### **About LPL Financial**

LPL Financial (Nasdaq: LPLA) was founded on the principle that the firm should work for the advisor, and not the other way around. Today, LPL is a leader\*\* in the markets we serve, supporting more than 19,000 financial advisors, 800 institution-based investment programs and 450 independent RIA firms nationwide. We are steadfast in our commitment to the advisor-centered model and the belief that Americans deserve access to objective guidance from a financial advisor. And they have the freedom to manage their client relationships, because they know their clients best. Simply put, we take care of our advisors, so they can take care of their clients.

\*The *Forbes* Next-Gen Wealth Advisors rankings, developed by SHOOK Research, are based on an algorithm of qualitative criterion, mostly gained through telephone and in-person due diligence interviews, and quantitative data. Those advisors that are considered have a minimum of four years' experience, and the algorithm weighs factors like revenue trends, assets under management, compliance records, industry experience and those that encompass the highest standards of best practices. Portfolio performance is not a criterion due to varying client objectives and lack of audited data. Neither *Forbes* nor SHOOK receive a fee in exchange for rankings.
