolving Credit Loans and/or participations in letter of credit obligations or swingline loans, as applicable, or shall provide such other Lenders with the benefits of any such collateral, or the proceeds thereof, as shall be necessary to cause such Benefited Lender to share the excess payment or benefits of such collateral or proceeds ratably in accordance with the aggregate principal of and accrued interest on their respective Revolving Credit Loans, Term Loans, Additional/Replacement Revolving Credit Loans and/or participations in letter of credit obligations or swingline loans, as applicable and other amounts owing them; provided that, (A) if all or any portion of such excess payment or benefits is thereafter recovered from such Benefited Lender, such purchase shall be rescinded, and the purchase price and benefits returned, to the extent of such recovery, but without interest and (B) the provisions of this paragraph shall not be construed to apply to (x) any payment made by Holdings, the Borrower or any other Credit Party pursuant to and in accordance with the express terms of this Agreement and the other Credit Documents, (y) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans, Commitments or participations in a Letter of Credit Borrowing or Swingline Loans to any assignee or participant or (z) any disproportionate payment obtained by a Lender of any Class as a result of the extension by Lenders of the maturity date or expiration date of some but not all Loans or Commitments of that Class or any increase in the Applicable Margin (or other pricing term, including any fee, discount or premium) in respect of Loans or Commitments of Lenders that have consented to any such extension. Each Credit Party consents to the foregoing and agrees, to the extent it may effectively do so under Applicable Law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against such Credit Party rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of such Credit Party in the amount of such participation.

i. After the occurrence and during the continuance of an Event of Default, in addition to any rights and remedies of the Lenders provided by law, each Lender, Swingline Lender and Letter of Credit Issuer shall have the right, without prior notice to the Borrower, any such notice being expressly waived by the Borrower to the extent permitted by Applicable Law, upon any amount becoming due and payable by the Borrower hereunder (whether at the stated maturity, by acceleration or otherwise) to setoff and appropriate and apply against such amount any and all deposits (general or special, time or demand, provisional or final), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by such Lender or any branch, agency or Affiliate thereof to or for the credit or the account of the Borrower, as the case may be; provided, that in the event that any Defaulting Lender shall exercise any such right of set-off, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.16 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent, the Swingline Lenders, the Letter of Credit Issuers and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of set-off. Each Lender, Swingline Lender and Letter of Credit Issuer agrees promptly to notify the Borrower and the Administrative Agent after any such set-off and application made by such Lender; provided that the failure to give such notice shall not affect the validity of such set-off and application. Notwithstanding anything in this Section 13.8(b) to the contrary, no Lender nor Swingline Lender or Letter of Credit Issuer will exercise, or attempt to exercise, any right of set-off, banker's lien or the like against any deposit account or property of the Borrower or any other credit party held or maintained by such Lender, Swingline Lender or Letter of Credit Issuer, as applicable, in each case to the extent the deposits or other proceeds of such exercise, or attempt to exercise, any right of set-off, banker's lien or the like are, or are intended to be or are otherwise are held out to be applied to the Obligations hereunder or otherwise secured by the Collateral, without the prior written consent of the Administrative Agent or Collateral Agent.

i. Counterparts. A set of the copies of this Agreement signed by all the parties shall be lodged with the Borrower and the Administrative Agent.

j. Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

k. Integration. This Agreement and the other Credit Documents represent the agreement of Holdings, the Borrower, the Administrative Agent, the Collateral Agent and the Lenders with respect to the subject matter hereof, and there are no promises, undertakings, representations or warranties by the Collateral Agent, the Administrative Agent or any Lender relative to subject matter hereof not expressly set forth or referred to herein or in the other Credit Documents.

Notwithstanding anything to the contrary contained herein or any other Credit Document, when all Obligations (other than (i) Hedging Obligations in respect of any Secured Hedging Agreements, (ii) Cash Management Obligations in respect of any Secured Cash Management Agreements and (iii) any contingent or indemnification obligations not then due) have been paid in full, all Commitments have terminated or expired and no Letter of Credit shall be outstanding that is not Cash Collateralized or back-stopped, upon request of the Borrower, the Administrative Agent and/or Collateral Agent, as applicable, shall (without notice to, or vote or consent of, any Secured Party) take such actions as shall be required to release its security interest in all Collateral, and to release all obligations under any Credit Document, whether or not on the date of such release there may be any (i) Hedging Obligations in respect of any Secured Hedging Agreements, (ii) Cash Management Obligations in respect of any Secured Cash Management Agreements and (iii) any contingent or indemnification obligations not then due. Any such release of Obligations shall be deemed subject to the provision that such Obligations shall be reinstated if after such release any portion of any payment in respect of the Obligations guaranteed thereby shall be rescinded or must otherwise be restored or returned upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Borrower or any Guarantor, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, the Borrower or any Guarantor or any substantial part of its property, or otherwise, all as though such payment had not been made.

iii. Notwithstanding anything to the contrary contained herein or in any other Credit Document, upon request of the Borrower in connection with any Liens permitted by the Credit Documents, the Administrative Agent and/or Collateral Agent, as applicable, shall (without notice to, or vote or consent of, any Secured Party) take such actions as shall be required to subordinate the Lien on any Collateral to any Lien permitted under Sections 10.2(c), (e) (solely as it relates to clauses (c), (f) and (t) of Section 10.2), (f), (i)(ii), (j), (k), (l), (m), (o), (p), (t), (u), (v), (w), (y) and clauses (b), (d), (e), (f), (g), (i) and (o) of the definition of "Permitted Liens."

iv. Notwithstanding the foregoing or anything in the Credit Documents to the contrary, at the direction of the Required Lenders, the Administrative Agent may, in exercising remedies, take any and all necessary and appropriate action to effectuate a credit bid of all Loans (or any lesser amount thereof) for the Borrower's assets in a bankruptcy, foreclosure or other similar proceeding, forbear from exercising remedies upon an Event of Default, or in a bankruptcy proceeding, enter into a settlement agreement on behalf of all Lenders.

t. Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Credit Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Lender that is an EEA Financial Institution arising under any Credit Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

- (a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender that is an EEA Financial Institution; and
- (b) the effects of any Bail-in Action on any such liability, including, if applicable:
  - (i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Credit Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

u. Acknowledgement Regarding Any Supported QFCs. To the extent that the Credit Documents provide support, through a guarantee or otherwise, for Hedging Agreements or any other agreement or instrument that is a QFC (such support “QFC Credit Support” and each such QFC a “Supported QFC”), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the “U.S. Special Resolution Regimes”) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Credit Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

In the event a Covered Entity that is party to a Supported QFC (each, a “Covered Party”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Credit Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Credit Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender hereunder shall in no event affect the rights of any Covered Party under a Supported QFC or any QFC Credit Support.
