Item 1.01 Entry into a Material Definitive Agreement.*Issuance of 4.000% Senior Notes due 2029*

On March 15, 2021 (the “Effective Date”), LPL Holdings, Inc. (“LPL Holdings”), a wholly owned subsidiary of LPL Financial Holdings Inc. (the “Company”), completed the issuance and sale of \$900 million aggregate principal amount of 4.000% Senior Notes due 2029 (the “senior notes”). The senior notes were issued pursuant to an Indenture, dated March 15, 2021, among LPL Holdings, U.S. Bank National Association, as trustee, and certain subsidiaries of LPL Holdings, as guarantors (the “Indenture”).

LPL Holdings used the net proceeds from the senior notes offering, together with existing cash available for corporate use, to redeem its existing \$900 million of senior unsecured notes due 2025 (the “2025 Notes”) and to pay fees and expenses related to the senior notes offering and credit agreement amendment (as defined below). On March 4, 2021, LPL Holdings issued a conditional notice of redemption with respect to the 2025 Notes, for a total redemption price equal to the sum of the principal amount of the 2025 Notes, accrued and unpaid interest on the 2025 Notes to the redemption date and the applicable redemption premium. LPL Holdings’ obligations with respect to the 2025 Notes were discharged on the same day as the completion of the issuance of the senior notes.

The senior notes are unsecured obligations of LPL Holdings, will mature on March 15, 2029 and will bear interest at the rate of 4.000% per year, with interest payable semi-annually on March 15 and September 15 of each year, beginning on September 15, 2021. LPL Holdings may redeem all or part of the senior notes at any time prior to March 15, 2024 (subject to a customary “equity claw” redemption right) at 100.000% of the principal amount redeemed plus any accrued and unpaid interest thereon and a “make-whole” premium. Thereafter LPL Holdings may redeem all or part of the senior notes at annually declining redemption premiums until March 15, 2026, at and after which date the redemption price will be equal to 100.000% of the principal amount redeemed plus any accrued and unpaid interest thereon.

The foregoing description of the senior notes and the Indenture is qualified in its entirety by reference to the Indenture, a copy of which is filed as Exhibit 4.1 to this Current Report on Form 8-K.

Senior Secured Credit Facilities

On the Effective Date, LPL Holdings entered into a fifth amendment (the “Amendment”) to its amended and restated credit agreement, dated as of March 10, 2017, among LPL Holdings, the Company, JPMorgan Chase Bank, N.A., as administrative agent and collateral agent, letter of credit issuer and swingline lender, and the lenders and the other parties party thereto from time to time (as amended, the “Credit Agreement”).

Pursuant to the Amendment, the Credit Agreement was amended to, among other changes, (i) increase the size of the revolving credit facility from \$750 million to \$1,000 million and (ii) extend the maturity of the revolving credit facility to the fifth anniversary of the Effective Date (as defined in the Credit Agreement).

The foregoing description of the Amendment is qualified in its entirety by reference to the copy thereof filed as Exhibit 10.1 to this Current Report on Form 8-K.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information set forth above under Item 1.01 of this Current Report on Form 8-K is incorporated by reference into this Item 2.03.

Item 7.01 Regulation FD Disclosure.

On March 15, 2021, the Company issued a press release announcing the completion of LPL Holdings’ senior secured debt repricing, including the entering into of the Amendment, the redemption of the 2025 Notes and the offering of the senior notes. A copy of the press release is attached as Exhibit 99.1 to this Current Report on Form 8-K.

Exhibit 99.1 shall not be deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or otherwise subject to the liabilities under that section and shall not be deemed to be incorporated by reference into any filing of the Company under the Securities Act of 1933, as amended, or the Exchange Act.

“Fixed Charge Coverage Ratio” means, with respect to any Person for any Test Period, the ratio of Consolidated EBITDA of such Person for such Test Period to the Fixed Charges of such Person for such Test Period. In the event that the Company or any Restricted Subsidiary incurs, assumes, guarantees, redeems, repays, retires or extinguishes any Indebtedness (other than Indebtedness incurred or repaid under any revolving credit facility unless such Indebtedness has been permanently repaid and has not been replaced) or issues, repurchases or redeems Disqualified Stock or Preferred Stock subsequent to the commencement of the period for which the Fixed Charge Coverage Ratio is being calculated but prior to or simultaneously with the event for which the calculation of the Fixed Charge Coverage Ratio is made (the “Fixed Charge Coverage Ratio Calculation Date”), then the Fixed Charge Coverage Ratio shall be calculated giving pro forma effect to such incurrence, assumption, guarantee, redemption, repayment, retirement or extinguishment of Indebtedness, or such issuance, repurchase or redemption of Disqualified Stock or Preferred Stock, as if the same had occurred at the beginning of the applicable Test Period; provided that (A) whenever pro forma effect is to be given to the incurrence of revolving credit Indebtedness under Section 4.09(a) or clause (1) of Section 4.09(b), the pro forma calculation may, at the Company’s election, be determined by treating the maximum committed amount of such revolving credit Indebtedness (such maximum committed amount, the “Designated Revolving Commitments”) as having been incurred on the date of such calculation, whether or not such amount has actually been drawn upon, and, if such election has been made, (i) subsequent borrowings and reborrowings of such revolving credit Indebtedness, up to the maximum committed amount, shall not be deemed additional incurrences of Indebtedness requiring calculations under this definition or under Section 4.09(a) or clause (1) of Section 4.09(b) (but subsequent borrowings in connection with increases in such maximum committed amount shall require calculations under this definition and Section 4.09(a) or clause (1) of Section 4.09(b), as applicable, or shall otherwise comply with Section 4.09) and (ii) for purposes of subsequent calculations under this definition or under Section 4.09(a) or clause (1) of Section 4.09(b), the aggregate undrawn amount of outstanding Designated Revolving Commitments on the date of any such calculation shall be deemed to be outstanding throughout such period and (B) whenever pro forma effect is to be given to the incurrence of Indebtedness (other than pursuant to clause (A) of this proviso), Disqualified Stock or Preferred Stock (or any portion thereof), any Lien or other transaction being undertaken in reliance on a ratio basket based on the Fixed Charge Coverage Ratio, the Fixed Charge Coverage Ratio shall be calculated without regard to the incurrence of up to \$100,000,000 of any Indebtedness under any revolving credit facility substantially concurrently therewith.

For purposes of making the computation referred to above, Investments, acquisitions, dispositions, mergers, consolidations and disposed operations (as determined in accordance with GAAP) and operational changes that have been made by the Company or any of the Restricted Subsidiaries during the four-quarter reference period or subsequent to such reference period and on or prior to or simultaneously with the Fixed Charge Coverage Ratio Calculation Date (each, for purposes of this definition, a “pro forma event”) shall be calculated on a pro forma basis assuming that all such pro forma events (and the change in any associated fixed charge obligations and the change in Consolidated EBITDA resulting therefrom) had occurred on the first day of the four-quarter reference period. If since the beginning of such

period any Person that subsequently became a Restricted Subsidiary or was merged with or into the Company or any of the Restricted Subsidiaries since the beginning of such period shall have made any Investment, acquisition, disposition, merger, consolidation, disposed operation or operational change that would have required adjustment pursuant to this definition, then the Fixed Charge Coverage Ratio shall be calculated giving pro forma effect thereto for such period as if such Investment, acquisition, disposition, merger, consolidation, disposed operation or operational change had occurred at the beginning of the applicable four-quarter period; provided that, for the avoidance of doubt, notwithstanding any classification under GAAP of any Person or business in respect of which a definitive agreement for the disposition has been entered into as discontinued operations, the Consolidated EBITDA of such Person or business shall not be excluded pursuant to this paragraph until such disposition shall have been consummated.

For purposes of this definition, whenever pro forma effect is to be given to a pro forma event, the pro forma calculations shall be made in good faith by a responsible financial or accounting officer of the Company, and may include, for the avoidance of doubt, pro forma “run rate” cost savings, operating expense reductions, and other synergies related to the pro forma event, projected by the Company in good faith to result from actions that have been taken, actions with respect to which substantial steps have been taken or actions that are expected to be taken (in each case, in the good faith determination of the Company), in any such case, within eight full fiscal quarters after the date of such pro forma event; provided that, for the purpose of this paragraph, (A) any such adjustments shall be calculated on a pro forma basis as though such adjustments had been realized on the first day of the relevant four-quarter period, and shall be calculated net of the amount of actual benefits realized from such actions, (B) any such adjustments shall be reasonably identifiable and (C) “run rate” shall mean the full recurring benefit that is associated with any such action.

If any Indebtedness bears a floating rate of interest and is being given pro forma effect, the interest on such Indebtedness shall be calculated as if the rate in effect on the Fixed Charge Coverage Ratio Calculation Date had been the applicable rate for the entire period (taking into account any Hedging Obligations applicable to such Indebtedness). To the extent interest expense generated by Hedging Obligations that have been terminated prior to the Fixed Charge Coverage Ratio Calculation Date is included in Consolidated Interest Expense, Consolidated Interest Expense shall be adjusted to exclude such expense. Interest on a Capitalized Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a responsible financial or accounting officer of the Company to be the rate of interest implicit in such Capitalized Lease Obligation in accordance with GAAP. For purposes of making the computation referred to above, interest on any Indebtedness under a revolving credit facility computed on a pro forma basis shall be computed based upon the average daily balance of such Indebtedness during the applicable period except as set forth in the first paragraph of this definition. Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a eurocurrency interbank offered rate, or other rate, shall be deemed to have been based upon the rate actually chosen, or, if none, then based upon such optional rate chosen as the Company may designate. Any such pro forma calculation may include, without limitation, adjustments calculated in accordance with Regulation S-X under the Securities Act.

Section 1.05 Limited Condition Transactions

Notwithstanding anything to the contrary herein, when (a) calculating any applicable ratio, basket, Consolidated Total Assets, Fixed Charges, Consolidated Net Income or Consolidated EBITDA in connection with the incurrence of Indebtedness, the issuance of Disqualified Stock or Preferred Stock, the creation of Liens, the making of any Asset Sale, the making of an Investment, the making of a Restricted Payment or the designation of a Subsidiary as a Restricted Subsidiary or an Unrestricted Subsidiary or (b) determining compliance with any provision of this Indenture which requires that no Default or Event of Default has occurred, is continuing or would result therefrom, in each case in connection with a Limited Condition Transaction, the date of determination of such ratio, basket or other provisions and determination

of whether any Default or Event of Default has occurred, is continuing or would result therefrom shall, at the option of the Company (the Company's election to exercise such option in connection with any Limited Condition Transaction, an "LCT Election"), be the LCT Test Date, and, if after giving pro forma effect to the Limited Condition Transaction and the other transactions to be entered into in connection therewith as if they had occurred at the beginning of the most recent Test Period ending prior to the LCT Test Date (or, in the case of any incurrence or repayment of Indebtedness (except in the case of the Fixed Charge Coverage Ratio (or similar ratio)), as if incurred (or repaid, as applicable) on the last day of the applicable Test Period), the Company could have consummated such Limited Condition Transaction on the relevant LCT Test Date in compliance with such ratio, basket or other provision, such ratio, basket or other provision shall be deemed to have been complied with; provided that (i) if financial statements for one or more subsequent fiscal quarters shall have become available, the Company may elect, in its sole discretion, to re-determine all such ratios, tests or baskets on the basis of such financial statements, in which case, such date of redetermination shall thereafter be deemed to be the applicable LCT Test Date for such ratios, tests or baskets and (ii) such ratios, baskets and other provisions shall not be tested at the time of consummation of such Limited Condition Transaction.

For the avoidance of doubt, if, following the LCT Test Date, any of such ratios, baskets or other provisions are exceeded or breached as a result of fluctuations in such ratio or basket (including due to fluctuations in Consolidated Total Assets, Consolidated EBITDA or other components of such ratio or basket) or other provision at or prior to the consummation of the relevant Limited Condition Transaction, such ratios, baskets and other provisions will be deemed to not have been failed to have been satisfied or exceeded, respectively, as a result of such fluctuations solely for purposes of determining whether the Limited Condition Transaction and related transactions are permitted hereunder. If the Company has made an LCT Election for any Limited Condition Transaction, then in connection with any subsequent calculation of any ratio, basket or other provision on or following the relevant LCT Test Date and prior to the earlier of (i) the date on which such Limited Condition Transaction is consummated or (ii) the date that the definitive agreement for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction, any such ratio, basket or other provision shall be calculated on a pro forma basis assuming such Limited Condition Transaction and other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) have been consummated until such time as the applicable Limited Condition Transaction has actually closed or the definitive agreement with respect thereto has been terminated or expired.

Notes issued in definitive form shall be substantially in the form of Exhibit A (but without the Global Note Legend thereon and without the “Schedule of Exchanges of Interests in the Global Note” attached thereto). Each Global Note shall represent such of the outstanding Notes as shall be specified in the “Schedule of Exchanges of Interests in the Global Note” attached thereto and each shall provide that it shall represent up to the aggregate principal amount of Notes from time to time endorsed thereon and that the aggregate principal amount of outstanding Notes represented thereby may from time to time be reduced or increased, as applicable, to reflect exchanges and redemptions. Any endorsement of a Global Note to reflect the amount of any increase or decrease in the aggregate principal amount of outstanding Notes represented thereby shall be made by the Trustee or the Custodian, at the direction of the Trustee, in accordance with instructions given by the Holder thereof as required by Section 2.06.

(c) Temporary Global Notes. Notes offered and sold in reliance on Regulation S shall be issued initially in the form of the Regulation S Temporary Global Note, which shall be deposited on behalf of the purchasers of the Notes represented thereby with the Trustee, as Custodian for the Depository, and registered in the name of the Depository or the nominee of the Depository for the accounts of designated agents holding on behalf of Euroclear or Clearstream, duly executed by the Company and authenticated by the Trustee as hereinafter provided.

The aggregate principal amount of the Regulation S Temporary Global Note and the Regulation S Permanent Global Note may from time to time be increased or decreased by adjustments made on the records of the Trustee and the Depository or its nominee, as the case may be, in connection with transfers of interest as hereinafter provided.

(d) Terms. The aggregate principal amount of Notes that may be authenticated and delivered under this Indenture is unlimited.

The terms and provisions contained in the Notes shall constitute, and are hereby expressly made, a part of this Indenture and the Company, the Guarantors and the Trustee, by their execution and delivery of this Indenture or a supplemental indenture to this Indenture, expressly agree to such terms and provisions and to be bound thereby. However, to the extent any provision of any Note conflicts with the express provisions of this Indenture, the provisions of this Indenture shall govern and be controlling.

Unless the Additional Notes are fungible with the Notes for U.S. federal income tax purposes, the Additional Notes will have a separate CUSIP (or other identifying information).

(e) Euroclear and Clearstream Procedures Applicable. The provisions of the "Operating Procedures of the Euroclear System" and "Terms and Conditions Governing Use of Euroclear" and the "General Terms and Conditions of Clearstream Banking" and "Customer Handbook" of Clearstream shall be applicable to transfers of beneficial interests in the Regulation S Temporary Global Note and the Regulation S Permanent Global Notes that are held by Participants through Euroclear or Clearstream.

If an Officer whose signature is on a Note no longer holds that office at the time a Note is authenticated, the Note shall nevertheless be valid.

While any such default continues, the Trustee may require a Paying Agent to pay all money held by it to the Trustee for its own benefit and for the benefit of the Holders. The Company at any time may require a Paying Agent to pay all money held by it to the Trustee for its own benefit and for the benefit of the Holders. Upon payment over to the Trustee, the Paying Agent (if other than the Company, a Subsidiary of the Company) shall have no further liability for the money. If the Company or a Subsidiary of the Company acts as Paying Agent, it shall segregate and hold in a separate trust fund for the benefit of the Holders all money held by it as Paying Agent. The Trustee shall send such Definitive Notes to the Persons in whose names such Notes are so registered. Any Definitive Note issued in exchange for a beneficial interest pursuant to this Section 2.06(c)(iv) shall not bear the Private Placement Legend.

(iii) Unrestricted Definitive Notes to Beneficial Interests in Unrestricted Global Notes. A Holder of an Unrestricted Definitive Note may exchange such Note for a beneficial interest in an Unrestricted Global Note or transfer such Definitive Notes to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note at any time. Upon receipt of a request for such an exchange or transfer, the Trustee shall cancel the applicable Unrestricted Definitive Note and increase or cause to be increased the aggregate principal amount of one of the Unrestricted Global Notes.

If any such exchange or transfer from a Definitive Note to a beneficial interest is effected pursuant to subparagraph (ii)(A), (ii)(B) or (iii) of this Section 2.06(d) at a time when an Unrestricted Global Note has not yet been issued, the Company shall issue and, upon receipt of an Authentication Order in accordance with Section 2.02, the Trustee shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the principal amount of Definitive Notes so transferred.

(e) Transfer and Exchange of Definitive Notes for Definitive Notes. Upon request by a Holder of Definitive Notes and such Holder's compliance with the provisions of this Section 2.06(e), the Registrar shall register the transfer or exchange of Definitive Notes and shall inform the Company of such registration. Prior to such registration of transfer or exchange, the requesting Holder shall present or surrender to the Registrar the Definitive Notes duly endorsed or accompanied by a written instruction of transfer or exchange in form satisfactory to the Registrar duly executed by such Holder or by its attorney, duly authorized in writing. In the event that the requesting Holder does not transfer the entire principal amount of Notes represented by any such Definitive Note, the Registrar will cancel or cause to be cancelled such Definitive Note and the Company (who will have been informed of such cancellation) shall execute and the Trustee or the Authentication Agent shall authenticate and deliver to the requesting Holder and any transferee Definitive Notes in the appropriate principal amounts to reflect such transfer. In addition, the requesting Holder shall provide any additional certifications, documents and information, as applicable, required pursuant to the following provisions of this Section 2.06(e):

BY ITS ACQUISITION HEREOF OR OF A BENEFICIAL INTEREST HEREIN, THE HOLDER: (1) REPRESENTS THAT IT IS NOT AN “AFFILIATE” (AS DEFINED IN RULE 144 UNDER THE SECURITIES ACT) OF LPL HOLDINGS, INC. AND (A) IT IS A “QUALIFIED INSTITUTIONAL BUYER” (AS DEFINED IN RULE 144A UNDER THE SECURITIES ACT) (A “QIB”), OR (B) IT IS NOT A U.S. PERSON AND HAS ACQUIRED THIS NOTE IN AN OFFSHORE TRANSACTION IN COMPLIANCE WITH REGULATIONS UNDER THE SECURITIES ACT; (2) AGREES THAT IT WILL NOT RESELL OR OTHERWISE TRANSFER THIS NOTE OR ANY BENEFICIAL INTEREST HEREIN EXCEPT (A) TO LPL HOLDINGS, INC. OR ANY OF ITS SUBSIDIARIES, (B) TO A PERSON WHOM THE SELLER REASONABLY BELIEVES IS A QIB PURCHASING FOR ITS OWN ACCOUNT OR FOR THE ACCOUNT OF A QIB IN A TRANSACTION MEETING THE REQUIREMENTS OF RULE 144A, (C) TO NON-U.S. PERSONS IN AN OFFSHORE TRANSACTION MEETING THE REQUIREMENTS OF RULE 903 OR 904 OF REGULATIONS OF THE SECURITIES ACT, (D) IN A TRANSACTION MEETING THE REQUIREMENTS OF RULE 144 UNDER THE SECURITIES ACT, (E) IN ACCORDANCE WITH ANOTHER EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT (AND BASED UPON AN OPINION OF COUNSEL REASONABLY ACCEPTABLE TO LPL HOLDINGS, INC. AND THE TRUSTEE) OR (F) PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT AND, IN EACH CASE, IN ACCORDANCE WITH THE APPLICABLE SECURITIES LAWS OF ANY STATE OF THE UNITED STATES OR ANY OTHER APPLICABLE JURISDICTION; (3) AGREES THAT IT WILL DELIVER TO EACH PERSON TO WHOM THIS NOTE OR AN INTEREST HEREIN IS TRANSFERRED A NOTICE SUBSTANTIALLY

At such time as all beneficial interests in a particular Global Note have been exchanged for Definitive Notes or a particular Global Note has been redeemed, repurchased or cancelled in whole and not in part, each such Global Note shall be returned to or retained and cancelled by the Trustee in accordance with Section 2.11. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note or for Definitive Notes, the principal amount of Notes represented by such Global Note shall be reduced accordingly and an endorsement shall be made on such Global Note by the Trustee or by the Depositary at the direction of the Trustee to reflect such reduction; and if the beneficial interest is being exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note, such other Global Note shall be increased accordingly and an endorsement shall be made on such Global Note by the Trustee or by the Depositary at the direction of the Trustee to reflect such increase.

(i) General Provisions Relating to Transfers and Exchanges.

(i) To permit registrations of transfers and exchanges, the Company shall execute and the Trustee shall authenticate Global Notes and Definitive Notes upon receipt of an Authentication Order in accordance with Section 2.02 or at the Registrar's request.

(ii) No service charge shall be made to a holder of a beneficial interest in a Global Note or to a Holder of a Definitive Note for any registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.07, 2.10, 3.06, 3.09, 4.10, 4.14 and 9.05).

(iii) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes shall be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Global Notes or Definitive Notes surrendered upon such registration of transfer or exchange.

(iv) Neither the Company nor the Registrar shall be required (A) to issue, to register the transfer of or to exchange any Notes during a period beginning at the opening of business 15 days before the day of mailing or electronic delivery of a notice of redemption under Section 3.03 and ending at the close of business on the day of such mailing or electronic delivery, (B) to register the transfer of or to exchange any Note so selected for redemption, in whole or in part, except the unredeemed portion of any Note being redeemed in part, (C) to register the transfer of or to exchange a Note between a Record Date and the next succeeding Interest Payment Date or (D) to register the transfer or exchange of any Notes tendered (and not withdrawn) for repurchase in connection with a Change of Control Offer, an Asset Sale Offer or other tender offer.

(v) Prior to due presentment for the registration of a transfer of any Note, the Trustee, any Agent and the Company may deem and treat the Person in whose name any Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of (and premium, if any) and interest on such Notes and for all other purposes, and none of the Trustee, any Agent or the Company shall be affected by notice to the contrary.

(vi) Upon surrender for registration of transfer of any Note at the office or agency of the Company designated pursuant to Section 4.02, the Company shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more replacement Notes of any authorized denomination or denominations of a like aggregate principal amount.

(vii) At the option of the Holder, subject to Section 2.06(a), Notes may be exchanged for other Notes of any authorized denomination or denominations of a like aggregate principal amount upon surrender of the Notes to be exchanged at such office or agency. Whenever any Global Notes or Definitive Notes are so surrendered for exchange, the Company shall execute, and the Trustee shall authenticate and deliver, the replacement Global Notes and Definitive Notes which the Holder making the exchange is entitled to in accordance with the provisions of Section 2.02.

(viii) All certifications, certificates and Opinions of Counsel required to be submitted to the Company pursuant to this Section 2.06 to effect a registration of transfer or exchange may be submitted by facsimile or electronic delivery.

(ix) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer (of which a Responsible Officer of the Trustee has actual knowledge) of any interest in any Note (including any transfers between or among the Depository's Participants or beneficial owners of interests in any

Global Note) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

Section 2.07 Replacement Notes.

If either (x) any mutilated Note is surrendered to the Trustee, the Registrar or the Company or (y) the Company and the Trustee receive evidence to their satisfaction of the ownership and destruction, loss or theft of any Note, the Company shall issue and the Trustee, upon receipt of an Authentication Order, shall authenticate a replacement Note. An indemnity bond must be supplied by the Holder that is sufficient in the judgment of the Trustee and the Company to protect the Company, the Trustee, any Agent and any authenticating agent from any loss that any of them may suffer if a Note is replaced. The Company and the Trustee may charge the Holder for their expenses in replacing a Note.

Every replacement Note is a contractual obligation of the Company and shall be entitled to all of the benefits of this Indenture equally and proportionately with all other Notes duly issued hereunder.

Section 2.08 Outstanding Notes.

The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those cancelled by it, those delivered to it for cancellation, those reductions in the interest in a Global Note effected by the Trustee in accordance with the provisions hereof, and those described in this Section 2.08 as not outstanding. Except as set forth in Section 2.09, a Note does not cease to be outstanding because the Company or an Affiliate of the Company holds the Note.

If a Note is replaced pursuant to Section 2.07, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a protected purchaser (as defined in Section 8-303 of the Uniform Commercial Code).

If the principal amount of any Note is considered paid under Section 4.01, it ceases to be outstanding and interest on it ceases to accrue.

If the Paying Agent (other than the Company, a Subsidiary of the Company or an Affiliate of any thereof) holds, on a Redemption Date or maturity date, money sufficient to pay Notes (or portions thereof) payable on that date, then on and after that date such Notes (or portions thereof) shall be deemed to be no longer outstanding and shall cease to accrue interest.

Section 2.09 Treasury Notes.

In determining whether the Holders of the required principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by the Company, or by any Affiliate of the Company, shall be considered as though not outstanding, except that for the purposes of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Notes that a Responsible Officer of the Trustee actually knows are so

owned shall be so disregarded. Notes so owned which have been pledged in good faith shall not be disregarded if the pledgee establishes to the satisfaction of the Trustee the pledgee's right to deliver any such direction, waiver or consent with respect to such pledged Notes and that the pledgee is not the Company or a Guarantor or any Affiliate of the Company or a Guarantor.

Section 2.10 Temporary Notes.

Until certificates representing Notes are ready for delivery, the Company may prepare and the Trustee, upon receipt of an Authentication Order, shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of certificated Notes but may have variations that the Company considers appropriate for temporary Notes and as shall be reasonably acceptable to the Trustee. Without unreasonable delay, the Company shall prepare and the Trustee shall, upon receipt of an Authentication Order, authenticate definitive Notes in exchange for temporary Notes.

Holders and beneficial holders, as the case may be, of temporary Notes shall be entitled to all of the benefits accorded to Holders, or beneficial holders, respectively, of Notes under this Indenture.

Section 2.11 Cancellation.

The Company at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee or, at the direction of the Trustee, the Registrar or the Paying Agent and no one else shall cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and shall dispose of such cancelled Notes in accordance with its customary procedures (subject to the record retention requirement of the Exchange Act). Certification of the destruction of all cancelled Notes shall be delivered to the Company upon the Company's written request. The Company may not issue new Notes to replace Notes that they have paid or that have been delivered to the Trustee for cancellation.

Section 2.12 Defaulted Interest.

If the Company defaults in a payment of interest on the Notes, it shall pay the defaulted interest in any lawful manner plus, to the extent lawful, interest payable on the defaulted interest to the Persons who are Holders on a subsequent special record date, in each case at the rate provided in the Notes and in Section 4.01. The Company shall notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment, and at the same time the Company shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such defaulted interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such defaulted interest as provided in this Section 2.12. The Trustee shall fix or cause to be fixed each such special record date and payment date; provided that no such special record date shall be less than 10 days prior to the related payment date for such defaulted interest. The Trustee shall promptly notify the Company of such special record date. At least 15 days before the special record date, the Company (or, upon the written request of the Company,

the Trustee in the name and at the expense of the Company) shall mail or cause to be mailed (first-class postage prepaid) or deliver in accordance with Applicable Procedures, to each Holder a notice at his or her address as it appears in the Note Register that states the special record date, the related payment date and the amount of such interest to be paid.

Subject to the foregoing provisions of this Section 2.12 and for greater certainty, each Note delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Note shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Note.

Section 2.13 CUSIP Numbers.

The Company in issuing the Notes may use CUSIP numbers (if then generally in use) and, if so, the Trustee shall use CUSIP numbers in notices of redemption or exchange as a convenience to Holders; provided that any such notice may state that no representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption or exchange and that reliance may be placed only on the other identification numbers printed on the Notes, and any such notice, redemption or exchange shall not be affected by any defect in or omission of such numbers. The Company will as promptly as practicable notify the Trustee in writing of any change in the CUSIP numbers.

ARTICLE 3

REDEMPTION

Section 3.01 Notices to Trustee.

If the Company elects to redeem Notes pursuant to Section 3.07, it shall furnish to the Trustee, at least two Business Days (unless waived by the Trustee or such shorter time period as the Trustee may agree) before notice of redemption is required to be mailed, caused to be mailed or delivered electronically to Holders pursuant to Section 3.03 but not more than 60 days before a Redemption Date (except a redemption in connection with Article 8 or Article 11), an Officer's Certificate setting forth (i) the paragraph or subparagraph of such Note and/or Section of this Indenture pursuant to which the redemption shall occur, (ii) the redemption date, which shall be selected by the Company in its discretion, subject to any limitations set forth herein (as such date may be delayed pursuant to Section 3.07(e), the "Redemption Date"), (iii) the principal amount of the Notes to be redeemed and (iv) the redemption price.

Section 3.02 Selection of Notes to Be Redeemed or Purchased.

Except with respect to purchases described in Section 3.07(g), if less than all of the Notes are to be redeemed or purchased in an offer to purchase at any time, the Trustee shall select the Notes to be redeemed or purchased (i) if the Notes are listed on any national securities exchange, in compliance with the requirements of the principal national securities exchange on which the Notes are listed, (ii) on a pro rata basis or (iii) to the extent that selection on a pro rata basis is not practicable by lot or such other similar method in accordance with the Applicable Procedures to the extent applicable. In the event of partial redemption or purchase by lot, the particular Notes to be redeemed or purchased shall be selected, unless otherwise provided herein,

not less than 10 nor (except in the event the Redemption Date is delayed as a result of any condition precedent to the occurrence thereof not being satisfied or waived by the Company in accordance with Section 3.07(e)) more than 60 days prior to the Redemption Date by the Trustee from the outstanding Notes not previously called for redemption or purchase.

The Trustee shall promptly notify the Company in writing of the Notes selected for redemption or purchase and, in the case of any Note selected for partial redemption or purchase, the principal amount thereof to be redeemed or purchased. Notes and portions of Notes selected shall be in amounts of \$2,000 or whole multiples of \$1,000 in excess thereof; no Notes of \$2,000 or less can be redeemed or purchased in part, except that if all of the Notes of a Holder are to be redeemed or purchased, the entire outstanding amount of Notes held by such Holder, even if not a multiple of \$1,000, shall be redeemed or purchased. Except as provided in the preceding sentence, provisions of this Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption.

Section 3.03 Notice of Redemption.

Subject to Section 3.07(e) and Section 3.09, the Company shall deliver electronically or mail or cause to be mailed by first-class mail, postage prepaid, notices of redemption at least 10 days but not more than 60 days before the Redemption Date to each Holder of Notes to be redeemed at such Holder's registered address or otherwise in accordance with the Applicable Procedures, except that redemption notices may be mailed or delivered electronically more than 60 days prior to a Redemption Date if the notice is issued in connection with Article 8 or Article 11 or (b) subject to one or more conditions precedent and such redemption date is delayed until such time as any or all such conditions shall be satisfied (or waived by the Company in its sole discretion in accordance with Section 3.07(e)).

The notice shall identify the Notes to be redeemed (including CUSIP numbers) and shall state:

(a) the Redemption Date;

(b) the redemption price;

(c) if any Note is to be purchased or redeemed in part only, the portion of the principal amount of that Note that is to be purchase or redeemed and that, after the Redemption Date upon surrender of such Note, a new Note or Notes in a principal amount equal to the unredeemed portion of the original Note representing the same indebtedness to the extent not redeemed will be issued in the name of the Holder upon cancellation of the original Note; provided that new Notes will only be issued in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof;

(d) the name and address of the Paying Agent;

(e) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;

(f) whether such redemption is conditioned on the happening of a future event;

(g) that, unless the Company defaults in making such redemption payment, interest on Notes called for redemption ceases to accrue on and after the Redemption Date;

(h) the paragraph or subparagraph of the Notes and/or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed; and

(i) that no representation is made as to the correctness or accuracy of the CUSIP number, if any, listed in such notice or printed on the Notes.

In addition, any notice of redemption may include additional information, including any information pursuant to Section 3.07(e), and that any redemption may be subject to delay as provided in Section 3.07(e).

At the Company's written request, the Trustee shall give the notice of redemption in the Company's name and at its expense; provided that the Company shall have delivered to the Trustee, at least two Business Days (or such shorter period as the Trustee may agree) before notice of redemption is required to be mailed, caused to be mailed or delivered electronically to Holders pursuant to this Section 3.03 (unless a shorter notice shall be agreed to by the Trustee), an Officer's Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph.

Section 3.04 Effect of Notice of Redemption.

Once notice of redemption is delivered or mailed in accordance with Section 3.03, Notes called for redemption become irrevocably due and payable at the redemption price on the Redemption Date, unless such redemption is conditioned on the happening of a future event. The notice, if delivered or mailed in a manner herein provided, shall be conclusively presumed to have been given, whether or not the Holder receives such notice. In any case, failure to give such notice by mail or electronic delivery or any defect in the notice to the Holder of any Note designated for redemption in whole or in part shall not affect the validity of the proceedings for the redemption of any other Note. Subject to Section 3.05, on and after the Redemption Date, interest ceases to accrue on Notes or portions of Notes called for redemption.

Section 3.05 Deposit of Redemption Price.

Except with respect to purchases described in Section 3.07(g), prior to noon (New York City time) on the Redemption Date, the Company shall deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption or purchase price of and accrued and unpaid interest on all Notes to be redeemed or purchased on that date. The Trustee or the Paying Agent shall promptly return to the Company any money deposited with the Trustee or the Paying Agent by the Company in excess of the amounts necessary to pay the redemption price of, and accrued and unpaid interest on, all Notes to be redeemed or purchased.

If the Company complies with the provisions of the preceding paragraph, on and after the Redemption Date or purchase date, interest shall cease to accrue on the Notes or the portions of Notes called for redemption or purchase. If a Note is redeemed or purchased on or after an applicable Record Date but on or prior to the related Interest Payment Date, then any accrued and unpaid interest to the Redemption Date or purchase date shall be paid to the Person in whose name such Note was registered at the close of business on such Record Date. If any Note called for redemption or purchase shall not be so paid upon surrender for redemption or purchase because of the failure of the Company to comply with the preceding paragraph, interest shall be paid on the unpaid principal, from the Redemption Date or purchase date until such principal is paid, and to the extent lawful on any interest accrued to the Redemption Date or purchase date not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 4.01.

Section 3.06 Notes Redeemed or Purchased in Part.

Upon surrender of a Note that is redeemed or purchased in part, the Company shall issue and the Trustee shall authenticate for the Holder at the expense of the Company a new Note equal in principal amount to the unredeemed or unpurchased portion of the Note surrendered representing the same indebtedness to the extent not redeemed or purchased; provided that each new Note will be in a principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof. It is understood that, notwithstanding anything in this Indenture to the contrary, only an Authentication Order and not an Opinion of Counsel or Officer's Certificate is required for the Trustee to authenticate such new Note.

Section 3.07 Optional Redemption.

(a) At any time prior to March 15, 2024, the Company may redeem the Notes, in whole or in part, upon notice as described under Section 3.03, at a redemption price equal to 100% of the principal amount of the Notes redeemed plus the Applicable Premium as of, and accrued and unpaid interest, if any, to, but excluding the Redemption Date, subject to the rights of Holders on the relevant Record Date to receive interest due on the relevant Interest Payment Date.

(b) On and after March 15, 2024, the Company may redeem the Notes, in whole or in part, upon notice as described under Section 3.03, at the redemption prices (expressed as percentages of principal amount of the Notes to be redeemed) set forth below, plus accrued and unpaid interest thereon, if any, to, but excluding the applicable Redemption Date, subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date, if redeemed during the twelve-month period beginning on March 15 of each of the years indicated below:

<u>Year</u>	<u>Percentage</u>
2024	102.000%
2025	101.000%
2026 and thereafter	100.000%

(c) In addition, at any time prior to March 15, 2024, the Company may, at its option, upon notice as described under Section 3.03, on one or more occasions, redeem up to 40% of the aggregate principal amount of Notes issued under this Indenture at a redemption price equal to 104.000% of the aggregate principal amount thereof, plus accrued and unpaid interest thereon, if any, to, but excluding the applicable Redemption Date, subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date, with the aggregate principal amount of the Notes to be redeemed not to exceed an amount equal to the aggregate net cash proceeds of one or more Equity Offerings to the extent such net cash proceeds are received by or contributed to the Company; provided that (a) at least 50% of the aggregate principal amount of Notes originally issued under this Indenture on the Issue Date and any Additional Notes issued under this Indenture after the Issue Date remains outstanding immediately after the occurrence of each such redemption and (b) that each such redemption occurs within 180 days of the date of closing of each such Equity Offering.

(d) Notwithstanding the foregoing, in connection with any Change of Control Offer, any Asset Sale Offer or other tender offer for the Notes, if Holders of not less than 90% in aggregate principal amount of the outstanding Notes validly tender and do not withdraw such Notes in such Change of Control Offer, Asset Sale Offer or other tender offer and the Company, or any third party making such Change of Control Offer, Asset Sale Offer or other tender offer in lieu of the Company, purchases all of the Notes validly tendered and not validly withdrawn by such Holders, the Company or such third party shall have the right upon not less than 10 nor more than 60 days' prior notice, given not more than 30 days following such purchase date, to redeem all Notes that remain outstanding following such purchase at a price equal to the price offered to each other Holder in such Change of Control Offer, Asset Sale Offer or other tender offer plus, to the extent not included in the Change of Control Offer, Asset Sale Offer or other tender offer payment, accrued and unpaid interest, if any, thereon, to, but excluding, the Redemption Date or purchase date, subject to the right of Holders of record on the relevant record date to receive interest due on the relevant Interest Payment Date falling on or prior to the applicable Redemption Date or purchase date.

(e) Notice of any redemption, whether in connection with an Equity Offering, Change of Control, Asset Sale or other transaction or event or otherwise, may, at the Company's discretion, be given prior to the completion or occurrence thereof and be subject to one or more conditions precedent, including, but not limited to, completion or occurrence of the related Equity Offering, Change of Control, Asset Sale or other transaction or event, as the case may be. In addition, if such redemption is subject to satisfaction of one or more conditions precedent, such notice shall state that, in the Company's discretion, the Redemption Date may be delayed until such time (which may be more than 60 days after the date the notice of redemption was mailed or delivered, including by electronic transmission) as any or all such conditions shall be satisfied (or waived by the Company in its sole discretion), or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied (or waived, in the Company's sole discretion) by the Redemption Date, or by the Redemption Date so delayed, or that such notice may be rescinded at any time in the Company's discretion if the Company determines that any or all of such conditions will not be satisfied. In addition, the Company may provide in such notice that payment of the redemption price and performance of the Company's obligations with respect to such redemption may be performed by another Person.

(f) Any redemption pursuant to this Section 3.07 shall be made pursuant to the provisions of Sections 3.01 through 3.06.

(g) The Company and its Affiliates may at any time and from time to time purchase Notes in the open market or otherwise.

Section 3.08 Mandatory Redemption.

The Company shall not be required to make any mandatory redemption or sinking fund payments with respect to the Notes.

Section 3.09 Offers to Repurchase by Application of Excess Proceeds.

(a) In the event that, pursuant to Section 4.10, the Company shall be required to commence an Asset Sale Offer, the Company shall follow the procedures specified below.

(b) The Asset Sale Offer shall remain open for a period of 20 Business Days following its commencement and no longer, except to the extent that a longer period is required by applicable law (the "Offer Period"). No later than five Business Days after the termination of the Offer Period (the "Purchase Date"), the Company shall apply all Excess Proceeds (the "Offer Amount") to the purchase of Notes and, if required, Pari Passu Indebtedness (on a pro rata basis, if applicable, with adjustments as necessary so that no Notes or Pari Passu Indebtedness will be repurchased in part in an unauthorized denomination), or, if less than the Offer Amount has been tendered, all Notes and Pari Passu Indebtedness tendered in response to the Asset Sale Offer. Payment for any Notes so purchased shall be made in the same manner as interest payments are made.

(c) If the Purchase Date is on or after a Record Date and on or before the related Interest Payment Date, any accrued and unpaid interest, if any, up to but excluding the Purchase Date, shall be paid to the Person in whose name a Note is registered at the close of business on such Record Date, and no additional interest shall be payable to Holders who tender Notes pursuant to the Asset Sale Offer.

(d) Upon the commencement of an Asset Sale Offer, the Company shall send, by first-class mail or electronic delivery, a notice to each of the Holders, with a copy to the Trustee. The notice shall contain all instructions and materials necessary to enable such Holders to tender Notes pursuant to the Asset Sale Offer. The Asset Sale Offer shall be made to all Holders and holders of such Pari Passu Indebtedness. The notice, which shall govern the terms of the Asset Sale Offer, shall state:

(i) that the Asset Sale Offer is being made pursuant to this Section 3.09 and Section 4.10 and the length of time the Asset Sale Offer shall remain open;

(ii) the Offer Amount, the purchase price and the Purchase Date;

(iii) that any Note not tendered or accepted for payment shall continue to accrue interest;

(iv) that, unless the Company defaults in making such payment, any Note accepted for payment pursuant to the Asset Sale Offer shall cease to accrue interest on and after the Purchase Date;

(v) that any Holder electing to have less than all of the aggregate principal amount of its Notes purchased pursuant to an Asset Sale Offer may elect to have Notes purchased in minimum denominations of \$2,000 or whole multiples of \$1,000 in excess thereof only;

(vi) that Holders electing to have a Note purchased pursuant to any Asset Sale Offer shall be required to surrender the Note, with the form entitled "Option of Holder to Elect Purchase" attached to the Note completed, or transfer by book-entry transfer, to the Company, the Depository, if appointed by the Company, or a Paying Agent at the address specified in the notice at least two Business Days before the Purchase Date;

(vii) that Holders shall be entitled to withdraw their election if the Company, the Depository or the Paying Agent, as the case may be, receives, not later than the close of business on the second Business Day prior to the expiration date of the Offer Period, a facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Note the Holder delivered for purchase and a statement that such Holder is withdrawing his election to have such Note purchased;

(viii) that, if the aggregate principal amount of Notes and Pari Passu Indebtedness surrendered by the holders thereof exceeds the Offer Amount, the Company shall purchase such Notes and such Pari Passu Indebtedness, as the case may be, on a pro rata basis based on the accreted value or principal amount of the Notes or such Pari Passu Indebtedness tendered (with such adjustments as may be deemed appropriate by the Trustee so that only Notes in denominations of \$2,000, or integral multiples of \$1,000 in excess thereof, shall be purchased; provided that no Notes of \$2,000 or less can be redeemed in part, except that if all of the Notes of a Holder are to be redeemed or purchased, the entire outstanding amount of Notes held by such Holder, even if not a multiple of \$1,000, shall be redeemed or purchased); and

(ix) that Holders whose Notes were purchased only in part shall be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered (or transferred by book-entry transfer) representing the same indebtedness to the extent not repurchased; provided that new Notes will only be issued in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.

(e) The Company shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with each repurchase of Notes pursuant to an Asset Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with the Asset Sale provisions of this Indenture, the Company shall comply with the applicable securities laws and regulations and shall be deemed to have not breached their obligations under this Section 4.10 by virtue of such compliance.

(f) On or before the Purchase Date, the Company shall, to the extent lawful, (1) accept for payment, on a pro rata basis to the extent necessary, the Offer Amount of Notes or portions thereof validly tendered pursuant to the Asset Sale Offer, or if less than the Offer Amount has been tendered, all Notes tendered and (2) deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officer's Certificate stating the aggregate principal amount of Notes or portions thereof so tendered.

(g) The Company, the Depository or the Paying Agent, as the case may be, shall promptly mail or deliver to each tendering Holder an amount equal to the purchase price of the Notes properly tendered by such Holder and accepted by the Company for purchase, and the Company shall promptly issue a new Note, and the Trustee, upon receipt of an Authentication Order, shall authenticate and mail or deliver (or cause to be transferred by book-entry) such new Note to such Holder (it being understood that, notwithstanding anything in this Indenture to the contrary, no Opinion of Counsel or Officer's Certificate is required for the Trustee to authenticate and mail or deliver such new Note) in a principal amount equal to any unpurchased portion of the Note surrendered representing the same indebtedness to the extent not repurchased; provided that each such new Note shall be in a principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof. Any Note not so accepted shall be promptly mailed or delivered by the Company to the Holder thereof. The Company shall publicly announce the results of the Asset Sale Offer on or as soon as practicable after the Purchase Date.

Other than as specifically provided in this Section 3.09 or Section 4.10, any purchase pursuant to this Section 3.09 shall be made pursuant to the applicable provisions of Sections 3.01 through 3.06 and 3.07(e).

ARTICLE 4

COVENANTS

Section 4.01 Payment of Notes.

The Company shall pay or cause to be paid the principal of, premium, if any, and interest on the Notes on the dates and in the manner provided in the Notes. Principal, premium, if any, and interest shall be considered paid on the date due if the Paying Agent, if other than the Company or a Subsidiary, holds as of noon, New York City time, on the due date money deposited by the Company in immediately available funds and designated for and sufficient to pay all principal, premium, if any, and interest then due.

The Company shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal at the rate equal to the then applicable interest rate on the Notes to the extent lawful; it shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace period) at the same rate to the extent lawful.

Section 4.02 Maintenance of Office or Agency.

The Company shall maintain an office or agency (which may be an office of the Trustee or an affiliate of the Trustee, Registrar or co-registrar) where Notes may be surrendered for registration of transfer or for exchange or presented for payment and where notices and demands to or upon the Company in respect of the Notes and this Indenture may be served. The Company shall give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Company shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee.

The Company may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; provided that no such designation or rescission shall in any manner relieve the Company of its obligation to maintain an office or agency for such purposes. The Company shall give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

The Company hereby designates the Corporate Trust Office of the Trustee as one such office or agency of the Company in accordance with Section 2.03.

Section 4.03 Reports and Other Information.

(a) Whether or not the Company is subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act, so long as the Notes are outstanding, the Company will furnish to the Holders or cause the Trustee to furnish to the Holders, or file with the SEC for public availability through the SEC's Electronic Data Gathering, Analysis, and Retrieval System (or any successor system) no later than 15 days after the dates specified below:

(i) within 90 days after the end of each fiscal year (or such other period then in effect under the rules and regulations promulgated under the Exchange Act with respect to the filing of an Annual Report on Form 10-K by a non-accelerated filer), an annual report as would be required to be filed with the SEC on Form 10-K if the Company were required to file such reports;

(ii) within 45 days after the end of each of the first three fiscal quarters of each fiscal year (or such other period then in effect under the rules and regulations promulgated under the Exchange Act with respect to the filing of a Quarterly Report on Form 10-Q by a non-accelerated filer), a quarterly report as would be required to be filed with the SEC on Form 10-Q if the Company were required to file such reports; and

(iii) within 5 days after the period then in effect under the rules and regulations promulgated under the Exchange Act with respect to the filing of a Current Report on Form 8-K after the occurrence of an event required to be therein reported, a current report as would be required to be filed with the SEC on Form 8-K if the Company were required to file such reports.

If the Company has designated any of its Subsidiaries as an Unrestricted Subsidiary and if any such Unrestricted Subsidiary or group of Unrestricted Subsidiaries, if taken together as one Subsidiary, would constitute a Significant Subsidiary of the Company, then the annual and quarterly reports required by clauses (i) and (ii) above shall include a presentation of selected financial metrics (in the Company's sole discretion) of such Unrestricted Subsidiaries as a group in the "Management's Discussion and Analysis of Financial Condition and Results of Operations" or other comparable section.

If the Company or any Parent Entity does not file reports containing such information with the SEC, the Company will make available such information and such reports to the Trustee under this Indenture, to any Holder and, upon request, to any beneficial owner of the Notes, in each case by posting such information on its website, on Intralinks or any comparable password-protected online data system which will require a confidentiality acknowledgment, and will make such information readily available to any Holder or any bona fide prospective investor in the Notes (which prospective investors will be limited to “qualified institutional buyers” within the meaning of Rule 144A of the Securities Act that certify their status as such to the reasonable satisfaction of the Company) who agrees to treat such information as confidential or accesses such information on Intralinks or any comparable password-protected online data system which will require a confidentiality acknowledgment; provided that the Company shall post such information thereon and make readily available any password or other login information to any such prospective holder, securities analyst or market maker.

In addition, to the extent not satisfied by the foregoing, the Company shall furnish to Holders and prospective investors in the Notes, upon their request, any information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act so long as the Notes are not freely transferable under the Securities Act.

If any Parent Entity files reports with the SEC in accordance with Section 13 or 15(d) of the Exchange Act, whether voluntarily or otherwise, in compliance with the filing periods specified in the first paragraph of this covenant, then the Company shall be deemed to comply with this covenant. The Trustee will have no responsibility whatsoever to determine if any such filing has occurred. For the avoidance of doubt, such reports need not include separate financial information required by Rules 3-10 and 3-16 of Regulation S-X; provided, however, that if such Parent Entity has more than de minimis operations separate and apart from its ownership in the Company and its Subsidiaries, then the financial statements of the Parent Entity shall be accompanied by selected financial metrics (in the Company’s sole discretion and which need not be audited) that show the differences between the information relating to such Parent Entity and any of its Subsidiaries other than the Company and its Subsidiaries, on the one hand, and the information relating to the Company and its Subsidiaries on a stand-alone basis, on the other hand.

Section 4.04 Compliance Certificate.

(a) The Company shall deliver to the Trustee, on or before the deadline for delivery of the annual financial statements required to be delivered pursuant to Section 4.03(a)(i) beginning with the fiscal year ending after the Issue Date, an annual certificate from the principal executive officer, principal financial officer or principal accounting officer of the Company stating that a review of the activities of the Company and the Restricted Subsidiaries during the preceding fiscal year has been made under the supervision of the signing Officer with a view to determining whether the Company and the Restricted Subsidiaries have kept, observed,

performed and fulfilled their obligations under this Indenture, and further stating, as to such Officer signing such certificate, that to the best of his or her knowledge the Company and the Restricted Subsidiaries have kept, observed, performed and fulfilled in all material respects each and every condition and covenant contained in this Indenture and no Default has occurred and is continuing with respect to any of the terms, provisions, covenants and conditions of this Indenture (or, if a Default shall have occurred and is continuing, describing all such Defaults of which he or she may have knowledge and what action the Company is taking with respect thereto).

(b) When any Default has occurred and is continuing under this Indenture, the Company shall, within twenty (20) Business Days after becoming aware of such Default, deliver to the Trustee by registered or certified mail, by facsimile transmission or by electronic delivery, a statement specifying such Default and what action the Company is taking with respect thereto.

Section 4.05 Taxes.

The Company shall pay or discharge, and shall cause each of the Restricted Subsidiaries to pay or discharge, prior to delinquency, all material taxes, lawful assessments, and governmental levies except such as are contested in good faith and by appropriate actions or where the failure to effect such payment or discharge is not adverse in any material respect to the Holders.

Section 4.06 Stay, Extension and Usury Laws.

The Company and each of the Guarantors covenant (to the extent that they may lawfully do so) that they shall not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and the Company and each of the Guarantors (to the extent that they may lawfully do so) hereby expressly waive all benefit or advantage of any such law, and covenant (to the extent that they may lawfully do so) that they shall not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law has been enacted.

Section 4.07 Limitation on Restricted Payments.

(a) The Company shall not, and shall not permit any of the Restricted Subsidiaries to, directly or indirectly:

(I) declare or pay any dividend or make any payment or distribution on account of the Company's, or any of the Restricted Subsidiaries', Equity Interests, including any dividend or distribution payable in connection with any merger or consolidation other than:

(A) dividends, payments or distributions by the Company payable solely in Equity Interests (other than Disqualified Stock) of the Company or in options, warrants or other rights to purchase such Equity Interests (other than Disqualified Stock); or

(B) dividends, payments or distributions by a Restricted Subsidiary so long as, in the case of any dividend, payment or distribution payable on or in respect of any class or series of securities issued by a Restricted Subsidiary other than a Wholly-Owned Subsidiary, the Company or a Restricted Subsidiary receives at least its pro rata share of such dividend, payment or distribution in accordance with its Equity Interests in such class or series of securities;

(II) purchase, redeem, defease or otherwise acquire or retire for value any Equity Interests of the Company or any Parent Entity, including in connection with any merger or consolidation, in each case held by a Person other than the Company or a Restricted Subsidiary;

(III) make any principal payment on, or redeem, repurchase, defease or otherwise acquire or retire for value, in each case, prior to any scheduled repayment, sinking fund payment or maturity, any Subordinated Indebtedness of the Company or any Guarantor, other than:

(A) Indebtedness permitted under clauses (7), (8) and (9) of Section 4.09(b); or

(B) the payment, redemption, defeasance, purchase, repurchase, retirement for value or other acquisition of such Subordinated Indebtedness purchased in anticipation of satisfying a sinking fund obligation, principal installment or final maturity, in each case due within one year of such payment, redemption, defeasance, purchase, repurchase, retirement or acquisition; or

(IV) make any Restricted Investment

(all such payments and other actions set forth in clauses (I) through (IV) of this Section 4.07(a) (other than any exception thereto specified above) being collectively referred to as "Restricted Payments"), unless, at the time of such Restricted Payment:

(1) except in the case of a Restricted Investment, no Default or Event of Default shall have occurred and be continuing or would occur as a consequence thereof;

Unrestricted Subsidiaries will not be subject to any of the restrictive covenants set forth in this Indenture.

(f) For the avoidance of doubt, this covenant shall not restrict the making of any “AHYDO catch-up payment” with respect to, and required by the terms of, any Indebtedness of the Company or any of its Restricted Subsidiaries permitted to be incurred under the terms of this Indenture.

(12) restrictions or conditions contained in any trading, netting, operating, construction, service, supply, purchase, sale or other agreement to which the Company or any of the Restricted Subsidiaries is a party entered into in the ordinary course of business; provided that such agreement prohibits the encumbrance of solely the property or assets of the Company or such Restricted Subsidiary that are the subject of such agreement, the payment rights arising thereunder or the proceeds thereof and does not extend to any other asset or property of the Company or such Restricted Subsidiary or the assets or property of another Restricted Subsidiary;

(17) any encumbrances or restrictions of the type referred to in clauses (1), (2) and (3) of Section 4.08(a) imposed by any amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings of the contracts, instruments or obligations referred to in clauses (1) through (16) of this Section 4.08(b); provided that such amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings are, in the good faith judgment of the Company, not materially more restrictive with respect to such encumbrance and other restrictions taken as a whole than those prior to such amendment, modification, restatement, renewal, increase, supplement, refunding, replacement or refinancing.

(c) For purposes of determining compliance with this Section 4.08, (i) the priority of any Preferred Stock in receiving dividends or liquidating distributions prior to dividends or liquidating distributions being paid on common stock shall not be deemed a restriction on the ability to make distributions on Capital Stock and (ii) the subordination of loans and advances made to the Company or a Restricted Subsidiary, to other Indebtedness incurred by the Company or such Restricted Subsidiary shall not be deemed a restriction on the ability to make loans or advances.

Disqualified Stock, and any of the Restricted Subsidiaries may incur Indebtedness (including Acquired Indebtedness), issue shares of Disqualified Stock and Preferred Stock, if the Fixed Charge Coverage Ratio on a consolidated basis for the Company and the Restricted Subsidiaries' most recently ended Test Period immediately preceding the date on which such additional Indebtedness is incurred or such Disqualified Stock or Preferred Stock is issued would have been at least 2.00 to 1.00, determined on a pro forma basis (including a pro forma application of the net proceeds therefrom), as if the additional Indebtedness had been incurred, or the Disqualified Stock or Preferred Stock had been issued, as the case may be, and the application of proceeds therefrom had occurred at the beginning of such Test Period; provided further that Restricted Subsidiaries that are not Guarantors (except for any Broker-Dealer Regulated Subsidiary) may not incur Indebtedness or issue Disqualified Stock or Preferred Stock if, after giving pro forma effect to such incurrence or issuance (including a pro forma application of the net proceeds therefrom), the aggregate amount of Indebtedness (including Acquired Indebtedness), Disqualified Stock and Preferred Stock of Restricted Subsidiaries that are not Guarantors would be outstanding pursuant to this Section 4.09(a) (together with any Refinancing Indebtedness in respect thereof) at such time exceeds the greater of (i) \$200,000,000 and (ii) 36.0% of Consolidated EBITDA at the time of any incurrence pursuant to this Section 4.09(a).

(7) Indebtedness of the Company owing to a Restricted Subsidiary; provided that if such Indebtedness is owing to a Restricted Subsidiary that is not a Guarantor and if such Indebtedness is not in respect of accounts payable incurred in connection with goods and services rendered in the ordinary course of business (and not in connection with the borrowing of money), such Indebtedness is expressly subordinated in right of payment to the Notes to the extent such subordination is permitted by applicable law; provided further that any subsequent issuance or transfer of any Capital Stock or any other event which results in any such Restricted Subsidiary ceasing to be a Restricted Subsidiary or any other subsequent transfer of any such Indebtedness (except to the Company or another Restricted Subsidiary or any pledge of such Indebtedness constituting a Permitted Lien (but not foreclosure thereon)) shall be deemed, in each case, to be an incurrence of such Indebtedness (to the extent such Indebtedness is then outstanding) not permitted by this clause (7);

(8) Indebtedness of a Restricted Subsidiary owing to the Company or another Restricted Subsidiary; provided that if a Guarantor incurs such Indebtedness owing to a Restricted Subsidiary that is not a Guarantor and if such Indebtedness is not in respect of accounts payable incurred in connection with goods sold or services rendered in the ordinary course of business (and not in connection with the borrowing of money), such Indebtedness shall be expressly subordinated in right of payment to the Guarantee of the Notes of such Guarantor to the extent such subordination is permitted by applicable law; provided further that any subsequent issuance or transfer of any Capital Stock or any other event that results in any such Restricted Subsidiary ceasing to be a Restricted Subsidiary or any other subsequent transfer of any such Indebtedness (except to the Company or another Restricted Subsidiary or any pledge of such Indebtedness constituting a Permitted Lien (but not foreclosure thereon)) shall be deemed, in each case, to be an incurrence of such Indebtedness (to the extent such Indebtedness is then outstanding) not permitted by this clause (8);

(17) (a) any guarantee by the Company or a Restricted Subsidiary of Indebtedness or other obligations of any Restricted Subsidiary so long as the incurrence of such Indebtedness incurred by such Restricted Subsidiary is permitted under the terms of this Indenture, or

(b) any guarantee by a Restricted Subsidiary of Indebtedness of the Company or any other Restricted Subsidiary so long as the incurrence of that such Indebtedness is permitted under the terms of this Indenture; or

(c) any guarantee incurred by the Company or any Restricted Subsidiary in respect of Investments made as guarantees of the obligations of financial advisors to any Person making loans, mortgages, advances and extensions of credit to such financial advisors, to the extent permitted under clause (34) of the definition of "Permitted Investments";

(19) Indebtedness under a Receivables Facility;

(20) Indebtedness of the Company or any of the Restricted Subsidiaries consisting of (i) the financing of insurance premiums or (ii) take-or-pay obligations contained in supply arrangements in each case, incurred in the ordinary course of business;

(26) Indebtedness incurred or Disqualified Stock issued by the Company or Indebtedness incurred or Disqualified Stock or Preferred Stock issued by any Restricted Subsidiary, in each case, to the extent that the net proceeds thereof are promptly deposited with the Trustee to defease or satisfy and discharge the Notes in accordance with this Indenture; and

(27) to the extent constituting Indebtedness, all premiums (if any), interest (including post-petition interest), fees, expenses, charges and additional or contingent interest on obligations described in clauses (1) through (26) above.

(c) For purposes of determining compliance with this Section 4.09:

(1) in the event that an item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) at any time, whether at the time of incurrence or issuance or upon the application of all or a portion of the proceeds thereof or subsequently, meets the criteria of more than one of the categories of permitted Indebtedness, Disqualified Stock or Preferred Stock described in clauses (1) through (26) of Section 4.09(b) or is entitled to be incurred pursuant to Section 4.09(a), the Company, in its sole discretion, will be entitled to divide, classify, re-divide or reclassify such item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) and shall only be required to include the amount and type of such Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) in Section 4.09(a) or in one of the clauses of Section 4.09(b); provided that all Indebtedness outstanding under the Senior Credit Agreement on the Issue Date shall be treated as incurred on the Issue Date under clause (1) of Section 4.09(b); and

(2) availability and utilization of any category of financial ratio based exceptions, thresholds and baskets shall first be calculated without giving effect to amounts to be utilized under any other category of exceptions, thresholds and baskets at such time of determination (including at the time of any initial division and classification and any later re-divisions and reclassifications) and thereafter, availability and utilization of any category of exceptions, thresholds and baskets that are not financial ratio based shall be calculated.

Accrual of interest or dividends, the accretion of accreted value, the accretion or amortization of original issue discount and the payment of interest or dividends in the form of additional Indebtedness, Disqualified Stock or Preferred Stock will be deemed to not be an incurrence of Indebtedness, Disqualified Stock or Preferred Stock for purposes of this covenant. Any Indebtedness, Disqualified Stock and Preferred Stock incurred or issued to refinance Indebtedness, Disqualified Stock or Preferred Stock incurred pursuant to clauses (1), (12)(b) or (18) above shall be permitted to include additional Indebtedness, Disqualified Stock or Preferred Stock incurred to pay accrued but unpaid interest and dividends and to pay premiums (including tender premiums), penalties and similar amounts, defeasance costs, underwriting costs and fees and expenses (including original issue discount, upfront fees or similar fees) incurred in connection with such refinancing (including with respect to such new Indebtedness, Disqualified Stock or Preferred Stock).

For purposes of determining compliance with any U.S. dollar-denominated restriction on the incurrence of Indebtedness or issuance of Disqualified Stock or Preferred Stock, the U.S. Dollar Equivalent principal amount of Indebtedness, Disqualified Stock or Preferred Stock denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness, Disqualified Stock or Preferred Stock was incurred or issued, (or, in the case of revolving credit Indebtedness, the date such Indebtedness was first committed or first incurred (whichever yields the lower U.S. Dollar Equivalent)); provided that if such Indebtedness is incurred or Disqualified Stock or Preferred Stock is issued, to extend, replace, refund, renew, defease or refinance other Indebtedness denominated in a foreign currency, and such extension, replacement, refunding, renewal, defeasance or refinancing would cause the applicable U.S. dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such extension, replacement, refunding, renewal, defeasance or refinancing, such U.S. dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount or liquidation preference, as applicable, of such refinancing Indebtedness, Disqualified Stock or Preferred Stock does not exceed (i) the principal amount or liquidation preference, as applicable, of such Indebtedness, Disqualified Stock or Preferred Stock being extended, replaced, refunded, renewed, defeased or refinanced plus (ii) the aggregate amount of fees, underwriting discounts, premiums (including tender premiums), penalties and similar amounts, defeasance costs, accrued interest and dividends, underwriting costs and fees and expenses (including original issue discount, upfront fees or similar fees) and other costs and expenses incurred in connection with such refinancing (including with respect to such new Indebtedness, Disqualified Stock or Preferred Stock).

The principal amount or liquidation preference, as applicable, of any Indebtedness incurred or Disqualified Stock or Preferred Stock issued to refinance other Indebtedness, Disqualified Stock or Preferred Stock, if incurred or issued in a different currency from the Indebtedness, Disqualified Stock or Preferred Stock, as applicable, being refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such respective Indebtedness, Disqualified Stock or Preferred Stock is denominated that is in effect on the date of such refinancing.

The Company shall not, and shall not permit any Guarantor to, directly or indirectly, incur any Indebtedness (including Acquired Indebtedness) that is contractually subordinated in right of payment to any Indebtedness of the Company or such Guarantor, as the case may be, unless such Indebtedness is expressly subordinated in right of payment to the Notes or such Guarantor's Guarantee to the extent and in the same manner as such Indebtedness is contractually subordinated to other Indebtedness of the Company or such Guarantor, as the case may be.

For the purposes of this Indenture, Indebtedness that is unsecured is not deemed to be subordinated or junior to Secured Indebtedness merely because it is unsecured, and Indebtedness is not deemed to be subordinated or junior to any other Indebtedness merely because it has a junior priority lien with respect to the same collateral or because it is secured by different collateral or issued or guaranteed by other obligors.

Section 4.10 Asset Sales.

(a) The Company shall not, and shall not permit any Restricted Subsidiary to, consummate, directly or indirectly, an Asset Sale, unless:

(1) the Company or such Restricted Subsidiary, as the case may be, receives consideration at the time of such Asset Sale at least equal to the fair market value (as determined at the time of contractually agreeing to such sale) of the assets sold or otherwise disposed of; and

(2) except in the case of a Permitted Asset Swap, at least 75% of the consideration for such Asset Sale, together with all other Asset Sales since the Issue Date (on a cumulative basis) received by the Company and the Restricted Subsidiaries, is in the form of Cash Equivalents.

(b) Within 450 days after the receipt of any Net Proceeds of any Asset Sale, the Company or such Restricted Subsidiary, at its option, may apply the Net Proceeds from such Asset Sale,

(1) to permanently reduce:

(a) Obligations under the Senior Credit Agreement, and to correspondingly reduce commitments with respect thereto;

(b) Obligations under Senior Indebtedness of the Company or a Guarantor that is secured by a Lien, which Lien is permitted by this Indenture, and to correspondingly reduce commitments with respect thereto;

(c) Obligations under the Notes or any other Senior Indebtedness (and, in the case of other Senior Indebtedness, to correspondingly reduce commitments with respect thereto, if applicable) or make an offer to purchase the Notes or such other Senior Indebtedness; provided that, if the Company or any Restricted Subsidiary shall so repay or make an offer to purchase any Senior Indebtedness other than the Notes, the Company shall either (A) reduce Obligations under the

Notes on a pro rata basis by, at its option, (i) redeeming the Notes as provided under Section 3.07, or (ii) purchasing the Notes through open-market purchases or in privately negotiated transactions at market prices (which may be below par), or (B) make an offer (in accordance with the procedures set forth below for an Asset Sale Offer) to all Holders to purchase their Notes, on a ratable basis with such other Senior Indebtedness for no less than 100% of the principal amount thereof, plus the amount of accrued but unpaid interest, if any, thereon up to the principal amount of Notes to be repurchased; or

(d) Indebtedness of a Restricted Subsidiary that is not a Guarantor, other than Indebtedness owed to the Company or another Restricted Subsidiary; or

(2) to make (a) an Investment in any one or more businesses; provided that such Investment in any business is in the form of the acquisition of Capital Stock and results in the Company or a Restricted Subsidiary, as the case may be, owning an amount of the Capital Stock of such business such that it constitutes or continues to constitute a Restricted Subsidiary, (b) capital expenditures or (c) acquisitions of other assets that, in each of (a), (b) and (c), are either (i) used or useful in a Similar Business or (ii) replace in whole or in part the businesses or assets that are the subject of such Asset Sale;

provided that, in the case of clause (2) in this Section 4.10(b), a binding commitment shall be treated as a permitted application of the Net Proceeds from the date of such commitment so long as the Company or Restricted Subsidiary enters into such commitment with the good faith expectation that such Net Proceeds shall be applied to satisfy such commitment within the later of such 450th day and 180 days of such commitment (an "Acceptable Commitment"); and, in the event any Acceptable Commitment is later cancelled or terminated for any reason before the Net Proceeds are applied in connection therewith, then such Net Proceeds shall constitute Excess Proceeds unless the Company or Restricted Subsidiary enters into another Acceptable Commitment (a "Second Commitment") within 180 days of such cancellation or termination (or, if later, 450 days after receipt of such Net Proceeds); provided further that if any Second Commitment is later cancelled or terminated for any reason before such Net Proceeds are applied, then such Net Proceeds shall constitute Excess Proceeds.

(c) Any Net Proceeds from an Asset Sale (other than any amounts excluded from this Section 4.10 pursuant to Section 4.10(g)) that are not invested or applied as provided and within the time period set forth in Section 4.10(b) shall be deemed to constitute "Excess Proceeds." When the aggregate amount of Excess Proceeds exceeds \$75,000,000 (the "Excess Proceeds Threshold"), the Company shall make an offer to all Holders, and, if and to the extent required by the terms of any Indebtedness that is pari passu with the Notes ("Pari Passu Indebtedness"), to the holders of such Pari Passu Indebtedness (an "Asset Sale Offer"), to purchase the maximum aggregate principal amount of the Notes and such Pari Passu Indebtedness that is equal to \$2,000 or an integral multiple of \$1,000 in excess thereof that may be purchased out of the Excess Proceeds at an offer price in cash in an amount equal to 100% of the principal amount thereof (or accreted value thereof, if less), plus accrued and unpaid interest, if any, to, but excluding, the date fixed for the closing of such offer, and in the case of any Pari Passu Indebtedness, at the offer price required by the terms thereof but not to exceed 100.0% of

the principal amount thereof, plus accrued and unpaid interest, if any, in accordance with the procedures set forth in this Indenture and the agreement governing such Pari Passu Indebtedness. The Company shall commence an Asset Sale Offer with respect to Excess Proceeds within fifteen (15) Business Days after the date that Excess Proceeds exceed the Excess Proceeds Threshold by sending the notice required pursuant to the terms of this Indenture, with a copy to the Trustee or otherwise in accordance with the procedures of DTC. The Company may satisfy the foregoing obligation with respect to such Net Proceeds from an Asset Sale by making an Asset Sale Offer with respect to all or a portion of the available Net Proceeds (the "Advance Portion") in advance of being required to do so by this Indenture (the "Advance Offer").

(d) To the extent that the aggregate principal amount (or accreted value, as applicable) of Notes and such Pari Passu Indebtedness tendered pursuant to an Asset Sale Offer is less than the Excess Proceeds (or, in the case of an Advance Offer, the Advance Portion), the Company may use any remaining Excess Proceeds (or, in the case of an Advance Offer, the Advance Portion) for such amount offered in any manner not prohibited by this Indenture and the obligations of the Company and its Restricted Subsidiaries described in this Section 4.10 shall be deemed to have been satisfied to the extent of any such Asset Sale Offer and Advance Offer so made regardless of the amount tendered or surrendered pursuant thereto. If the aggregate principal amount (or accreted value, as applicable) of Notes or the Pari Passu Indebtedness surrendered by such Holders and holders thereof exceeds the amount of Excess Proceeds (or, in the case of an Advance Offer, the Advance Portion), the Company shall select the Notes and such Pari Passu Indebtedness to be purchased on a pro rata basis based on the accreted value or principal amount of the Notes or such Pari Passu Indebtedness tendered. Upon completion of any such Asset Sale Offer, the amount of Excess Proceeds shall be reset at zero, but in the case of an Advance Offer, the amount of Net Proceeds the Company is offering to apply in such Advance Offer shall be excluded in subsequent calculations of Excess Proceeds. Additionally, upon consummation or expiration of any Asset Sale Offer or Advance Offer, any remaining Net Proceeds shall not be deemed Excess Proceeds and the Company and its Restricted Subsidiaries may use such Net Proceeds for any purpose not otherwise prohibited under this Indenture.

(e) Pending the final application of any Net Proceeds pursuant to this Section 4.10, the holder of such Net Proceeds may apply such Net Proceeds temporarily to reduce Indebtedness outstanding under a revolving credit facility (including under the Senior Credit Agreement) or otherwise invest such Net Proceeds in any manner not prohibited by this Indenture.

(f) For purposes of this Section 4.10, the following are deemed to be Cash Equivalents:

(1) any liabilities (as shown on the Company's, or such Restricted Subsidiary's, most recent balance sheet or in the notes thereto, or if incurred or accrued subsequent to the date of such balance sheet, such liabilities that would have been shown on the Company's or such Restricted Subsidiary's balance sheet or in the footnotes thereto if such incurrence or accrual had taken place on or prior to the date of such balance sheet, as determined in good faith by the Company) of the Company or any Restricted Subsidiary, other than liabilities that are by their terms subordinated to the Notes, that are assumed by the transferee of any such assets (or are otherwise extinguished in connection with the transactions relating to such Asset Sale) and for which the Company and all Restricted Subsidiaries have been validly released by all creditors in writing;

(2) any securities, notes or other obligations received by the Company or such Restricted Subsidiary from such transferee that are converted by the Company or such Restricted Subsidiary into Cash Equivalents (to the extent of the Cash Equivalents received) within 180 days following the closing of such Asset Sale; and

(3) any Designated Non-cash Consideration received by the Company or such Restricted Subsidiary in such Asset Sale having an aggregate fair market value, taken together with all other Designated Non-cash Consideration received pursuant to this clause (3) that is at that time outstanding, not to exceed the greater of (x) \$100,000,000 and (y) 18.0% of Consolidated EBITDA at the time of the receipt of such Designated Non-cash Consideration, with the fair market value of each item of Designated Non-cash Consideration being measured at the time received and without giving effect to subsequent changes in value.

(g) Notwithstanding any other provisions of this Section 4.10, (i) to the extent that any or all of the Net Proceeds of any Asset Sale by a Foreign Subsidiary (a "Foreign Disposition") is prohibited or delayed by applicable local law, an amount equal to the portion of such Net Proceeds so affected will not be required to be applied in compliance with this Section 4.10, and such amounts may be retained by the applicable Foreign Subsidiary; provided that if at any time within one year following the date on which the respective payment would otherwise have been required, such repatriation of any of such affected Net Proceeds is permitted under the applicable local law, an amount equal to such amount of Net Proceeds so permitted to be repatriated will be promptly applied (net of any taxes, costs or expenses that would be payable or reserved against if such amounts were actually repatriated whether or not they are repatriated) in compliance with this Section 4.10 and (ii) to the extent that the Company has determined in good faith that repatriation of any or all of the Net Proceeds of any Foreign Disposition would result in material adverse tax consequences (which, for the avoidance of doubt, includes, but is not limited to, any material tax liability as a result of a deemed dividend pursuant to Section 956 of the Code or a withholding tax) to the Company, any of its Subsidiaries or any Parent Entity, the Net Proceeds so affected may be retained by the applicable Foreign Subsidiary and an amount equal to such Net Proceeds will not be required to be applied in compliance with this Section 4.10. The non-application of any prepayment amounts as a consequence of the foregoing provisions will not, for the avoidance of doubt, constitute a Default or an Event of Default. For the avoidance of doubt, nothing in this Indenture shall be construed to require any Subsidiary to repatriate cash.

Section 4.11 Transactions with Affiliates.

(a) The Company shall not, and shall not permit any of the Restricted Subsidiaries to, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate of the Company (each of the foregoing, an "Affiliate Transaction") involving aggregate payments or consideration in excess of \$50,000,000, unless:

(1) such Affiliate Transaction is on terms that are not materially less favorable to the Company or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Company or such Restricted Subsidiary with an unrelated Person on an arm's-length basis; and

(2) the Company delivers to the Trustee with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate payments or consideration in excess of \$75,000,000, a resolution adopted by the majority of the Board of the Company approving such Affiliate Transaction and set forth in an Officer's Certificate certifying that such Affiliate Transaction complies with clause (1) of this Section 4.11(a).

(b) The provisions of Section 4.11(a) shall not apply to the following:

(1) (A) transactions between or among the Company or any of the Restricted Subsidiaries (or any entity that becomes a Restricted Subsidiary as a result of such transaction) and (B) any merger, consolidation or amalgamation of the Company and any Parent Entity; provided that such Parent Entity shall have no material liabilities and no material assets other than cash, Cash Equivalents and the Capital Stock of the Company and liabilities and assets that the Company would be permitted to have if incurred or acquired on the date of such merger and such merger, amalgamation or consolidation is otherwise consummated in compliance with the terms of this Indenture and effected for a bona fide business purpose;

(2) Restricted Payments permitted by Section 4.07, any transaction specifically excluded from clauses (I) and (III) of the definition of "Restricted Payments" in Section 4.07(a) and "Permitted Investments";

(3) the payment of reasonable and customary fees and compensation paid to, and benefits, indemnities and reimbursements and employment and severance arrangements provided on behalf of, or for the benefit of, former, current or future officers, directors, employees or consultants (or their respective Immediate Family Members) of the Company, any of the Restricted Subsidiaries or any Parent Entity;

(4) transactions in which the Company or any of the Restricted Subsidiaries, as the case may be, delivers to the Trustee a letter from an Independent Financial Advisor stating that such transaction is fair to the Company or such Restricted Subsidiary from a financial point of view or stating that the terms are not materially less favorable to the Company or its relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Company or such Restricted Subsidiary with an unrelated Person on an arm's-length basis;

(5) any agreement or arrangement as in effect as of the Issue Date, or any amendment thereto (so long as any such amendment is not disadvantageous in any material respect to the Holders when taken as a whole as compared to the applicable agreement as in effect on the Issue Date as determined by the Company in good faith);

(6) any contribution to the capital stock of the Company;

(7) transactions with customers, clients, suppliers, contractors, joint venture partners or purchasers or sellers of goods or services that are Affiliates, or transactions otherwise relating to the purchase or sale of goods or services, in each case in the ordinary course of business and otherwise in compliance with the terms of this Indenture which are fair to the Company and the Restricted Subsidiaries, in the reasonable determination of the Company, or are on terms at least as favorable as might reasonably have been obtained at such time from an unaffiliated party;

(8) the issuance, sale or transfer of (a) Equity Interests (other than Disqualified Stock) of the Company to any Person and the granting and performing of customary rights (including registration rights) in connection therewith, and any contribution to the capital of the Company and (b) directors' qualifying shares and shares issued to foreign nationals as required by applicable law;

(9) transactions effected as part of any Receivables Facility that are otherwise permitted under this Indenture;

(10) payments or loans (or cancellation of loans) to employees, directors or consultants of the Company, any of the Restricted Subsidiaries or any Parent Entity and employment agreements, stock option plans and other similar arrangements with such employees, directors or consultants (or their respective Immediate Family Members) which, in each case, are approved by the Company in good faith;

(11) any guarantee by any Parent Entity of Indebtedness of the Company or any Restricted Subsidiary that was permitted by this Indenture;

(12) payments to any future, current or former employee, director, officer, manager or consultant (or their respective Immediate Family Members) of the Company, any of their respective Subsidiaries or any Parent Entity pursuant to any management equity plan or stock option plan or any other management or employee benefit plan or agreement or any stock subscription or shareholder agreement; and any employment agreements, stock option plans and other compensatory arrangements (and any successor plans thereto) and any health, disability and similar insurance or benefit plans or supplemental executive retirement benefit plans or arrangements with any such employees, directors, officers, managers or consultants (or their respective Immediate Family Members) that are, in each case, approved by the Company in good faith;

(13) transactions with a Person that is an Affiliate of the Company (excluding any Unrestricted Subsidiary) solely because the Company or Restricted Subsidiary owns any Equity Interest in, or controls, such Person;

(14) payments by the Company (and any Parent Entity) and their respective Subsidiaries pursuant to tax sharing agreements among the Company (and any such Parent Entity) and their respective Subsidiaries on customary terms and shall not exceed the excess (if any) of the amount of taxes they would have paid on a stand-alone basis over the amount of such taxes they actually pay directly to governmental authorities;

(15) any lease entered into between the Company or any Restricted Subsidiary, as lessee or lessor, and any Affiliate of the Company, as lessor or lessee, and the transactions pursuant to that lease, which is approved by the Company in good faith;

(16) intellectual property licenses in the ordinary course of business;

(17) any transaction between the Company or any Restricted Subsidiary and any Person that would constitute an Affiliate Transaction solely because a director of which is also a director of the Company or any Parent Entity; provided, however, that such director abstains from voting as a director of the Company or such Parent Entity, as the case may be, on any matter including such other Person;

(18) pledges of Equity Interests of Unrestricted Subsidiaries;

(19) payments to or from, and transactions with, any joint venture in the ordinary course of business (including, without limitation, any cash management activities related thereto);

(20) the existence of, or the performance by the Company or any of its Restricted Subsidiaries of its obligations under the terms of, any equityholders, investor rights or similar agreement (including any registration rights agreement or purchase agreement related thereto) to which it (or any Parent Entity) is a party as of the Issue Date and any amendment thereto and any similar agreements which it (or any Parent Entity) may enter into thereafter; provided that the existence of, or the performance by the Company or any of its Restricted Subsidiaries (or such Parent Entity) of obligations under any future amendment to any such existing agreement or arrangement or under any similar agreement or arrangement entered into after the Issue Date shall only be permitted by this clause (20) to the extent that the terms of any such amendment or new agreement or arrangement are not otherwise, when taken as a whole, more disadvantageous in any material respect in the good faith judgment of the Company to the Holders than those in effect on the Issue Date; and

(21) transactions permitted by, and complying with, the provisions of the covenant described under Section 5.01 solely for the purpose of (a) forming a holding company or (b) reincorporating the Company in a new jurisdiction.

Section 4.12 Liens.

The Company shall not, and shall not permit any Guarantor to, directly or indirectly, create, incur, assume or suffer to exist any Lien (except Permitted Liens) (each, an "Initial Lien") that secures Obligations under any Indebtedness on any asset or property of the Company or any Guarantor, or any income or profits therefrom, or assign or convey any right to receive income therefrom, unless:

(1) in the case of Initial Liens securing Subordinated Indebtedness, the Notes and related Guarantees are secured by a Lien on such property, assets or proceeds that is senior in priority to such Initial Liens; or

(2) in all other cases, the Notes or the Guarantees are equally and ratably secured.

Any Lien created for the benefit of the Holders pursuant to this Section 4.12 shall provide by its terms that such Lien shall be automatically and unconditionally released and discharged upon the release and discharge of the Initial Lien that gave rise to the obligation to so secure the Notes (other than a release or discharge resulting from the enforcement of remedies in respect of such Initial Lien or obligation secured by such Initial Lien).

The expansion of Liens by virtue of the accretion of accreted value, the accretion or amortization of original issue discount, the payment of interest or dividends in the form of Indebtedness and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies will, in each case, not be deemed to be an incurrence of Liens for purposes of this Section 4.12.

Section 4.13 Corporate Existence.

Subject to Article 5, the Company shall do or cause to be done all things necessary to preserve and keep in full force and effect its company existence, and the corporate, partnership, limited liability company or other existence of each of the Restricted Subsidiaries, in accordance with the respective organizational documents (as the same may be amended, supplemented or otherwise modified from time to time) of the Company or any such Restricted Subsidiary; provided that the Company shall not be required to preserve the corporate, partnership, limited liability company or other existence of any of the Restricted Subsidiaries, if the Company in good faith shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Company and the Restricted Subsidiaries, taken as a whole.

Section 4.14 Offer to Repurchase Upon Change of Control.

(a) If a Change of Control occurs, unless, prior to the time the Company is required to make a Change of Control Offer (as defined below), the Company has previously or concurrently mailed or transmitted electronically a redemption notice with respect to all the outstanding Notes as described under Section 3.07 or Section 11.01, the Company shall make an offer to purchase all of the Notes pursuant to the offer described below (the “Change of Control Offer”) at a price in cash (the “Change of Control Payment”) equal to 101% of the aggregate principal amount thereof plus accrued and unpaid interest, if any, to, but excluding, the date of purchase, subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date falling on or prior to the Change of Control Payment Date. Within 30 days following any Change of Control, the Company shall send notice of such Change of Control Offer by first-class mail or electronic delivery, with a copy to the Trustee, to each Holder to the address of such Holder appearing in the security register or otherwise in accordance with the procedures of DTC, with the following information:

(1) that a Change of Control Offer is being made pursuant to this Section 4.14 and that all Notes properly tendered pursuant to such Change of Control Offer will be accepted for payment by the Company;

(2) the purchase price and the purchase date, which will be no earlier than 20 Business Days nor later than 60 days from the date such notice is mailed or transmitted electronically (the "Change of Control Payment Date"), except in the case of a conditional Change of Control Offer made in advance of a Change of Control as described below;

(3) that any Note not properly tendered will remain outstanding and continue to accrue interest;

(4) that unless the Company defaults in the payment of the Change of Control Payment, all Notes accepted for payment pursuant to the Change of Control Offer will cease to accrue interest on the Change of Control Payment Date;

(5) that Holders electing to have any Notes purchased pursuant to a Change of Control Offer will be required to surrender such Notes, with the form entitled "Option of Holder to Elect Purchase" on the reverse of such Notes completed, to the paying agent specified in the notice or otherwise in accordance with DTC procedures, at the address specified in the notice prior to the close of business on the third (3rd) Business Day preceding the Change of Control Payment Date;

(6) that Holders shall be entitled to withdraw their tendered Notes and their election to require the Company to purchase such Notes; provided that the paying agent receives, not later than the close of business on the second Business Day prior to the expiration time of the Change of Control Offer, a facsimile transmission or letter setting forth the name of the Holder, the principal amount of Notes tendered for purchase, and a statement that such Holder is withdrawing its tendered Notes and its election to have such Notes purchased and any other information as may be required by the paying agent;

(7) that if the Company is redeeming less than all of the Notes, the Holders of the remaining Notes will be issued new Notes and such new Notes will be equal in principal amount to the unpurchased portion of the Notes surrendered. The unpurchased portion of the Notes must be in minimum denominations \$2,000 or an integral multiple of \$1,000 in excess thereof;

(8) if such notice is delivered prior to the occurrence of a Change of Control, stating that the Change of Control Offer is conditional on the occurrence of such Change of Control, and, if applicable, stating that, in the Company's discretion, the Change of Control Payment Date may be delayed until such time as any or all applicable conditions shall be satisfied, or that such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the Change of Control Payment Date, or by the Change of Control Payment Date as so delayed; and

(9) the other instructions, as determined by the Company, consistent with this Section 4.14, that a Holder must follow.

(b) On the Change of Control Payment Date, the Company shall, to the extent permitted by law,

(1) accept for payment all Notes issued by it or portions thereof properly tendered pursuant to the Change of Control Offer,

(2) deposit with the Paying Agent an amount equal to the aggregate Change of Control Payment in respect of all Notes or portions thereof so tendered, and

(3) deliver, or cause to be delivered, to the Trustee for cancellation the Notes so accepted together with an Officer's Certificate to the Trustee stating that such Notes or portions thereof have been tendered to and purchased by the Company.

(c) The notice, if mailed or delivered in a manner herein provided, shall be conclusively presumed to have been given, whether or not the Holder receives such notice. If (i) the notice is mailed or delivered in a manner herein provided and (ii) any Holder fails to receive such notice or a Holder receives such notice but it is defective, such Holder's failure to receive such notice or such defect shall not affect the validity of the proceedings for the purchase of the Notes as to all other Holders that properly received such notice without defect.

(d) The Company shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws or regulations are applicable in connection with the repurchase of Notes pursuant to a Change of Control Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Section 4.14, the Company shall comply with the applicable securities laws and regulations and shall not be deemed to have breached their obligations under this Section 4.14 by virtue thereof.

(e) The Company shall not be required to make a Change of Control Offer if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Section 4.14 applicable to a Change of Control Offer made by the Company and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer. Notwithstanding anything to the contrary herein, a Change of Control Offer may be made in advance of a Change of Control, conditional upon such Change of Control, if a definitive agreement is in place for the Change of Control at the time of making of the Change of Control Offer.

(f) Other than as specifically provided in this Section 4.14, any purchase pursuant to this Section 4.14 shall be made pursuant to the provisions of Sections 3.02, 3.05, 3.06 and 3.07(e).

Section 4.15 Additional Guarantees.

The Company will not permit any of its Wholly-Owned Domestic Subsidiaries that is a Restricted Subsidiary, or any non-Wholly-Owned Domestic Subsidiary that is a Restricted Subsidiary if such non-Wholly-Owned Domestic Subsidiary guarantees any other Capital Markets Indebtedness of the Company or any Guarantor or becomes an obligor under any Credit Facility permitted under clause (1) of Section 4.09(b) (in each case, other than a Guarantor) to (x) guarantee the payment of any other Capital Markets Indebtedness of the Company or any other Guarantor or Indebtedness under any Credit Facility permitted under clause (1) of Section 4.09(b) or (y) become an obligor under any Credit Facility permitted under clause (1) of Section 4.09(b), in each case, unless such Subsidiary within 45 days executes and delivers a supplemental indenture to this Indenture providing for a Guarantee by such Subsidiary, except that with respect to clause (x) above only:

(1) if such Indebtedness is by its express terms subordinated in right of payment to the Notes or such Guarantor's Guarantee, any such guarantee by such Restricted Subsidiary with respect to such Indebtedness shall be subordinated in right of payment to such Guarantee substantially to the same extent as such Indebtedness is subordinated to the Notes; and

(2) such Restricted Subsidiary waives and will not in any manner whatsoever claim or take the benefit or advantage of, any right of reimbursement, indemnity or subrogation or any other right against the Company or any other Restricted Subsidiary as a result of any payment by such Restricted Subsidiary under its Guarantee;

provided that this Section 4.15 shall not be applicable to any guarantee of any Restricted Subsidiary that existed at the time such Person became a Restricted Subsidiary and was not incurred in connection with, or in contemplation of, such Person becoming a Restricted Subsidiary. The Company may elect, in its sole discretion, to cause any Subsidiary that is not otherwise required to be a Guarantor to become a Guarantor, in which case such Subsidiary shall not be required to comply with the 45 day period described in clause (1) or (2) above and such Guarantee may be released at any time in the Company's sole discretion, unless such Subsidiary is otherwise required by the applicable terms of this Indenture to provide a Guarantee.

Each Guarantee will also be released in accordance with Section 10.06.

Section 4.16 Discharge and Suspension of Covenants.

(a) If on any date (i) the Notes have Investment Grade Ratings from both Rating Agencies and (ii) no Default or Event of Default has occurred and is continuing under this Indenture, then, beginning on that day, (the occurrence of the events described in the foregoing clauses (i) and (ii) being collectively referred to as a "Covenant Suspension Event" and the date thereof being referred to as the "Suspension Date"), (A) the Guarantees will be automatically suspended and no longer be applicable until the occurrence of the Reversion Date (as defined below) (and will be automatically reinstated upon the occurrence of the Reversion Date) and (B) the Company and the Restricted Subsidiaries will not be subject to the following covenants: Section 4.07, Section 4.08, Section 4.09, Section 4.10, Section 4.11, Section 4.15, clause (4) of Section 5.01(a) and Section 5.01(c) (collectively, the "Suspended Covenants") until the occurrence of the Reversion Date.

(b) In the event that the Company and the Restricted Subsidiaries are not subject to the Suspended Covenants under this Indenture for any period of time as a result of the foregoing, and on any subsequent date (the “Reversion Date”) one or both of the Rating Agencies withdraw their Investment Grade Rating or downgrade the rating assigned to the Notes from below an Investment Grade Rating, then the Company and the Restricted Subsidiaries shall thereafter again be subject to the Suspended Covenants with respect to future events.

(c) The period of time from and including the Suspension Date to (and excluding) the Reversion Date is referred to as the “Suspension Period”). Upon the occurrence of a Covenant Suspension Event, the amount of Excess Proceeds from Net Proceeds shall be reset at zero.

(d) Notwithstanding the foregoing, in the event of any reinstatement of the Suspended Covenants, no action taken or omitted to be taken by the Company or any of the Restricted Subsidiaries or events occurring prior to such reinstatement will give rise to a Default or Event of Default under this Indenture with respect to the Notes and no Default or Event of Default will be deemed to exist or have occurred as a result of any failure by the Company or any Restricted Subsidiary to comply with any of the Suspended Covenants during the Suspension Period; provided that (i) with respect to Restricted Payments made after any such reinstatement, the amount of Restricted Payments made will be calculated as though Section 4.07 had been in effect prior to, but not during the Suspension Period, (ii) all Indebtedness incurred, or Disqualified Stock or Preferred Stock issued, during the Suspension Period will be classified to have been incurred or issued pursuant to clause (3) of Section 4.09(b), (iii) any Affiliate Transaction entered into after such reinstatement pursuant to an agreement entered into during any Suspension Period shall be deemed to be permitted pursuant to clause (5) of Section 4.11(b), (iv) any encumbrance or restriction on the ability of any Restricted Subsidiary that is not a Guarantor to take any action described in clauses (1) through (3) of Section 4.08(b) that becomes effective during any Suspension Period shall be deemed to be permitted pursuant to clause (1) of Section 4.08(b), (v) no Subsidiary of the Company shall be required to comply with the covenant described under Section 4.15 after such reinstatement with respect to any guarantee entered into by such Subsidiary during any Suspension Period; and (vi) all Investments made during the Suspension Period will be deemed to have been outstanding on the Issue Date, so that they are classified as Permitted Investments permitted under clause (5) of the definition of “Permitted Investments.” No Subsidiaries shall be designated as Unrestricted Subsidiaries during any Suspension Period.

(e) During any Suspension Period, the Company and its Restricted Subsidiaries will be entitled to incur Liens to the extent provided for under Section 4.12 (including, without limitation, Permitted Liens) and any Permitted Liens that refer to one or more Suspended Covenants shall be interpreted as though such applicable Suspended Covenant(s) continued to be applicable during the Suspension Period (but solely for Section 4.12 and for no other covenant).

(f) Notwithstanding that the Suspended Covenants may be reinstated after the Reversion Date, (1) no Default, Event of Default or breach of any kind will be deemed to exist under this Indenture, the Notes or the Guarantees with respect to the Suspended Covenants, and none of the Company or any of its Subsidiaries will bear any liability for any actions taken or events occurring during the Suspension Period, or any actions taken at any time pursuant to any contractual obligation arising during a Suspension Period, in each case, as a result of a failure to comply with the Suspended Covenants during the Suspension Period (or, upon termination of the Suspension Period or after that time, based on any action taken or event that occurred during the Suspension Period) and (2) following a Reversion Date, the Company and each Restricted Subsidiary will be permitted, without causing a Default or Event of Default, to honor, comply with or otherwise perform any contractual commitments or obligations arising during any Suspension Period (that were permitted to be entered into at such time) and to consummate any transactions contemplated thereby.

(g) The Company shall notify the Trustee of the occurrence of any Covenant Suspension Event; provided that no such notification shall be a condition for the suspension of the Suspended Covenants to be effective; provided further that the Trustee shall be under no obligation to inform Holders of the occurrence of any Covenant Suspension Event.

ARTICLE 5

SUCCESSORS

Section 5.01 Merger, Consolidation or Sale of All or Substantially All Assets.

(a) The Company shall not consolidate or merge with or into or wind up into (whether or not the Company is the surviving corporation), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets, in one or more related transactions, to any Person unless:

(3) immediately after such transaction, no Default or Event of Default exists;

(4) immediately after giving pro forma effect to such transaction and any related financing transactions, as if such transactions had occurred at the beginning of the most recently ended Test Period,

(A) the Successor Company or the Company, as applicable, would be permitted to incur at least \$1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in Section 4.09(a), or

(B) the Fixed Charge Coverage Ratio for the Successor Company or the Company, as applicable, and the Restricted Subsidiaries would be equal to or greater than the Fixed Charge Coverage Ratio for the Company and the Restricted Subsidiaries immediately prior to such transaction;

(5) each Guarantor, unless it is the other party to the transactions described above, in which case Section 5.01(c) shall apply, shall have by supplemental indenture confirmed that its Guarantee shall apply to such Person's obligations under this Indenture and the Notes; and

(6) the Company shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such supplemental indentures, if any, comply with this Indenture.

(b) The Successor Company shall succeed to, and be substituted for, the Company, as the case may be, under this Indenture, and the Notes and the Company will automatically be released and discharged from its obligations under this Indenture, the Guarantees and the Notes. Notwithstanding clauses (3) through (6) of Section 5.01(a) (which shall not apply to the following),

(1) any Restricted Subsidiary may consolidate with or merge into or transfer all or part of its properties and assets to the Company or any Restricted Subsidiary; and

(2) the Company may consolidate or merge with an Affiliate of the Company, as the case may be, solely for the purpose of reincorporating the Company in the United States, any state thereof, the District of Columbia or any territory thereof so long as the amount of Indebtedness of the Company and the Restricted Subsidiaries is not materially increased thereby.

(c) Subject to certain limitations described in this Indenture governing release of a Guarantee upon the sale, disposition or transfer of a Guarantor, no Guarantor shall, and the Company shall not permit any Guarantor to, consolidate or merge with or into or wind up into (whether or not the Guarantor is the surviving Person), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets, in one or more related transactions, to any Person (other than the Company or another Guarantor or a 100% Non-Guarantor Pledgee) unless:

(1) (A) such Guarantor is the surviving Person or the Person formed by or surviving any such consolidation, merger or wind-up (if other than such Guarantor) or to which such sale, assignment, transfer, lease, conveyance or other disposition will have been made is a Person organized or existing under the laws of the jurisdiction of organization of such Guarantor, as the case may be, or the laws of the United States, any state thereof, the District of Columbia, or any territory thereof (such Guarantor or such Person, as the case may be, being herein called the "Successor Person");

(B) the Successor Person, if other than such Guarantor, expressly assumes all the obligations of such Guarantor under this Indenture and such Guarantor's related Guarantee pursuant to supplemental indentures or other documents or instruments in form reasonably satisfactory to the Trustee;

(C) immediately after such transaction, no Default or Event of Default exists; and

(D) the Company shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that such consolidation, merger or transfer and such supplemental indentures, if any, comply with this Indenture;

(2) the transaction is made in compliance with Section 4.10; or

(3) in the case of assets comprised of Equity Interests of Subsidiaries that are not Guarantors, such Equity Interests are sold, assigned, transferred, leased, conveyed or otherwise disposed of to one or more Restricted Subsidiaries.

(d) Subject to certain limitations described in this Indenture, the Successor Person (if other than such Guarantor) shall succeed to, and be substituted for, such Guarantor under this Indenture and such Guarantor's Guarantee, and such Guarantor will automatically be released and discharged from its obligations under this Indenture and the Guarantor's Guarantee. Notwithstanding the foregoing, any Guarantor may (i) consolidate or merge with or wind up into or transfer all or part of its properties and assets to the Company or another Guarantor or a 100% Non-Guarantor Pledgee, (ii) merge with an Affiliate of the Company solely for the purpose of reincorporating or reorganizing the Guarantor in the United States, any state thereof, the District of Columbia or any territory thereof so long as the amount of Indebtedness of the Company and the Restricted Subsidiaries is not increased thereby and so long as the Successor Person (if not such Guarantor) assumes all of such Guarantor's obligations under its Guarantee in connection with such reincorporation or reorganization, (iii) convert into a Person organized or existing under the laws of the jurisdiction of organization of such Guarantor and so long as the Successor Person (if not such Guarantor) assumes all of such Guarantor's obligations under its Guarantee in connection with such reorganization or (iv) liquidate or dissolve or change its legal form if the Company determines in good faith that such action is in the best interests of the Company and is not materially disadvantageous to the Holders.

(e) Notwithstanding anything to the contrary in this Section 5.01, the Company may contribute Capital Stock of any or all of its Subsidiaries to any Guarantor.

Section 5.02 Successor Person Substituted.

Upon any consolidation or merger, or any sale, assignment, transfer, lease, conveyance or other disposition of all or substantially all of the assets of the Company in accordance with Section 5.01, the successor Person formed by such consolidation or into or with which the Company is merged or to which such sale, assignment, transfer, lease, conveyance or other disposition is made shall succeed to, and be substituted for (so that from and after the date of such consolidation, merger, sale, lease, conveyance or other disposition, the provisions of this Indenture referring to the Company shall refer instead to the successor Person and not to the Company), and may exercise every right and power of the Company under this Indenture with the same effect as if such successor Person had been named as the Company herein; provided that the predecessor Company shall be relieved from the obligation to pay the principal of and interest, if any, on the Notes and shall no longer be subject to this Indenture (except in the case of a lease of substantially all of the assets of the Company).

ARTICLE 6

(2) default for 30 days or more in the payment when due of interest on or with respect to the Notes;

(3) failure by the Company or any Guarantor for 60 days after receipt of written notice given by the Holders of not less than 30% in principal amount of the outstanding Notes (or the Trustee at the direction of such Holders) to comply with any of its obligations, covenants or agreements (other than a default referred to in clause (1) or (2) of this Section 6.01(a)) contained in this Indenture or the Notes; provided that in the case of a failure to comply with the provisions of Section 4.03, such period of continuance of such default or breach shall be 120 days after written notice described in this clause (3) has been given;

(4) default under any mortgage, indenture or instrument under which there is issued or by which there is secured or evidenced any Indebtedness for money borrowed by the Company or any of the Restricted Subsidiaries or the payment of which is guaranteed by the Company or any of the Restricted Subsidiaries (other than Indebtedness owed to the Company or a Restricted Subsidiary), whether such Indebtedness or guarantee now exists or is created after the Issue Date, if both:

(i) such default either results from the failure to pay any principal of such Indebtedness at its stated final maturity (after giving effect to any applicable grace periods) or relates to an obligation other than the obligation to pay principal of any such Indebtedness at its stated final maturity and results in the holder or holders of such Indebtedness causing such Indebtedness to become due prior to its stated maturity; and

(ii) the principal amount of such Indebtedness, together with the principal amount of any other such Indebtedness in default for failure to pay principal at its stated final maturity (after giving effect to any applicable grace periods), or the maturity of which has been so accelerated, aggregate \$75,000,000 or more at any one time outstanding;

(5) failure by the Company or any Significant Subsidiary (or any group of Restricted Subsidiaries that (determined as of the most recent consolidated financial statements of the Company for a fiscal quarter end provided as required by Section 4.03) together would constitute a Significant Subsidiary) to pay final judgments aggregating in excess of \$75,000,000 (net of amounts covered by insurance policies issued by reputable third party insurance companies), which final judgments remain unpaid, undischarged and unstayed for a period of more than 60 days after such judgment becomes final, and in the event such judgment is covered by insurance, an enforcement proceeding has been commenced by any creditor upon such judgment or decree which is not promptly stayed;

(6) the Company or any Significant Subsidiary (or any group of Restricted Subsidiaries that (determined as of the most recent consolidated financial statements of the Company for a fiscal quarter end provided as required by Section 4.03) together would constitute a Significant Subsidiary), pursuant to or within the meaning of any Bankruptcy Law:

(iv) makes a general assignment for the benefit of its creditors; or

(v) generally is not paying its debts as they become due;

(7) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(i) is for relief against the Company or any Significant Subsidiary (or any group of Restricted Subsidiaries that (determined as of the most recent consolidated financial statements of the Company for a fiscal quarter end provided as required by Section 4.03) together would constitute a Significant Subsidiary) in a proceeding in which the Company or any Significant Subsidiary is to be adjudicated bankrupt or insolvent;

(ii) appoints a receiver, liquidator, assignee, trustee, sequestrator or other similar official of the Company or any Significant Subsidiary (or any group of Restricted Subsidiaries that (determined as of the most recent consolidated financial statements of the Company for a fiscal quarter end provided as required by Section 4.03) together would constitute a Significant Subsidiary) or for all or substantially all of the property of the Company or any Significant Subsidiary; or

(iii) orders the liquidation of the Company or any Significant Subsidiary (or any group of Restricted Subsidiaries that (determined as of the most recent consolidated financial statements of the Company for a fiscal quarter end provided as required by Section 4.03) together would constitute a Significant Subsidiary);

and the order or decree remains unstayed and in effect for 60 consecutive days; or

(8) the Guarantee of any Significant Subsidiary (or any group of Restricted Subsidiaries that (determined as of the most recent consolidated financial statements of the Company for a fiscal quarter end provided as required by Section 4.03) together would constitute a Significant Subsidiary) shall for any reason (except as contemplated by the express terms thereof or this Indenture) cease to be in full force and effect or be declared null and void or any Officer of any Guarantor that is a Significant Subsidiary (or the Officers of any group of Restricted Subsidiaries that together (determined as of the most recent consolidated financial statements of the Company for a fiscal quarter end provided as required pursuant to Section 4.03) would constitute a Significant Subsidiary), as the case may be, denies in writing that it has any further liability under its Guarantee or gives written notice to such effect, other than by reason of the termination of this Indenture or the release of any such Guarantee in accordance with this Indenture.

(b) In the event of any Event of Default specified in clause (4) of Section 6.01(a), such Event of Default and all consequences thereof (excluding any resulting payment default, other than as a result of acceleration of the Notes) shall be annulled, waived and rescinded, automatically and without any action by the Trustee or the Holders, if within 30 days after such Event of Default arose:

- (1) the Indebtedness or guarantee that is the basis for such Event of Default has been discharged; or
- (2) holders thereof have rescinded or waived the acceleration, notice or action (as the case may be) giving rise to such Event of Default; or
- (3) the default that is the basis for such Event of Default has been cured, waived or is no longer continuing.

Section 6.02 Acceleration.

If any Event of Default (other than an Event of Default specified in clause (6) or (7) of Section 6.01(a)) occurs and is continuing under this Indenture, the Holders of at least 30% in principal amount of the then total outstanding Notes (or the Trustee at the direction of such Holders) may, by written notice to the Company, declare the principal, premium, if any, interest and any other monetary obligations on all the then outstanding Notes to be due and payable immediately. Upon the effectiveness of such declaration, such principal and interest shall be due and payable immediately.

Notwithstanding the foregoing, in the case of an Event of Default arising under clause (6) or (7) of Section 6.01(a), all outstanding Notes shall be due and payable immediately without further action or notice.

Section 6.03 Other Remedies.

If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal, premium, if any, and interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder of a Note in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

Section 6.04 Waiver of Past Defaults.

Holders of not less than a majority in aggregate principal amount of the then outstanding Notes by notice to the Trustee (with a copy to the Company; provided that any waiver or rescission under this Section 6.04 shall be valid and binding notwithstanding the failure to provide a copy of such notice to the Company) may on behalf of the Holders of all of the Notes waive any existing Default and its consequences hereunder, except a continuing Default in the payment of the principal of, premium, if any, or interest on, any Note held by a non-consenting Holder and rescind any acceleration and its consequences; provided that such rescission would not conflict with any judgment of a court of competent jurisdiction. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

Section 6.05 Control by Majority.

Holders of not less than a majority in principal amount of the then total outstanding Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee. The Trustee, however, may refuse to follow any direction that conflicts with law or this Indenture or that the Trustee determines is unduly prejudicial to the rights of any other Holder (it being understood that the Trustee does not have an affirmative duty to ascertain whether or not such direction is unduly prejudicial to such Holders) or that would involve the Trustee in personal liability.

Section 6.06 Limitation on Suits.

Subject to Section 6.07, no Holder may pursue any remedy with respect to this Indenture or the Notes unless:

- (1) such Holder has previously given the Trustee written notice that an Event of Default is continuing;

- (2) Holders of at least 30% in principal amount of the then outstanding Notes have requested the Trustee to pursue the remedy;
- (3) Holders have offered and, if requested, provided to the Trustee indemnity or security satisfactory to the Trustee against any loss, liability or expense;
- (4) the Trustee has not complied with such request within 60 days after the receipt thereof and the offer of security or indemnity; and
- (5) Holders of a majority in principal amount of the then outstanding Notes have not given the Trustee a direction inconsistent with such written request within such 60-day period.

A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder.

Section 6.07 Rights of Holders to Bring Suit.

Notwithstanding any other provision of this Indenture, the right of any Holder to bring suit for the enforcement of any payment of principal, premium if any, and interest on the Notes (including in connection with an Asset Sale Offer or a Change of Control Offer) on or after the respective due date expressed in the Notes, shall not be impaired or affected without the consent of such Holder.

Section 6.08 Collection Suit by Trustee.

If an Event of Default specified in Section 6.01(a)(1) or (2) occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as trustee of an express trust against the Company for the whole amount of principal of, premium, if any, and interest remaining unpaid on the Notes and interest on overdue principal and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

Section 6.09 Restoration of Rights and Remedies.

If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceedings, the Company, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding has been instituted.

Section 6.10 Rights and Remedies Cumulative.

Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes in Section 2.07, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 6.11 Delay or Omission Not Waiver.

No delay or omission of the Trustee or of any Holder to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

Section 6.12 Trustee May File Proofs of Claim.

The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders allowed in any judicial proceedings relative to the Company (or any other obligor upon the Notes including the Guarantors), its creditors or its property and shall be entitled and empowered to participate as a member in any official committee of creditors appointed in such matter and to collect, receive and distribute any money or other property payable or deliverable on any such claims and any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 6.13 Priorities.

Any money or property collected by the Trustee pursuant to this Article 6 any money or other property distributable in respect of any grantor's Obligations under this Indenture after an Event of Default shall be applied in the following order:

FIRST: to the Trustee for amounts due under Section 7.07;

SECOND: to Holders for amounts due and unpaid on the Notes for the principal premium, if any, and interest ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any, and interest, respectively;

THIRD: without duplication, to Holders for any other Obligations owing to the Holders under this Indenture and the Notes; and

FOURTH: to the Company or as otherwise directed by a court of competent jurisdiction.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.13.

Section 6.14 Undertaking for Costs.

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.14 does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.07, or a suit by Holders of more than 10% in principal amount of the then outstanding Notes.

ARTICLE 7

TRUSTEE

Section 7.01 Duties of Trustee.

(a) The Trustee, prior to the occurrence of an Event of Default of which a Responsible Officer of the Trustee shall have actual knowledge and after the curing or waiver of all such Events of Default which may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Indenture. If an Event of Default of which a Responsible Officer of the Trustee shall have actual knowledge has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(i) the duties of the Trustee shall be determined solely by the express provisions of this Indenture and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Trustee may not be relieved from liabilities for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this paragraph does not limit the effect of paragraph (b) of this Section 7.01;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved in a court of competent jurisdiction that the Trustee was negligent in ascertaining the pertinent facts;

(iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05; and

(iv) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise to incur any liability, financial or otherwise, in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers if it shall have reasonable grounds for believing that repayment of such funds or indemnity satisfactory to it against such risk or liability is not assured to it.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b) and (c) of this Section 7.01.

(e) The Trustee shall be under no obligation to exercise any of its rights or powers under this Indenture at the request or direction of any of the Holders unless the Holders have offered to the Trustee indemnity or security satisfactory to the Trustee against any loss, liability or expense.

(f) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Company. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

Section 7.02 Rights of Trustee.

(a) The Trustee may conclusively rely upon any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document, but the Trustee, in its sole discretion, may (and shall at the direction of the majority of the Holders) make such further inquiry or investigation into such facts or matters, and, if the Trustee shall determine, or be so directed, to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company, personally or by agent or attorney at the sole cost of the Company and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

(b) Before the Trustee acts or refrains from acting, it may require an Officer's Certificate or an Opinion of Counsel or both. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officer's Certificate or Opinion of Counsel. The Trustee may consult with counsel of its selection and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Trustee may act through its attorneys and agents and shall not be responsible for the misconduct or negligence of any agent or attorney appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture.

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Company shall be sufficient if signed by an Officer of the Company.

(f) The Trustee shall not be deemed to have notice of any Default or Event of Default unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a Default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Notes and this Indenture. Delivery of reports to the Trustee pursuant to Section 4.03 shall not constitute actual knowledge of, or notice to, the Trustee of the information contained therein.

(g) In no event shall the Trustee be responsible or liable for any special, indirect, punitive, incidental or consequential loss or damage of any kind whatsoever (including, but not limited to, lost profits) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(h) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder.

(i) The Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder.

(j) The Trustee may request that the Company and any Guarantor deliver an Officer's Certificate setting forth the names of the individuals and/or titles of Officers (with specimen signatures) authorized at such times to take specific actions pursuant to this Indenture, which Officer's Certificate may be signed by any person specified as so authorized in any certificate previously delivered and not superseded.

(k) The right of the Trustee to perform any discretionary act enumerated in this Indenture shall not be construed as a duty, and the Trustee shall not be answerable for other than its negligence or willful misconduct in the performance of such act.

Section 7.03 Individual Rights of Trustee.

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Company or any Affiliate of the Company with the same rights it would have if it were not Trustee. The Trustee may engage in other transactions; provided, however, in the event that the Trustee acquires any conflicting interest it must eliminate such conflict within 90 days or resign as Trustee. Any Agent may do the same with like rights and duties. The Trustee is also subject to Sections 7.10 and 7.11.

Section 7.04 Trustee's Disclaimer.

The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes, it shall not be accountable for the Company's use of the proceeds from the Notes or any money paid to the Company or upon the Company's direction under any provision of this Indenture, it shall not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and it shall not be responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture other than its certificate of authentication.

Section 7.05 Notice of Defaults.

If a Default occurs and is continuing and if it is known to the Trustee, the Trustee shall mail or otherwise deliver in accordance with the procedures of DTC to Holders a notice of the Default within 90 days after it occurs or if later, 15 days after it obtains knowledge thereof, unless such default shall have been cured or waived. Except in the case of a Default relating to the payment of principal, premium, if any, or interest on any Note, the Trustee may withhold from the Holders notice of any continuing Default if and so long as it in good faith determines that withholding the notice is in the interests of the Holders.

Section 7.06 [Reserved]

Section 7.07 Compensation and Indemnity.

The Company shall pay to the Trustee from time to time such compensation for its acceptance of this Indenture and services hereunder as the parties shall agree in writing from time to time. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Company shall reimburse the Trustee promptly upon request for all reasonable out-of-pocket disbursements, advances and expenses incurred or made by it in addition to the compensation for its services. Such expenses shall include the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel.

The Company and the Guarantors, jointly and severally, shall indemnify the Trustee for, and hold the Trustee harmless against, any and all loss, damage, claim, liability or expense (including reasonable attorneys' fees and expenses) incurred by it in connection with the acceptance or administration of this trust and the performance of its duties hereunder (including the reasonable costs and expenses of enforcing this Indenture against the Company or any of the Guarantors (including this Section 7.07) or defending itself against any claim whether asserted by any Holder, the Company or any Guarantor or any other Person, or liability in connection with the acceptance, exercise or performance of any of its powers or duties hereunder) (but excluding taxes imposed on such persons in connection compensation for such administration or performance). The Trustee shall notify the Company promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Company shall not relieve the Company of its obligations hereunder. The Company and the Guarantors shall defend the claim and the Trustee may have separate counsel and the Company shall pay the fees and expenses of such counsel. The Company need not reimburse any expense or indemnify against any loss, liability or expense incurred by the Trustee through the Trustee's own willful misconduct or gross negligence. Neither the Company nor any Guarantor need pay for any settlement made without its consent, which consent shall not be unreasonably withheld.

The obligations of the Company and the Guarantors under this Section 7.07 shall survive the satisfaction and discharge of this Indenture or the earlier resignation or removal of the Trustee.

To secure the payment obligations of the Company and the Guarantors in this Section 7.07, the Trustee shall have a Lien prior to the Notes and rights of the Holders on all money or property held or collected by the Trustee, except money or property held in trust to pay principal and interest on particular Notes. Such Lien shall survive the satisfaction and discharge of this Indenture.

When the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.01(a)(6) or (7) occurs, the expenses and the compensation for the services (including the reasonable fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

Section 7.08 Replacement of Trustee.

A resignation or removal of the Trustee and appointment of a successor Trustee shall become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.08. The Trustee may resign in writing at any time and be discharged from the trust hereby created by so notifying the Company. The Holders of a majority in principal amount of the then outstanding Notes may remove the Trustee by so notifying the Trustee and the Company in writing not less than 30 days prior the effective date of such removal. The Company may remove the Trustee if:

- (a) the Trustee fails to comply with Section 7.10;
- (b) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;

(c) a custodian or public officer takes charge of the Trustee or its property; or

(d) the Trustee becomes incapable of acting.

If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Company shall promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in principal amount of the then outstanding Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Company.

If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee (at the Company's expense), the Company or the Holders of at least 10% in principal amount of the then outstanding Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee.

If the Trustee, after written request by any Holder who has been a Holder for at least six months, fails to comply with Section 7.10, such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Thereupon, the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall deliver a notice of its succession to Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee; provided that all sums owing to the Trustee hereunder have been paid and subject to the Lien provided for in Section 7.07. Notwithstanding replacement of the Trustee pursuant to this Section 7.08, the Company's obligations under Section 7.07 shall continue for the benefit of the retiring Trustee.

Section 7.09 Successor Trustee by Merger, Etc.

If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation or banking association, the successor corporation or banking association without any further act shall be the successor Trustee.

Section 7.10 Eligibility; Disqualification.

There shall at all times be a Trustee hereunder that is a corporation organized and doing business under the laws of the United States of America or of any state thereof that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by federal or state authorities and that has, together with its parent, a combined capital and surplus of at least \$50,000,000 as set forth in its most recent published annual report of condition.

ARTICLE 8

LEGAL DEFEASANCE AND COVENANT DEFEASANCE

Section 8.01 Option to Effect Legal Defeasance or Covenant Defeasance.

The Company may, at its option and at any time, elect to have either Section 8.02 or 8.03 applied to all outstanding Notes and all obligations of the Guarantors with respect to the Guarantees upon compliance with the conditions set forth below in this Article 8.

Section 8.02 Legal Defeasance and Discharge.

Upon the Company's exercise under Section 8.01 of the option applicable to this Section 8.02, the Company and the Guarantors shall, subject to the satisfaction of the conditions set forth in Section 8.04, be deemed to have been discharged from their obligations with respect to all outstanding Notes and Guarantees on the date the conditions set forth below in this Section 8.02 are satisfied ("Legal Defeasance"). For this purpose, Legal Defeasance means that the Company shall be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes, which shall thereafter be deemed to be "outstanding" only for the purposes of Section 8.05 and the other Sections of this Indenture referred to in (a) and (b) of this Section 8.02, to have cured all then-existing Defaults and Events of Default and to have satisfied all their other obligations under such Notes and this Indenture including the obligations of the Guarantors (and the Trustee, on demand of and at the expense of the Company, shall execute proper instruments acknowledging the same), except for the following provisions which shall survive until otherwise terminated or discharged hereunder:

- (a) the rights of Holders to receive payments in respect of the principal of, premium, if any, and interest on the Notes when such payments are due solely out of the trust created pursuant to this Indenture referred to in Section 8.04;
- (b) the Company's obligations with respect to Notes concerning issuing temporary Notes, registration of such Notes, mutilated, destroyed, lost or stolen Notes and the maintenance of an office or agency for payment and money for security payments held in trust;
- (c) the rights, powers, trusts, duties and immunities of the Trustee, and the Company's obligations in connection therewith; and
- (d) this Section 8.02.

Subject to compliance with this Article 8, the Company may exercise its option under this Section 8.02 notwithstanding the prior exercise of its option under Section 8.03.

Section 8.03 Covenant Defeasance.

Upon the Company's exercise under Section 8.01 of the option applicable to this Section 8.03, the Company and the Guarantors shall, subject to the satisfaction of the conditions set forth in Section 8.04, be released from their obligations under the covenants contained in Sections 3.09, 4.03, 4.04, 4.05, 4.07, 4.08, 4.09, 4.10, 4.11, 4.12, 4.13, 4.14 and 4.15 and clauses (3) through (6) of Section 5.01(a) and Section 5.01(c) with respect to the outstanding Notes on and after the date the conditions set forth in Section 8.04 are satisfied, and have each Guarantor's obligation released with respect to its Guarantee ("Covenant Defeasance"), and the Notes shall thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed "outstanding" for all other purposes hereunder (it being understood that such Notes shall not be deemed outstanding for accounting purposes). For this purpose, Covenant Defeasance means that, with respect to the outstanding Notes and related Guarantees, the Company and the Guarantors may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default under Section 6.01, but, except as specified above, the remainder of this Indenture and such Notes and Guarantees shall be unaffected thereby. In addition, upon the Company's, exercise under Section 8.01 of the option applicable to this Section 8.03, subject to the satisfaction of the conditions set forth in Section 8.04, Sections 6.01(a)(3), 6.01(a)(4), 6.01(a)(5), 6.01(a)(6) (solely with respect to Restricted Subsidiaries that are Significant Subsidiaries and any group of Restricted Subsidiaries that taken together would constitute a Significant Subsidiary), 6.01(a)(7) (solely with respect to Restricted Subsidiaries that are Significant Subsidiaries and any group of Restricted Subsidiaries that taken together would constitute a Significant Subsidiary) and 6.01(a)(8) shall not constitute Events of Default.

Section 8.04 Conditions to Legal or Covenant Defeasance.

The following shall be the conditions to the application of either Section 8.02 or 8.03 to the outstanding Notes:

In order to exercise either Legal Defeasance or Covenant Defeasance with respect to the Notes:

(1) the Company must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders, cash in U.S. dollars, Government Securities, or a combination thereof, in such amounts as will be sufficient, in the opinion of an Independent Financial Advisor (insofar as any Government Securities are so included) to pay the principal of, premium, if any, and interest due on the Notes on the stated maturity date or on the redemption date, as the case may be, of such principal, premium, if any, or interest on such Notes and the Company must specify whether such Notes are being defeased to maturity or to a particular redemption date; provided that upon any redemption that requires the payment of the Applicable Premium, the amount deposited shall be sufficient for purposes of this Indenture to the extent that an amount is deposited with the Trustee equal to the Applicable Premium calculated as of the date of the notice of redemption, with any deficit as of the date of redemption (any such amount, the "Applicable Premium Deficit") only required to be deposited with the Trustee on or prior to the date of redemption. Any Applicable Premium Deficit shall be set forth in an Officer's Certificate delivered to the Trustee simultaneously with the deposit of such Applicable Premium Deficit that confirms that such Applicable Premium Deficit shall be applied toward such redemption;

(2) in the case of Legal Defeasance, the Company shall have delivered to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that, subject to customary assumptions and exclusions,

(a) the Company has received from, or there has been published by, the United States Internal Revenue Service a ruling, or

(b) since the issuance of the Notes, there has been a change in the applicable U.S. federal income tax law;

in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, subject to customary assumptions and exclusions, the Holders will not recognize income, gain or loss for U.S. federal income tax purposes, as applicable, as a result of such Legal Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(3) in the case of Covenant Defeasance, the Company shall have delivered to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that, subject to customary assumptions and exclusions, the Holders will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance and will be subject to such tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(4) no Event of Default (other than that resulting from borrowing funds to be applied to make such deposit and any similar and simultaneous deposit relating to other Indebtedness, and, in each case the granting of Liens and the consummation of other transactions in connection therewith) shall have occurred and be continuing on the date of such deposit;

(5) such Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under the Senior Credit Agreement or any other material agreement or material instrument (other than this Indenture) to which, the Company or any Guarantor is a party or by which the Company or any Guarantor is bound (other than that resulting from borrowing funds to be applied to make such deposit and any similar and simultaneous deposit relating to other Indebtedness and, in each case, the granting of Liens and the consummation of other transactions in connection therewith);

(6) the Company shall have delivered to the Trustee an Officer's Certificate stating that the deposit was not made by the Company with the intent of defeating, hindering, delaying or defrauding any creditors of the Company or any Guarantor or others; and

(7) the Company shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel (which Opinion of Counsel may be subject to customary assumptions and exclusions) each stating that all conditions precedent provided for or relating to the Legal Defeasance or the Covenant Defeasance, as the case may be, have been complied with.

Notwithstanding the foregoing, the Opinion of Counsel required by clause (2) of this Section 8.04 with respect to legal defeasance need not be delivered if all of the Notes not theretofore delivered to the Trustee for cancellation (x) have become due and payable or (y) will become due and payable within one year or are to be called for redemption within one year under arrangements reasonably satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Company.

Section 8.05 Deposited Money and Government Securities to Be Held in Trust; Other Miscellaneous Provisions.

Subject to Section 8.06, all money and Government Securities (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 8.05, the "Trustee") pursuant to Section 8.04 in respect of the outstanding Notes shall be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Company or a Guarantor acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium and interest, but such money need not be segregated from other funds except to the extent required by law.

The Company shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or Government Securities deposited pursuant to Section 8.04 or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

Anything in this Article 8 to the contrary notwithstanding, the Trustee shall deliver or pay to the Company from time to time upon the written request of the Company any money or Government Securities held by it as provided in Section 8.04 which, in the opinion of an Independent Financial Advisor expressed in a written certification thereof delivered to the Trustee to the extent such requested amount consists of Government Securities (which may be the opinion delivered under Section 8.04(2)), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

Section 8.06 Repayment to Company.

Any money deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal of, premium or interest on any Note and remaining unclaimed for two years after such principal, and premium or interest has become due and payable shall be paid to the Company on their request or (if then held by the Company) shall be discharged from such trust; and the Holder of such Note shall thereafter look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, shall thereupon cease.

Section 8.07 Reinstatement

If the Trustee or Paying Agent is unable to apply any United States dollars or Government Securities in accordance with Section 8.02 or 8.03, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Company's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or 8.03 until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or 8.03, as the case may be; provided that, if the Company makes any payment of principal of, premium or interest on any Note following the reinstatement of their obligations, the Company shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE 9

AMENDMENT, SUPPLEMENT AND WAIVER

Section 9.01 Without Consent of Holders.

Notwithstanding Section 9.02, the Company, any Guarantor (with respect to a Guarantee or this Indenture) and the Trustee may amend or supplement this Indenture and any Guarantee or Notes without the consent of any Holder:

- (1) to cure any ambiguity, omission, mistake, defect or inconsistency;
- (2) to provide for uncertificated Notes in addition to or in place of certificated Notes;
- (3) to comply with Section 5.01;
- (4) to provide for the assumption of the Company's or any Guarantor's obligations to the Holders that complies with the terms of this Indenture;
- (5) to make any change that would provide any additional rights or benefits to the Holders (including to secure the Notes or the Guarantees) or that does not adversely affect (as determined in good faith by the Company) the legal rights under this Indenture of any such Holder in any material respect;
- (6) to add covenants for the benefit of the Holders or to surrender any right or power conferred upon the Company or any Guarantor;
- (7) to provide for the issuance of Additional Notes in accordance with the terms of this Indenture;

(8) to evidence and provide for the acceptance and appointment under this Indenture of a successor Trustee thereunder pursuant to the requirements thereof;

(9) to add a Guarantor or a parent Guarantee under this Indenture, or to release any such Guarantor or Guarantee if at the time of such release such Guarantor is not otherwise required by this Indenture to be a Guarantor;

(10) to conform the text of this Indenture, the Guarantees or the Notes to any provision of the "Description of Notes" section of the Offering Memorandum to the extent that such provision in such "Description of Notes" section was intended to be a verbatim recitation of a provision of this Indenture, the Guarantee or Notes as set forth in an Officer's Certificate;

(11) to make any amendment to the provisions of this Indenture relating to the transfer and legending of Notes as permitted by this Indenture, including, without limitation, to facilitate the issuance and administration of the Notes; provided, however, that such amendment does not materially and adversely affect the rights of Holders to transfer Notes; or

(12) at the Company's election, to comply with requirements of the SEC in order to effect or maintain the qualification of this Indenture under the Trust Indenture Act, if applicable (it being agreed that this Indenture need not qualify under the Trust Indenture Act).

Upon the request of the Company accompanied by a resolution of its Board authorizing the execution of any such amended or supplemental indenture, and upon receipt by the Trustee of the documents described in Section 7.02 (to the extent requested by the Trustee and subject to the last sentence of Section 9.06), the Trustee shall join with the Company and the Guarantors in the execution of any amended or supplemental indenture authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee shall not be obligated to enter into such amended or supplemental indenture that affects their own rights, duties or immunities under this Indenture or otherwise. Notwithstanding the foregoing, no Opinion of Counsel nor an Officer's Certificate, nor a resolution by the Board of the Company or any Guarantor, shall be required in connection with the addition of a Guarantor under this Indenture upon execution and delivery by such Guarantor and the Trustee of a supplemental indenture to this Indenture, the form of which is attached as Exhibit D.

Section 9.02 With Consent of Holders.

Except as provided in Section 9.01 and below in this Section 9.02, the Company and the Trustee may amend or supplement this Indenture, the Notes, and the Guarantees with the consent of the Holders of at least a majority in principal amount of the Notes then outstanding voting as a single class (including, without limitation, consents obtained in connection with a tender offer or exchange offer for, or purchase of, the Notes), and, subject to Sections 6.04 and 6.07, any existing Default or Event of Default (other than a Default or Event of Default in the payment of the principal of, premium or interest on the Notes, except a payment default resulting

from an acceleration that has been rescinded) or compliance with any provision of this Indenture, the Guarantees or the Notes may be waived with the consent of the Holders of a majority in principal amount of the then outstanding Notes (other than Notes beneficially owned by the Company or its Affiliates in accordance with Section 2.09) voting as a single class (including consents obtained in connection with a tender offer or exchange offer for, or purchase of, the Notes). Section 2.08 and Section 2.09 shall determine which Notes are considered to be "outstanding" for the purposes of this Section 9.02.

Upon the request of the Company accompanied by a resolution of its Board authorizing the execution of any such amended or supplemental indenture, and upon the filing with the Trustee of evidence satisfactory to the Trustee of the consent of the Holders as aforesaid, and upon receipt by the Trustee of the documents described in Section 9.06, the Trustee shall join with the Company in the execution of such amended or supplemental unless such amended or supplemental indenture directly affects their own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but shall not be obligated to, enter into such amended or supplemental indenture.

It shall not be necessary for the consent of the Holders under this Section 9.02 to approve the particular form of any proposed amendment or waiver, but it shall be sufficient if such consent approves the substance thereof.

After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Company shall deliver to the Holders affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of the Company to deliver such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such amended or supplemental indenture or waiver.

Without the consent of each affected Holder, an amendment or waiver under this Section 9.02 may not (with respect to any Notes held by a non-consenting Holder):

- (1) reduce the principal amount of such Notes whose Holders must consent to an amendment, supplement or waiver;
- (2) reduce the principal of or change the fixed final maturity of any such Note or reduce the premium payable upon the redemption of such Notes or change the date at which such Notes may be redeemed as described under Section 3.07; provided that any amendment to the notice requirements may be made with the consent of the Holders of at least a majority in aggregate principal amount of all the then outstanding Notes;
- (3) reduce the rate of or change the time for payment of interest on any Note;
- (4) waive a Default or Event of Default (A) in the payment of principal of or premium, if any, or interest on the Notes, except a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of the Notes and a waiver of the payment default that resulted from such acceleration, or (B) in respect of a covenant or provision contained in this Indenture or any Guarantee that cannot be amended or modified without the consent of all Holders;

- (5) make any Note payable in money other than that stated therein;
- (6) make any change in the provisions of this Indenture relating to waivers of past Defaults;
- (7) make any change in these amendment and waiver provisions that is adverse to the Holders);
- (8) impair the right of any Holder to institute suit for the enforcement of any payment of, or premium, if any, or interest on or with respect to such Holder's Notes on or after the due dates thereof;
- (9) make any change to or modify the ranking of the Notes that would adversely affect the Holders; or
- (10) except as expressly permitted by this Indenture, modify the Guarantee of any Significant Subsidiary (or any group of Restricted Subsidiaries that (determined as of the most recent consolidated financial statements of the Company for a fiscal quarter end provided as required by Section 4.03) would constitute a Significant Subsidiary) in any manner adverse in any material respect to the Holders or release any such Guarantee.

For the avoidance of doubt, no amendment to, or deletion of, any of the covenants described under Article 4 shall be deemed to impair or affect any rights of Holders to receive payment of principal of, or premium, if any, or interest on, the Notes.

Section 9.03 [Reserved].

Section 9.04 Revocation and Effect of Consents.

Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder is a continuing consent by the Holder and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder or subsequent Holder may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the waiver, supplement or amendment becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

The Company may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to consent to any amendment, supplement or waiver. If a record date is fixed, then, notwithstanding the preceding paragraph, those Persons who were Holders at such record date (or their duly designated proxies), and only such Persons, shall be entitled to consent to such amendment, supplement, or waiver or to revoke any consent previously given, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 120 days after such record date unless the consent of the requisite number of Holders has been obtained.

Section 9.05 Notation on or Exchange of Notes.

The Company may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Company in exchange for all Notes may issue and the Trustee shall, upon receipt of an Authentication Order, authenticate new Notes that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or issue a new Note shall not affect the validity and effect of such amendment, supplement or waiver.

Section 9.06 Trustee to Sign Amendments, Etc.

The Trustee shall sign any amendment, supplement or waiver authorized pursuant to this Article 9 if the amendment or supplement does not adversely affect the rights, duties, liabilities or immunities of the Trustee. The Company may not sign an amendment, supplement or waiver until the Board of the Company approves it. In executing any amendment, supplement or waiver to any Notes Document, the Trustee shall receive and (subject to Section 7.01) shall be fully protected in conclusively relying upon, in addition to the documents required by Section 12.03, an Officer's Certificate and an Opinion of Counsel stating that the execution of such amended or supplemental indenture is authorized or permitted by this Indenture, that all conditions precedent thereto have been complied with, and that such amendment, supplement or waiver is the legal, valid and binding obligation of the Company and any Guarantors party thereto, enforceable against them in accordance with its terms, subject to customary exceptions, and complies with the provisions hereof (including Section 9.03). Notwithstanding the foregoing, no Opinion of Counsel nor Officer's Certificate, nor a resolution from the Board of the Company or any Guarantor, will be required for the Trustee to execute any amendment or supplement adding a new Guarantor under this Indenture if such amendment or supplement is made pursuant to Section 9.01.

ARTICLE 10

GUARANTEES

Section 10.01 Guarantee.

Subject to this Article 10, each of the Guarantors hereby, jointly and severally, unconditionally guarantees, on an unsecured basis, to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of this Indenture, the Notes or the Obligations of the Company hereunder or thereunder, that: (a) the principal of, interest, premium on the Notes shall be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of and interest on the Notes, if any, if lawful, and all other Obligations of the Company to the Holders or the Trustee hereunder or thereunder shall be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and (b) in case of any extension of time of payment or renewal of any Notes or any of such other Obligations, that same shall be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration or otherwise. Failing payment when due of any amount so guaranteed, the Guarantors shall be jointly and severally obligated to pay the same promptly. Each Guarantor agrees that this is a guarantee of payment and not a guarantee of collection.

The Guarantors hereby agree that their Obligations hereunder shall be unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder with respect to any provisions hereof or thereof, the recovery of any judgment against the Company, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a Guarantor (other than payment in full of all of the Obligations of the Company hereunder or under the Notes). Each Guarantor hereby waives, to the fullest extent permitted by law, diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Company, any right to require a proceeding first against the Company, protest, notice and all demands whatsoever and covenants that this Guarantee shall not be discharged except by full payment of the Obligations contained in the Notes and this Indenture or by release in accordance with Section 10.06.

Each Guarantor also agrees to pay any and all costs and expenses (including reasonable attorneys' fees and expenses) incurred by the Trustee or any Holder in enforcing any rights under this Section 10.01.

If any Holder or the Trustee is required by any court or otherwise to return to the Company, the Guarantors or any custodian, trustee, liquidator or other similar official acting in relation to either the Company or the Guarantors, any amount paid either to the Trustee or such Holder, this Guarantee, to the extent theretofore discharged, shall be reinstated in full force and effect.

Each Guarantor agrees that it shall not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby. Each Guarantor further agrees that, as between the Guarantors, on the one hand, and the Holders and the Trustee, on the other hand, (x) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article 6 for the purposes of this Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (y) in the event of any declaration of acceleration of such obligations as provided in Article 6, such obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantors for the purpose of this Guarantee. The Guarantors shall have the right to seek contribution from any non-paying Guarantor so long as the exercise of such right does not impair the rights of the Holders under the Guarantees.

Until released in accordance with Section 10.06, each Guarantee shall remain in full force and effect and continue to be effective should any petition be filed by or against the Company for liquidation or reorganization, should the Company become insolvent or make an assignment for the benefit of creditors or should a receiver or trustee be appointed for all or any significant part of the Company's assets, and shall, to the fullest extent permitted by law, continue to be effective or be reinstated, as the case may be, if at any time payment of the Notes are, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or

returned by any obligee on the Notes or Guarantees, whether as a “voidable preference,” “fraudulent transfer” or otherwise, all as though such payment had not been made. In the event that any payment, or any part thereof, is rescinded, reduced, restored or returned, the Notes shall, to the fullest extent permitted by law, be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

In case any provision of any Guarantee shall be invalid, illegal or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Each payment to be made by a Guarantor in respect of its Guarantee shall be made without set-off, counterclaim, reduction or diminution of any kind or nature.

Section 10.02 Limitation on Guarantor Liability.

Each Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Guarantee of such Guarantor not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to any Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Guarantors hereby irrevocably agree that the obligations of each Guarantor shall be limited to the maximum amount as will, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Guarantor that are relevant under such laws and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under this Article 10, result in the obligations of such Guarantor under its Guarantee not constituting a fraudulent conveyance or fraudulent transfer under applicable law. Each Guarantor that makes a payment under its Guarantee shall be entitled upon payment in full of all guaranteed Obligations under this Indenture to a contribution from each other Guarantor in an amount equal to such other Guarantor’s pro rata portion of such payment based on the respective net assets of all the Guarantors at the time of such payment determined in accordance with GAAP.

Section 10.03 Execution and Delivery.

To evidence its Guarantee set forth in Section 10.01, each Guarantor hereby agrees that this Indenture (or a supplemental indenture in the form of Exhibit D) shall be executed on behalf of such Guarantor by one of its authorized officers.

Until released in accordance with Section 10.06, each Guarantor hereby agrees that its Guarantee set forth in Section 10.01 shall remain in full force and effect notwithstanding the absence of the endorsement of any notation of such Guarantee on the Notes.

If an Officer whose signature is on this Indenture no longer holds that office at the time the Trustee authenticates the Note, the Guarantee shall be valid nevertheless.

The delivery of any Note by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of the Guarantee set forth in this Indenture on behalf of the Guarantors.

If required by Section 4.15, the Company shall cause any newly created or acquired Restricted Subsidiary to comply with the provisions of Section 4.15 and this Article 10, to the extent applicable.

Section 10.04 Subrogation.

Each Guarantor shall be subrogated to all rights of Holders against the Company in respect of any amounts paid by any Guarantor pursuant to the provisions of Section 10.01; provided that, if an Event of Default has occurred and is continuing, no Guarantor shall be entitled to enforce or receive any payments arising out of, or based upon, such right of subrogation until all amounts then due and payable by the Company under this Indenture or the Notes shall have been paid in full.

Section 10.05 Benefits Acknowledged.

Each Guarantor acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated by this Indenture and that the guarantee and waivers made by it pursuant to its Guarantee are knowingly made in contemplation of such benefits.

Section 10.06 Release of Guarantees.

A Guarantee by a Guarantor shall be automatically and unconditionally released and discharged, and no further action by such Guarantor, the Company or the Trustee is required for the release of such Guarantor's Guarantee, upon:

(1) any sale, exchange, disposition or transfer (by merger, amalgamation, consolidation, dividend, distribution or otherwise) of (i) the Capital Stock of such Guarantor, after which the applicable Guarantor is no longer a Restricted Subsidiary or (ii) all or substantially all of the assets of such Guarantor, in each case, if such sale, exchange, disposition or transfer is made in compliance with the applicable provisions of this Indenture;

(A) the release or discharge of the guarantee by, or direct obligation of, such Guarantor of (i) the Senior Credit Agreement (except (x) a discharge or release by or as a result of payment under such guarantee and (y) if such Guarantor is otherwise an obligor, co-obligor or jointly liable under the Senior Credit Agreement) or (ii) such other guarantee which resulted in the creation of such Guarantee, except a discharge or release by or as a result of payment under such guarantee (it being understood that a release subject to a contingent reinstatement will constitute a release, and that if any such guarantee or direct obligation is so reinstated, such Guarantee shall also be reinstated to the extent that such Guarantor would then be required to provide a Guarantee pursuant to Section 4.15);

(B) the designation of any Restricted Subsidiary that is a Guarantor as an Unrestricted Subsidiary in compliance with the applicable provisions of this Indenture;

(C) the Company exercising its Legal Defeasance option or Covenant Defeasance option in accordance with Article 8 or the Company's obligations under this Indenture being discharged in accordance with the terms of this Indenture; or

(D) upon the merger or consolidation of any Guarantor with and into the Company or another Guarantor that is the surviving Person in such merger or consolidation, or upon the liquidation of a Guarantor following the transfer of all of its assets to the Company or another Guarantor; and

(2) the Company and such Guarantor delivering to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that all conditions precedent provided for in this Indenture relating to such transaction have been complied with.

In addition, the Company will have the right, upon delivery of an Officer's Certificate to the Trustee, to cause any Guarantor that does not guarantee any Indebtedness under any Credit Facility or any Capital Markets Indebtedness of the Company or any Guarantor and is otherwise not an obligor under a Credit Facility, and is not otherwise required by this Section 4.15 to provide a Guarantee, to be unconditionally released and discharged from all obligations under its Guarantee, and such Guarantee will thereupon automatically and unconditionally terminate and be discharged and of no further force or effect.

ARTICLE 11

SATISFACTION AND DISCHARGE

Section 11.01 Satisfaction and Discharge.

This Indenture shall be discharged and shall cease to be of further effect as to all Notes, when either:

(1) all Notes theretofore authenticated and delivered, except lost, stolen or destroyed Notes which have been replaced or paid and Notes for whose payment money has theretofore been deposited in trust, have been delivered to the Trustee for cancellation; or

(2) all Notes not theretofore delivered to the Trustee for cancellation have become due and payable by reason of the making of a notice of redemption or otherwise, shall become due and payable within one year or are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Company or any Guarantor have irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders, cash in U.S. dollars, Government Securities or a combination thereof, in such amounts as will be sufficient without

consideration of any reinvestment of interest to pay and discharge the entire indebtedness on the Notes not theretofore delivered to the Trustee for cancellation for principal, premium, if any, and accrued interest to the date of maturity or redemption; provided that upon any redemption that requires the payment of the Applicable Premium, the amount deposited shall be sufficient for purposes of this Indenture to the extent that an amount is deposited with the Trustee equal to the Applicable Premium calculated as of the date of the notice of redemption, with any Applicable Premium Deficit only required to be deposited with the Trustee on or prior to the date of redemption. Any Applicable Premium Deficit shall be set forth in an Officer's Certificate delivered to the Trustee simultaneously with the deposit of such Applicable Premium Deficit that confirms that such Applicable Premium Deficit shall be applied toward such redemption

(A) the Company has paid or caused to be paid all sums payable by it under this Indenture; and

(B) the Company has delivered irrevocable instructions to the Trustee to apply the deposited money toward the payment of the Notes at maturity or the redemption date, as the case may be.

In addition, the Company must deliver an Officer's Certificate and an Opinion of Counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

Notwithstanding the satisfaction and discharge of this Indenture, if money shall have been deposited with the Trustee pursuant to subclause (A) of clause (2) of this Section 11.01, the provisions of Section 11.02, Section 7.07 and Section 8.06 shall survive.

WHEREAS, the Indenture provides that under certain circumstances the Guaranteeing Subsidiary shall execute and deliver to the Trustee a supplemental indenture pursuant to which the Guaranteeing Subsidiary shall unconditionally guarantee all of the Company's Obligations under the Notes and the Indenture on the terms and conditions set forth herein and under the Indenture (the "Guarantee"); and

WHEREAS, pursuant to Section 9.01 of the Indenture, the Trustee is authorized to execute and deliver this Supplemental Indenture.

NOW THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt of which is hereby acknowledged, the parties mutually covenant and agree for the equal and ratable benefit of the Holders as follows:

SECTION 6. Reference to and Effect on the Credit Agreement; Confirmation of Guarantors.

(a) On and after the effectiveness of this Agreement, each reference in the Amended Credit Agreement to “this Agreement”, “hereunder”, “hereof” or words of like import referring to the Credit Agreement, shall mean and be a reference to the Credit Agreement, as amended by, and after giving effect to, this Agreement.

(b) Each Credit Document, after giving effect to this Agreement, is and shall continue to be in full force and effect and is hereby in all respects ratified and confirmed, except that, on and after the effectiveness of this Agreement, each reference in each of the Credit Documents (including the Security Agreement and the other Security Documents) to the “Credit Agreement”, “thereunder”, “thereof” or words of like import referring to the Credit Agreement shall mean and be a reference to the Amended Credit Agreement. Without limiting the generality of the foregoing, the Security Documents and all of the Collateral described therein do and shall continue to secure the payment of all Obligations, including under the Credit Documents, as amended by, and after giving effect to, this Agreement, in each case subject to the terms thereof.

(c) Each Credit Party hereby (i) ratifies and reaffirms all of its payment and performance obligations, contingent or otherwise, under each of the Credit Documents (including, to the extent applicable, as amended by this Agreement) to which it is a party, (ii) ratifies and reaffirms each grant of a lien on, or security interest in, its property made pursuant to the Credit Documents (including, without limitation, the grant of security made by such Credit Party pursuant to the Security Agreement and the other Security Documents) and confirms that such liens and security interests continue to secure the Obligations, including under the Credit Documents, including, without limitation, all Obligations resulting from or incurred pursuant to the Revolving Credit Facility made pursuant hereto, in each case subject to the terms thereof, and (iii) in the case of each Guarantor, ratifies and reaffirms its guaranty of the Obligations (including, without limitation, all Obligations resulting from or incurred pursuant to the Revolving Credit Facility made pursuant hereto) pursuant to its respective Guarantee.

(d) The execution, delivery and effectiveness of this Agreement shall not, except as expressly provided herein, operate as a waiver of any right, power or remedy of any Lender or any Agent under any of the Credit Documents, or constitute a waiver of any provision of any of the Credit Documents or serve to effect a novation of the Obligations.

SECTION 7. Costs, Expenses. The Borrower agrees to pay on demand all reasonable and documented out-of-pocket costs and expenses of the Administrative Agent in connection with the preparation, execution and delivery of this Agreement and the other instruments and documents to be delivered hereunder (including, without limitation, the reasonable and documented fees and expenses of counsel for the Administrative Agent) in accordance with the terms of Section 13.5 of the Credit Agreement.

SECTION 8. Execution in Counterparts. (m) With respect to any amounts incurred or transactions entered into or consummated substantially contemporaneously (whether in a single transaction or series of related transactions) in reliance on a combination of any fixed dollar (or based on a percentage of Consolidated Total Assets or Consolidated EBITDA) exceptions, thresholds or baskets (including the Free and Clear Incremental Amount) or any other provisions of this Agreement that do not require compliance with any financial ratio or leverage test (any such amounts, the “Fixed Baskets”) and on any exceptions, thresholds or baskets (including the Incurrence-Based Incremental Amount) or any other provisions of this Agreement that requires compliance with a financial ratio or leverage test (any such amounts, the “Incurrence-Based Baskets”; it being agreed that for purposes of this Section 1.2(m), any exceptions, thresholds or baskets based on a percentage of Consolidated Total Assets or Consolidated EBITDA shall be Fixed Baskets and not Incurrence-Based Baskets), it is understood and agreed that (i) amounts available under Incurrence-Based Baskets shall first be calculated without giving effect to any Fixed Baskets being relied upon for such incurrence or transactions (*i.e.*, Fixed Baskets shall be disregarded in the calculation of the financial ratio or leverage test applicable to the Incurrence-Based Baskets, but full pro forma effect shall be given to all other applicable and related transactions (and, in the case of Indebtedness, use of the aggregate proceeds of Indebtedness being incurred in reliance on a combination of Fixed Baskets and Incurrence-Based Baskets) and all other permitted Pro Forma Adjustments (except that the incurrence of any Revolving Credit Loans or other revolving loans prior to or in connection therewith shall be disregarded) and (ii) thereafter, the incurrence of the portion of such amounts or other applicable transaction available to be entered into in reliance on any Fixed Baskets shall be calculated. For example, in calculating the maximum amount of Indebtedness permitted to be incurred under Fixed Baskets and Incurrence-Based

Baskets in Section 10.1 in connection with an acquisition, only the portion of such Indebtedness intended to be incurred under Incurrence-Based Baskets shall be included in the calculation of financial ratios or leverage tests (and the portion of such Indebtedness intended to be incurred under Fixed Baskets shall be deemed to not have been incurred in calculating such financial ratios or leverage tests), but Pro Forma Effect shall be given to the use of proceeds from the entire amount of Indebtedness intended to be incurred under both the Fixed Baskets and Incurrence-Based Baskets, the consummation of the acquisitions and any related repayments of Indebtedness.

(n) Notwithstanding anything to the contrary herein, in the event an item of Indebtedness (or any portion thereof) is incurred or issued, any Lien is incurred or other transaction is undertaken in reliance on an Incurrence-Based Basket, such Incurrence-Based Basket shall be calculated without regard to the incurrence of any Revolving Credit Loans or any other revolving credit loans prior to or in connection therewith (except that, with respect to any Incremental Revolving Credit Commitments being established under the Incurrence-Based Incremental Amount, the Incurrence-Based Incremental Amount shall be calculated assuming, solely at the time of establishment of such Incremental Revolving Credit Commitments, a borrowing of the maximum amount of Loans thereunder and under all other previously incurred and then outstanding Incremental Revolving Credit Commitments (except to the extent that such Incremental Revolving Credit Commitments refinanced or replaced all or any portion of the Revolving Credit Commitments outstanding prior to such date)).

(o) Notwithstanding anything in this Agreement or any Credit Document to the contrary, when (a) calculating any applicable ratio, basket, Consolidated Total Assets, Consolidated Net Income or Consolidated EBITDA in connection with the incurrence of Indebtedness, the issuance of Disqualified Capital Stock or preferred stock, the creation of Liens, the making of any Disposition, the making of an Investment, the making of a Dividend, the designation of a Subsidiary as a Restricted Subsidiary or an Unrestricted Subsidiary or the repayment of Indebtedness, Disqualified Capital Stock or preferred stock, (b) determining compliance with any provision of this Agreement which requires that no Default or Event of Default has occurred, is continuing or would result therefrom, (c) determining compliance with any provision of this Agreement which requires compliance with any representations and warranties set forth herein or (d) determining the satisfaction of all other conditions precedent to the incurrence of Indebtedness, the issuance of Disqualified Capital Stock or preferred stock, the creation of Liens, the making of any Disposition, the making of an Investment, the making of a Dividend, the designation of a Subsidiary as a Restricted Subsidiary or an Unrestricted Subsidiary or the repayment of Indebtedness, Disqualified Capital Stock or preferred stock, in each case in connection with a Limited Condition Transaction, the date of determination of such ratio, basket or other provisions, determination of whether any Default or Event of Default has occurred, is continuing or would result therefrom, determination of compliance with any representations or warranties or the satisfaction of any other conditions shall, at the option of the Borrower (the Borrower's election to exercise such option in connection with any Limited Condition Transaction, an "LCT Election"), be the LCT Test Date, and, if after giving Pro Forma Effect to the Limited Condition Transaction and the other transactions to be entered into in connection therewith as if they had occurred at the beginning of the most recent Test Period ending prior to the LCT Test Date (or, in the case of any incurrence or repayment of Indebtedness (except in the case of the Consolidated EBITDA to Consolidated Interest Expense

Ratio (or similar ratio)), as if incurred (or repaid, as applicable) on the last day of the applicable Test Period), the Borrower could have consummated such Limited Condition Transaction on the relevant LCT Test Date in compliance with such ratio, basket or other provision, such ratio, basket or other provision shall be deemed to have been complied with; provided that (i) if financial statements for one or more subsequent fiscal quarters shall have become available, the Borrower may elect, in its sole discretion, to re-determine all such ratios, tests or baskets on the basis of such financial statements, in which case, such date of redetermination shall thereafter be deemed to be the applicable LCT Test Date for such ratios, tests or baskets and (ii) such ratios, baskets and other provisions shall not be tested at the time of consummation of such Limited Condition Transaction. For the avoidance of doubt, if, following the LCT Test Date, any of such ratios, baskets or other provisions are exceeded or breached as a result of fluctuations in such ratio or basket (including due to fluctuations in Consolidated Total Assets, Consolidated EBITDA or other components of such ratio or basket) or other provision at or prior to the consummation of the relevant Limited Condition Transaction, such ratios, baskets and other provisions will not be deemed to have been failed to have been satisfied or exceeded, respectively, as a result of such fluctuations solely for purposes of determining whether the Limited Condition Transaction and related transactions are permitted hereunder. If the Borrower has made an LCT Election for any Limited Condition Transaction, then in connection with any subsequent calculation of any ratio, basket or other provision (other than for purposes of (i) testing actual compliance with Sections 10.9 and 10.10 or (ii) determining the Applicable Margin or the Commitment Fee Rate) on or following the relevant LCT Test Date and prior to the earlier of (i) the date on which such Limited Condition Transaction is consummated or (ii) the date that the definitive agreement for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction, any such ratio, basket or other provision shall be calculated on a Pro Forma Basis assuming such Limited Condition Transaction and other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) have been consummated until such time as the applicable Limited Condition Transaction has actually closed or the definitive agreement with respect thereto has been terminated or expired.

(p) In the event that any Lien, Investment, Indebtedness, Dividend or payment in respect of Subordinated Debt (whether at the time of incurrence or upon application of all or a portion of the proceeds thereof) meets the criteria of one or more than one of the “baskets” or categories of transactions permitted pursuant to any clause or subsection of Article II or Article X, such transaction (or portion thereof) at any time shall be permitted under one or more of such clauses or subsections at the time of such transaction or any later time, in each case, as determined by the Borrower in its sole discretion at such time and the Borrower may, in its sole discretion, classify and reclassify or later divide, classify or reclassify such Lien, Investment, Indebtedness, Dividend or payment in respect of Subordinated Debt (or any portion thereof) among such clauses in any manner not expressly prohibited by this Agreement.

1.5 References to Agreements, Laws, etc. Unless otherwise expressly provided herein, (a) references to Organizational Documents, agreements (including the Credit Documents) and other Contractual Obligations shall be deemed to include all subsequent amendments, restatements, amendment and restatements, extensions, supplements and other modifications thereto, but only to the extent that such amendments, restatements, amendment and restatements, extensions, supplements and other modifications are permitted by any Credit Document; and (b) references to any Applicable Law shall include all statutory and regulatory provisions consolidating, amending, replacing, supplementing or interpreting such Applicable Law.

1.9 Currency Equivalents Generally.

(a) For purposes of any determination under Section 9, Section 10 (other than Section 10.9 or 10.10) or Section 11 or any determination under any other provision of this Agreement requiring the use of a current exchange rate, all amounts incurred, outstanding or proposed to be incurred or outstanding in currencies other than Dollars shall be translated into Dollars at the Exchange Rate then in effect on the date of such determination; provided that (x) for purposes of determining compliance with Section 10 with respect to the amount of any Indebtedness, Investment, Disposition, Dividend or payment under Section 10.7 in a currency other than Dollars, no Default or Event of Default shall be deemed to have occurred solely as a result of changes in rates of exchange occurring after the time such Indebtedness or Investment is incurred or Disposition, Dividend or payment under Section 10.7 is made, (y) for purposes of determining compliance with any Dollar-denominated restriction on the incurrence of Indebtedness, if such Indebtedness is incurred to Refinance other Indebtedness denominated in a foreign currency, and such Refinancing would cause the applicable Dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such Refinancing, such Dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such Refinanced Indebtedness does not exceed the principal amount of such Indebtedness being Refinanced and (z) for the avoidance of doubt, the foregoing provisions of this Section 1.9 shall otherwise apply to such Sections, including with respect to determining whether any Indebtedness or Investment may be incurred or Disposition, Dividend or payment under Section 10.7 may be made at any time under such Sections. For purposes of Section 10.9 or 10.10, amounts in currencies other than Dollars shall be translated into Dollars at the applicable Exchange Rate(s) used in preparing the most recently delivered financial statements pursuant to Section 9.1(a) or (b).

(b) Each provision of this Agreement shall be subject to such reasonable changes of construction as the Administrative Agent may from time to time specify with the Borrower's consent (such consent not to be unreasonably withheld) to appropriately reflect a change in currency of any country and any relevant market conventions or practices relating to such change in currency.

On the Revolving Credit Maturity Date, all outstanding Revolving Credit Loans shall be repaid in full and the Revolving Credit Commitments shall terminate.

(c) (i) Subject to and upon the terms and conditions set forth herein and in the Second Amendment, each Tranche B Term Lender severally agrees to make a loan or loans (each, a “Tranche B Term Loan”) to the Borrower, which (i) shall not exceed, for any such Lender, the Tranche B Term Loan Commitment of such Lender, (ii) shall not exceed, in the aggregate, the Total Tranche B Term Loan Commitment, (iii) shall be made on the Second Amendment Effective Date, (iv) may be made, in whole or in part, by means of a dollar-for-dollar, cashless exchange of Initial Term Loans for Tranche B Term Loans (in each case only to the extent so agreed by the Borrower, the Administrative Agent and the applicable Tranche B Term Lender), (v) shall be denominated in Dollars, (vi) may at the option of the Borrower be incurred and maintained as, and/or converted into, ABR Loans or Eurodollar Loans; provided that all Tranche B Term Loans made by each of the Lenders pursuant to the same Borrowing shall, unless otherwise specifically provided herein, consist entirely of Tranche B Term of the same Class, and (vii) may be repaid or prepaid in accordance with the provisions hereof, but once repaid or prepaid may not be reborrowed. (d) Each Lender may at its option make any Eurodollar Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan; provided, that (i) any exercise of such option shall not affect the obligation of the Borrower to repay such Loan and (ii) in exercising such option, such Lender shall use its reasonable efforts to minimize any increased costs to the Borrower resulting therefrom (which obligation of the Lender shall not require it to take, or refrain from taking, actions that it determines would result in increased costs for which it will not be compensated hereunder or that it determines would be otherwise disadvantageous to it and in the event of such request for costs for which compensation is provided under this Agreement, the provisions of Section 2.10 shall apply).

(e) Subject to and upon the terms and conditions herein set forth, each Swingline Lender in its individual capacity agrees, at any time and from time to time on and after the ~~Fourth~~Fifth Amendment Effective Date and prior to the Swingline Maturity Date, to make a loan or loans (each, a “Swingline Loan” and collectively, the “Swingline Loans”) to the Borrower in Dollars, which Swingline Loans (A) shall be ABR Loans, (B) shall have the benefit of the provisions of Section 2.1(f), (C) shall not exceed at any time outstanding the Swingline Commitment of such Swingline Lender, (D) shall not, after giving effect thereto and to the application of the proceeds thereof, result at any time in (x) the aggregate amount of all Lenders’ Revolving Credit Exposures exceeding the Total Revolving Credit Commitment then in effect or (y) the amount of any Swingline Lender’s Revolving Credit Exposure exceeding its respective Revolving Credit Commitment then in effect, and (E) may be repaid and reborrowed in accordance with the provisions hereof. (f) Any Swingline Lender (x) may in its sole discretion on any Business Day prior to the tenth Business Day after the date of extension of any Swingline Loan and (y) shall on the tenth Business Day after such extension date (so long as such Swingline Loan remains outstanding), give notice to the Revolving Credit Lenders, with a copy to the Borrower, that all then-outstanding Swingline Loans shall be funded with a Borrowing of Revolving Credit Loans denominated in Dollars, in which case Revolving Credit Loans constituting ABR Loans (each such Borrowing, a “Mandatory Borrowing”) shall be made on the immediately succeeding Business Day by all Revolving Credit Lenders pro rata based on each such Lender’s Revolving Credit Commitment Percentage, and the proceeds thereof shall be applied directly to such Swingline Lender to repay the Swingline Lender for such outstanding Swingline Loans. Each Revolving Credit Lender hereby irrevocably agrees to make such Revolving Credit Loans upon one Business Day’s notice pursuant to each Mandatory Borrowing in the amount and in the manner specified in the preceding sentence and on the date specified to it in writing by such Swingline Lender notwithstanding (i) that the amount of the Mandatory Borrowing may not comply with the minimum amount for each Borrowing specified in Section 2.2, (ii) whether any conditions specified in Section 7.1 are then satisfied, (iii) whether a Default or an Event of Default has occurred and is continuing, (iv) the date of such Mandatory Borrowing or (v) any reduction in the Total Revolving Credit Commitment after any such Swingline Loans were made. In the event that, in the sole judgment of the applicable Swingline Lender, any Mandatory Borrowing cannot for any reason be made on the date otherwise required above (including as a result of the commencement of a proceeding under the Bankruptcy Code in respect of the Borrower), each Revolving Credit Lender hereby agrees that it shall forthwith purchase from

such Swingline Lender (without recourse or warranty) such participation of the outstanding Swingline Loans as shall be necessary to cause each such Lender to share in such Swingline Loans ratably based upon their respective Revolving Credit Commitment Percentages; provided that all principal and interest payable on such Swingline Loans shall be for the account of such Swingline Lender until the date the respective participation is purchased and, to the extent attributable to the purchased participation, shall be payable to the Lender purchasing same from and after such date of purchase.

(g) The Borrower may, at any time and from time to time, designate as additional Swingline Lenders one or more Revolving Credit Lenders that agree to serve in such capacity as provided below. The acceptance by a Revolving Credit Lender of an appointment as a Swingline Lender hereunder shall be evidenced by an agreement, which shall be in form and substance reasonably satisfactory to the Administrative Agent and the Borrower, executed by the Borrower, the Administrative Agent and such designated Swingline Lender, and, from and after the effective date of such agreement, (i) such Revolving Credit Lender shall have all the rights and obligations of a Swingline Lender under this Agreement and (ii) references herein to the term "Swingline Lender" shall be deemed to include such Revolving Credit Lender in its capacity as a lender of Swingline Loans hereunder.

(h) The Borrower may terminate the appointment of any Swingline Lender as a "Swingline Lender" hereunder by providing a written notice thereof to such Swingline Lender, with a copy to the Administrative Agent. Any such termination shall become effective upon the earlier of (i) such Swingline Lender's acknowledging receipt of such notice and (ii) the fifth Business Day following the date of the delivery thereof; provided that no such termination shall become effective until and unless any outstanding Swingline Loans of such Swingline Lender shall have been reduced to zero. Notwithstanding the effectiveness of any such termination, the terminated Swingline Lender shall remain a party hereto and shall continue to have all the rights of a Swingline Lender under this Agreement with respect to Swingline Loans made by it prior to such termination, but shall not make any additional Swingline Loans.

2.2 Minimum Amount of Each Borrowing; Maximum Number of Borrowings. The aggregate principal amount of each Borrowing of Term Loans or Revolving Credit Loans shall be in a multiple of \$1,000,000 and Swingline Loans shall be in a multiple of \$100,000 and, in each case, shall not be less than the Minimum Borrowing Amount with respect thereto (except that Mandatory Borrowings shall be made in the amounts required by Section 2.1(f) and Revolving Credit Loans to reimburse the Letter of Credit Issuers with respect to any Unpaid Drawing shall be made in the amounts required by Section 3.3 or Section 3.4, as applicable). More than one Borrowing may be incurred on any date; provided that at no time shall there be outstanding more than 20 Borrowings of Eurodollar Loans under this Agreement. For purposes of the foregoing, Borrowings having different Interest Periods, regardless of whether they commence on the same date, shall be considered separate Borrowings.

2.3 Notice of Borrowing. (a) The Borrower shall give the Administrative Agent at the Administrative Agent's Office (i) prior to 1:00 p.m. (New York City time) at least three Business Days' prior written notice (or telephonic notice promptly confirmed in writing) of the Borrowing of Initial Term Loans or any Borrowing of Incremental Term Loans (unless otherwise set forth in the applicable Incremental Agreement), as the case may be, if all or

any of such Term Loans are to be initially Eurodollar Loans, and (ii) prior written notice (or telephonic notice promptly confirmed in writing) prior to 1:00 p.m. (New York City time) on the date of the Borrowing of Initial Term Loans or any Borrowing of Incremental Term Loans, as the case may be, if all such Term Loans are to be ABR Loans. Such notice (together with each notice of a Borrowing of Revolving Credit Loans pursuant to Section 2.3(b) and each notice of a Borrowing of Swingline Loans pursuant to Section 2.3(c), a “Notice of Borrowing”) shall specify substantially in the form of Exhibit D (i) the aggregate principal amount of the Initial Term Loans or Incremental Term Loans, as the case may be, to be made, (ii) the date of the Borrowing (which shall be (x) in the case of Initial Term Loans, the Effective Date and (y) in the case of Incremental Term Loans, the applicable Incremental Facility Closing Date in respect of such Class), and (iii) whether the Initial Term Loans or Incremental Term Loans, as the case may be, shall consist of ABR Loans and/or Eurodollar Loans and, if the Initial Term Loans or Incremental Term Loans, as the case may be, are to include Eurodollar Loans, the Interest Period to be initially applicable thereto. The Administrative Agent shall promptly give each Lender written notice (or telephonic notice promptly confirmed in writing) of each proposed Borrowing of Term Loans, of such Lender’s proportionate share thereof and of the other matters covered by the related Notice of Borrowing.

(b) Whenever the Borrower desires to incur Revolving Credit Loans hereunder (other than Mandatory Borrowings or borrowings to repay Unpaid Drawings under Letters of Credit), it shall give the Administrative Agent at the Administrative Agent’s Office, (i) prior to 1:00 p.m. (New York City time) at least three Business Days’ prior written notice (or telephonic notice promptly confirmed in writing) of each Borrowing of Revolving Credit Loans that are to be Eurodollar Loans, and (ii) prior written notice (or telephonic notice promptly confirmed in writing) prior to 1:00 p.m. (New York City time) on the date of each Borrowing of Revolving Credit Loans that are to be ABR Loans. Each such Notice of Borrowing, except as otherwise expressly provided in Section 2.10, shall specify (x) the aggregate principal amount of the Revolving Credit Loans to be made pursuant to such Borrowing, (y) the date of Borrowing (which shall be a Business Day) and (z) whether the respective Borrowing shall consist of ABR Loans or Eurodollar Loans and, if Eurodollar Loans, the Interest Period to be initially applicable thereto. The Administrative Agent shall promptly give each Lender written notice (or telephonic notice promptly confirmed in writing) of each proposed Borrowing of Revolving Credit Loans, of such Lender’s proportionate share thereof and of the other matters covered by the related Notice of Borrowing.

(c) Whenever the Borrower desires to incur Swingline Loans hereunder, it shall give the Administrative Agent written notice (or telephonic notice promptly confirmed in writing) of each Borrowing of Swingline Loans prior to 3:00 p.m. (New York City time) or such later time as is agreed by the applicable Swingline Lender on the date of such Borrowing. Each such notice shall be irrevocable and shall specify (i) the aggregate principal amount of the Swingline Loans to be made pursuant to such Borrowing and (ii) the date of Borrowing (which shall be a Business Day). The Administrative Agent shall promptly give the applicable Swingline Lender written notice (or telephonic notice promptly confirmed in writing) of each proposed Borrowing of Swingline Loans and of the other matters covered by the related Notice of Borrowing.

(d) Mandatory Borrowings shall be made upon the notice specified in Section 2.1(f), with the Borrower irrevocably agreeing, by its incurrence of any Swingline Loan, to the making of Mandatory Borrowings as set forth in such Section.

(e) Borrowings of Revolving Credit Loans to reimburse Unpaid Drawings under Letters of Credit shall be made upon the terms set forth in Section 3.3 or Section 3.4(a).

(f) Without in any way limiting the obligation of the Borrower to confirm in writing any notice it may give hereunder by telephone, the Administrative Agent may act prior to receipt of written confirmation without liability upon the basis of such telephonic notice believed by the Administrative Agent in good faith to be from an Authorized Officer of the Borrower. In each such case, the Borrower hereby waives the right to dispute the Administrative Agent's record of the terms of any such telephonic notice.

(g) If the Borrower fails to specify a Type of Loan in a Notice of Borrowing then the applicable Term Loans or Revolving Credit Loans shall be made as Eurodollar Loans with an Interest Period of one (1) month. If the Borrower requests a Borrowing of Eurodollar Loans in any such Notice of Borrowing, but fails to specify an Interest Period, it will be deemed to have specified an Interest Period of one (1) month.

2.4 Disbursement of Funds. (a) No later than 2:00 p.m. (New York City time) on the date specified in each Notice of Borrowing (including Mandatory Borrowings and Borrowings to reimburse Unpaid Drawings under Letters of Credit), each Lender will make available its pro rata portion, if any, of each Borrowing requested to be made on such date in the manner provided below; provided that on the Effective Date (or with respect to any Incremental Facilities, on the relevant Incremental Facility Closing Date), such funds may be made available at such earlier time as may be agreed among the relevant Lenders, the Borrower and the Administrative Agent for the purpose of consummating the Transactions; provided, further, that all Swingline Loans shall be made available to the Borrower in the full amount thereof by the applicable Swingline Lender no later than 4:00 p.m. (New York City time) on the date requested.

(b) Each Lender shall make available all amounts it is to fund to the Borrower under any Borrowing for its applicable Commitments in immediately available funds to the Administrative Agent at the Administrative Agent's Office and the Administrative Agent will (except in the case of Mandatory Borrowings and Borrowings to repay Unpaid Drawings under Letters of Credit) make available to the Borrower, by depositing to an account designated by the Borrower to the Administrative Agent in writing, the aggregate of the amounts so made available in Dollars. Unless the Administrative Agent shall have been notified by any Lender prior to the date of any such Borrowing that such Lender does not intend to make available to the Administrative Agent its portion of the Borrowing or Borrowings to be made on such date, the Administrative Agent may assume that such Lender has made such amount available to the Administrative Agent on such date of Borrowing, and the Administrative Agent, in reliance upon such assumption, may (in its sole discretion and without any obligation to do so) make available to the Borrower a corresponding amount. If such corresponding amount is not in fact made available to the Administrative Agent by such Lender and the Administrative Agent has made available same to the Borrower, the Administrative Agent shall be entitled to recover such corresponding amount from such Lender. If such Lender does not pay such corresponding amount forthwith upon the Administrative Agent's demand therefor, the Administrative Agent

shall promptly notify the Borrower and the Borrower shall immediately pay such corresponding amount to the Administrative Agent. The Administrative Agent shall also be entitled to recover from such Lender or the Borrower, as the case may be, interest on such corresponding amount in respect of each day from the date such corresponding amount was made available by the Administrative Agent to the Borrower, to the date such corresponding amount is recovered by the Administrative Agent, at a rate per annum equal to (i) if paid by such Lender, the Federal Funds Effective Rate or (ii) if paid by the Borrower, the then-applicable rate of interest, calculated in accordance with Section 2.8, for the respective Loans. If the Borrower and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrower the amount of such interest paid by the Borrower for such period. If such Lender pays its share of the applicable Borrowing to the Administrative Agent, then the amount so paid shall constitute such Lender's Loan included in such Borrowing. Any payment by the Borrower shall be without prejudice to any claim the Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent. Each Swingline Lender shall make available all amounts it is to fund to the Borrower under any Borrowing of Swingline Loans in immediately available funds to the Borrower by depositing to an account designated by the Borrower to such Swingline Lender in writing.

(c) Nothing in this Section 2.4 shall be deemed to relieve any Lender from its obligation to fulfill its commitments hereunder or to prejudice any rights that the Borrower may have against any Lender as a result of any default by such Lender hereunder (it being understood, however, that no Lender shall be responsible for the failure of any other Lender to fulfill its commitments hereunder)

(d) Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders or the Letter of Credit Issuers hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders or the Letter of Credit Issuers, as the case may be, the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders or the Letter of Credit Issuers, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or the Letter of Credit Issuers, in immediately available funds with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the Federal Funds Effective Rate.

2.5 Repayment of Loans; Evidence of Debt.

(a) The Borrower agrees to repay to the Administrative Agent, for the benefit of the applicable Lenders, (i) on the Initial Term Loan Maturity Date, all then outstanding Initial Term Loans, (ii) on the Tranche B Term Loan Maturity Date, any then outstanding Tranche B Term Loans, (iii) on the Tranche B-1 Term Loan Maturity Date, any then outstanding Tranche B-1 Term Loans, (iv) on the relevant Incremental Term Loan Maturity Date for any Class of Incremental Term Loans, any then outstanding Incremental Term Loans of such Class, (v) on the Revolving Credit Maturity Date, all then outstanding Revolving Credit Loans, (vi) on the

relevant maturity date for any Class of Additional/Replacement Revolving Credit Commitments, all then outstanding Additional/Replacement Revolving Credit Loans of such Class, (vii) on the relevant maturity date for any Class of Extended Term Loans, all then outstanding Extended Term Loans of such Class, (viii) on the relevant maturity date for any Class of Extended Revolving Credit Commitments, all then outstanding Extended Revolving Credit Loans of such Class and (ix) on the Swingline Maturity Date, all then outstanding Swingline Loans.

(b) The Borrower shall repay to the Administrative Agent, for the benefit of the Initial Term Lenders, on the last Business Day of each March, June, September and December (each such date, with respect to the Initial Term Lenders, an “Initial Term Loan Repayment Date”), commencing on the last Business Day of the first full fiscal quarter ending after the Effective Date, an aggregate principal amount of Initial Term Loans equal to 0.25% of the aggregate principal amount of Initial Term Loans outstanding on the Effective Date (each such amount, a “Initial Term Loan Repayment Amount”) (as such principal amount may be reduced by, and after giving effect to, any voluntary and mandatory prepayments made in accordance with Section 5 or as contemplated by Section 2.15).

(c) The Borrower shall repay to the Administrative Agent, (x) for the benefit of the Tranche B Term Lenders, on the last Business Day of each March, June, September and December (each such date, with respect to the Tranche B Term Lenders, an “Tranche B Term Loan Repayment Date”), commencing on the last Business Day of the first full fiscal quarter ending after the Second Amendment Effective Date, an aggregate principal amount of Tranche B Term Loans equal to 0.25% of the aggregate principal amount of Tranche B Term Loans outstanding on the Second Amendment Effective Date (each such amount, a “Tranche B Term Loan Repayment Amount”) (as such principal amount may be reduced by, and after giving effect to, any voluntary and mandatory prepayments made in accordance with Section 5 or as contemplated by Section 2.15) and (y) for the benefit of the Tranche B-1 Term Lenders, on the last Business Day of each March, June, September and December (each such date, with respect to the Tranche B-1 Term Lenders, an “Tranche B-1 Term Loan Repayment Date”), commencing on the last Business Day of the first full fiscal quarter ending after the Fourth Amendment Effective Date, an aggregate principal amount of Tranche B-1 Term Loans equal to 0.25% of the aggregate principal amount of Tranche B-1 Term Loans outstanding on the Fourth Amendment Effective Date (each such amount, a “Tranche B-1 Term Loan Repayment Amount”) (as such principal amount may be reduced by, and after giving effect to, any voluntary and mandatory prepayments made in accordance with Section 5 or as contemplated by Section 2.15).

(d) In the event any Incremental Term Loans are made, such Incremental Term Loans shall mature and be repaid in amounts (each such amount, an “Incremental Term Loan Repayment Amount”) and on dates as agreed between the Borrower and the relevant Lenders of such Incremental Term Loans in the applicable Incremental Agreement (each an “Incremental Term Loan Repayment Date”), subject to the requirements set forth in Section 2.14. In the event that any Extended Term Loans are established, such Extended Term Loans shall, subject to the requirements of Section 2.15, mature and be repaid by the Borrower in the amounts (each such amount, an “Extended Term Loan Repayment Amount”) and on the dates (each an “Extended Repayment Date”) set forth in the applicable Extension Agreement. In the event any Extended Revolving Credit Commitments are established, such Extended Revolving Credit Commitments shall, subject to the requirements of Section 2.15, be terminated (and all Extended Revolving Credit Loans of the same Extension Series repaid) on the dates set forth in the applicable Extension Agreement.

(e) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to the appropriate lending office of such Lender resulting from each Loan made by such lending office of such Lender from time to time, including the amounts of principal and interest payable and paid to such lending office of such Lender from time to time under this Agreement.

(f) The Administrative Agent, on behalf of the Borrower, shall maintain the Register pursuant to Section 13.6(b) and a subaccount for each Lender, in which the Register and the subaccounts (taken together) shall be recorded (i) the amount of each Loan made hereunder, whether such Loan is an Initial Term Loan, a Tranche B Term Loan, a Tranche B-1 Term Loan, an Incremental Term Loan (and the relevant Class thereof), a Revolving Credit Loan, an Additional/Replacement Revolving Credit Loan (and the relevant Class thereof), an Extended Term Loan (and the relevant Class thereof), an Extended Revolving Credit Loan (and the relevant Class thereof) or a Swingline Loan, as applicable, the Type of each Loan made and the Interest Period, if any, applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender or each Swingline Lender hereunder, (iii) the amount of any sum received by the Administrative Agent hereunder from the Borrower and each Lender's share thereof and (iv) any cancellation or retirement of Loans contemplated by Section 13.6(i).

(g) The entries made in the Register and accounts and subaccounts maintained pursuant to paragraphs (d) and (e) of this Section 2.5 shall, to the extent permitted by Applicable Law, be prima facie evidence of the existence and amounts of the obligations of the Borrower therein recorded; provided that the failure of any Lender or the Administrative Agent to maintain such account, such Register or such subaccount, as applicable, or any error therein, shall not in any manner affect the obligation of the Borrower to repay (with applicable interest) the Loans made to the Borrower by such Lender in accordance with the terms of this Agreement.

2.6 Conversions and Continuations. (a) The Borrower shall have the option on any Business Day, subject to Section 2.11, to convert all or a portion equal to at least the Minimum Borrowing Amount of the outstanding principal amount of Term Loans, Revolving Credit Loans, Additional/Replacement Revolving Credit Loans or Extended Revolving Credit Loans of one Type into a Borrowing or Borrowings of another Type and except as otherwise provided herein the Borrower shall have the option on the last day of an Interest Period to continue the outstanding principal amount of any Eurodollar Loans as Eurodollar Loans for an additional Interest Period; provided that (i) no partial conversion of Eurodollar Loans shall reduce the outstanding principal amount of Eurodollar Loans made pursuant to a single Borrowing to less than the Minimum Borrowing Amount, (ii) ABR Loans may not be converted into Eurodollar Loans if an Event of Default is in existence on the date of the conversion and the Administrative Agent has, or the Required Credit Facility Lenders with respect to any such Credit Facility have, determined in its or their sole discretion not to permit such conversion, (iii) Eurodollar Loans may not be continued as Eurodollar Loans for an additional Interest Period if an Event of Default is in existence on the date of the proposed continuation and the Administrative Agent has, or the Required Credit Facility Lenders with respect to any such

Credit Facility have, determined in its or their sole discretion not to permit such continuation and (iv) Borrowings resulting from conversions pursuant to this Section 2.6 shall be limited in number as provided in Section 2.2. Each such conversion or continuation shall be effected by the Borrower giving the Administrative Agent at the Administrative Agent's Office prior to 1:00 p.m. (New York City time) at least (i) three Business Days', in the case of a continuation of, or conversion to, Eurodollar Loans or (ii) one Business Day's, in the case of a conversion into ABR Loans, prior written notice (or telephonic notice promptly confirmed in writing) (each, a "Notice of Conversion or Continuation") specifying the Loans to be so converted or continued, the Type of Loans to be converted into or continued, the requested date of the conversion or continuation, as the case may be (which shall be a Business Day), the principal amount of Loans to be converted or continued, as the case may be, and, if such Loans are to be converted into, or continued as, Eurodollar Loans, the Interest Period to be initially applicable thereto. If the Borrower fails to give a timely notice requesting a conversion or continuation, then the applicable Term Loans, Revolving Credit Loans, Additional/Replacement Revolving Credit Loans or Extended Revolving Credit Loans shall be made or continued as the same Type of Loan, which, if a Eurodollar Loan, shall have the same Interest Period as that of the Loans being continued or converted (subject to the definition of Interest Period). Any such automatic continuation shall be effective as of the last day of the Interest Period then in effect with respect to the applicable Eurodollar Loans. If the Borrower requests a conversion to, or continuation of Eurodollar Loans in any such Notice of Conversion or Continuation, but fails to specify an Interest Period, it will be deemed to have specified an Interest Period of one month's duration. Notwithstanding anything to the contrary herein, a Swingline Loan may not be converted to a Eurodollar Loan. The Administrative Agent shall give each applicable Lender notice as promptly as practicable of any such proposed conversion or continuation affecting any of its Loans.

(b) If an Event of Default is in existence at the time of any proposed continuation of any Eurodollar Loans and the Administrative Agent has, or the Required Lenders with respect to any such continuation have, determined in its or their sole discretion not to permit such continuation, Eurodollar Loans shall be automatically converted on the last day of the current Interest Period into ABR Loans.

2.7 Pro Rata Borrowings. Each Borrowing of Initial Term Loans under this Agreement shall be granted by the Initial Term Lenders pro rata on the basis of their then-applicable Initial Term Loan Commitments. Each Borrowing of Tranche B Term Loans under this Agreement shall be granted by the Tranche B Term Lenders pro rata on the basis of their then-applicable Tranche B Term Loan Commitments. Each Borrowing of Tranche B-1 Term Loans under this Agreement shall be granted by the Tranche B-1 Term Lenders pro rata on the basis of their then-applicable Tranche B-1 Term Loan Commitments. Each Borrowing of Revolving Credit Loans under this Agreement shall be granted by the Revolving Credit Lenders pro rata on the basis of their then-applicable Revolving Credit Commitment Percentages with respect to the applicable Class. Each Borrowing of Incremental Term Loans under this Agreement shall be granted by the Lenders of the relevant Class thereof pro rata on the basis of their then-applicable Incremental Term Loan Commitments for such Class. Each Borrowing of Additional/Replacement Revolving Credit Loans under this Agreement shall be granted by the Lenders of the relevant Class thereof pro rata on the basis of their then-applicable Additional/Replacement Revolving Credit Commitments for such Class. Each Borrowing of

Extended Revolving Credit Loans under this Agreement shall be granted by the Lenders of the relevant Class thereof pro rata on the basis of their then-applicable Extended Revolving Credit Commitments for such Class. It is understood that (a) no Lender shall be responsible for any default by any other Lender in its obligation to make Loans hereunder and that each Lender, severally and not jointly, shall be obligated to make the Loans provided to be made by it hereunder, regardless of the failure of any other Lender to fulfill its commitments hereunder, and (b) other than as expressly provided herein with respect to a Defaulting Lender, failure by a Lender to perform any of its obligations under any of the Credit Documents shall not release any Person from performance of its obligations under any Credit Document.

2.8 Interest. (a) The unpaid principal amount of each ABR Loan shall bear interest from the date of the Borrowing thereof until maturity (whether by acceleration or otherwise) at a rate per annum that shall at all times be the Applicable Margin in effect from time to time plus the ABR in effect from time to time.

(b) The unpaid principal amount of each Eurodollar Loan shall bear interest from the date of the Borrowing thereof until maturity thereof (whether by acceleration or otherwise) at a rate per annum that shall at all times be the Applicable Margin in effect from time to time plus the Eurodollar Rate in effect from time to time.

(c) If all or a portion of the principal amount of any Loan or any interest payable thereon or any fees or other amounts due hereunder shall not be paid when due (whether at the stated maturity, by acceleration or otherwise), such overdue amount shall bear interest (including post-petition interest in any proceeding under the Bankruptcy Code or other applicable bankruptcy laws) at a rate per annum that is (i) in the case of overdue principal, the rate that would otherwise be applicable thereto plus 2% or (ii) in the case of overdue interest, fees or other amounts due hereunder, to the extent permitted by Applicable Law, the rate described in Section 2.8 (a) plus 2% from and including the date of such non-payment to but excluding the date on which such amount is paid in full (after as well as before judgment). All such interest shall be payable on demand.

(d) Interest on each Loan shall accrue from and including the date of any Borrowing to but excluding the date of any repayment thereof and shall be payable in Dollars and, except as provided below, shall be payable (i) in respect of each ABR Loan, quarterly in arrears on the last Business Day of each March, June, September and December, (ii) in respect of each Eurodollar Loan, on the last day of each Interest Period applicable thereto and, in the case of an Interest Period in excess of three months, on each date occurring at three-month intervals after the first day of such Interest Period, and (iii) in respect of each Loan (except, in the case of prepayments, any ABR Loan), on any prepayment (on the amount prepaid), at maturity (whether by acceleration or otherwise) and, after such maturity, on demand; provided that any Loan that is repaid on the same date on which it is made shall bear interest for one day.

(e) All computations of interest hereunder shall be made in accordance with Section 5.5.

(f) The Administrative Agent, upon determining the interest rate for any Borrowing of Eurodollar Loans, shall promptly notify the Borrower and the relevant Lenders thereof. Each such determination shall, absent clearly demonstrable error, be final and conclusive and binding on all parties hereto.

(g) Except as otherwise provided herein, whenever any payment hereunder or under the other Credit Documents shall be stated to be due on a day other than a Business Day, such payment shall be made on the next succeeding Business Day, and such extension of time shall in such case be included in the computation of payment of interest or commitment or letter of credit fee or commission, as the case may be.

2.9 Interest Periods. At the time the Borrower gives a Notice of Borrowing or Notice of Conversion or Continuation in respect of the making of, or conversion into or continuation as, a Borrowing of Eurodollar Loans (in the case of the initial Interest Period applicable thereto) on or prior to 1:00 p.m. (New York City time) on the third Business Day prior to the expiration of an Interest Period applicable to a Borrowing of Eurodollar Loans, the Borrower shall have the right to elect, by giving the Administrative Agent written notice (or telephonic notice promptly confirmed in writing), the Interest Period applicable to such Borrowing, which Interest Period shall be the period commencing on the date of such Borrowing and ending on the numerically corresponding day (or, if there is no numerically corresponding day, on the last Business Day) in the calendar month that is one, two, three or six months thereafter (or, if available to all relevant Lenders participating in the relevant Credit Facility, (i) twelve months thereafter or (ii) another period acceptable to the Administrative Agent (including a shorter period)); provided that, notwithstanding the foregoing parenthetical, the initial Interest Period beginning on the Effective Date and the initial Interest Period beginning on the Second Amendment Effective Date may be for a period less than one month if agreed upon by the Borrower and the Administrative Agent; provided, further, that (x) the initial Interest Period with respect to Tranche B-1 Term Loans made on the Fourth Amendment Effective Date will end on the last day of the Interest Period applicable to Tranche B Term Loans outstanding immediately prior to the Fourth Amendment Effective Date and (y) the Eurodollar Rate applicable to Tranche B-1 Term Loans made on the Fourth Amendment Effective Date shall be the same rate applicable to Tranche B Term Loans outstanding immediately prior to the Fourth Amendment Effective Date.

Notwithstanding anything to the contrary contained above:

(i) the initial Interest Period for any Borrowing of Eurodollar Loans shall commence on the date of such Borrowing (including the date of any conversion from a Borrowing of ABR Loans) and each Interest Period occurring thereafter in respect of such Borrowing shall commence on the day on which the next preceding Interest Period expires;

(ii) if any Interest Period relating to a Borrowing of Eurodollar Loans begins on the last Business Day of a calendar month or begins on a day for which there is no numerically corresponding day in the calendar month at the end of such Interest Period, such Interest Period shall end on the last Business Day of the calendar month at the end of such Interest Period;

(iii) if any Interest Period would end on a day other than a Business Day, such Interest Period shall be extended to the next succeeding Business Day unless such next succeeding Business Day would fall in the next calendar month, in which case such Interest Period shall end on the next preceding Business Day;

(iv) Interest shall accrue from and including the first day of an Interest Period to but excluding the last day of such Interest Period; and

(v) the Borrower shall not be entitled to elect any Interest Period in respect of any Eurodollar Loan if such Interest Period would extend beyond the applicable Maturity Date of such Loan.

2.10 Increased Costs, Illegality, Etc. (a) In the event that any Lender shall have reasonably determined (which determination shall, absent clearly demonstrable error, be final and conclusive and binding upon all parties hereto):

(i) that, due to a Change in Law, which shall (A) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender; (B) subject any Lender to any tax (other than (1) taxes indemnified under Section 5.4, (2) taxes described in clause (A), (B) or (C) of Section 5.4(a) or (3) taxes described in clause (f) of Section 5.4) on its loans, letters of credits, commitments or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or (C) impose on any Lender or the London interbank market any other condition, cost or expense affecting this Agreement or Eurodollar Loans made by such Lender, which results in the cost to such Lender of making, converting into, continuing or maintaining Eurodollar Loans or participating in Letters of Credit (in each case hereunder) increasing by an amount which such Lender reasonably deems material or the amounts received or receivable by such Lender hereunder with respect to the foregoing shall be reduced; or

(ii) at any time after the Effective Date that the making or continuance of any Eurodollar Loan has become unlawful by compliance by such Lender in good faith with any Applicable Law, (or would conflict with any such Applicable Law not having the force of law even though the failure to comply therewith would not be unlawful), or has become impracticable as a result of a contingency occurring after the Effective Date that materially and adversely affects the interbank Eurodollar market;

then, and in any such event, such Lender shall within a reasonable time thereafter give notice (if by telephone, confirmed in writing) to the Borrower and the Administrative Agent of such determination (which notice the Administrative Agent shall promptly transmit to each of the other Lenders).

Thereafter (x) in the case of clause (i) above, the Borrower shall pay to such Lender, promptly (but no later than 10 Business Days) after receipt of written demand therefor, such additional amounts (in the form of an increased rate of, or a different method of calculating, interest or otherwise as such Lender in its reasonable discretion shall determine) as shall be required to compensate such Lender for such increased costs or reductions in amounts receivable hereunder (it being agreed that a written notice as to the additional amounts owed to such Lender, showing in reasonable detail the basis for the calculation thereof, submitted to the Borrower by such Lender shall, absent clearly demonstrable error, be final and conclusive and binding upon all parties hereto) and (y) in the case of clause (ii) above, the Borrower shall take one of the actions specified in Section 2.10(b) as promptly as possible and, in any event, within the time period required by Applicable Law.

(b) At any time that any Eurodollar Loan is affected by the circumstances described in Section 2.10(a), the Borrower may (and in the case of a Eurodollar Loan affected pursuant to Section 2.10(a)(ii) shall) either (x) if the affected Eurodollar Loan is then being made pursuant to a Borrowing, cancel said Borrowing by giving the Administrative Agent telephonic notice (confirmed promptly in writing) thereof on the same date that the Borrower was notified by a Lender pursuant to Section 2.10(a) or (y) if the affected Eurodollar Loan is then outstanding, upon at least three Business Days' notice to the Administrative Agent, require the affected Lender to convert each such Eurodollar Loan into an ABR Loan, if applicable; provided, that if more than one Lender is affected at any time, then all affected Lenders must be treated in the same manner pursuant to this Section 2.10(b).

(c) If any Change in Law regarding capital adequacy or liquidity requirements, has or would have the effect of reducing the rate of return on such Lender's or Letter of Credit Issuer's or their respective parent's capital or assets as a consequence of such Lender's or Letter of Credit Issuer's commitments or obligations hereunder to a level below that which such Lender or Letter of Credit Issuer or their respective parent could have achieved but for such Change in Law (taking into consideration such Lender's or Letter of Credit Issuer's or their respective parent's policies with respect to capital adequacy and liquidity), then from time to time, promptly (but no later than 10 Business Days) after written demand by such Lender or Letter of Credit Issuer (with a copy to the Administrative Agent), the Borrower shall pay to such Lender or Letter of Credit Issuer such additional amount or amounts as will compensate such Lender or Letter of Credit Issuer or their respective parent for such reduction, it being understood and agreed, however, that a Lender or Letter of Credit Issuer shall not be entitled to such compensation as a result of such Lender's or Letter of Credit Issuer's compliance with, or pursuant to any request or directive to comply with, any such Applicable Law as in effect on the Effective Date except as a result of a Change in Law. Each Lender or Letter of Credit Issuer, upon determining in good faith that any additional amounts will be payable pursuant to this Section 2.10(c), will give prompt written notice thereof to the Borrower (on its own behalf) which notice shall set forth in reasonable detail the basis of the calculation of such additional amounts, although the failure to give any such notice shall not, subject to Section 2.13, release or diminish any of the Borrower's obligations to pay additional amounts pursuant to this Section 2.10(c) upon receipt of such notice.

(d) If prior to the commencement of any Interest Period for a Eurodollar Loan:

(i) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining LIBOR, as applicable (including, without limitation, because the LIBO Screen Rate is not available or published on a current basis), for such Interest Period; or

(ii) the Administrative Agent is advised by the Required Lenders that LIBOR, as applicable, for such Interest Period will not adequately and fairly reflect the cost to such Lenders (or Lender) of making or maintaining their Loans (or its Loan) included in such Borrowing for such Interest Period;

then the Administrative Agent shall give notice thereof to the Borrower and the Lenders by telephone or teletype as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, (A) any Notice of Conversion or Continuation that requests the conversion of any Loan to, or continuation of any Loan as, a Eurodollar Loan shall be ineffective and (B) if any Notice of Borrowing requests Revolving Credit Loans as Eurodollar Loans, such Borrowing shall be made as ABR Loans; provided that if the circumstances giving rise to such notice affect only one Type of Borrowings, then all other Types of Borrowings shall be permitted.

(e) If at any time the Administrative Agent determines (which determination shall be conclusive absent manifest error) that (i) the circumstances set forth in Section 2.10(d)(i) have arisen and such circumstances are unlikely to be temporary or (ii) the circumstances set forth in Section 2.10(d)(i) have not arisen but the supervisor for the administrator of the LIBO Screen Rate or a Governmental Authority having jurisdiction over the Administrative Agent has made a public statement identifying a specific date after which the LIBO Screen Rate shall no longer be used for determining interest rates for loans, then the Administrative Agent and the Borrower shall endeavor to establish an alternate rate of interest to the LIBO Rate that gives due consideration to the then prevailing market convention for determining a rate of interest for syndicated loans in the United States at such time, and shall enter into an amendment to this Agreement to reflect such alternate rate of interest and such other related changes to this Agreement as may be applicable. Notwithstanding anything to the contrary in Section 13.1, such amendment shall become effective without any further action or consent of any other party to this Agreement so long as the Administrative Agent shall not have received, within five Business Days of the date notice of such alternate rate of interest is provided to the Lenders, a written notice from the Required Lenders of each Class stating that such Required Lenders object to such amendment. Until an alternate rate of interest shall be determined in accordance with this clause (e) (but, in the case of the circumstances described in clause (ii) of the first sentence of this Section 2.10(e), only to the extent the LIBO Screen Rate for such Interest Period is not available or published at such time on a current basis), (x) any Notice of Conversion or Continuation that requests the conversion of any Loans to, or continuation of any Loans as, Eurodollar Loans shall be ineffective, and (y) if any Notice of Borrowing requests Revolving Credit Loans as Eurodollar Loans, such Borrowing shall be made as ABR Loans; provided that, if such alternate rate of interest shall be less than zero, such rate shall be deemed to be zero for the purposes of this Agreement.

(f) This Section 2.10 shall not apply to taxes to the extent duplicative of Section 5.4.

(g) The agreements in this Section 2.10 shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

(h) Notwithstanding the foregoing, no Lender or Letter of Credit Issuer shall be entitled to seek compensation under this Section 2.10 based on the occurrence of a Change in Law arising solely from the Dodd-Frank Wall Street Reform and Consumer Protection Act or any requests, rules, guidelines or directives thereunder or issued in connection therewith, unless such Lender or Letter of Credit Issuer is generally seeking compensation from other borrowers in the U.S. leveraged loan market with respect to its similarly affected commitments, loans and/or participations under agreements with such borrowers having provisions similar to this Section 2.10.

2.11 Compensation. If (a) any payment of principal of a Eurodollar Loan is made by the Borrower to or for the account of a Lender other than on the last day of the Interest Period for such Eurodollar Loan as a result of a payment or conversion pursuant to Section 2.5, 2.6, 2.10, 5.1, 5.2 or 13.7, as a result of acceleration of the maturity of the Loans pursuant to Section 11 or for any other reason, (b) any Borrowing of Eurodollar Loans is not made as a result of a withdrawn Notice of Borrowing, (c) any ABR Loan is not converted into a Eurodollar Loan as a result of a withdrawn Notice of Conversion or Continuation, (d) any Eurodollar Loan is not continued as a Eurodollar Loan as a result of a withdrawn Notice of Conversion or Continuation or (e) any prepayment of principal of a Eurodollar Loan is not made as a result of a withdrawn notice of prepayment pursuant to Section 5.1 or 5.2, the Borrower shall, after receipt of a written request by such Lender (which request shall set forth in reasonable detail the basis for requesting such amount and, absent clearly demonstrable error, the amount requested shall be final and conclusive and binding upon all parties hereto), pay to the Administrative Agent for the account of such Lender within 10 Business Days of such request any amounts required to compensate such Lender for any additional losses, costs or expenses that such Lender may reasonably incur as a result of such payment, failure to borrow, failure to convert, failure to continue, failure to prepay, reduction or failure to reduce, including any loss, cost or expense (excluding loss of anticipated profits) actually incurred by reason of the liquidation or reemployment of deposits or other funds acquired by such Lender to fund or maintain such Eurodollar Loan.

2.12 Change of Lending Office. Each Lender agrees that, upon the occurrence of any event giving rise to the operation of Section 2.10(a), 2.10(c), 3.5 or 5.4 with respect to such Lender, it will, if requested by the Borrower, use reasonable efforts (subject to overall policy considerations of such Lender) to designate another lending office for any Loans affected by such event; provided, that such designation is made on such terms that such Lender and its lending office suffer no economic, legal or regulatory disadvantage, with the object of avoiding the consequence of the event giving rise to the operation of any such Section. Nothing in this Section 2.12 shall affect or postpone any of the obligations of the Borrower or the right of any Lender provided in Section 2.10, 3.5 or 5.4.

2.13 Notice of Certain Costs. Notwithstanding anything in this Agreement to the contrary, to the extent any notice required by Section 2.10, 2.11, 3.5 or 5.4 is given by any Lender more than 180 days after such Lender has knowledge (or should have had knowledge) of the occurrence of the event giving rise to the additional cost, reduction in amounts, loss, tax or other additional amounts described in such Sections, such Lender shall not be entitled to compensation under Section 2.10, 2.11, 3.5 or 5.4, as the case may be, for any such amounts incurred or accruing prior to the giving of such notice to the Borrower; provided that, if the circumstance giving rise to such claim is retroactive, then such 180 day period referred to above shall be extended to include the period of retroactive effect thereof.

2.14 Incremental Facilities.

(a) The Borrower may at any time or from time to time after the Effective Date, by written notice delivered to the Administrative Agent (whereupon the Administrative Agent shall promptly deliver a copy to each of the Lenders), request (i) one or more new term loans which may be the same Class as any outstanding Class of Term Loans (a "Term Loan Increase") and/or one or more new Classes of term loans (collectively, with any Term Loan Increase (and including the Tranche B Term Loans and Tranche B-1 Term Loans), the "Incremental Term Loans"), (ii) one or more increases in the amount of the Revolving Credit Commitments of any Class (each such increase, an "Incremental Revolving Credit Commitment Increase") or (iii) one or more additional Classes of revolving credit commitments (the "Additional/Replacement Revolving Credit Commitments", and together with the Incremental Term Loans and the Incremental Revolving Credit Commitment Increases, the "Incremental Facilities" and the commitments in respect thereof are referred to as the "Incremental Commitments" (including therein the Tranche B Term Loan Facility and Tranche B-1 Term Loan Facility, and the Tranche B Term Loan Commitments and the Tranche B-1 Term Loan Commitments, respectively)); provided that:

(i) after giving effect to the effectiveness of any Incremental Agreement referred to below, except as set forth in the proviso to clause (b) below, no Event of Default shall exist and at the time that any such Incremental Term Loan, Incremental Revolving Credit Commitment Increase or Additional/Replacement Revolving Credit Commitment is made or effected (and after giving effect thereto), no Event of Default shall exist; provided that, with respect to any Incremental Agreement the primary purpose of which is to finance a Permitted Acquisition or any other Investment permitted by this Agreement constituting an acquisition of assets constituting a business unit, line of business or division of, or all or substantially all of the Capital Stock of, another Person, this clause (i) may be waived or omitted by Incremental Lenders holding more than 50% of the aggregate Incremental Commitments under such Incremental Agreement (other than with respect to the absence of any Event of Default under Section 11.1 or Section 11.5, which requirement may not be waived by such Incremental Lenders); and

(ii) after giving effect to the incurrence of such Incremental Term Loans or borrowing under such Incremental Revolving Credit Commitment Increase or borrowing under such Additional/Replacement Revolving Credit Commitments (and after giving effect to any Specified Transaction to be consummated in connection therewith), the Borrower and the Restricted Subsidiaries would be in compliance on a Pro Forma Basis with the requirements of Sections 10.9 and 10.10 as of the most recently ended Test Period on or prior to the incurrence of any such Incremental Facilities, calculated on a Pro Forma Basis, in each case as if such Incremental Term Loans, Incremental Revolving Credit Commitment Increase or Additional/Replacement Revolving Credit Commitments, as applicable, had been outstanding (and any related transactions had occurred) on the first day of such Test Period.

(b) Each tranche of Incremental Term Loans, each tranche of Additional/Replacement Revolving Credit Commitments and each Incremental Revolving Credit Commitment Increase shall be in an aggregate principal amount that is not less than \$5,000,000 (provided that such amount may be less than \$5,000,000 if such amount represents all remaining availability under the limit set forth below) (and in minimum increments of \$1,000,000 in excess thereof), and following the Effective Date, the aggregate amount of the Incremental Term Loans, Incremental Revolving Credit Commitment Increases and the Additional/Replacement Revolving Credit Commitments shall not exceed, at the time of incurrence thereof and after

giving Pro Forma Effect thereto and the use of the proceeds thereof, of the sum of (A) the greater of \$500,000,000 and an amount equal to 100% of Consolidated EBITDA for the Test Period most recently then-ended for which the Section 9.1 Financials required by Section 9.1(a) or Section 9.1(b) have actually been delivered (minus, the aggregate principal amount of all Permitted Additional Debt incurred under clause (A) of the proviso to Section 10.1(v)(ii) at any time following the Effective Date), plus (B) an aggregate additional amount of Indebtedness, such that, after giving Pro Forma Effect to such incurrence or issuance (and after giving effect to any Specified Transaction to be consummated in connection therewith and assuming that all Incremental Revolving Credit Commitments then outstanding were fully drawn (except to the extent that such Incremental Revolving Credit Commitments refinanced or replaced all or any portion of the Revolving Credit Commitments outstanding on the Effective Date))) the Borrower would be in compliance with a Consolidated Secured Debt to Consolidated EBITDA Ratio as of the Test Period most recently ended on or prior to the incurrence of any such Incremental Facility, calculated on a Pro Forma Basis, as if such incurrence (and transaction) had occurred on the first day of such Test Period, that is no greater than 4.0:1.0 (the amounts under clause (A), the “Free and Clear Incremental Amount” and the amounts under clause (B), the “Incurrence-Based Incremental Amount” and, together with the Free and Clear Incremental Amount, the “Incremental Limit”); provided that (i) Incremental Term Loans may be incurred without regard to the Incremental Limit, without regard to the requirement set forth in the proviso to Section 2.14(a) that the Borrower and the Restricted Subsidiaries be in compliance on a Pro Forma Basis with the requirements of Sections 10.9 and 10.10 as of the most recently ended Test Period, and without regard to whether an Event of Default has occurred and is continuing, to the extent that the Net Cash Proceeds from such Incremental Term Loans are used on the date of incurrence of such Incremental Term Loans to prepay Term Loans in accordance with the procedures set forth in Section 5.2(a)(i) and subject to the payment of premiums set forth in Section 5.1(b), if applicable, (ii) Additional/Replacement Revolving Credit Commitments may be provided without regard to the Incremental Limit, without regard to the requirement set forth in the proviso to Section 2.14(a) that the Borrower and the Restricted Subsidiaries be in compliance on a Pro Forma Basis with the requirements of Sections 10.9 and 10.10 as of the most recently ended Test Period, and without regard to whether an Event of Default has occurred and is continuing, to the extent that the existing Revolving Credit Commitments shall be permanently reduced in accordance with Section 5.2(e)(ii) by an amount equal to the aggregate amount of Additional/Replacement Revolving Credit Commitments so provided and (iii) the Borrower may elect to use the Incurrence-Based Incremental Amount prior to the Free and Clear Incremental Amount or any combination thereof in accordance with Section 1.2(m) (and, absent such election, shall be deemed to have used the Incurrence-Based Incremental Amount). Without limiting the foregoing, all or any portion of the Free and Clear Incremental Amount incurred concurrently with all or any portion of the Incurrence-Based Incremental Amount shall not count as Indebtedness for the purposes of calculating the applicable ratio pursuant to the Incurrence-Based Incremental Amount in accordance with Section 1.2(m).

(c) (i) The Incremental Term Loans (I) shall rank pari passu in right of payment and of security with the Tranche B-1 Term Loans, (II) shall not mature earlier than the Tranche B-1 Term Loan Maturity Date, (III) shall not have a shorter Weighted Average Life to Maturity than the Tranche B-1 Term Loan Facility, (IV) shall have an amortization schedule (subject to clause (III) above), and interest rates (including through fixed interest rates), interest margins, rate floors, upfront fees, funding discounts, original issue discounts and

prepayment premiums for the Incremental Term Loans as determined by the Borrower and the lenders of the Incremental Term Loans; provided, however, that if the Effective Yield in respect of any Incremental Term Loans that rank *pari passu* in right of payment and security with the Tranche B-1 Term Loans as of the date of funding thereof and established on or prior to the Tranche B-1 Term Loan Maturity Date exceeds the Effective Yield in respect of the Tranche B-1 Term Loans by more than 0.50%, then the Applicable Margin in respect of the Initial Term Loans shall be adjusted so that the Effective Yield in respect of the Tranche B-1 Term Loans is equal to the Effective Yield of the Incremental Term Loans minus 0.50%; provided, further, to the extent that any change in the Effective Yield of the Tranche B-1 Term Loans is necessitated by this clause (c)(i) on the basis of an effective interest rate floor in respect of the Incremental Term Loans, the increased Effective Yield in the Tranche B-1 Term Loans shall (unless otherwise agreed in writing by the Borrower) have such increase in the Effective Yield effected solely by increases in the interest rate floor(s) applicable to the Tranche B-1 Term Loans and (V) may otherwise have terms and conditions different from those of the Tranche B-1 Term Loans; provided that (except with respect to matters contemplated by subclauses (II), (III) and (IV) in above) any differences shall be reasonably satisfactory to the Administrative Agent.

(ii) The Incremental Revolving Credit Commitment Increase shall be treated the same as the Revolving Credit Commitments (including with respect to maturity date thereof) and shall be considered to be part of the Revolving Credit Facility.

(iii) The Additional/Replacement Revolving Credit Commitments (i) shall rank *pari passu* in right of payment and of security with the Revolving Credit Loans, (ii) shall not mature earlier than the Revolving Credit Maturity Date and shall require no mandatory commitment reduction prior to the Revolving Credit Maturity Date, (iii) shall have interest rates (including through fixed interest rates), interest margins, rate floors, upfront fees, undrawn commitment fees, funding discounts, original issue discounts and prepayment premiums as determined by the Borrower and the lenders of such commitments, (iv) shall contain borrowing, repayment and termination of Commitment procedures as determined by the Borrower and the lenders of such commitments, (v) may include provisions relating to swingline loans and/or letters of credit, as applicable, issued thereunder, which issuances shall be on terms substantially similar (except for the overall size of such subfacilities, the fees payable in connection therewith and the identity of the swingline lender and letter of credit issuer, as applicable, which shall be determined by the Borrower, the lenders of such commitments and the applicable letter of credit issuers and swingline lenders and borrowing, repayment and termination of commitment procedures with respect thereto, in each case which shall be specified in the applicable Incremental Agreement) to the terms relating to Swingline Loans and Letters of Credit with respect to the Revolving Credit Commitments or otherwise reasonably acceptable to the Administrative Agent and (vi) may otherwise have terms and conditions different from those of the Revolving Credit Facility; provided that (except with respect to matters contemplated by clauses (ii), (iii), (iv) and (v) above) any differences shall be reasonably satisfactory to the Administrative Agent.

(d) Each notice from the Borrower pursuant to this Section 2.14 shall be given in writing and shall set forth the requested amount and proposed terms of the relevant Incremental Term Loans, Incremental Revolving Credit Commitment Increases or Additional/Replacement Revolving Credit Commitments. Incremental Term Loans may be made, and Incremental Revolving Credit Commitment Increases and Additional/Replacement Revolving Credit Commitments may be provided, subject to the prior written consent of the Borrower (not to be unreasonably withheld), by any existing Lender (it being understood that no existing Lender will have an obligation to make a portion of any Incremental Term Loan, no existing Lender with a Revolving Credit Commitment will have any obligation to provide a portion of any Incremental Revolving Credit Commitment Increase and no existing Lender with an Revolving Credit Commitment will have an obligation to provide a portion of any Additional/Replacement Revolving Credit Commitment) or by any other bank, financial institution, other institutional lender or other investor (any such other bank, financial institution or other investor being called an “Additional Lender”); provided that (i) the Administrative Agent shall have consented (not to be unreasonably withheld) to such Lender’s or Additional Lender’s making such Incremental Term Loans or providing such Incremental Revolving Credit Commitment Increases or such Additional/Replacement Revolving Credit Commitments if such consent would be required under Section 13.6(b) for an assignment of Loans or Commitments, as applicable, to such Lender or Additional Lender; provided further that, solely with respect to any Incremental Revolving Credit Commitment Increases or Additional/Replacement Revolving Credit Commitments, each Swingline Lender and each Letter of Credit Issuer shall have consented (not to be unreasonably withheld) to such Additional Lender’s providing such Incremental Revolving Credit Commitment Increases or Additional/Replacement Revolving Credit Commitments if such consent would be required under Section 13.6(b) for an assignment of Loans or Commitments, as applicable, to such Lender or Additional Lender.

(e) Commitments in respect of Incremental Term Loans, Incremental Revolving Credit Commitment Increases and Additional/Replacement Revolving Credit Commitments shall become Commitments (or in the case of an Incremental Revolving Credit Commitment Increase to be provided by an existing Lender with a Revolving Credit Commitment, an increase in such Lender’s applicable Revolving Credit Commitment) under this Agreement pursuant to an amendment (an “Incremental Agreement”) to this Agreement and, as appropriate, the other Credit Documents, executed by Holdings, the Borrower, each Lender agreeing to provide such Commitment, if any, each Additional Lender, if any, and the Administrative Agent. The Incremental Agreement may, subject to Section 2.14(c), without the consent of any other Lenders, effect such amendments to this Agreement and the other Credit Documents as may be necessary, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section. The effectiveness of any Incremental Agreement shall be subject to the satisfaction on the date thereof (each, an “Incremental Facility Closing Date” (including the Second Amendment Effective Date ~~and~~, the Fourth Amendment Effective Date and the Fifth Amendment Effective Date)), and the occurrence of any Credit Events pursuant to such Incremental Agreement, shall be subject to the satisfaction of such conditions as the parties thereto shall agree. The Borrower will use the proceeds of the Incremental Term Loans, Incremental Revolving Credit Commitment Increases and Additional/Replacement Revolving Credit Commitments for any purpose not prohibited by this Agreement; provided that the proceeds of any Incremental Term Loans incurred, and any Additional/Replacement Revolving Credit Commitments provided, in either case as described in the proviso to Section 2.14(b), shall be used in accordance with the terms thereof.

(f) (i) No Lender shall be obligated to provide any Incremental Term Loans, Incremental Revolving Credit Commitment Increases or Additional/Replacement Revolving Credit Commitments unless it so agrees and the Borrower shall not be obligated to offer any existing Lender the opportunity to provide any Incremental Term Loans, Incremental Revolving Credit Commitment Increases or Additional/Replacement Revolving Credit Commitments.

(ii) Upon each increase in the Revolving Credit Commitments pursuant to this Section, each Lender with a Revolving Credit Commitment of such Class immediately prior to such increase will automatically and without further act be deemed to have assigned to each Lender providing a portion of the Incremental Revolving Credit Commitment Increase (each, an “Incremental Revolving Credit Commitment Increase Lender”) in respect of such increase, and each such Incremental Revolving Credit Commitment Increase Lender will automatically and without further act be deemed to have assumed, a portion of such Lender’s participations hereunder in outstanding Letters of Credit and Swingline Loans such that, after giving effect to each such deemed assignment and assumption of participations, the percentage of the aggregate outstanding (A) participations hereunder in Letters of Credit and (B) participations hereunder in Swingline Loans held by each Lender with a Revolving Credit Commitment (including each such Incremental Revolving Credit Commitment Increase Lender) will equal the percentage of the aggregate Revolving Credit Commitments of all Lenders represented by such Lender’s Revolving Credit Commitment. If, on the date of such increase, there are any Revolving Credit Loans outstanding, such Revolving Credit Loans shall on or prior to the effectiveness of such Incremental Revolving Credit Commitment Increase be prepaid from the proceeds of additional Revolving Credit Loans made hereunder (reflecting such increase in Revolving Credit Commitments), which prepayment shall be accompanied by accrued interest on the Revolving Credit Loans being prepaid and any costs incurred by any Lender in accordance with Section 2.11. The Administrative Agent and the Lenders hereby agree that the minimum borrowing, pro rata borrowing and pro rata payment requirements contained elsewhere in this Agreement shall not apply to the transactions effected pursuant to the immediately preceding sentence.

(g) This Section 2.14 shall supersede any provisions in Section 2.7 or 13.1 to the contrary. For the avoidance of doubt, any provisions of this Section 2.14 may be amended with the consent of the Required Lenders, provided no such amendment shall require any Lender to provide any Incremental Commitment without such Lender’s consent.

2.15 Extensions of Term Loans, Revolving Credit Loans and Revolving Credit Commitments and Additional/Replacement Revolving Credit Loans and Additional/Replacement Revolving Credit Commitments.

(a) (i) The Borrower may at any time and from time to time request that all or a portion of each Term Loan of any Class (an “Existing Term Loan Class”) be exchanged to extend the scheduled final maturity date(s) of any payment of principal with respect to all or a portion of any principal amount of such Term Loans (any such Term Loans which have been so extended, “Extended Term Loans”) and to provide for other terms consistent with this Section 2.15. Prior to entering into any Extension Agreement with respect to any Extended Term Loans, the Borrower shall provide written notice to the Administrative Agent (who shall provide a copy of such notice to each of the Lenders of the applicable Existing Term Loan Class, with such request offered to all such Lenders of such Existing Term Loan Class) (a “Term Loan Extension Request”) setting forth the proposed terms of the Extended Term Loans to be

established, which terms shall be substantially similar to the Term Loans of the Existing Term Loan Class from which they are to be extended except that (w) the scheduled final maturity date shall be extended and all or any of the scheduled amortization payments of all or a portion of any principal amount of such Extended Term Loans may be delayed to later dates than the scheduled amortization of principal of the Term Loans of such Existing Term Loan Class (with any such delay resulting in a corresponding adjustment to the scheduled amortization payments reflected in Section 2.5 or in the Extension Agreement or Incremental Agreement, as the case may be, with respect to the Existing Term Loan Class of Term Loans from which such Extended Term Loans were extended, in each case as more particularly set forth in Section 2.15(c) below), (x) (A) the interest rates (including through fixed interest rates), interest margins, rate floors, upfront fees, funding discounts, original issue discounts and premiums with respect to the Extended Term Loans may be different than those for the Term Loans of such Existing Term Loan Class and/or (B) additional fees and/or premiums may be payable to the Lenders providing such Extended Term Loans in addition to any of the items contemplated by the preceding clause (A), in each case, to the extent provided in the applicable Extension Agreement, (y) subject to the provisions set forth in Sections 5.1 and 5.2, the Extended Term Loans may have optional prepayment terms (including call protection and prepayment premiums) and mandatory prepayment terms as may be agreed between the Borrower and the Lenders thereof and (z) the Extension Agreement may provide for other covenants and terms that apply to any period after the Latest Maturity Date. No Lender shall have any obligation to agree to have any of its Term Loans of any Existing Term Loan Class exchanged into Extended Term Loans pursuant to any Term Loan Extension Request. Any Extended Term Loans of any Extension Series shall constitute a separate Class of Term Loans from the Existing Term Loan Class of Term Loans from which they were extended.

(ii) The Borrower may at any time and from time to time request that all or a portion of the Revolving Credit Commitments of any Class, the Extended Revolving Credit Commitments of any Class and/or any Additional/Replacement Revolving Credit Commitments of any Class, existing at the time of such request (each, an “Existing Revolving Credit Commitment” and any related revolving credit loans under any such facility, “Existing Revolving Credit Loans”; each Existing Revolving Credit Commitment and related Existing Revolving Credit Loans together being referred to as an “Existing Revolving Credit Class”) be exchanged to extend the termination date thereof and the scheduled maturity date(s) of any payment of principal with respect to all or a portion of any principal amount of Existing Revolving Credit Loans related to such Existing Revolving Credit Commitments (any such Existing Revolving Credit Commitments which have been so extended, “Extended Revolving Credit Commitments” and any related revolving credit loans, “Extended Revolving Credit Loans”) and to provide for other terms consistent with this Section 2.15. Prior to entering into any Extension Agreement with respect to any Extended Revolving Credit Commitments, the Borrower shall provide a notice to the Administrative Agent (who shall provide a copy of such notice to each of the Lenders of the applicable Class of Existing Revolving Credit Commitments, with such request offered to all Lenders of such Class) (a “Revolving Credit Extension Request”) setting forth the proposed terms of the Extended Revolving Credit Commitments to be established thereunder, which terms shall be substantially similar to those applicable to the Existing Revolving Credit Commitments from which they are to be extended (the “Specified Existing Revolving Credit Commitment Class”) except that (w) all or any of the final maturity dates of such Extended Revolving Credit Commitments may be delayed to later dates than the

final maturity dates of the Existing Revolving Credit Commitments of the Specified Existing Revolving Credit Commitment Class, (x)(A) the interest rates, interest margins, rate floors, upfront fees, funding discounts, original issue discounts and prepayment premiums with respect to the Extended Revolving Credit Commitments may be different than those for the Existing Revolving Credit Commitments of the Specified Existing Revolving Credit Commitment Class and/or (B) additional fees and/or premiums may be payable to the Lenders providing such Extended Revolving Credit Commitments in addition to or in lieu of any of the items contemplated by the preceding clause (A), (y)(1) the undrawn revolving credit commitment fee rate with respect to the Extended Revolving Credit Commitments may be different than those for the Specified Existing Revolving Credit Commitment Class and (2) the Extension Agreement may provide for other covenants and terms that apply to any period after the Latest Maturity Date; provided that, notwithstanding anything to the contrary in this Section 2.15 or otherwise, (1) the borrowing and repayment (other than in connection with a permanent repayment and termination of commitments) of the Extended Revolving Credit Loans under any Extended Revolving Credit Commitments shall not be required to be made on a pro rata basis with any borrowings and repayments of the Existing Revolving Credit Loans of the Specified Existing Revolving Credit Commitment Class (the mechanics for which may be implemented through the applicable Extension Agreement and may include technical changes related to the borrowing and repayment procedures of the Specified Existing Revolving Credit Commitment Class), (2) assignments and participations of Extended Revolving Credit Commitments and Extended Revolving Credit Loans shall be governed by the assignment and participation provisions set forth in Section 13.6 and (3) subject to the applicable limitations set forth in Section 4.2 and Section 5.2(e)(ii), permanent repayments of Extended Revolving Credit Loans (and corresponding permanent reduction in the related Extended Revolving Credit Commitments) shall be permitted as may be agreed between the Borrower and the Lenders thereof. No Lender shall have any obligation to agree to have any of its Revolving Credit Loans or Revolving Credit Commitments of any Existing Revolving Credit Class exchanged into Extended Revolving Credit Loans or Extended Revolving Credit Commitments pursuant to any Extension Request. Any Extended Revolving Credit Commitments of any Extension Series shall constitute a separate Class of revolving credit commitments from Existing Revolving Credit Commitments of the Specified Existing Revolving Credit Commitment Class and from any other Existing Revolving Credit Commitments (together with any other Extended Revolving Credit Commitments so established on such date).

(b) The Borrower shall provide the applicable Extension Request to the Administrative Agent (for further delivery to the Lenders) not later than 30 days prior to the maturity date or termination date, as the case may be, of the applicable Term Loan, Revolving Credit Loan, Revolving Credit Commitment, Additional/Replacement Revolving Credit Loan or Additional/Replacement Revolving Credit Commitment, and shall provide each applicable Lender in such Extension Request a period of least five Business Days (or such shorter period as the Administrative Agent may determine in its reasonable discretion) prior to the date on which Lenders under the Existing Class are requested to respond, and shall agree to such procedures, if any, as may be established by, or acceptable to, the Administrative Agent, in each case acting reasonably, to accomplish the purpose of this Section 2.15. Any Lender (an "Extending Lender") wishing to have all or a portion of its Term Loans, Revolving Credit Commitments or Additional/Replacement Revolving Credit Commitments (or any earlier Extended Revolving Credit Commitments) of an Existing Class subject to such Extension Request exchanged into

Extended Loans/Commitments shall notify the Administrative Agent (an “Extension Election”) on or prior to the date specified in such Extension Request of the amount of its Term Loans, Revolving Credit Commitments and/or Additional/Replacement Revolving Credit Commitments (and/or any earlier extended Extended Revolving Credit Commitments) which it has elected to convert into Extended Loans/Commitments (subject to any minimum denomination requirements imposed by the Administrative Agent). In the event that the aggregate amount of Term Loans, Revolving Credit Commitments, Additional/Replacement Revolving Credit Commitments or earlier extended Extended Revolving Credit Commitments, as applicable, subject to Extension Elections exceeds the amount of Extended Loans/Commitments requested pursuant to the Extension Request, such Term Loans, Revolving Credit Commitments, Additional/Replacement Revolving Credit Commitments or earlier extended Extended Revolving Credit Commitments subject to Extension Elections shall be exchanged to Extended Loans/Commitments on a pro rata basis (subject to such rounding requirements as may be established by the Administrative Agent) based on the principal amount of Term Loans, Revolving Credit Commitments, Additional/Replacement Revolving Credit Commitments or earlier extended Extended Revolving Credit Commitments included in such Extension Election or as may be otherwise agreed to in the applicable Extension Agreement.

(c) Extended Loans/Commitments shall be established pursuant to an amendment (an “Extension Agreement”) to this Agreement (which, except to the extent expressly contemplated by the penultimate sentence of this Section 2.15(c) and notwithstanding anything to the contrary set forth in Section 13.1, shall not require the consent of any Lender other than the Extending Lenders with respect to the Extended Loans/Commitments established thereby) executed by the Credit Parties, the Administrative Agent and the Extending Lenders. In addition to any terms and changes required or permitted by Section 2.15(a), each Extension Agreement in respect of Extended Term Loans shall amend the scheduled amortization payments pursuant to Section 2.5 or the applicable Incremental Agreement or Extension Agreement with respect to the Existing Class of Term Loans from which the Extended Term Loans were exchanged to reduce each scheduled Repayment Amount for the Existing Class in the same proportion as the amount of Term Loans of the Existing Class is to be reduced pursuant to such Extension Agreement (it being understood that the amount of any Repayment Amount payable with respect to any individual Term Loan of such Existing Class that is not an Extended Term Loan shall not be reduced as a result thereof). In connection with any Extension Agreement, the Borrower shall deliver an opinion of counsel reasonably acceptable to the Administrative Agent (i) as to the enforceability of such Extension Agreement, this Agreement as amended thereby, and such of the other Credit Documents (if any) as may be amended thereby (in the case of such other Credit Documents as contemplated by the immediately preceding sentence) and covering other customary matters and (ii) to the effect that such Extension Agreement, including the Extended Loans/Commitments provided for therein, does not conflict with or violate the terms and provisions of Section 13.1 of this Agreement.

(d) Notwithstanding anything to the contrary contained in this Agreement, (A) on any date on which any Existing Term Loan Class or Class of Existing Revolving Credit Commitments is exchanged to extend the related scheduled maturity date(s) in accordance with paragraph (a) above (an “Extension Date”), (I) in the case of the existing Term Loans of each Extending Lender, the aggregate principal amount of such existing Term Loans shall be deemed reduced by an amount equal to the aggregate principal amount of Extended Term Loans so

exchanged by such Lender on such date, and the Extended Term Loans shall be established as a separate Class of Term Loans (together with any other Extended Term Loans so established on such date), and (II) in the case of the Existing Revolving Credit Commitments of each Extending Lender under any Specified Existing Revolving Credit Commitment Class, the aggregate principal amount of such Existing Revolving Credit Commitments shall be deemed reduced by an amount equal to the aggregate principal amount of Extended Revolving Credit Commitments so exchanged by such Lender on such date (or by any greater amount as may be agreed by the Borrower and such Lender), and such Extended Revolving Credit Commitments shall be established as a separate Class of revolving credit commitments from the Specified Existing Revolving Credit Commitment Class and from any other Existing Revolving Credit Commitments (together with any other Extended Revolving Credit Commitments so established on such date) and (B) if, on any Extension Date, any Existing Revolving Credit Loans of any Extending Lender are outstanding under the Specified Existing Revolving Credit Commitment Class, such Existing Revolving Credit Loans (and any related participations) shall be deemed to be exchanged to Extended Revolving Credit Loans (and related participations) of the applicable Class in the same proportion as such Extending Lender's Specified Existing Revolving Credit Commitments to Extended Revolving Credit Commitments of such Class.

(e) In the event that the Administrative Agent determines in its sole discretion that the allocation of Extended Term Loans of a given Extension Series or the Extended Revolving Credit Commitments of a given Extension Series, in each case to a given Lender was incorrectly determined as a result of manifest administrative error in the receipt and processing of an Extension Election timely submitted by such Lender in accordance with the procedures set forth in the applicable Extension Agreement, then the Administrative Agent, the Borrower and such affected Lender may (and hereby are authorized to), in their sole discretion and without the consent of any other Lender, enter into an amendment to this Agreement and the other Credit Documents (each, a "Corrective Extension Amendment") within 15 days following the effective date of such Extension Agreement, as the case may be, which Corrective Extension Amendment shall (i) provide for the exchange and extension of Term Loans under the Existing Term Loan Class or Existing Revolving Credit Commitments (and related revolving credit exposure), as the case may be, in such amount as is required to cause such Lender to hold Extended Term Loans or Extended Revolving Credit Commitments (and related revolving credit exposure) of the applicable Extension Series into which such other Term Loans or Commitments were initially exchanged, as the case may be, in the amount such Lender would have held had such administrative error not occurred and had such Lender received the minimum allocation of the applicable Loans or Commitments to which it was entitled under the terms of such Extension Agreement, in the absence of such error, (ii) be subject to the satisfaction of such conditions as the Administrative Agent, the Borrower and such Lender may agree (including conditions of the type required to be satisfied for the effectiveness of an Extension Agreement described in Section 2.15(c)), and (iii) effect such other amendments of the type (with appropriate reference and nomenclature changes) described in the penultimate sentence of Section 2.15(c).

(f) No exchange of Loans or Commitments pursuant to any Extension Agreement in accordance with this Section 2.15 shall constitute a voluntary or mandatory payment or prepayment for purposes of this Agreement.

(g) This Section 2.15 shall supersede any provisions in Section 2.4 or Section 13.1 to the contrary. For the avoidance of doubt, any of the provisions of this Section 2.15 may be amended with the consent of the Required Lenders; provided that no such amendment shall require any Lender to provide any Extended Loans/Commitments without such Lender's consent.

2.16 Defaulting Lenders. Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(a) fees shall cease to accrue on the unfunded portion of the Commitment of such Defaulting Lender pursuant to Section 4.1(a);

(b) the Commitment of and the Revolving Credit Exposure of such Defaulting Lender shall not be included in determining whether all Lenders or the Required Lenders or any other requisite Lenders have taken or may take any action hereunder (including any consent to any amendment or waiver pursuant to Section 13.1); provided that (i) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender which affects such Defaulting Lender differently than other affected Lenders shall require the consent of such Defaulting Lender and (ii) the Commitment of any Defaulting Lender may not be increased or extended without the consent of such Lender;

(c) if any Swingline Exposure or Letter of Credit Exposure exists at the time a Lender becomes a Defaulting Lender, then (i) all or any part of such Letter of Credit Exposure of such Defaulting Lender and such Swingline Exposure of such Defaulting Lender will, subject to the limitation in the first proviso below, automatically be reallocated (effective on the day such Lender becomes a Defaulting Lender) among the Non-Defaulting Lenders pro rata in accordance with their respective Revolving Credit Commitment Percentages; provided that (A) each Non-Defaulting Lender's Revolving Credit Exposure may not in any event exceed the Revolving Credit Commitment of such Non-Defaulting Lender as in effect at the time of such reallocation and (B) neither such reallocation nor any payment by a Non-Defaulting Lender pursuant thereto will constitute a waiver or release of any claim the Borrower, the Administrative Agent, any Letter of Credit Issuer, any Swingline Lender or any other Lender may have against such Defaulting Lender or cause such Defaulting Lender to be a Non-Defaulting Lender, (ii) to the extent that all or any portion (the "unreallocated portion") of the Defaulting Lender's Letter of Credit Exposure and Swingline Exposure cannot, or can only partially, be so reallocated to Non-Defaulting Lenders, whether by reason of the first proviso in Section 2.16(c)(i) above or otherwise, the Borrower shall within one Business Day following notice by the Administrative Agent (x) first, prepay such Swingline Exposure (after giving effect to any partial reallocation pursuant to clause (i) above) and (y) second, Cash Collateralize such Defaulting Lender's Letter of Credit Exposure (after giving effect to any partial reallocation pursuant to clause (i) above), in accordance with the procedures set forth in Section 3.8 for so long as such Letter of Credit Exposure is outstanding, (iii) if the Borrower Cash Collateralizes any portion of such Defaulting Lender's Letter of Credit Exposure pursuant to the requirements of this Section 2.16(c), the Borrower shall not be required to pay any fees to such Defaulting Lender pursuant to Section 4.1(c) with respect to such Defaulting Lender's Letter of Credit Exposure during the period such Defaulting Lender's Letter of Credit Exposure is Cash Collateralized, (iv) if the Letter of Credit Exposure of the Non-Defaulting Lenders is reallocated pursuant to the

requirements of this Section 2.16(c), then the fees payable to the Lenders pursuant to Section 4.1(c) shall be adjusted in accordance with such Non-Defaulting Lenders' Revolving Credit Commitment Percentages and the Borrower shall not be required to pay any fees to the Defaulting Lender pursuant to Section 4.1(c) with respect to such Defaulting Lender's Letter of Credit Exposure during the period that such Defaulting Lender's Letter of Credit Exposure is reallocated, or (v) if any Defaulting Lender's Letter of Credit Exposure is neither Cash Collateralized nor reallocated pursuant to the requirements of this Section 2.16(c), then, without prejudice to any rights or remedies of any Letter of Credit Issuer or any Lender hereunder, all fees payable under Section 4.1(c) with respect to such Defaulting Lender's Letter of Credit Exposure shall be payable to the Letter of Credit Issuers until such Letter of Credit Exposure is Cash Collateralized and/or reallocated;

(d) (i) No Letter of Credit Issuer will be required to issue any new Letter of Credit or amend any outstanding Letter of Credit to increase the face amount thereof, alter the drawing terms thereunder or extend the expiry date thereof, unless such Letter of Credit Issuer is reasonably satisfied that any exposure that would result from the exposure to such Defaulting Lender is eliminated or fully covered by the Revolving Credit Commitments of the Non-Defaulting Lenders or by Cash Collateralization or a combination thereof in accordance with the requirements of this Section 2.16 or otherwise in a manner reasonably satisfactory to such Letter of Credit Issuer; and

(ii) No Swingline Lender will be required to fund any Swingline Loans unless such Swingline Lender is reasonably satisfied that any exposure that would result from the exposure to such Defaulting Lender is eliminated or fully covered by the Revolving Credit Commitments of the Non-Defaulting Lenders or a combination thereof in accordance with the requirements of Section 2.16(c) above.

(e) If the Borrower, the Administrative Agent, the Swingline Lenders and the Letter of Credit Issuers agree in writing in their discretion that a Lender that is a Defaulting Lender should no longer be deemed to be a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon, as of the effective date specified in such notice and subject to any conditions set forth therein, such Lender will, to the extent applicable, purchase at par that portion of outstanding Revolving Credit Loans of the other Revolving Credit Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause such outstanding Revolving Credit Loans and funded and unfunded participations in Letters of Credit and Swingline Loans to be held on a pro rata basis by the Revolving Credit Lenders (including such Lender) in accordance with their applicable percentages, whereupon such Lender will cease to be a Defaulting Lender and will be a Non-Defaulting Lender and any applicable Cash Collateral shall be promptly returned to the Borrower and any Letter of Credit Exposure and Swingline Exposure of such Lender reallocated pursuant to the requirements of Section 2.16(c) shall be reallocated back to such Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; provided that, except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Non-Defaulting Lender will constitute a waiver or release of any claim of any party hereunder arising from such Lender's having been a Defaulting Lender;

(f) Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of that Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Section 11 or otherwise, and including any amounts made available to the Administrative Agent by that Defaulting Lender pursuant to Section 13.8), shall be applied at such time or times as may be determined by the Administrative Agent as follows: first, to the payment of any amounts owing by that Defaulting Lender to the Administrative Agent hereunder; second, in the case of a Revolving Credit Lender, to the payment on a pro rata basis of any amounts owing by that Defaulting Lender to each Letter of Credit Issuer and each Swingline Lender hereunder; third, as the Borrower may request (so long as no Default or Event of Default exists), to the funding of any Loan in respect of which that Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; fourth, if so determined by the Administrative Agent and the Borrower, to be held in a non-interest bearing deposit account and released pro rata in order to (x) satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement and (y) Cash Collateralize, in accordance with Section 3.8, any Letter of Credit Issuer's future fronting exposure with respect to such Defaulting Lender with respect to future Letters of Credit issued under this Agreement, fifth, to the payment of any amounts owing to the Lenders, the Letter of Credit Issuers or the Swingline Lenders as a result of any judgment of a court of competent jurisdiction obtained by any Lender, such Letter of Credit Issuer or such Swingline Lender against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; sixth, so long as no Default or Event of Default exists, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; and seventh, to that Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if such payment is a payment of the principal amount of any Loans or Unpaid Drawings, such payment shall be applied solely to pay the relevant Loans of, and Unpaid Drawings owed to, the relevant non-Defaulting Lenders on a pro rata basis prior to being applied in the manner set forth in this Section 2.16(f). Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to Section 3.8 shall be deemed paid to and redirected by that Defaulting Lender, and each Lender irrevocably consents hereto.

SECTION 3. Letters of Credit

3.1 Issuance of Letters of Credit. (a) Subject to and upon the terms and conditions herein set forth, at any time and from time to time on and after the ~~Fourth~~Fifth Amendment Effective Date and prior to the Letter of Credit Maturity Date, each Letter of Credit Issuer agrees to issue (or cause its respective Affiliates or other financial institution with which such Letter of Credit Issuer shall have entered into an agreement regarding the issuance of letters of credit hereunder, to issue on its behalf), upon the request of and for the account of the Borrower or any Restricted Subsidiary, letters of credit (each, a "Letter of Credit") in such form as may be approved by such Letter of Credit Issuer in its reasonable discretion; provided that the Borrower shall be a co-applicant, and be jointly and severally liable, with respect to each Letter of Credit issued for the account of a Restricted Subsidiary.

(b) Notwithstanding the foregoing, (i) no Letter of Credit shall be issued the Stated Amount of which, when added to the Letter of Credit Obligations at such time, would exceed the Total Letter of Credit Commitment then in effect, (ii) no Letter of Credit shall be issued the Stated Amount of which, when added to the Letter of Credit Obligations and the Revolving Credit Loans and Swingline Loans outstanding at such time, would exceed the Total Revolving Credit Commitment then in effect, (iii) each Letter of Credit shall have an expiration date occurring no later than the earlier of (x) one year after the date of issuance thereof, unless otherwise agreed upon by the Administrative Agent and the applicable Letter of Credit Issuer or as provided under Section 3.2(e), and (y) the Letter of Credit Maturity Date, (iv) each Letter of Credit shall be denominated in Dollars, (v) no Letter of Credit shall be issued if it would be illegal under any Applicable Law for the beneficiary of the Letter of Credit to have a Letter of Credit issued in its favor, and (vi) no Letter of Credit shall be issued after any Letter of Credit Issuer has received a written notice from the Borrower, the Administrative Agent or the Required Lenders stating that a Default or an Event of Default has occurred and is continuing until such time as such Letter of Credit Issuer shall have received a written notice of (x) rescission of such notice from the party or parties originally delivering such notice or (y) the waiver of such Default or Event of Default in accordance with the provisions of Section 13.1 or that such Default or Event of Default is no longer continuing.

(c) No Letter of Credit Issuer shall be under any obligation to issue any Letter of Credit if:

(i) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain such Letter of Credit Issuer from issuing the Letter of Credit, or any requirement of law applicable to the Letter of Credit Issuer or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over such Letter of Credit Issuer shall prohibit, or request that such Letter of Credit Issuer refrain from, the issuance of letters of credit generally or the Letter of Credit in particular or shall impose upon such Letter of Credit Issuer with respect to the Letter of Credit any restriction, reserve or capital requirement (for which such Letter of Credit Issuer is not otherwise compensated hereunder) not in effect on the Effective Date, or shall impose upon such Letter of Credit Issuer any unreimbursed loss, cost or expense which was not applicable on the Effective Date and which such Letter of Credit Issuer in good faith deems material to it;

(ii) the issuance of such Letter of Credit would violate one or more policies of such Letter of Credit Issuer applicable to Letters of Credit generally;

(iii) except as otherwise agreed by the Administrative Agent and such Letter of Credit Issuer, the Letter of Credit is in an initial Stated Amount less than \$100,000;

(iv) the Letter of Credit is to be denominated in a currency other than Dollars; or

(v) the Stated Amount of such Letter of Credit, when added to the Letter of Credit Obligations applicable to such Letter of Credit Issuer, would exceed the Letter of Credit Commitment of such Letter of Credit Issuer.

(d) In connection with the establishment of any Extended Revolving Credit Commitments or Additional/Replacement Revolving Credit Commitments and subject to the availability of unused Commitments with respect to such newly established Class and the satisfaction of the Conditions set forth in Section 7, the Borrower may, with the written consent of the applicable Letter of Credit Issuer, designate any outstanding Letter of Credit to be a Letter of Credit issued pursuant to such Class of Extended Revolving Credit Commitments or Additional/Replacement Revolving Credit Commitments, as applicable. Upon such designation such Letter of Credit shall no longer be deemed to be issued and outstanding under such prior Class and shall instead be deemed to be issued and outstanding under such newly established Class of Extended Revolving Credit Commitments or Additional/Replacement Revolving Credit Commitments, as applicable.

3.2 Letter of Credit Requests. (a) Whenever the Borrower desires that a Letter of Credit be issued (or amended, renewed or extended), it shall give the Administrative Agent and the Letter of Credit Issuer a Letter of Credit Request by no later than 1:00 p.m. (New York City time) at least two (or such lesser number as may be agreed upon by the Administrative Agent and such Letter of Credit Issuer) Business Days prior to the proposed date of issuance, amendment, renewal or extension for any Letter of Credit. The Administrative Agent shall promptly transmit copies of each Letter of Credit Request to each Lender.

(b) In the case of a request for an initial issuance of a Letter of Credit, such Letter of Credit Request shall specify: (A) the proposed issuance date of the requested Letter of Credit (which shall be a Business Day); (B) the Stated Amount thereof in the relevant currency; (C) the expiry date thereof; (D) the name and address of the beneficiary thereof; (E) the documents to be presented by such beneficiary in case of any drawing thereunder; (F) the full text of any certificate to be presented by such beneficiary in case of any drawing thereunder and (G) such other matters as such Letter of Credit Issuer may reasonably require. In the case of a request for an amendment of any outstanding Letter of Credit, such Letter of Credit Request shall specify: (A) the Letter of Credit to be amended; (B) the proposed date of amendment thereof (which shall be a Business Day); (C) the nature of the proposed amendment; and (D) such other matters as such Letter of Credit Issuer may reasonably require. Each notice shall be executed by the Borrower and shall be in the form of Exhibit E (each, a "Letter of Credit Request").

(c) Promptly after receipt of any Letter of Credit Request, such Letter of Credit Issuer will confirm with the Administrative Agent in writing that the Administrative Agent has received a copy of such Letter of Credit Request from the applicable Borrower and, if not, such Letter of Credit Issuer will provide the Administrative Agent with a copy thereof. Unless the Letter of Credit Issuer has received written notice from any Revolving Credit Lender, the Administrative Agent or any Credit Party, at least two Business Days prior to the requested date of issuance or amendment of the applicable Letter of Credit, that one or more applicable conditions contained in Sections 6 and 7 shall not then be satisfied, then, subject to the terms and conditions hereof, such Letter of Credit Issuer shall, on the requested date, issue a Letter of Credit for the account of the applicable Borrower (or the applicable Restricted Subsidiary) or enter into the applicable amendment, as the case may be, in each case in accordance with the terms hereof.

(d) The making of each Letter of Credit Request shall be deemed to be a representation and warranty by the Borrower that the Letter of Credit may be issued in accordance with, and will not violate the requirements of, Section 3.1(b).

(e) If the Borrower so requests in any applicable Letter of Credit Request, such Letter of Credit Issuer may agree to issue a Letter of Credit that has automatic extension provisions (each, an “Auto-Extension Letter of Credit”); provided that any such Auto-Extension Letter of Credit must permit such Letter of Credit Issuer to prevent any such extension at least once in each twelve-month period (commencing with the date of issuance of such Letter of Credit) by giving prior notice to the beneficiary thereof not later than a day (the “Non-Extension Notice Date”) in each such twelve-month period to be agreed upon at the time such Letter of Credit is issued. Unless otherwise directed by the Letter of Credit Issuer, the Borrower shall not be required to make a specific request to such Letter of Credit Issuer for any such extension. Once an Auto-Extension Letter of Credit has been issued, the Lenders shall be deemed to have authorized (but may not require) such Letter of Credit Issuer to permit the extension of such Letter of Credit at any time to an expiry date not later than the Letter of Credit Maturity Date; provided, however, that the Letter of Credit Issuer shall not permit any such extension if (A) the Letter of Credit Issuer has determined that it would not be permitted, or would have no obligation, at such time to issue such Letter of Credit in its revised form (as extended) under the terms hereof (by reason of the provisions of Section 3.1(b) or otherwise), or (B) it has received notice (which may be by telephone or in writing) on or before the day that is two Business Days before the Non-Extension Notice Date (1) from the Administrative Agent that the Required Revolving Class Lenders have elected not to permit such extension or (2) from the Administrative Agent, the Required Revolving Class Lenders or the Borrower that one or more of the applicable conditions specified in Section 7 are not then satisfied, and in each such case directing the Letter of Credit Issuer not to permit such extension.

(f) Promptly after its delivery of any Letter of Credit or any amendment, renewal or extension to a Letter of Credit to an advising bank with respect thereto or to the beneficiary thereof, the Letter of Credit Issuer will also deliver to the Borrower a true and complete copy of such Letter of Credit or amendment, renewal or extension. On the last Business Day of each March, June, September and December, each Letter of Credit Issuer shall provide the Administrative Agent a list of all Letters of Credit issued by it that are outstanding at such time.

3.3 Letter of Credit Participations. (a) Immediately upon the issuance by the Letter of Credit Issuer of any Letter of Credit, the Letter of Credit Issuer shall be deemed to have sold and transferred to each other Revolving Credit Lender (each such Revolving Credit Lender, in its capacity under this Section 3.3(a), a “Letter of Credit Participant”), and each such Letter of Credit Participant shall be deemed irrevocably and unconditionally to have purchased and received from the Letter of Credit Issuer, without recourse or warranty, an undivided interest and participation (each, a “Letter of Credit Participation”), to the extent of such Letter of Credit Participant’s Revolving Credit Commitment Percentage, in such Letter of Credit, each substitute letter of credit, each drawing made thereunder and the obligations of the Borrower under this Agreement with respect thereto, and any security therefor or guaranty pertaining thereto (although Letter of Credit Fees will be paid directly to the Administrative Agent for the ratable account of the Letter of Credit Participants as provided in Section 4.1(c) and the Letter of Credit Participants shall have no right to receive any portion of any fees paid to the Administrative Agent for the account of any Letter of Credit Issuers in respect of each Letter of Credit issued hereunder).

(b) In determining whether to pay under any Letter of Credit, the Letter of Credit Issuer shall have no obligation relative to the Letter of Credit Participants other than to confirm that any documents required to be delivered under such Letter of Credit have been delivered and that they appear to comply on their face with the requirements of such Letter of Credit. Any action taken or omitted to be taken by the Letter of Credit Issuer under or in connection with any Letter of Credit issued by it, if taken or omitted in the absence of gross negligence or willful misconduct, shall not create for the Letter of Credit Issuer any resulting liability.

(c) Whenever the Letter of Credit Issuer receives a payment in respect of an unpaid reimbursement obligation as to which the Administrative Agent has received for the account of the Letter of Credit Issuer any payments from the Letter of Credit Participants, the Letter of Credit Issuer shall pay to the Administrative Agent and the Administrative Agent shall promptly pay to each Letter of Credit Participant that has paid its Revolving Credit Commitment Percentage of such reimbursement obligation, in Dollars and in immediately available funds, an amount equal to such Letter of Credit Participant's share (based upon the proportionate aggregate amount originally funded or deposited by such Letter of Credit Participant to the aggregate amount funded or deposited by all Letter of Credit Participants) of the principal amount of such reimbursement obligation and interest thereon accruing after the purchase of the respective Letter of Credit Participations.

(d) The obligations of the Letter of Credit Participants to purchase Letter of Credit Participations from the Letter of Credit Issuer and make payments to the Administrative Agent for the account of the Letter of Credit Issuer with respect to Letters of Credit shall be irrevocable and not subject to counterclaim, set-off or other defense or any other qualification or exception whatsoever and shall be made in accordance with the terms and conditions of this Agreement under all circumstances, including under any of the following circumstances:

(i) any lack of validity or enforceability of such Letter of Credit, this Agreement, or any other Credit Document;

(ii) the existence of any claim, counterclaim, setoff, defense or other right that the Borrower or any Subsidiary may have at any time against any beneficiary or any transferee of such Letter of Credit (or any Person for whom any such beneficiary or any such transferee may be acting), the Letter of Credit Issuer or any other Person, whether in connection with this Agreement, the transactions contemplated hereby or by such Letter of Credit or any agreement or instrument relating thereto, or any unrelated transaction;

(iii) any draft, demand, certificate or other document presented under such Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; or any loss or delay in the transmission or otherwise of any document required in order to make a drawing under such Letter of Credit;

(iv) honor of a demand for payment presented electronically even if such Letter of Credit requires that demand be in the form of a draft;

(v) any payment made by the Letter of Credit Issuer in respect of an otherwise complying item presented after the date specified as the expiration date of, or the date by which documents must be received under such Letter of Credit if presentation after such date is authorized by the UCC, the ISP or the UCP, as applicable;

(vi) any payment by the Letter of Credit Issuer under such Letter of Credit against presentation of a draft or certificate that does not strictly comply with the terms of such Letter of Credit; or any payment made by the Letter of Credit Issuer under such Letter of Credit to any Person purporting to be a trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, liquidator, receiver or other representative of or successor to any beneficiary or any transferee of such Letter of Credit, including any arising in connection with any proceeding under any Debtor Relief Law;

(vii) the surrender or impairment of any security for the performance or observance of any of the terms of any of the Credit Documents; or

(viii) the occurrence of any Default or Event of Default;

provided that no Letter of Credit Participant shall be obligated to pay to the Administrative Agent for the account of the Letter of Credit Issuer its Revolving Credit Commitment Percentage of any unreimbursed amount arising from any wrongful payment made by the Letter of Credit Issuer under a Letter of Credit as a result of acts or omissions constituting willful misconduct or gross negligence on the part of the Letter of Credit Issuer as determined in the final, non-appealable judgment of a court of competent jurisdiction.

3.4 Agreement to Repay Letter of Credit Drawings. (a) Upon receipt from any beneficiary of any Letter of Credit of any notice of drawing under such Letter of Credit, the Letter of Credit Issuer shall notify the Borrower and the Administrative Agent thereof. The Borrower hereby agrees to reimburse the Letter of Credit Issuer with respect to any such drawing, by making payment, whether with its own internal funds, with proceeds of Revolving Credit Loans, or any other source, to the Administrative Agent for the account of the Letter of Credit Issuer in immediately available funds, for any payment or disbursement made by the Letter of Credit Issuer under any Letter of Credit issued by it (each such amount so paid until reimbursed, an "Unpaid Drawing") (i) within one Business Day of the date of such payment or disbursement, if the Letter of Credit Issuer provides notice to the Borrower of such payment or disbursement prior to 10:00 a.m. (New York City time) on such next succeeding Business Day after the date of such payment or disbursement or (ii) if such notice is received after such time, on the Business Day following the date of receipt of such notice (such required date for reimbursement under clause (i) or (ii), as applicable, the "Required Reimbursement Date"), with interest on the amount so paid or disbursed by such Letter of Credit Issuer, from and including the date of such payment or disbursement to but excluding the Required Reimbursement Date, at the per annum rate for each day equal to the rate described in Section 2.8(a); provided, that, notwithstanding anything contained in this Agreement to the contrary, with respect to any Letter of Credit, (i) unless the Borrower shall have notified the Administrative Agent and the Letter of Credit Issuer prior to 10:00 a.m. (New York City time) on the Required Reimbursement Date

that the Borrower intends to reimburse the Letter of Credit Issuer for the amount of such drawing with funds other than the proceeds of Revolving Credit Loans, the Borrower shall be deemed to have given a Notice of Borrowing requesting that the Lenders with Revolving Credit Commitments make Revolving Credit Loans (which shall be ABR Loans) on the Required Reimbursement Date in an amount equal to the amount of such drawing, and (ii) the Administrative Agent shall promptly notify each Letter of Credit Participant of such drawing and the amount of its Revolving Credit Loan to be made in respect thereof, and each Letter of Credit Participant shall be irrevocably obligated to make a Revolving Credit Loan to the Borrower in the manner deemed to have been requested in the amount of its Revolving Credit Commitment Percentage of the applicable Unpaid Drawing by 12:00 noon (New York City time) on such Required Reimbursement Date by making the amount of such Revolving Credit Loan available to the Administrative Agent. Such Revolving Credit Loans made in respect of such Unpaid Drawing on such Required Reimbursement Date shall be made without regard to the Minimum Borrowing Amount and without regard to the satisfaction of the conditions set forth in Section 7. The Administrative Agent shall use the proceeds of such Revolving Credit Loans solely for the purpose of reimbursing the Letter of Credit Issuer for the related Unpaid Drawing. If and to the extent such Letter of Credit Participant shall not have so made its Revolving Credit Commitment Percentage of the amount of such payment available to the Administrative Agent for the account of the Letter of Credit Issuer, such Letter of Credit Participant agrees to pay to the Administrative Agent for the account of the Letter of Credit Issuer, forthwith on demand, such amount, together with interest thereon for each day from such date until the date such amount is paid to the Administrative Agent for the account of the Letter of Credit Issuer at a rate per annum equal to the Federal Funds Effective Rate from time to time then in effect, plus any administrative, processing or similar fees customarily charged by the Letter of Credit Issuer in connection with the foregoing. The failure of any Letter of Credit Participant to make available to the Administrative Agent for the account of the Letter of Credit Issuer its Revolving Credit Commitment Percentage of any payment under any Letter of Credit shall not relieve any other Letter of Credit Participant of its obligation hereunder to make available to the Administrative Agent for the account of the Letter of Credit Issuer its Revolving Credit Commitment Percentage of any payment under such Letter of Credit on the date required, as specified above, but no Letter of Credit Participant shall be responsible for the failure of any other Letter of Credit Participant to make available to the Administrative Agent such other Letter of Credit Participant's Revolving Credit Commitment Percentage of any such payment.

(b) The obligations of the Borrower under this Section 3.4 to reimburse the Letter of Credit Issuer with respect to Unpaid Drawings (including, in each case, interest thereon) shall be absolute and unconditional under any and all circumstances and irrespective of any set-off, counterclaim or defense to payment that the Borrower or any other Person may have or have had against the Letter of Credit Issuer, the Administrative Agent or any Lender (including in its capacity as a Letter of Credit Participant), including any defense based upon the failure of any drawing under a Letter of Credit (each a "Drawing") to conform to the terms of the Letter of Credit or any non-application or misapplication by the beneficiary of the proceeds of such Drawing; provided, that the Borrower shall not be obligated to reimburse the Letter of Credit Issuer for any wrongful payment made by the Letter of Credit Issuer under the Letter of Credit issued by it as a result of acts or omissions constituting willful misconduct or gross negligence on the part of the Letter of Credit Issuer as determined in the final, non-appealable judgment of a court of competent jurisdiction.

(c) The obligation of the Borrower to reimburse the Letter of Credit Issuer for each drawing under each Letter of Credit and to repay each Letter of Credit Borrowing shall be absolute, unconditional and irrevocable and shall be paid strictly in accordance with the terms of this Agreement under all circumstances, including the following:

(i) any lack of validity or enforceability of such Letter of Credit, this Agreement, or any other Credit Document;

(ii) the existence of any claim, counterclaim, set-off, defense or other right that the Borrower or any Subsidiary may have at any time against any beneficiary or any transferee of such Letter of Credit (or any Person for whom any such beneficiary or any such transferee may be acting), the Letter of Credit Issuer or any other Person, whether in connection with this Agreement, the transactions contemplated hereby or by such Letter of Credit or any agreement or instrument relating thereto, or any unrelated transaction;

(iii) any draft, demand, certificate or other document presented under such Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; or any loss or delay in the transmission or otherwise of any document required in order to make a drawing under such Letter of Credit;

(iv) waiver by the Letter of Credit Issuer of any requirement that exists for the Letter of Credit Issuer's protection and not the protection of the Borrower or any waiver by the Letter of Credit Issuer which does not in fact materially prejudice the Borrower;

(v) honor of a demand for payment presented electronically even if such Letter of Credit requires that demand be in the form of a draft;

(vi) any payment made by the Letter of Credit Issuer in respect of an otherwise complying item presented after the date specified as the expiration date of, or the date by which documents must be received under such Letter of Credit if presentation after such date is authorized by the UCC, the ISP or the UCP, as applicable;

(vii) any payment by the Letter of Credit Issuer under such Letter of Credit against presentation of a draft or certificate that does not strictly comply with the terms of such Letter of Credit; or any payment made by the Letter of Credit Issuer under such Letter of Credit to any Person purporting to be a trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, liquidator, receiver or other representative of or successor to any beneficiary or any transferee of such Letter of Credit, including any arising in connection with any proceeding under any Debtor Relief Law; or

(viii) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing, including any other circumstance that might otherwise constitute a defense available to, or a discharge of, the Borrower or any Subsidiary;

provided that the foregoing shall not excuse the Letter of Credit Issuer from liability to the Borrower to the extent of any direct damages (as opposed to consequential damages, claims in respect of which are waived by the Borrower to the extent permitted by applicable law) suffered by the Borrower as a result of acts or omissions of or by the Letter of Credit Issuer constituting gross negligence or willful misconduct as determined in the final, non-appealable judgment of a court of competent jurisdiction.

The Borrower shall promptly examine a copy of each Letter of Credit and each amendment thereto that is delivered to it and, in the event of any claim of noncompliance with the Borrower's instructions or other irregularity as to the form of any such Letter of Credit, the Borrower will promptly notify the Letter of Credit Issuer. To the extent the Borrower has approved the form of any Letter of Credit, the Borrower shall be conclusively deemed to have waived any claim against the Letter of Credit Issuer and its correspondents based on any noncompliance of such Letter of Credit to conform with the Borrower's instructions or other irregularity as to such form.

3.5 Increased Costs. If the adoption of any Change in Law shall either (a) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against letters of credit issued by the Letter of Credit Issuer, or any Letter of Credit Participant's Letter of Credit Participation therein or (b) impose on the Letter of Credit Issuer or any Letter of Credit Participant any other conditions affecting its obligations under this Agreement in respect of Letters of Credit or Letter of Credit Participations therein or any Letter of Credit or such Letter of Credit Participant's Letter of Credit Participation therein, and the result of any of the foregoing is to increase the cost to the Letter of Credit Issuer or such Letter of Credit Participant of issuing, maintaining or participating in any Letter of Credit, or to reduce the amount of any sum received or receivable by the Letter of Credit Issuer or such Letter of Credit Participant hereunder (other than any such increase or reduction attributable to (i) taxes indemnified under Section 5.4, (ii) taxes described in clause (A), (B) or (C) of Section 5.4(a) or (iii) taxes described in clause (f) of Section 5.4) in respect of Letters of Credit or Letter of Credit Participations therein, then, promptly after receipt of written demand to the Borrower by the Letter of Credit Issuer or such Letter of Credit Participant, as the case may be (a copy of which notice shall be sent by the Letter of Credit Issuer or such Letter of Credit Participant to the Administrative Agent), the Borrower shall pay to the Letter of Credit Issuer or such Letter of Credit Participant such additional amount or amounts as will compensate the Letter of Credit Issuer or such Letter of Credit Participant for such increased cost or reduction, it being understood and agreed, however, that the Letter of Credit Issuer or a Letter of Credit Participant shall not be entitled to such compensation as a result of such Person's compliance with, or pursuant to any request or directive to comply with, any such Applicable Law that would have existed in the event a Change in Law had not occurred. A certificate submitted to the Borrower by the Letter of Credit Issuer or a Letter of Credit Participant, as the case may be (a copy of which certificate shall be sent by the Letter of Credit Issuer or such Letter of Credit Participant to the Administrative Agent), setting forth in reasonable detail the basis for the determination of such additional amount or amounts necessary to compensate the Letter of Credit Issuer or such Letter of Credit Participant as aforesaid shall be conclusive and binding on the Borrower absent clearly demonstrable error.

3.6 New or Successor Letter of Credit Issuer. (a) The Letter of Credit Issuer may resign as a Letter of Credit Issuer upon 30 days' prior written notice to the Administrative Agent, the Revolving Credit Lenders and the Borrower. Subject to the terms of the following sentence, the Borrower may replace the Letter of Credit Issuer for any reason upon

written notice to the Administrative Agent and the Letter of Credit Issuer and the Borrower may add Letter of Credit Issuers at any time upon notice to the Administrative Agent and with the agreement of such new Letter of Credit Issuer. If the Letter of Credit Issuer shall resign or be replaced, or if the Borrower shall decide to add a new Letter of Credit Issuer under this Agreement, then the Borrower may appoint a successor issuer of Letters of Credit or a new Letter of Credit Issuer, as the case may be, with the consent of the Administrative Agent (such consent not to be unreasonably withheld), whereupon such successor issuer shall succeed to the rights, powers and duties of the replaced or resigning Letter of Credit Issuer under this Agreement and the other Credit Documents, or such new issuer of Letters of Credit shall be granted the rights, powers and duties of a Letter of Credit Issuer hereunder, and the term "Letter of Credit Issuer" shall mean such successor or such new issuer of Letters of Credit effective upon such appointment. At the time such resignation or replacement shall become effective, the Borrower shall pay to the resigning or replaced Letter of Credit Issuer all accrued and unpaid fees pursuant to Sections 4.1(c) and 4.1(d). The acceptance of any appointment as a Letter of Credit Issuer hereunder, whether as a successor issuer or new issuer of Letters of Credit in accordance with this Agreement, shall be evidenced by an agreement entered into by such new or successor issuer of Letters of Credit, in a form satisfactory to the Borrower and the Administrative Agent, and, from and after the effective date of such agreement, such new or successor issuer of Letters of Credit shall become a "Letter of Credit Issuer" hereunder. After the resignation or replacement of a Letter of Credit Issuer hereunder, the resigning or replaced Letter of Credit Issuer shall remain a party hereto and shall continue to have all the rights and obligations of a Letter of Credit Issuer under this Agreement and the other Credit Documents with respect to Letters of Credit issued by it prior to such resignation or replacement, but shall not be required to issue additional Letters of Credit or amend or renew existing Letters of Credit. In connection with any resignation or replacement pursuant to this clause (a) (but, in case of any such resignation, only to the extent that a successor issuer of Letters of Credit shall have been appointed), either (i) the Borrower, the resigning or replaced Letter of Credit Issuer and the successor issuer of Letters of Credit shall arrange to have any outstanding Letters of Credit issued by the resigning or replaced Letter of Credit Issuer replaced with Letters of Credit issued by the successor issuer of Letters of Credit or (ii) the Borrower shall cause the successor issuer of Letters of Credit, if such successor issuer is reasonably satisfactory to the replaced or resigning Letter of Credit Issuer, to issue "back-stop" Letters of Credit naming the resigning or replaced Letter of Credit Issuer as beneficiary for each outstanding Letter of Credit issued by the resigning or replaced Letter of Credit Issuer, which new Letters of Credit shall have a face amount equal to the Letters of Credit being back-stopped, and the sole requirement for drawing on such new Letters of Credit shall be a drawing on the corresponding back-stopped Letters of Credit. After any resigning or replaced Letter of Credit Issuer's resignation or replacement as Letter of Credit Issuer, the provisions of this Agreement relating to a Letter of Credit Issuer shall inure to its benefit as to any actions taken or omitted to be taken by it (A) while it was a Letter of Credit Issuer under this Agreement or (B) at any time with respect to Letters of Credit issued by such Letter of Credit Issuer.

(b) To the extent that there are, at the time of any resignation or replacement as set forth in clause (a) above, any outstanding Letters of Credit, nothing herein shall be deemed to impact or impair any rights and obligations of any of the parties hereto with respect to such outstanding Letters of Credit (including, without limitation, any obligations related to the payment of fees or the reimbursement or funding of amounts drawn), except that the Borrower, the resigning or replaced Letter of Credit Issuer and the successor issuer of Letters of Credit shall have the obligations regarding outstanding Letters of Credit described in clause (a) above.

(c) On a monthly basis, each Letter of Credit Issuer shall deliver to the Administrative Agent and the Borrower a complete list of all outstanding Letters of Credit issued by such Letter of Credit Issuer.

3.7 Role of Letter of Credit Issuer. Each Revolving Credit Lender and the Borrower agree that, in paying any drawing under a Letter of Credit, the Letter of Credit Issuer shall not have any responsibility to obtain any document (other than any sight draft, certificates and documents expressly required by the Letter of Credit) or to ascertain or inquire as to the validity or accuracy of any such document or the authority of the Person executing or delivering any such document. None of the Letter of Credit Issuer, the Administrative Agent, any of their respective Affiliates or any correspondent, participant or assignee of the Letter of Credit Issuer shall be liable to any Lender for (i) any action taken or omitted in connection herewith at the request or with the approval of the Required Lenders or the Required Revolving Class Lenders, as applicable; (ii) any action taken or omitted in the absence of gross negligence or willful misconduct; or (iii) the due execution, effectiveness, validity or enforceability of any document or instrument related to any Letter of Credit or Issuer Document. The Borrower hereby assumes all risks of the acts or omissions of any beneficiary or transferee with respect to its use of any Letter of Credit; provided that this assumption is not intended to, and shall not, preclude the Borrower's pursuing such rights and remedies as it may have against the beneficiary or transferee at law or under any other agreement. None of the Letter of Credit Issuer, the Administrative Agent, any of their respective Affiliates or any correspondent, participant or assignee of the Letter of Credit Issuer shall be liable or responsible for any of the matters described in Section 3.4(c); provided that anything in such clauses to the contrary notwithstanding, the Borrower may have a claim against the Letter of Credit Issuer, and the Letter of Credit Issuer may be liable to the Borrower, to the extent, but only to the extent, of any direct, as opposed to consequential or exemplary, damages suffered by the Borrower caused by the Letter of Credit Issuer's willful misconduct or gross negligence or the Letter of Credit Issuer's willful failure to pay under any Letter of Credit after the presentation to it by the beneficiary of a sight draft and certificate(s) strictly complying with the terms and conditions of a Letter of Credit. In furtherance and not in limitation of the foregoing, the Letter of Credit Issuer may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary, and the Letter of Credit Issuer shall not be responsible for the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign a Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason.

3.8 Cash Collateral.

(a) If, as of the Letter of Credit Maturity Date, there are any Letter of Credit Obligations, the Borrower shall promptly Cash Collateralize the Letter of Credit Obligations that for any reason remain outstanding. Section 2.16 and Section 5.2 set forth certain additional requirements to deliver Cash Collateral hereunder.

(b) If any Event of Default shall occur and be continuing, the Required Revolving Class Lenders may require that the Letter of Credit Obligations be Cash Collateralized; provided that, upon the occurrence of an Event of Default referred to in Section 11.5, the Borrower shall immediately Cash Collateralize the Letters of Credit then outstanding and no notice or request by or consent from the Required Lenders shall be required.

(c) For purposes of this Agreement, “Cash Collateralize” means to pledge and deposit with or deliver to the Administrative Agent, for the benefit of the Letter of Credit Issuers as collateral for the Letter of Credit Obligations, cash or deposit account balances (“Cash Collateral”) in an amount equal to 100% of the amount of the Letter of Credit Obligations required to be Cash Collateralized pursuant to documentation in form and substance reasonably satisfactory to the Administrative Agent and the Letter of Credit Issuers (which documents are hereby consented to by the Revolving Credit Lenders). Derivatives of such terms have corresponding meanings. The Borrower hereby grants to the Administrative Agent, for the benefit of the Letter of Credit Issuers and the Letter of Credit Participants a security interest in all such cash, deposit accounts and all balances therein and all proceeds of the foregoing. Cash Collateral shall be maintained in blocked, interest bearing deposit accounts with the Administrative Agent. If at any time the Administrative Agent determines that any funds held as Cash Collateral are subject to any right or claim of any Person other than the Administrative Agent or that the total amount of such funds is less than the Letter of Credit Obligations, the Borrower will, forthwith upon demand by the Administrative Agent, pay to the Administrative Agent, as additional funds to be deposited as Cash Collateral, an amount equal to the excess of (x) such aggregate outstanding amount over (y) the total amount of funds, if any, then held as Cash Collateral that the Administrative Agent determines to be free and clear of any such right and claim. Upon the drawing of any Letter of Credit for which funds are on deposit as Cash Collateral, such funds shall be applied, to the extent permitted under Applicable Laws to reimburse the applicable Letter of Credit Issuer. To the extent the amount of any Cash Collateral exceeds the aggregate outstanding amount of all Letter of Credit Obligations and so long as no Event of Default has occurred and is continuing, the excess shall be refunded to the Borrower.

3.9 Conflict with Issuer Documents. In the event of any conflict between the terms hereof and the terms of any Issuer Document, the terms hereof shall control.

3.10 Letters of Credit Issued for Restricted Subsidiaries. Notwithstanding that a Letter of Credit issued or outstanding hereunder is in support of any obligations of, or is for the account of, a Restricted Subsidiary, the Borrower shall be obligated to reimburse the applicable Letter of Credit Issuer hereunder for any and all drawings under such Letter of Credit. The Borrower hereby acknowledges that the issuance of Letters of Credit for the account of Restricted Subsidiaries inures to the benefit of the Borrower, and that the Borrower’s business derives substantial benefits from the businesses of such Restricted Subsidiaries.

3.11 Existing Letters of Credit. Subject to the terms and conditions hereof, each existing “Letter of Credit” (as defined in this Agreement immediately prior to giving effect to the ~~Fourth~~Fifth Amendment) that is outstanding on the ~~Fourth~~Fifth Amendment Effective Date, shall, effective as of the ~~Fourth~~Fifth Amendment Effective Date and without any further action by the Borrower, be continued as a Letter of Credit hereunder, from and after the ~~Fourth~~Fifth Amendment Effective Date be deemed a Letter of Credit for all purposes hereof, and be subject to and governed by the terms and conditions hereof.

3.12 Applicability of ISP and UCP. Unless otherwise expressly agreed by the applicable Letter of Credit Issuer and the Borrower when a Letter of Credit is issued, (i) the rules of the ISP shall apply to each standby Letter of Credit, and (ii) the rules of the UCP shall apply to each commercial Letter of Credit. Notwithstanding the foregoing, such Letter of Credit Issuer shall not be responsible to the Borrower for, and such Letter of Credit Issuer's rights and remedies against the Borrower shall not be impaired by, any action or inaction of such Letter of Credit Issuer required or permitted under any Applicable Law, order, or practice that is required or permitted to be applied to any Letter of Credit or this Agreement, including the Applicable Law or any order of a jurisdiction where such Letter of Credit Issuer or the beneficiary is located, the practice stated in the ISP or UCP, as applicable, or in the decisions, opinions, practice statements, or official commentary of the ICC Banking Commission, the Bankers Association for Finance and Trade - International Financial Services Association (BAFT-IFSA), or the Institute of International Banking Law & Practice, whether or not any Letter of Credit chooses such law or practice.

SECTION 4. Fees; Commitment Reductions and Terminations.

4.1 Fees. (a) The Borrower agrees to pay to the Administrative Agent for the account of each Revolving Credit Lender (in each case pro rata according to the respective Revolving Credit Commitments of all such Revolving Credit Lenders) a commitment fee (the "Commitment Fee") that shall accrue from and including the ~~Fourth~~Fifth Amendment Effective Date to but excluding the Revolving Credit Termination Date. Each Commitment Fee shall be payable (x) quarterly in arrears on the last Business Day of each March, June, September and December (for the three-month period (or portion thereof) ended on such day for which no payment has been received) and (y) on the Revolving Credit Termination Date (for the period ended on such date for which no payment has been received pursuant to clause (x) above), and shall be computed for each day during such period at a rate per annum equal to the Commitment Fee Rate in effect on such day to be calculated based on the actual amount of the Available Revolving Credit Commitment (assuming for this purpose that there is no reference to "Swingline Loans" in clause (b)(i) of the definition of Available Revolving Credit Commitment) in effect on such day.

(b) The Borrower agrees to pay (i) directly to the applicable Letter of Credit Issuer for its own account a fronting fee (the "Fronting Fee") with respect to each Letter of Credit, computed at the rate for each day equal to 0.125% per annum or such other amount as is agreed in a separate writing between any Letter of Credit Issuer and the Borrower times the average daily Stated Amount of such Letter of Credit and (ii) any other letter of credit fee agreed to in writing by any Letter of Credit Issuer and the Borrower. The Fronting Fee shall be due and payable quarterly in arrears on the first Business Day after the end of each March, June, September and December, in respect of the most recently-ended quarterly period (or portion thereof, in the case of the first payment), commencing with the first such date to occur after the issuance of such Letter of Credit, on the Letter of Credit Maturity Date and thereafter on demand. For purposes of computing the daily amount available to be drawn under any Letter of Credit, the amount of such Letter of Credit shall be determined in accordance with Section 1.8.

In addition, the Borrower agrees to pay directly to the applicable Letter of Credit Issuer for its own account the customary issuance, presentation, amendment and other processing fees, and other standard costs and charges, of such Letter of Credit Issuer relating to letters of credit as from time to time in effect. Such customary fees and standard costs and charges are due and payable within 10 Business Days after demand and are nonrefundable.

(c) The Borrower agrees to pay to the Administrative Agent for the account of each Revolving Credit Lender, pro rata according to the Letter of Credit Exposure of such Lender, a fee in respect of each Letter of Credit (the "Letter of Credit Fee"), for the period from and including the date of issuance of such Letter of Credit to but excluding the termination or expiration date of such Letter of Credit, computed at the per annum rate for each day equal to (x) the Applicable Margin for Eurodollar Loans then in effect for Revolving Credit Loans times (y) the average daily Stated Amount of such Letter of Credit. The Letter of Credit Fee shall be due and payable quarterly in arrears on the last Business Day of each March, June, September and December and on the Revolving Credit Termination Date. If there is any change in the Applicable Margin during any quarter, the daily maximum amount of each Letter of Credit shall be computed and multiplied by the Applicable Margin separately for each period during such quarter that such Applicable Margin was in effect.

(d) The Borrower agrees to pay to the Administrative Agent the administrative fees in the amounts and on the dates as set forth in the Agency Fee Letter.

4.2 Voluntary Reduction of Commitments. (a) Upon prior written notice (or telephonic notice promptly confirmed in writing) to the Administrative Agent at the Administrative Agent's Office (which notice the Administrative Agent shall promptly transmit to each of the Lenders), the Borrower shall have the right, without premium or penalty, on any day, permanently to terminate or reduce the Commitments of any Class as determined by the Borrower, in whole or in part; provided that (a) any such notice shall be received by the Administrative Agent not later than 11:00 a.m. three Business Days prior to the date of termination or reduction, (b) any such termination or reduction shall apply proportionately and permanently to reduce the Commitments of each of the Lenders within any such Class, except that, notwithstanding the foregoing, (1) the Borrower may allocate any termination or reduction of Commitments among Classes of Commitments at its direction (including, for the avoidance of doubt, to the Commitments with respect to any Class of Extended Revolving Credit Commitments without any termination or reduction of the Commitments with respect to any Existing Revolving Credit Class of the same Specified Existing Revolving Credit Commitment Class) and (2) in connection with the establishment on any date of any Extended Revolving Credit Commitments pursuant to Section 2.15, the Existing Revolving Credit Commitments of any one or more Lenders providing any such Extended Revolving Credit Commitments on such date shall be reduced in an amount equal to the amount of Specified Existing Revolving Credit Commitments so extended on such date (or, if agreed by the Borrower and the Lenders providing such Extended Revolving Credit Commitments, by any greater amount so long as the Borrower prepays the Existing Revolving Credit Loans of such Class owed to such Lenders providing such Extended Revolving Credit Commitments to the extent necessary to ensure that after giving effect to such repayment or reduction, the Existing Revolving Credit Loans of such Class are held by the Lenders of such Class on a pro rata basis in accordance with their Existing Revolving Credit Commitments of such Class after giving effect to such reduction) (provided that (x) after

giving effect to any such reduction and to the repayment of any Loans made on such date, the aggregate amount of the revolving credit exposure of any such Lender does not exceed the Existing Revolving Credit Commitment thereof (such revolving credit exposure and Existing Revolving Credit Commitment being determined in each case, for the avoidance of doubt, exclusive of such Lender's Extended Revolving Credit Commitment and any exposure in respect thereof) and (y) for the avoidance of doubt, any such repayment of Loans contemplated by the preceding clause shall be made in compliance with the requirements of Section 5.3(a) with respect to the ratable allocation of payments hereunder, with such allocation being determined after giving effect to any exchange pursuant to Section 2.15 of Existing Revolving Credit Commitments and Existing Revolving Credit Loans into Extended Revolving Credit Commitments and Extended Revolving Credit Loans respectively, and prior to any reduction being made to the Commitment of any other Lender), (c) any partial reduction pursuant to this Section 4.2 shall be in an aggregate amount of \$10,000,000 or any whole multiple of \$1,000,000 in excess thereof, (d) after giving effect to such termination or reduction and to any prepayments of Revolving Credit Loans or cancellation or Cash Collateralization of Letters of Credit made on the date thereof in accordance with this Agreement, the aggregate amount of the Lenders' Revolving Credit Exposures for such Class shall not exceed the Total Revolving Credit Commitment for such Class, (e) after giving effect to such termination or reduction and to any prepayments of Additional/Replacement Revolving Credit Loans of any Class or cancellation or cash collateralization of letters of credit made on the date thereof in accordance with the Agreement, the aggregate amount of such Lender's revolving credit exposure shall not exceed the Total Additional/Replacement Revolving Credit Commitment for such Class and (f) if, after giving effect to any reduction hereunder, the Total Letter of Credit Commitment or the Total Swingline Commitment exceeds the sum of the Total Revolving Credit Commitment and the Total Additional/Replacement Revolving Credit Commitment (if any), such Commitment shall be automatically reduced by the amount of such excess.

(b) Upon at least one Business Day's prior written notice (or telephonic notice promptly confirmed in writing) to the Administrative Agent and each Letter of Credit Issuer (which notice the Administrative Agent shall promptly transmit to each of the applicable Revolving Credit Lenders), the Borrower shall have the right, on any day, permanently to terminate or reduce the Total Letter of Credit Commitment in whole or in part; provided that, after giving effect to such termination or reduction, (i) the Letter of Credit Obligations shall not exceed the Total Letter of Credit Commitment and (ii) the Letter of Credit Obligations applicable to each Letter of Credit Issuer shall not exceed such Letter of Credit Issuer's Letter of Credit Commitment.

(c) The Borrower may terminate the unused amount of the Commitment of a Defaulting Lender upon not less than two Business Days' prior notice to the Administrative Agent (which will promptly notify the Lenders thereof), and in such event the provisions of Section 2.16(a)(iv) will apply to all amounts thereafter paid by the Borrower for the account of such Defaulting Lender under this Agreement (whether on account of principal, interest, fees, indemnity or other amounts), provided that such termination will not be deemed to be a waiver or release of any claim the Borrower, the Administrative Agent, any Letter of Credit Issuer, any Swingline Lender or any Lender may have against such Defaulting Lender.

4.3 Mandatory Termination of Commitments. (a) The Initial Term Loan Commitment shall terminate at 5:00 p.m. (New York City time) on the Effective Date.

(b) The Total Revolving Credit Commitment shall terminate at 5:00 p.m. (New York City time) on the Revolving Credit Maturity Date.

5.1 Voluntary Prepayments. (a) The Borrower shall have the right to prepay Term Loans, Revolving Credit Loans, Extended Revolving Credit Loans, Additional/Replacement Revolving Credit Loans and Swingline Loans, without, except as set forth in Section 5.1(b), premium or penalty, in whole or in part from time to time on the following terms and conditions: (a) the Borrower shall give the Administrative Agent at the Administrative Agent's Office written notice (or telephonic notice promptly confirmed in writing) of its intent to make such prepayment, the amount of such prepayment and in the case of Eurodollar Loans, the specific Borrowing(s) pursuant to which made, which notice shall be given by the Borrower no later than (i) in the case of Term Loans, Extended Revolving Credit Loans, Additional/Replacement Revolving Credit Loans or Revolving Credit Loans, 1:00 p.m. (New York City time) (x) one Business Day prior to (in the case of ABR Loans) or (y) three Business Days prior to (in the case of Eurodollar Loans), or (ii) in the case of Swingline Loans, 1:00 p.m. (New York City time) on, the date of such prepayment and shall promptly be transmitted by the Administrative Agent to each of the relevant Lenders or the relevant Swingline Lenders, as the case may be; (b) each partial prepayment of any Borrowing of Term Loans or Revolving Credit Loans shall be in a multiple of \$100,000 and in an aggregate principal amount of at least \$1,000,000 and each partial prepayment of Swingline Loans shall be in a multiple of \$100,000 and in an aggregate principal amount of at least \$100,000; provided that no partial prepayment of Eurodollar Loans made pursuant to a single Borrowing shall reduce the

Each such notice shall specify the date and amount of such prepayment and the Class(es) and Type(s) of Loans to be prepaid. Each prepayment in respect of any Class of Term Loans pursuant to this Section 5.1 shall be applied to reduce the Repayment Amounts in such order as the Borrower may determine and may be applied to any Class of Term Loans as directed by the Borrower. For the avoidance of doubt, the Borrower may (i) prepay Term Loans of an Existing Term Loan Class pursuant to this Section 5.1 without any requirement to prepay Extended Term Loans that were exchanged from such Existing Term Loan Class and (ii) prepay Extended Term Loans pursuant to this Section 5.1 without any requirement to prepay Term Loans of an Existing Term Loan Class that were exchanged for such Extended Term Loans. In the event that the Borrower does not specify the order in which to apply prepayments to reduce Repayment Amounts or as between Classes of Term Loans, the Borrower shall be deemed to have elected that such proceeds be applied to reduce the Repayment Amounts in direct order of maturity and/or a pro rata basis among Term Loan Classes. All prepayments under this Section 5.1 shall also be subject to the provisions of Section 5.2(d) and Section 5.2(e). At the Borrower's election in connection with any prepayment pursuant to this Section 5.1, such prepayment shall not be applied to any Loan of a Defaulting Lender.

(b) Notwithstanding anything to the contrary contained in this Agreement, at the time of the effectiveness of any Repricing Transaction with respect to the Tranche B-1 Term Loans that is consummated prior to the date that is six months following the Fourth Amendment Effective Date, the Borrower agrees to pay to the Administrative Agent, for the ratable account of each Lender with outstanding Tranche B-1 Term Loans, a fee in an amount equal to 1.0% of (i) in the case of a Repricing Transaction of the type described in clause (a) of the definition thereof, the aggregate principal amount of all Tranche B-1 Term Loans prepaid (or exchanged) in connection with such Repricing Transaction, and (ii) in the case of a Repricing Transaction described in clause (b) of the definition thereof, the aggregate principal amount of all the Tranche B-1 Term Loans outstanding on such date that are subject to an effective pricing reduction pursuant to such Repricing Transaction. Such fees shall be due and payable upon the date of the effectiveness of such Repricing Transaction.

5.2 Mandatory Prepayments.

(a) Term Loan Prepayments.

(i) On each occasion that a Prepayment Event occurs, the Borrower shall, within one Business Day after the receipt of Net Cash Proceeds from a Debt Incurrence Prepayment Event, and within five Business Days after the receipt of Net Cash Proceeds in connection with the occurrence of any other Prepayment Event, offer to prepay, in accordance with Sections 5.2(c) and (d) below, a principal amount of Term Loans in an amount equal to 100% of the Net Cash Proceeds from such Prepayment Event; provided, that, in the case of Net Cash Proceeds from an Asset Sale Prepayment Event, a Recovery Prepayment Event or a Permitted Sale Leaseback, the Borrower may use a portion of such Net Cash Proceeds to prepay, redeem or repurchase Permitted First Priority Refinancing Debt or other Permitted Additional

Debt with a Lien on the Collateral not ranking junior or senior to the Liens securing the Obligations (but without regard to the control of remedies), the documentation of which requires the issuer of or borrower under such Indebtedness to prepay or make an offer to purchase such Indebtedness with the proceeds of such Prepayment Event, in each case in an amount not to exceed the product of (x) the amount of such Net Cash Proceeds multiplied by (y) a fraction, the numerator of which is the outstanding principal amount of Permitted First Priority Refinancing Debt and other Permitted Additional Debt with a Lien on the Collateral not ranking junior or senior to the Liens securing the Obligations (but without regard to the control of remedies) and with respect to which such a requirement to prepay or make an offer to redeem or purchase exists and the denominator of which is the sum of the outstanding principal amount of such Permitted First Priority Refinancing Debt and other Permitted Additional Debt and the outstanding principal amount of Term Loans.

(ii) Not later than the date that is 10 Business Days following the date Section 9.1 Financials are required to be delivered under Section 9.1(a) (commencing with the Section 9.1 Financials to be delivered with respect to the fiscal year ending December 31, 2017), the Borrower shall offer to prepay, in accordance with Sections 5.2(c) and (d) below, an aggregate principal amount of Term Loans equal to (x) 50% of Excess Cash Flow for such fiscal year (or if the Consolidated Total Debt to Consolidated EBITDA Ratio for the fiscal year ended prior to such prepayment date for which the Borrower has delivered Section 9.1 Financials is less than or equal to 3.5 to 1.0, 25% of Excess Cash Flow for such fiscal year) minus (y) at the Borrower's option, the aggregate principal amount of Term Loans voluntarily prepaid pursuant to Section 5.1 and Revolving Credit Loans, Extended Revolving Credit Loans and Additional/Replacement Revolving Credit Loans voluntarily prepaid pursuant to Section 5.1 to the extent accompanied by a permanent reduction of the Revolving Credit Commitments, Extended Revolving Credit Commitments or the Additional/Replacement Revolving Credit Commitments, as applicable, in an equal amount pursuant to Section 4.2, in each case during such fiscal year or after year-end and prior to the time such prepayment pursuant to this Section 5.2(a)(ii) is due (excluding the aggregate principal amount of any such voluntary prepayments made with the proceeds of issuances or incurrences of long-term Indebtedness or equity); provided that no prepayment of any Term Loans shall be required under this Section 5.2(a)(ii) if the Consolidated Total Debt to Consolidated EBITDA Ratio for the fiscal year ended prior to such prepayment date, for which the Borrower has delivered Section 9.1 Financials, is less than or equal to 3.0 to 1.0; provided, further, that the calculation of the Consolidated Total Debt to Consolidated EBITDA Ratio for the purposes of this Section 5.2(a)(ii) shall give Pro Forma Effect to all prepayments made under Sections 5.1 and 5.2 (other than prepayments made pursuant to this Section 5.2(a)(ii)) made after the last day of any such Test Period but prior to the date of prepayment under this Section 5.2(a)(ii) as if such prepayments occurred as of the last day of the most recently ended Test Period. Any prepayment amounts credited pursuant to subclause (y) above against such amount in subclause (x) above shall be without duplication of any such credit in any prior or subsequent fiscal year.

(b) Repayment of Revolving Credit Loans. If on any date the aggregate amount of the Revolving Credit Lenders' Revolving Credit Exposures for any reason exceeds the Total Revolving Credit Commitment as then in effect, the Borrower shall forthwith repay on such date the principal amount of Swingline Loans and, after all Swingline Loans have been paid in full, Revolving Credit Loans in an amount equal to such excess. If, after giving effect to the prepayment of all outstanding Swingline Loans and Revolving Credit Loans, the aggregate amount of the Lenders' Revolving Credit Exposures exceed the Total Revolving Credit Commitment then in effect, the Borrower shall Cash Collateralize the Letter of Credit Obligations to the extent required to eliminate such excess.

(c) Application to Repayment Amounts. (i) Subject to clause (ii) of this Section 5.2(c) and the proviso to Section 5.2(a)(i), (A) each prepayment of Term Loans required by Section 5.2(a)(i) (other than in connection with a Debt Incurrence Prepayment Event) shall be allocated to the Classes of Term Loans outstanding, pro rata, based upon the applicable remaining Repayment Amounts due in respect of each such Class of Term Loans, shall be applied pro rata to Lenders within each Class, based upon the outstanding principal amounts owing to each such Lender under each such Class of Term Loans and be applied to reduce such scheduled Repayment Amounts within each such Class in accordance with Section 5.2(d)(ii), (B) each prepayment of Term Loans required by Section 5.2(a)(i) in connection with a Debt Incurrence Prepayment Event shall be allocated to any Class of Term Loans outstanding as directed by the Borrower, shall be applied pro rata to Lenders within each Class, based upon the outstanding principal amounts owing to each such Lender under each such Class of Term Loans and be applied to reduce such scheduled Repayment Amounts within each such Class in accordance with Section 5.2(d)(ii) and (C) each prepayment of Term Loans required by Section 5.2(a)(ii) shall be applied pro rata to the Term Lenders, based upon the outstanding principal amounts owing to each such Lender under each such Class and be applied to reduce such scheduled Repayment Amounts in accordance with Section 5.2(d)(ii); provided that, with respect to the allocation of such prepayments under either clause (A) or (C) above between an Existing Term Loan Class and Extended Term Loans of the same Extension Series, the Borrower may allocate such prepayments as the Borrower may specify, subject to the limitation that the Borrower shall not allocate to Extended Term Loans of any Extension Series any such mandatory prepayment under such clauses unless such prepayment is accompanied by at least a pro rata prepayment, based upon the applicable remaining Repayment Amounts due in respect thereof, of the Term Loans of the Existing Term Loan Class, if any, from which such Extended Term Loans were exchanged (or such Term Loans of the Existing Term Loan Class have otherwise been repaid in full).

(ii) With respect to each such prepayment required by Section 5.2(a)(i) and Section 5.2(a)(ii) (other than any Debt Incurrence Prepayment Event), (A) the Borrower will, not later than the date specified in Section 5.2(a) for offering to make such prepayment, give the Administrative Agent telephonic notice (promptly confirmed in writing) requesting that the Administrative Agent provide notice of such prepayment to each Lender of Term Loans and the Administrative Agent will promptly provide such notice to each Lender of Term Loans, (B) other than if such prepayment arises due to a Debt Incurrence Prepayment Event, each Term Lender will have the right to refuse any such prepayment by giving written notice of such refusal to the Administrative Agent and the Borrower within five Business Days after such Term Lender's receipt of notice from the Administrative Agent of such prepayment (and the Borrower shall not prepay any Term Loans until the date that is specified in clause (D) below) (such refused amounts, the "Refused Proceeds"), (C) the Refused Proceeds will be re-offered for prepayment to the Term Lenders not having refused a prepayment under this Section 5.2(c)(ii) by the Administrative Agent promptly providing notice of such re-offer to each such Term Lender, each such Term Lender will have the right to refuse any such re-offer of prepayment by

giving written notice of such refusal to the Administrative Agent and the Borrower within five Business Days after such Term Lender's receipt of notice from the Administrative Agent of such re-offer of prepayment (and the Borrower shall not prepay any Term Loans until the date that is specified in clause (D) below), (D) the Borrower will make all such prepayments not so refused upon the earlier of (x) the tenth Business Day after the Term Lenders received first notice of repayment from the Administrative Agent and (y) such time as the Borrower has received notice from any Term Lender that it consents to such prepayment, and (E) thereafter, any remaining Refused Proceeds may be retained by the Borrower (the "Retained Refused Proceeds").

(d) Application to Term Loans.

(i) With respect to each prepayment of Term Loans elected by the Borrower pursuant to Section 5.1 or pursuant to a Debt Incurrence Prepayment Event, such prepayments shall be applied to reduce Repayment Amounts in such order as the Borrower may specify (or, if not specified, in direct order of maturity) and the Borrower may designate the Types of Loans that are to be prepaid and the specific Borrowing(s) pursuant to which made; provided that the Borrower pays any amounts, if any, required to be paid pursuant to Section 2.11 with respect to prepayments of Eurodollar Loans made on any date other than the last day of the applicable Interest Period. In the absence of a designation by the Borrower as described in the preceding sentence, the Administrative Agent shall, subject to the above, make such designation in a manner that minimizes the amount of payments required to be made by the Borrower pursuant to Section 2.11.

(ii) With respect to each prepayment of Term Loans by the Borrower required pursuant to Section 5.2(a) (other than a Debt Incurrence Prepayment Event), such prepayments shall be applied to reduce Repayment Amounts in direct order of maturity for the respective scheduled payments pursuant to Section 2.5(b) following the applicable prepayment event with respect to each such mandatory prepayment and the amount of such mandatory prepayment shall be applied first to Term Loans that are ABR Loans to the full extent thereof before application to Term Loans that are Eurodollar Loans in a manner that minimizes the amount of any payments required to be made by the Borrower pursuant to Section 2.11.

(e) Application to Revolving Credit Loans; Mandatory Commitment Reductions. (i) With respect to each prepayment of Revolving Credit Loans, Extended Revolving Credit Loans and Additional/Replacement Revolving Credit Loans elected by the Borrower pursuant to Section 5.1 or required by Section 5.2(b), the Borrower may designate (i) the Class and Types of Loans that are to be prepaid and the specific Borrowing(s) pursuant to which made and (ii) the Revolving Credit Loans, Extended Revolving Credit Loans or Additional/Replacement Revolving Credit Loans to be prepaid; provided, that (x) Eurodollar Loans may be designated for prepayment pursuant to this Section 5.2 only on the last day of an Interest Period applicable thereto unless all Eurodollar Loans with Interest Periods ending on such date of required prepayment and all ABR Loans have been paid in full; (y) each prepayment of any Loans made pursuant to a Borrowing shall be applied pro rata among such Loans of such Class (except that any prepayment made in connection with a reduction of the Commitments of such Class pursuant to Section 4.2 shall be applied pro rata based on the amount of the reduction in the Commitments of such Class of each applicable Lender); and (z) notwithstanding the provisions of the preceding clause (y), at the option of the Borrower, no prepayment made

pursuant to Section 5.1 or Section 5.2(b) of Revolving Credit Loans, Extended Revolving Credit Loans or Additional/Replacement Revolving Credit Loans shall be applied to Loans of any Defaulting Lender. In the absence of a designation by the Borrower as described in the preceding sentence, the Administrative Agent shall, subject to the above, make such designation in a manner that minimizes the amount of any payments required to be made by the Borrower pursuant to Section 2.11.

(ii) With respect to each mandatory reduction and termination of Revolving Credit Commitments, Additional/Replacement Revolving Credit Commitments (and any previously extended Extended Revolving Credit Commitments) required by clause (ii) of the proviso to Section 2.14(b) or in connection with the incurrence of any Credit Agreement Refinancing Indebtedness issued or incurred to Refinance any Revolving Credit Commitments, Additional/Replacement Revolving Credit Commitments and/or Extended Revolving Credit Commitments, the Borrower may designate (A) the Classes of Commitments to be reduced and terminated and (B) the corresponding Classes of Loans to be prepaid; provided that (a) any such reduction and termination shall apply proportionately and permanently to reduce the Commitments of each of the Lenders within any such Class and (b) after giving effect to such termination or reduction and to any prepayments of Loans or cancellation or cash collateralization of letters of credit made on the date of each such reduction and termination in accordance with this Agreement, the aggregate amount of such Lenders' credit exposures shall not exceed the remaining Commitments of such Lenders' in respect of the Class reduced and terminated.

(f) Eurodollar Interest Periods. In lieu of making any payment pursuant to this Section 5.2 in respect of any Eurodollar Loan other than on the last day of the Interest Period therefor so long as no Default or Event of Default shall have occurred and be continuing, the Borrower at its option may deposit with the Administrative Agent an amount equal to the amount of the Eurodollar Loan to be prepaid and such Eurodollar Loan shall be repaid on the last day of the Interest Period therefor in the required amount. Such deposit shall be held by the Administrative Agent in a corporate time deposit account established on terms reasonably satisfactory to the Administrative Agent, earning interest at the then-customary rate for accounts of such type. Such deposit shall constitute cash collateral for the Obligations, provided that the Borrower may at any time direct that such deposit be applied to make the applicable payment required pursuant to this Section 5.2.

(g) Minimum Amount. No prepayment shall be required pursuant to Section 5.2(a)(i) (except to the extent such prepayment arises due to a Debt Incurrence Prepayment Event) unless and until the amount at any time of Net Cash Proceeds from Prepayment Events required to be offered at or prior to such time pursuant to such Section and not yet offered at or prior to such time to prepay Term Loans pursuant to such Section exceeds (i) \$5,000,000 for any single Prepayment Event or series of related Prepayment Events and (ii) \$10,000,000 in the aggregate for all such Prepayment Events, at which time the entire amount of such Net Cash Proceeds (not only the amount in excess of \$5,000,000 or \$10,000,000, as the case may be) will be applied as provided in Section 5.2(a)(i), with the date of receipt of such Net Cash Proceeds being deemed for such purpose to be the date such thresholds set forth in clauses (i) and (ii) of this clause (g) are met.

(h) Foreign Asset Sales. Notwithstanding any other provisions of this Section 5.2, (i) to the extent that any of or all the Net Cash Proceeds of any asset sale by a Restricted Foreign Subsidiary giving rise to an Asset Sale Prepayment Event (a “Foreign Asset Sale”), the Net Cash Proceeds of any Recovery Event from a Restricted Foreign Subsidiary (a “Foreign Recovery Event”), or Excess Cash Flow that is attributable to Restricted Foreign Subsidiaries are prohibited or delayed by applicable local law from being repatriated to the United States, the portion of such Net Cash Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Term Loans at the times provided in this Section 5.2 but may be retained by the applicable Restricted Foreign Subsidiary so long, but only so long, as the applicable local law will not permit repatriation to the United States (the Borrower hereby agreeing to cause the applicable Restricted Foreign Subsidiary to promptly take all actions required by the applicable local law to permit such repatriation), and once such repatriation of any of such affected Net Cash Proceeds or Excess Cash Flow is permitted under the applicable local law, such repatriation will be immediately effected and such repatriated Net Cash Proceeds or Excess Cash Flow will be promptly (and in any event not later than two Business Days after such repatriation) applied (net of additional taxes payable or reserved against as a result thereof) to the repayment of the Term Loans pursuant to this Section 5.2 and (ii) to the extent that the Borrower has determined in good faith that repatriation of any of or all the Net Cash Proceeds of any Foreign Asset Sale, any Foreign Recovery Event or Excess Cash Flow would have a material adverse tax cost consequence with respect to such Net Cash Proceeds or Excess Cash Flow, the Net Cash Proceeds or Excess Cash Flow so affected may be retained by the applicable Restricted Foreign Subsidiary; provided that, in the case of this clause (ii), on or before the date on which any Net Cash Proceeds from any Foreign Asset Sale or Foreign Recovery Event so retained would otherwise have been required to be applied to reinvestments or prepayments pursuant to Section 5.2(a) (or, in the case of Excess Cash Flow, a date on or before the date that is six months after the date such Excess Cash Flow would have been so required to be applied to prepayments pursuant to Section 5.2(a)(ii) unless previously repatriated in which case such repatriated Excess Cash Flow shall have been promptly applied to the repayment of the Term Loans pursuant to Section 5.2(a)), (x) the Borrower applies an amount equal to such Net Cash Proceeds or Excess Cash Flow to such reinvestments or prepayments as if such Net Cash Proceeds or Excess Cash Flow had been received by the Borrower rather than such Restricted Foreign Subsidiary, less the amount of additional taxes that would have been payable or reserved against if such Net Cash Proceeds or Excess Cash Flow had been repatriated (or, if less, the Net Cash Proceeds or Excess Cash Flow that would be calculated if received by such Foreign Subsidiary) or (y) such Net Cash Proceeds or Excess Cash Flow are applied to the repayment of Indebtedness of a Restricted Foreign Subsidiary.

5.3 Method and Place of Payment. (a) Except as otherwise specifically provided herein, all payments under this Agreement shall be made by the Borrower, without set-off, counterclaim or deduction of any kind, to the Administrative Agent for the ratable account of the Lenders entitled thereto, the Letter of Credit Issuers or the Swingline Lenders (except to the extent payments are to be made directly to a Letter of Credit Issuer or a Swingline Lender), as the case may be, not later than 2:00 p.m. (New York City time) on the date when due and shall be made in immediately available funds in Dollars at the Administrative Agent’s Office, it being understood that written or facsimile notice by the Borrower to the Administrative Agent to make a payment from the funds in the Borrower’s account at the Administrative Agent’s Office shall constitute the making of such payment to the extent of such

funds held in such account. The Administrative Agent will thereafter cause to be distributed on the same day (if payment was actually received by the Administrative Agent prior to 2:30 p.m. (New York City time) on such day and, if not, on the next Business Day in the sole discretion of the Administrative Agent) like funds relating to the payment of principal or interest or Fees ratably to the Lenders entitled thereto or to the Letter of Credit Issuer or the Swingline Lender, as applicable.

(b) For purposes of computing interest or fees, any payments under this Agreement that are made later than 2:00 p.m. (New York City time) shall be deemed to have been made on the next succeeding Business Day in the sole discretion of the Administrative Agent (which may extend such deadline in its discretion whether or not such payments are in process). Except as otherwise provided herein, whenever any payment to be made hereunder shall be stated to be due on a day that is not a Business Day, the due date thereof shall be extended to the next succeeding Business Day and, with respect to payments of principal, interest shall be payable during such extension at the applicable rate in effect immediately prior to such extension.

5.4 Net Payments. (a) Except as required by Applicable Law, all payments made by or on behalf of the Borrower under this Agreement or any other Credit Document shall be made free and clear of, and without deduction or withholding for or on account of, any current or future income, stamp or other taxes, levies, imposts, duties, charges, fees, deductions or withholdings, now or hereafter imposed, levied, collected, withheld or assessed by any Governmental Authority (including any interest, additions to tax and penalties) (collectively, "Taxes"), excluding in the case of each Lender and each Agent and except as otherwise provided in Section 5.4(f), (A) net income Taxes (and franchise Taxes imposed in lieu of net income Taxes) that would not have been imposed on such Agent or such Lender but for a present or former connection between such Agent or such Lender and the jurisdiction of the Governmental Authority imposing such Tax or any political subdivision or Governmental Authority thereof or therein (other than any such connection arising from such Agent or such Lender having executed, delivered or performed its obligations or received a payment under, or enforced, received or perfected a security interest under, or engaged in any other transactions pursuant to, this Agreement or any other Credit Document), (B) any branch profits Taxes imposed by the United States of America or any similar Tax imposed by any other jurisdiction described in clause (A) and (C) any U.S. federal withholding Tax pursuant to FATCA (all non-excluded Taxes, "Non-Excluded Taxes" and all such excluded Taxes, "Excluded Taxes"). If any Taxes are required to be withheld by a Withholding Agent from any amounts payable under this Agreement or any other Credit Document, the applicable Withholding Agent shall so withhold (pursuant to the information and documentation to be delivered pursuant to Section 5.4(d), 5.4(e) and 5.4(g)) and shall remit the amount withheld to the appropriate taxing authority. In addition, where an amount has been withheld in respect of a Non-Excluded Tax, the applicable Credit Party shall increase the amounts payable to the Administrative Agent or such Lender to the extent necessary to yield to the Administrative Agent or such Lender (after payment of all Non-Excluded Taxes or Other Taxes including those applicable to any amounts payable under this Section 5.4) interest or any such other amounts payable hereunder at the rates or in the amounts specified in such Credit Document. Whenever any Taxes are payable by any Credit Party, as promptly as possible thereafter the applicable Credit Party shall send to the Administrative Agent for its own account or for the account of such Lender, as the case may be, a certified copy of an original official receipt, if available (or other evidence acceptable to such Lender, acting reasonably) received by the applicable Credit Party showing payment thereof.

(b) In addition, each Credit Party shall pay, or at the option of the Administrative Agent timely reimburse it for the payment for, any present or future stamp, documentary, filing, mortgage, recording, excise, property or intangible taxes (including any interest, additions to tax and penalties) that arise from any payment made by such Credit Party hereunder or under any other Credit Documents or from the execution, delivery or registration or recordation of, performance under, or otherwise with respect to, this Agreement or the other Credit Documents (hereinafter referred to as “Other Taxes”).

(c) (i) Subject to Section 5.4(f), the Credit Parties shall indemnify each Lender and each Agent for and hold them harmless against the full amount of Non-Excluded Taxes and Other Taxes, (and for the full amount of Non-Excluded Taxes and Other Taxes imposed or asserted by any jurisdiction on any additional amounts or indemnities payable under this Section 5.4) imposed on or paid by such Lender or such Agent (as the case may be) and any liability (including penalties, additions to tax, interest and expenses) regardless of whether any such Taxes are correctly or legally asserted and arising therefrom or with respect thereto; provided that if any claim pursuant to this Section 5.4(c)(i) is made later than 180 days after the date on which the relevant Lender or Agent had actual knowledge of the relevant Non-Excluded Taxes or Other Taxes, then the Credit Parties shall not be required to indemnify the applicable Lender or Agent for any interest or penalties which accrue in respect of such Non-Excluded Taxes or Other Taxes after the 180th day. This indemnification shall be made within 30 days from the date such Lender or such Agent (as the case may be) makes written demand therefor.

(ii) Each Lender shall, and does hereby, severally indemnify, and shall make payment in respect thereof within 30 days after demand therefor, (x) the Administrative Agent against any Non-Excluded Taxes attributable to such Lender (but only to the extent that any Credit Party has not already indemnified the Administrative Agent for such Non-Excluded Taxes and without limiting the obligation of Credit Parties to do so), (y) the Administrative Agent and the Credit Parties, as applicable, against any Taxes attributable to such Lender’s failure to comply with the provisions of Section 13.6(d)(ii) relating to the maintenance of a Participant Register and (z) the Administrative Agent and the Credit Parties, as applicable, against any Excluded Taxes attributable to such Lender that are payable or paid by the Administrative Agent or the Credit Parties in connection with any Credit Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Credit Document against any amount due to the Administrative Agent under this clause (ii).

(d) Each Lender shall, at such times as are reasonably requested by the Borrower or the Administrative Agent, provide the Borrower and the Administrative Agent with any documentation prescribed by any Applicable Law or reasonably requested by the Borrower or the Administrative Agent (i) as will permit such payments to be made without, or at a reduced rate of, withholding or (ii) as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to withholding or information reporting requirements. Each such Lender shall, whenever a lapse in time or change in circumstances renders such documentation obsolete, expired or inaccurate in any material respect, deliver promptly to the Borrower and the Administrative Agent updated or other appropriate documentation (including any new documentation reasonably requested by the Borrower or the Administrative Agent) or promptly notify the Borrower and the Administrative Agent of its inability to do so. Unless the Borrower or the Administrative Agent has received forms or other documents satisfactory to it indicating that payments under any Credit Document to or for a Lender are not subject to withholding Tax or are subject to such Tax at a rate reduced by an applicable tax treaty, the Borrower or the Administrative Agent (as applicable) may withhold amounts required to be withheld by Applicable Law from such payments at the applicable statutory rate. Notwithstanding anything forgoing to the contrary, the completion, execution and submission of such documentation (other than such documentation set forth in Section 5.4(d)(i), Section 5.4(e) and Section 5.4(g) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender. Without limiting the foregoing to the extent permitted by law, each Lender that is not a United States person within the meaning of Section 7701(a)(30) of the Code (a "Non-U.S. Lender") shall:

(i) deliver to the Borrower and the Administrative Agent on or before the date on which it becomes a party to this Agreement (and from time to time thereafter upon the request of the Borrower or the Administrative Agent) two originals of either (w) in the case of Non-U.S. Lender claiming exemption from U.S. federal withholding Tax under Section 871(h) or 881(c) of the Code with respect to payments of "portfolio interest," United States Internal Revenue Service Form W-8BEN (together with a certificate representing that such Non-U.S. Lender is not a bank for purposes of Section 881(c) of the Code, is not a 10-percent shareholder (within the meaning of Section 871(h)(3)(B) of the Code) of the Borrower and is not a controlled foreign corporation related to the Borrower (within the meaning of Section 864(d)(4) of the Code) substantially in the form of Exhibit M (a "United States Tax Compliance Certificate"), (x) United States Internal Revenue Service Form W-8BEN or Form W-8ECI, (y) to the extent a Non-U.S. Lender is not the Beneficial Owner (for example, where the Non-U.S. Lender is a partnership or a participating Lender), United States Internal Revenue Service Form W-8IMY (or any successor forms) of the Non-U.S. Lender, accompanied by a Form W-8ECI, W-8BEN, United States Tax Compliance Certificate, Form W-9, Form W-8IMY or any other required information from each Beneficial Owner, as applicable (provided that, if one or more Beneficial Owners are claiming the portfolio interest exemption, the United States Tax Compliance Certificate may be provided by such Non-U.S. Lender on behalf of such Beneficial Owner) or (z) two properly completed and duly signed original copies of any other form prescribed by applicable U.S. federal income Tax laws (including the United States Treasury Regulations) as a basis for claiming a complete exemption from, or a reduction in, U.S. federal withholding Tax on any payments to such Lender under the Credit Documents, in each case properly completed and duly executed by such Non-U.S. Lender claiming complete exemption from, or reduced rate of, U.S. federal withholding Tax on payments by the Borrower under this Agreement; and

(ii) deliver to the Borrower and the Administrative Agent two further originals of any such form or certification (or any applicable successor form) on or before the date that any such form or certification expires or becomes obsolete or inaccurate and promptly after the occurrence of any event requiring a change in the most recent form previously delivered by it to the Borrower;

unless in any such case any change in treaty, law or regulation has occurred prior to the date on which any such delivery would otherwise be required that renders any such form inapplicable or would prevent such Lender from duly completing and delivering any such form with respect to it. Each Lender shall promptly notify the Borrower and the Administrative Agent at any time it determines that it is no longer in a position to provide any previously delivered form or certification to the Borrower or the Administrative Agent.

Notwithstanding anything to the contrary in this Section 5.4(d), a Lender is not required to deliver any form or other documentation that it is not legally eligible to deliver.

(e) If a payment made to a Lender under this Agreement or any other Credit Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Withholding Agent, at the time or times prescribed by Applicable Law and at such time or times reasonably requested by the Withholding Agent, such documentation prescribed by Applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Withholding Agent as may be necessary for the Withholding Agent to comply with its obligations under FATCA, to determine (i) whether such Lender has complied with such Lender's obligations under FATCA or (ii) the amount, if any, to deduct and withhold from such payment. Solely for purposes of this Section 5.4(e), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(f) No Credit Party shall be required to indemnify any Lender, Beneficial Owner or Agent pursuant to Section 5.4(c) or to pay any additional amounts to any Lender, Beneficial Owner or Agent, pursuant to Section 5.4(a) in respect of (i) U.S. federal withholding Taxes imposed under any Applicable Law in effect on the date such Lender or such Beneficial Owner acquired its interest in the applicable Loan, Commitment or Letter of Credit or changed its lending office; provided that this Section 5.4(f) shall not apply to the extent that (x) the indemnity payments or additional amounts such Lender (or such Beneficial Owner) would be entitled to receive (without regard to this clause (i)) do not exceed the indemnity payment or additional amounts that the person making the assignment, or change in lending office would have been entitled to receive immediately prior to such assignment or change in lending office, or (y) such assignment had been requested by a Credit Party and (ii) Taxes attributable to a Lender's failure to comply with the provisions of Section 5.4(d) or 5.4(g).

(g) Each Lender that is a United States person within the meaning of Section 7701(a)(30) of the Code shall (A) on or prior to the date such Lender becomes a Lender hereunder and (B) from time to time if reasonably requested by the Borrower or the Administrative Agent (or, in the case of a participant, the relevant Lender) to the extent such Lender is legally entitled to do so, provide the Administrative Agent and the Borrower (or, in the case of a participant, the relevant Lender) with two duly completed and signed originals of United States Internal Revenue Service Form W-9 (certifying that such Lender is entitled to an exemption from U.S. backup withholding Tax) or any successor form.

(h) Unless required by applicable Laws, at no time shall the Administrative Agent have any obligation to file for or otherwise pursue on behalf of a Lender, or have any obligation to pay to any Lender, any refund of Taxes withheld or deducted from funds paid for the account of such Lender. If any Lender or the Administrative Agent determines in its sole discretion, exercised in good faith, that it has received a refund of a Non-Excluded Tax or Other Taxes for which a payment has been made by a Credit Party pursuant to this Agreement, which refund in the good faith judgment of such Lender or the Administrative Agent, as the case may be, is attributable to such payment made by such Credit Party, then such Lender or the Administrative Agent, as the case may be, shall reimburse the Credit Party for such amount (together with any interest received thereon) as such Lender or the Administrative Agent, as the case may be, reasonably determines to be the proportion of the refund as will leave it, after such reimbursement, in no better or worse position than it would have been in if the payment had not been required; provided that the Credit Party, upon the request of such Lender, agrees to repay the amount paid over to the Credit Party (with interest and penalties) in the event such Lender or the Administrative Agent is required to repay such refund to such Governmental Authority. Neither any Lender nor the Administrative Agent shall be obliged to disclose any information regarding its tax affairs or computations to any Credit Party in connection with this paragraph (h) or any other provision of this Section 5.4; provided, further, that nothing in this Section 5.4 shall obligate any Lender (or Transferee) or the Administrative Agent to apply for any refund.

(i) For purpose of this Section 5.4, the term “Lender” shall include any Swingline Lender and Letter of Credit Issuer.

(j) The agreements in this Section 5.4 shall survive the termination of this Agreement, the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, and the payment of the Loans and all other amounts payable hereunder.

5.5 Computations of Interest and Fees. All computations of interest and of fees shall be made by the Administrative Agent on the basis of a year of 360 days and, in the case of ABR Loans calculated on the Prime Rate, 365/366-days, in each case for the actual number of days (including the first day but excluding the last day) occurring in the period for which such interest and fees are payable.

5.6 Limit on Rate of Interest

(a) No Payment Shall Exceed Lawful Rate. Notwithstanding any other term of this Agreement, the Borrower shall not be obliged to pay any interest or other amounts under or in connection with this Agreement in excess of the amount or rate permitted under or consistent with any Applicable Law.

(b) Payment at Highest Lawful Rate. If the Borrower is not obliged to make a payment which it would otherwise be required to make, as a result of Section 5.6(a), the Borrower shall make such payment to the maximum extent permitted by or consistent with Applicable Law.

(c) Adjustment if Any Payment Exceeds Lawful Rate. If any provision of this Agreement or any of the other Credit Documents would obligate the Borrower to make any payment of interest or other amount payable to any Lender in an amount or calculated at a rate which would be prohibited by any Applicable Law, then notwithstanding such provision, such amount or rate shall be deemed to have been adjusted with retroactive effect to the maximum amount or rate of interest, as the case may be, as would not be so prohibited by law (in the case of the Borrower), such adjustment to be effected, to the extent necessary, as follows:

- (i) firstly, by reducing the amount or rate of interest required to be paid by the Borrower to the affected Lender under Section 2.8; and
- (ii) thereafter, by reducing any fees, commissions, premiums and other amounts required to be paid by the Borrower to the affected Lender.

Notwithstanding the foregoing, and after giving effect to all adjustments contemplated thereby, if any Lender shall have received from the Borrower an amount in excess of the maximum permitted by any Applicable Law, then the Borrower shall be entitled, by notice in writing to the Administrative Agent, to obtain reimbursement from such Lender in an amount equal to such excess, and pending such reimbursement, such amount shall be deemed to be an amount payable by such Lender to the Borrower.

SECTION 6. Conditions Precedent to Effective Date

The conditions to the effectiveness of this Agreement and the obligation of the Letter of Credit Issuers and the Lenders to make extensions of credit in connection with the initial Credit Event are set forth in Section 4 of the Amendment.

SECTION 7. Additional Conditions Precedent

7.1 No Default; Representations and Warranties. The agreement of each Lender to make any Loan requested to be made by it on any date (excluding Mandatory Borrowings and Letter of Credit Participations which shall each be made without regard to the satisfaction of the condition set forth in this Section 7.1 and excluding borrowings made pursuant to Section 2.14, which shall be subject to conditions precedent and representations to be agreed upon with the applicable Lenders) and the obligation of each Letter of Credit Issuer to issue, amend, extend or renew Letters of Credit on any date is subject to the satisfaction of the condition precedent that at the time of each such Credit Event and also after giving effect thereto (a) no Default or Event of Default shall have occurred and be continuing and (b) all representations and warranties made by any Credit Party contained herein or in the other Credit Documents shall be true and correct in all material respects with the same effect as though such representations and warranties had been made on and as of the date of such Credit Event (except where such representations and warranties expressly relate to an earlier date, in which case such representations and warranties shall have been true and correct in all material respects as of such earlier date); provided that any representation and warranty that is qualified as to “materiality”,

“Material Adverse Effect” or similar language shall be true and correct in all respects on the date of such credit extension or on such earlier date, as the case may be (after giving effect to such qualification). The acceptance of the benefits of each Credit Event shall constitute a representation and warranty by each Credit Party to each of the Lenders that the conditions contained in this Section 7.1 have been met as of such date.

7.2 Notice of Borrowing; Letter of Credit Request. (a) Prior to the making of each Term Loan, each Revolving Credit Loan (other than any Revolving Credit Loan made pursuant to Section 2.1(f) or 3.4), each Additional/Replacement Revolving Credit Loan, each Extended Revolving Credit Loan and each Swingline Loan, the Administrative Agent shall have received a Notice of Borrowing (whether in writing or by telephone) meeting the requirements of Section 2.3.

(b) Prior to the issuance of each Letter of Credit, the Administrative Agent and any Letter of Credit Issuer shall have received a Letter of Credit Request meeting the requirements of Section 3.2.

SECTION 8. Representations, Warranties and Agreements

The Borrower hereby acknowledges that (a) the Administrative Agent and/or the Joint Lead Arrangers will make available to the Lenders and the Letter of Credit Issuers materials and/or information provided by or on behalf of the Borrower hereunder (collectively, "Borrower Materials") by posting the Borrower Materials on Debt Domain, IntraLinks, Syndtrak or another similar electronic system (the "Platform") and (b) certain of the Lenders may be "public-side" Lenders (i.e., Lenders that wish to receive only information that (i) is publicly available or (ii) is not material with respect to Borrower and its Subsidiaries or its or their respective securities for purposes of United States federal and state securities laws (collectively, the "Public Side Information") and who may be engaged in investment and other market related activities with respect to the Borrower, its Subsidiaries or its or their respective securities (each, a "Public Lender"). Before distribution of any Borrower Materials to Lenders, the Borrower agrees to identify that portion of the Borrower Materials that may be distributed to the Public Lenders as "Public Side Information," which, at a minimum, shall mean that the word "PUBLIC" shall appear prominently on the first page thereof (it being understood that if the Borrower is unable to reasonably determine if any such information is or is not Public Side Information the Borrower shall not be obligated to mark such information as "PUBLIC"). By marking Borrower Materials as "PUBLIC," the Borrower shall be deemed to have authorized the Administrative Agent, the Joint Lead Arrangers, the Letter of Credit Issuers and the Lenders to treat such Borrower Materials as containing only Public Side Information. All Borrower Materials marked "PUBLIC" are permitted to be made available through a portion of the Platform designated "Public Side Information." The Administrative Agent and the Joint Lead Arrangers shall treat the Borrower Materials that are not marked "PUBLIC" as being suitable only for posting, and shall only post such Borrower Materials, on a portion of the Platform not designated "Public Side Information".

The Administrative Agent and the Lenders shall give the Borrower the opportunity to participate in any discussions with the Borrower's independent public accountants. Notwithstanding anything to the contrary in Section 9.1(f)(ii) or this Section 9.2, none of Holdings, the Borrower or any Restricted Subsidiary will be required to disclose, permit the inspection, examination or making copies or abstracts of, or discussion of, any document, information or other matter (i) that constitutes non-financial trade secrets or non-financial proprietary information, (ii) in respect of which disclosure to the Administrative Agent or any Lender (or their respective representatives or contractors) is prohibited by Applicable Law or any binding agreement or (iii) that is subject to attorney-client or similar privilege or constitutes attorney work product.

The Collateral Agent, for the benefit of the Secured Parties shall be the additional insured on any such liability insurance and the Collateral Agent, for the benefit of the Secured Parties, shall be the additional loss payee under any such casualty insurance. If any portion of any Mortgaged Property at any time is located in an area identified by the Federal Emergency Management Agency (or any successor agency) as a special flood hazard area with respect to which flood insurance has been made available under the Flood Insurance Laws, then the Borrower shall, or shall cause the applicable Credit Party to (i) maintain, or cause to be maintained, with a financially sound and reputable insurer (determined at the time such insurance is obtained), flood insurance in an amount and otherwise sufficient to comply with all applicable rules and regulations promulgated pursuant to the Flood Insurance Laws and (ii) deliver to the Collateral Agent, for further posting by the Collateral Agent to the Lenders on the Platform, evidence of such compliance.

(i) Consolidated EBITDA shall be increased with respect to such applicable fiscal quarter with respect to which such Cure Amount is received by the Borrower and any Test Period that includes such fiscal quarter, solely for the purpose of determining whether an Event of Default has occurred and is continuing as a result of a violation of the covenants set forth in Section 10.9 or 10.10 and, subject to clause (c) below, not for any other purpose under this Agreement, by an amount equal to the Cure Amount;

(ii) Consolidated Total Debt with respect to any Test Period subsequent to the Test Period for which the Cure Amount is deemed applied that includes such fiscal quarter with respect to which such Cure Amount is received by the Borrower shall be decreased solely to the extent proceeds of the Cure Amount are applied to prepay any Indebtedness (provided that any such Indebtedness so prepaid shall be a permanent repayment of such Indebtedness and termination of commitments thereunder) included in the calculation of Consolidated Total Debt; and

Notwithstanding anything herein to the contrary, (i) in each four fiscal-quarter period there shall be no more than two fiscal quarters with respect to which the Cure Right is exercised, (ii) from and after the Effective Date, there shall be no more than five exercises of Cure Right in the aggregate, (iii) the Cure Amount shall be no greater than the amount required for purposes of complying with Section 10.9 or 10.10 as of the end of such fiscal quarter (such amount, the “Necessary Cure Amount”); provided that if the Cure Right is exercised prior to the date financial statements are required to be delivered for such fiscal quarter then the Cure Amount shall be equal to the amount reasonably determined by the Borrower in good faith that is required for purposes of complying with Section 10.9 or 10.10 for such fiscal quarter (such amount, the “Expected Cure Amount”), (iv) subject to clause (c) below, all Cure Amounts shall be disregarded for purposes of determining the Applicable Margin, any baskets, with respect to the covenants contained in the Credit Documents or the usage of the Available Amount or the Available Equity Amount and (v) there shall be no pro forma reduction in Indebtedness (by netting or otherwise) with the proceeds of any Cure Amount for determining compliance with Section 10.9 or 10.10 for the Test Period for which such Cure Amount is deemed applied.

(c) Expected Cure Amount. Notwithstanding anything herein to the contrary, to the extent that the Expected Cure Amount is (i) greater than the Necessary Cure Amount, then such difference may be used for the purposes of determining any baskets (other than any previously contributed Cure Amounts), with respect to the covenants contained in the Credit Documents, the Available Amount or the Available Equity Amount and (ii) less than the Necessary Cure Amount, then not later than the applicable Cure Deadline, the Borrower must receive the cash proceeds from the issuance of Capital Stock or a cash capital contribution to Holdings, which cash proceeds received by Borrower shall be equal to the shortfall between such Expected Cure Amount and such Necessary Cure Amount.

SECTION 12. The Administrative Agent and the Collateral Agent

12.1 Appointment. (a) Each of the Lenders and the Letter of Credit Issuers hereby irrevocably appoints JPMorgan to act on its behalf as the Administrative Agent hereunder and under the other Credit Documents and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. It is understood and agreed that the use of the term “agent” herein or in any other Credit Documents (or any other similar term) with reference to the Administrative Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law. Instead such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between contracting parties.

(b) The Administrative Agent shall also act as the “Collateral Agent” under the Credit Documents, and each of the Lenders (including in its capacities as a potential Hedge Bank and a potential Cash Management Bank) and the Letter of Credit Issuers hereby irrevocably appoints and authorizes the Administrative Agent to act as the agent of such Lender and such Letter of Credit Issuer for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted under the Security Documents to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Administrative Agent, as “Collateral Agent”, and any co-agents, sub-agents and attorneys-in-fact appointed by the Administrative Agent pursuant to Section 12.2 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Security Documents, or for exercising any rights and remedies thereunder at the direction of the Administrative Agent, shall be entitled to the benefits of all provisions of this Section 12 and Section 13 (including Section 13.5(a), as though such co-agents, sub-agents and attorneys-in-fact were the “Collateral Agent” under the Credit Documents) as if set forth in full herein with respect thereto.

12.2 Delegation of Duties. The Administrative Agent and the Collateral Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Credit Document by or through any one or more sub-agents appointed by the Administrative Agent or the Collateral Agent, as applicable. The Administrative Agent, the Collateral Agent and any such sub-agent may perform any and all of its duties and exercise their respective rights and powers by or through their respective Related Parties. The exculpatory provisions of this Section 12 shall apply to any such sub-agent and to the Related Parties of the Administrative Agent, the Collateral Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent or the Collateral Agent, as applicable. The Administrative Agent shall not be responsible for the negligence or misconduct of any sub-agents except to the extent that a court of competent jurisdiction determines in a final and non-appealable judgment that the Administrative Agent acted with gross negligence or willful misconduct in the selection of such sub-agents.

12.3 Exculpatory Provisions. The Administrative Agent and the Collateral Agent shall not have any duties or obligations except those expressly set forth herein and in the other Credit Documents and its duties hereunder shall be administrative in nature. Without limiting the generality of the foregoing, the Administrative Agent and the Collateral Agent:

(a) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(b) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Credit Documents that the Administrative Agent or the Collateral Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Credit Documents), provided that the Administrative Agent and the Collateral Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent or the Collateral Agent to liability or that is contrary to any Credit Document or applicable law, including for the avoidance of doubt any action that may be in violation of the automatic stay under any Debtor Relief Law or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any Debtor Relief Law;

(c) shall not, except as expressly set forth herein and in the other Credit Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Affiliates that is communicated to or obtained by the Person serving as the Administrative Agent or the Collateral Agent or any of its Affiliates in any capacity;

(d) shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 12.10 and 13.1) or (ii) in the absence of its own gross negligence or willful misconduct as determined by a court of competent jurisdiction by final and nonappealable judgment. The Administrative Agent and the Collateral Agent shall be deemed not to have knowledge of any Default unless and until notice describing such Default is given to the Administrative Agent and the Collateral Agent by the Borrower, a Lender or a Letter of Credit Issuer; and

(e) shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Credit Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Credit Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Security Documents, (v) the value or the sufficiency of any Collateral, or (v) the satisfaction of any condition set forth in Section 6, Section 7 or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent and the Collateral Agent.

12.4 Reliance by Administrative Agent. The Administrative Agent and the Collateral Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Administrative Agent and the Collateral Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan, or the issuance, extension, renewal or increase of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender or a Letter of Credit Issuer, the Administrative Agent may presume that such condition is satisfactory to such Lender or such Letter of Credit Issuer unless the Administrative Agent shall have received notice to the contrary from such Lender or such Letter of Credit Issuer prior to the making of such Loan or the issuance of such Letter of Credit. The Administrative Agent and the Collateral Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

12.5 Notice of Default. The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default hereunder unless the Administrative Agent has received notice from a Lender or the Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a "notice of default". In the event that the Administrative Agent receives such a notice, the Administrative Agent shall give notice thereof to the Lenders. The Administrative Agent shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Required Lenders, provided that unless and until the Administrative Agent shall have received such directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable in the best interests of the Lenders (except to the extent that this Agreement requires that such action be taken only with the approval of the Required Lenders or each of the Lenders, as applicable).

12.6 Non-Reliance on Administrative Agent and Other Lenders . Each Lender expressly acknowledges that neither the Administrative Agent nor any of its officers, directors, employees, agents, attorneys-in-fact or Affiliates has made any representations or warranties to it and that no act by the Administrative Agent hereinafter taken, including any review of the affairs of the Borrower, any Guarantor or any other Credit Party, shall be deemed to constitute any representation or warranty by the Administrative Agent to any Lender. Each Lender represents to the Administrative Agent that it has, independently and without reliance upon the Administrative Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Borrower, any Guarantor and any other Credit Party and made its own decision to make its Loans hereunder and enter into this Agreement. Each Lender also represents that it will,

independently and without reliance upon the Administrative Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Credit Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Borrower, any Guarantor and any other Credit Party. Except for notices, reports and other documents expressly required to be furnished to the Lenders by the Administrative Agent hereunder, the Administrative Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, assets, operations, properties, financial condition, prospects or creditworthiness of the Borrower, any Guarantor or any other Credit Party that may come into the possession of the Administrative Agent or any of its officers, directors, employees, agents, attorneys-in-fact or Affiliates.

12.7 Indemnification. The Lenders agree to indemnify the Agents in their capacity as such (to the extent not reimbursed by the Borrower and without limiting the obligation of the Borrower to do so), ratably according to their respective portions of the Total Credit Exposure in effect on the date on which indemnification is sought (or, if indemnification is sought after the date upon which the Commitments shall have terminated and the Loans shall have been paid in full, ratably in accordance with their respective portions of the Total Credit Exposure in effect immediately prior to such date), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time (including at any time following the payment of the Loans) be imposed on, incurred by or asserted against the Agents in any way relating to or arising out of, the Commitments, this Agreement, any of the other Credit Documents or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by the Agents under or in connection with any of the foregoing, provided that no Lender shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from the Agents' gross negligence or willful misconduct. The agreements in this Section 12.7 shall survive the payment of the Loans and all other amounts payable hereunder.

12.8 Successor Agent. The Administrative Agent and the Collateral Agent may at any time, upon no less than 30 days prior written notice to the Lenders, the Letter of Credit Issuers and the Borrower, resign as an Agent hereunder. In addition, if the Administrative Agent, and/or Collateral Agent shall become a Defaulting Lender pursuant to clause (d) of the definition thereof, then such Agent may be removed from its capacity as Agent hereunder upon the request of the Required Lenders and the Borrower and by notice in writing to such Person. Upon receipt of any such notice of resignation or after notice of removal, the Required Lenders shall have the right, with the consent of the Borrower (such consent not to be unreasonably withheld or delayed), to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. In respect of a resignation, if no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Administrative Agent or Collateral Agent, as applicable, gives notice of its resignation (or such earlier day as shall be agreed by the Required Lenders) (the "Resignation Effective Date"), then

the retiring Administrative Agent or Collateral Agent, as applicable, may with the consent of the Borrower (such consent not be unreasonably withheld or delayed) on behalf of the Lenders and the Letter of Credit Issuers, appoint a successor Administrative Agent or Collateral Agent, as applicable, meeting the qualifications set forth above; provided that if the Administrative Agent shall notify the Borrower and the Lenders that no qualifying Person has accepted such appointment, then, whether or not a successor has been appointed, such resignation shall nonetheless become effective in accordance with such notice on the Resignation Effective Date. In respect of a removal, if no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after receipt by the removed Administrative Agent or Collateral Agent, as applicable, of the written notice of its removal (or such earlier day as shall be agreed by the Required Lenders) (the "Removal Effective Date"), if the Required Lenders shall notify the Borrower and the Lenders that no qualifying Person has accepted such appointment, then, whether or not a successor has been appointed, such removal shall nonetheless become effective in accordance with such notice on the Removal Effective Date. Effective as of the Resignation Effective Date or the Removal Effective Date, as applicable, (a) the retiring Administrative Agent or Collateral Agent, as applicable, shall be discharged from its duties and obligations hereunder and under the other Credit Documents (except that in the case of any collateral security held by the Collateral Agent on behalf of the Lenders or the Letter of Credit Issuers under any of the Credit Documents, the retiring Collateral Agent shall continue to hold such collateral security until such time as a successor Collateral Agent is appointed) and (b) all payments, communications and determinations provided to be made by, to or through the Administrative Agent or Collateral Agent, as applicable, shall instead be made by or to each Lender and Letter of Credit Issuer directly, until such time as the Required Lenders appoint a successor Administrative Agent or Collateral Agent, as applicable, as provided for above in this Section. Upon the acceptance of a successor's appointment as Administrative Agent or Collateral Agent, as applicable, hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) or replaced Administrative Agent or Collateral Agent, as applicable, and the retiring (or retired) or replaced Administrative Agent or Collateral Agent, as applicable, shall be discharged from all of its duties and obligations hereunder or under the other Credit Documents (if not already discharged therefrom as provided above in this Section). The fees payable by the Borrower to a successor Administrative Agent or Collateral Agent, as applicable, shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring or replaced Administrative Agent's or Collateral Agent's as applicable, resignation or replacement hereunder and under the other Credit Documents, the provisions of this Section 12 and Section 13.5 shall continue in effect for the benefit of such retiring or replaced Administrative Agent or Collateral Agent, as applicable, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Administrative Agent or Collateral Agent, as applicable, was acting as Administrative Agent or Collateral Agent, as applicable.

Any resignation or replacement by JPMorgan as Administrative Agent pursuant to this Section shall also constitute its resignation or replacement as Letter of Credit Issuer and Swingline Lender. If JPMorgan resigns or is replaced as a Letter of Credit Issuer, it shall retain all the rights, powers, privileges and duties of a Letter of Credit Issuer hereunder with respect to all Letters of Credit outstanding as of the effective date of its resignation or replacement as Letter of Credit Issuer and all Letter of Credit Obligations with respect thereto, including the right to

require the Lenders to make Revolving Credit Loans or fund risk participations in Unpaid Drawings pursuant to Section 3.3. If JPMorgan resigns as Swingline Lender, it shall retain all the rights of the Swingline Lender provided for hereunder with respect to Swingline Loans made by it and outstanding as of the effective date of such resignation, including the right to require the Lenders to make Revolving Credit Loans or fund risk participations in outstanding Swingline Loans pursuant to Section 2.1(f). Upon the appointment by the Borrower of a successor Letter of Credit Issuer or Swingline Lender hereunder (which successor shall in all cases be a Lender other than a Defaulting Lender), (a) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring Letter of Credit Issuer or Swingline Lender, as applicable, (b) the retiring Letter of Credit Issuer and Swingline Lender shall be discharged from all of their respective duties and obligations hereunder or under the other Credit Documents, and (c) the successor Letter of Credit Issuer shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to JPMorgan to effectively assume the obligations of JPMorgan with respect to such Letters of Credit.

12.9 Withholding Tax. To the extent required by any applicable law, the Administrative Agent may withhold from any interest payment to any Lender an amount equivalent to any applicable withholding tax, except taxes imposed as a result of a current or former connection unrelated to this Agreement between the Administrative Agent and any jurisdiction outside of the United States imposing such tax. If the Internal Revenue Service or any authority of the United States or other jurisdiction asserts a claim that the Administrative Agent did not properly withhold tax from amounts paid to or for the account of any Lender (because the appropriate form was not delivered, was not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstances which rendered the exemption from, or reduction of, withholding tax ineffective, or for any other reason), such Lender shall indemnify the Administrative Agent fully for all amounts paid, directly or indirectly, by the Administrative Agent as tax or otherwise, including penalties and interest, together with all expenses incurred, including legal expenses, allocated staff costs and any out of pocket expenses.

12.10 Rights as a Lender. The Person serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent and the term “Lender” or “Lenders” shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Administrative Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Borrower or any Subsidiary or other Affiliate thereof as if such Person were not the Administrative Agent hereunder and without any duty to account therefor to the Lenders.

12.11 No Other Duties, Etc. Anything herein to the contrary notwithstanding, none of the Joint Lead Arrangers, Joint Bookrunners, Syndication Agent or the Documentation Agent listed on the cover page hereof shall have any powers, duties or responsibilities under this Agreement or any of the other Credit Documents, except in its capacity, as applicable, as the Administrative Agent, a Lender or a Letter of Credit Issuer hereunder.

12.12 Administrative Agent May File Proofs of Claim. In case of the pendency of any proceeding under any under the Bankruptcy Code, any other applicable bankruptcy laws or any other judicial proceeding relative to any Credit Party, the Administrative Agent (irrespective of whether the principal of any Loan or Letter of Credit Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, Letter of Credit Obligations and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the Letter of Credit Issuers and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, the Letter of Credit Issuers and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders, the Letter of Credit Issuers and the Administrative Agent under Sections 4.1 and 13.5) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same; and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender and Letter of Credit Issuer to make such payments to the Administrative Agent and, if the Administrative Agent shall consent to the making of such payments directly to the Lenders and the Letter of Credit Issuers, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Sections 4.1 and 13.5.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender or Letter of Credit Issuer any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or Letter of Credit Issuer to authorize the Administrative Agent to vote in respect of the claim of any Lender or Letter of Credit Issuer or in any such proceeding.

12.13 Secured Cash Management Agreements and Secured Hedge Agreements. Except as otherwise expressly set forth herein or in any Guarantee or any Security Document, no Cash Management Bank or Hedge Bank that obtains the benefits of any Guarantee or any Collateral by virtue of the provisions hereof or of any Guarantee or any Security Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Credit Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Credit Documents. Notwithstanding any other provision of this Section 12 to the contrary, the Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Obligations arising under Secured Cash Management Agreements and Secured Hedging Agreements unless the Administrative Agent has received written notice of such Obligations, together with such supporting documentation as the Administrative Agent may request, from the applicable Cash Management Bank or Hedge Bank, as the case may be.

12.14 Intercreditor Agreements . In connection with the incurrence by the Borrower or any Restricted Subsidiary of any Indebtedness that is secured by Liens permitted by Section 10.2, at the request of the Borrower, the Administrative Agent (including in its capacity as Collateral Agent) agrees to execute and deliver the Customary Intercreditor Agreements, as applicable, and any amendments, amendments and restatements, restatements or waivers of or supplements thereto. In connection with any such amendment, restatement, waiver, supplement or other modification, the Credit Parties shall deliver such officers' certificates and supporting documentation as the Administrative Agent may reasonably request. The Lenders hereby authorize the Administrative Agent to take any action contemplated by the preceding sentence, and any such amendment, amendment and restatement, restatement, waiver of or supplement to or other modification of any such Credit Document shall be effective notwithstanding the provisions of Section 13.1.

SECTION 13. Miscellaneous

13.1 Amendments and Waivers. Except as expressly set forth in this Agreement, neither this Agreement nor any other Credit Document, nor any terms hereof or thereof may be amended, supplemented or modified except in accordance with the provisions of this Section 13.1. The Required Lenders may, or, with the written consent of the Required Lenders, the Administrative Agent and/or the Collateral Agent shall, from time to time, (a) enter into with the relevant Credit Party or Credit Parties written amendments, supplements or modifications hereto and to the other Credit Documents for the purpose of adding any provisions to this Agreement or the other Credit Documents or changing in any manner the rights of the Lenders or the Credit Parties hereunder or thereunder or (b) waive, on such terms and conditions as the Required Lenders, the Administrative Agent and/or the Collateral Agent, as the case may be, may specify in such instrument, any of the requirements of this Agreement or the other Credit Documents or any Default or Event of Default and its consequences (other than with respect to any amendment or waiver contemplated in (I) clauses (i) and (vii), which shall only require the consent of the Lenders directly and adversely affected thereby and (II) clauses (ii) and (x), which shall only require the consent of the Required Credit Facility Lenders under the applicable Credit Facility or Credit Facilities, as applicable); provided that no such waiver, amendment, supplement or modification shall directly:

(i) reduce or forgive the principal of any Loan (it being understood that a waiver of any condition precedent or waiver of any Default, Event of Default, mandatory prepayment or mandatory commitment reduction shall not constitute a reduction or forgiveness of principal) or extend any scheduled amortization payments or the final scheduled maturity date of any Loan (other than as a result of waiving the conditions precedent set forth in Section 6 and Section 7 or other than as a result of a waiver or amendment of any Default, Event of Default, mandatory prepayment of Term Loans or mandatory commitment reduction (which shall not constitute an extension, forgiveness or postponement of any maturity date)), or reduce the stated interest rate applicable to the Loans (it being understood that any change (x) to the definition of

“Consolidated Total Debt to Consolidated EBITDA Ratio”, “Consolidated Secured Debt to Consolidated EBITDA Ratio” or “Consolidated EBITDA to Consolidated Interest Expense Ratio” or (y) in the component definitions thereof shall not constitute a reduction in the rate and provided that only the consent of the Required Lenders shall be necessary to waive any obligation of the Borrower to pay interest at the “default rate” or amend Section 2.8(c)), or reduce or forgive any portion, or extend the date for the payment, of any interest or fee payable hereunder, (other than as a result of waiving the applicability of any post-default increase in interest rates and other than as a result of waiving the conditions precedent set forth in Section 6 and Section 7 or other than as a result of a waiver or amendment of any Default, Event of Default, any mandatory prepayment of Term Loans or mandatory commitment reduction (which shall not constitute an extension, forgiveness or postponement of any date for payment of principal, interest or fees) or extend the final expiration date of any Lender’s Commitment or extend the final expiration date of any Letter of Credit beyond the date specified in Section 3.1(a), or increase the aggregate amount of any Commitment (other than with respect to any Incremental Facility to which such Lender has agreed) of any Lender (other than as a result of waiving the conditions precedent set forth in Section 6 and Section 7 or other than as a result of a waiver or amendment of any Default, Event of Default, mandatory prepayment of Term Loans or mandatory commitment reduction (which shall not constitute an extension or increase of any commitment)), or decrease or forgive any Repayment Amount, or extend any scheduled Initial Term Loan Repayment Date or any date scheduled for the repayment of any installment of Incremental Term Loans, in each case, without the written consent of each Lender directly and adversely affected thereby, or

(ii) reduce the percentages specified in the definition of the term “Required Revolving Class Lenders”, “Required Term Class Lenders” or “Required Additional/Replacement Revolving Credit Lenders”, in each case without the written consent of each Revolving Credit Lender directly and adversely affected thereby, each Term Lender directly and adversely affected thereby or each Additional/Replacement Revolving Credit Lenders directly and adversely affected thereby, as applicable, or

(iii) amend, modify or waive any provision of this Section 13.1 or reduce the percentages specified in the definition of the term “Required Lenders” or consent to the assignment or transfer by the Borrower of its rights and obligations under any Credit Document to which it is a party (except as permitted pursuant to Section 10.3), without the written consent of each Lender directly and adversely affected thereby, or

(iv) amend, modify or waive any provision of Section 12 without the written consent of the then-current Administrative Agent and/or the Collateral Agent, as applicable, or

(v) amend, modify or waive any provision of Section 2.16 (to the extent applicable to it) or Section 3 without the written consent of each Letter of Credit Issuer, or

(vi) amend, modify or waive any provisions hereof relating to Swingline Loans without the written consent of each Swingline Lender, or

(vii) change any Commitment to a Commitment of a different Class without the prior written consent of each Lender directly and adversely affected thereby, or

(viii) release all or substantially all of the Guarantors under the Guarantee (except as expressly permitted by the Guarantee), or release all or substantially all of the Collateral under the Security Documents, in each case without the prior written consent of each Lender, or

(ix) amend Section 2.9 so as to permit Interest Period intervals greater than six months if not available to all applicable Lenders, in each case without the written consent of each applicable Lender, or

(x) amend or otherwise modify Section 10.9 or Section 10.10 or any definition related thereto (as any such definition is used for purposes of Sections 10.9 and 10.10) or waive any Default or Event of Default resulting from a failure to perform or observe the financial covenants in Sections 10.9 and 10.10 without the written consent of the Required Revolving Class Lenders; provided, however, that the waivers described in this clause (x) shall not require the consent of any Lenders other than the Required Revolving Class Lenders;

provided, further, that (A) any waiver, amendment or modification of this Agreement that by its terms affects the rights or duties under this Agreement of Lenders holding Loans or Commitments of a particular Class (but not the Lenders holding Loans or Commitments of any other Class) may be effected by an agreement or agreements in writing entered into by Holdings, the Borrower and the requisite percentage in interest of the affected Class of Lenders that would be required to consent thereto under this Section if such Class of Lenders were the only Class of Lenders hereunder at the time and (B) any provision of this Agreement or any other Credit Document may be amended by an agreement in writing entered into by Holdings, the Borrower and the Administrative Agent to cure any ambiguity, omission, defect or inconsistency (including, without limitation, amendments, supplements or waivers to any of the Security Documents, guarantees, intercreditor agreements or related documents executed by any Credit Party or any other Subsidiary in connection with this Agreement if such amendment, supplement or waiver is delivered in order to cause such Security Documents, guarantees, intercreditor agreements or related documents to be consistent with this Agreement and the other Credit Documents) so long as, in each case, the Lenders shall have received at least five Business Days' prior written notice thereof and the Administrative Agent shall not have received, within five Business Days of the date of such notice to the Lenders, a written notice from the Required Lenders stating that the Required Lenders object to such amendment; provided that the consent of the Lenders or the Required Lenders, as the case may be, shall not be required to make any such changes necessary to be made in connection with any borrowing of Incremental Term Loans to effect the provisions of Section 2.14, the provision of any Incremental Revolving Credit Commitment Increase, any Additional/Replacement Revolving Credit Commitments or otherwise to effect the provisions of Section 2.14, 2.15 or 10.2(a).

Notwithstanding the foregoing, this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent, Holdings and the Borrower (a) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Credit Documents with the Term Loans, the Revolving Credit Loans and Additional/Replacement Revolving Credit Loans and the accrued interest and fees in respect thereof and (b) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders and other definitions related to such new Class.

Notwithstanding anything to the contrary contained in this Section 13.1, Holdings, the Borrower, the Collateral Agent and the Administrative Agent may (in its or their respective sole discretion, or shall, to the extent required by any Credit Document), without the input or consent of any other Person, (i) effect amendments, supplements or waivers to any of the Security Documents, guarantees, intercreditor agreements or related documents executed by any Credit Party or any other Subsidiary in connection with this Agreement if such amendment, supplement or waiver is delivered in order (x) to comply with Applicable Law or advice of local counsel, (y) to cure ambiguities, omissions, mistakes or defects or (z) to cause such Security Documents, guarantees, intercreditor agreements or related documents to be consistent with this Agreement and the other Credit Documents, (ii) enter into any amendment or waiver of any Security Document, or enter into any new agreement or instrument, to effect the granting, perfection, protection, expansion or enhancement of any security interest in any Collateral or additional property to become Collateral for the benefit of the Secured Parties, or as required by Applicable Law to give effect to, or protect any security interest for the benefit of the Secured Parties, in any property or so that the security interests therein comply with applicable Applicable Law and (iii) effect changes to this Agreement that are necessary and appropriate to provide for the mechanics contemplated by the offering process described in Section 13.6(g)(i)(H) herein.

13.2 Notices.

(a) Notices Generally. Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in clause (b) below), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by telecopier as follows, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(i) if to the Borrower, the Administrative Agent, any Letter of Credit Issuer or any Swingline Lender, to the address, telecopier number, electronic mail address or telephone number specified for such Person on Schedule 13.2 or to such other address, telecopier number, electronic mail address or telephone number as shall be designated by such party in a notice to the other parties; and

(ii) if to any other Lender, to the address, telecopier number, electronic mail address or telephone number specified in its administrative questionnaire or to such other address, telecopier number, electronic mail address or telephone number as shall be designated by such party in a notice to the other parties.

Notices and other communications sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices and other communications sent by telecopier shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next business day for the recipient). Notices and other communications delivered through electronic communications to the extent provided in subsection (b) below shall be effective as provided in such subsection (b).

(b) Electronic Communications. Notices and other communications to the Lenders and Letter of Credit Issuers hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent, provided that the foregoing shall not apply to notices to any Lender or Letter of Credit Issuer pursuant to Section 2 if such Lender or such Letter of Credit Issuer, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Section by electronic communication. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it, provided that approval of such procedures may be limited to particular notices or communications.

Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), provided that if such notice, email or other communication is not sent during the normal business hours of the recipient, such notice, email or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

(c) Reliance by Agents and Lenders. The Administrative Agent, the Collateral Agent and the Lenders shall be entitled to rely and act upon any notices purportedly given by or on behalf of the Borrower even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. All telephonic notices to the Administrative Agent and/or the Collateral Agent may be recorded by the Administrative Agent and/or the Collateral Agent, and each of the parties hereto hereby consents to such recording.

(d) The Platform. THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE." THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Administrative Agent or any of its Related Parties (collectively, the "Agent Parties") have any liability to

Holdings, the Borrower, any Lender, any Letter of Credit Issuer or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the Borrower's, any Credit Party's or the Administrative Agent's transmission of Borrower Materials through the Internet, except to the extent that such losses, claims, damages, liabilities or expenses are determined by a court of competent jurisdiction by a final and non-appealable judgment to have resulted from the gross negligence, bad faith or willful misconduct of such Agent Party.

13.3 No Waiver; Cumulative Remedies. No failure to exercise and no delay in exercising, on the part of the Administrative Agent, the Collateral Agent or any Lender, any right, remedy, power or privilege hereunder or under the other Credit Documents shall operate as a waiver thereof, nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law.

13.4 Survival of Representations and Warranties. All representations and warranties made hereunder, in the other Credit Documents and in any document, certificate or statement delivered pursuant hereto or in connection herewith shall survive the execution and delivery of this Agreement and the making of the Loans hereunder.

13.5 Payment of Expenses and Taxes; Indemnification. (a) The Borrower agrees (i) to pay or reimburse each of the Agents, each Joint Lead Arranger, each Joint Bookrunner and the Syndication Agent for all their reasonable and documented and invoiced out-of-pocket costs and reasonable expenses (without duplication) associated with the syndication of the Credit Facilities and incurred in connection with the development, preparation, execution and delivery of, and any amendment, supplement and/or modification to this Agreement and the other Credit Documents and any other documents prepared in connection herewith or therewith, and the consummation and administration of the transactions contemplated hereby and thereby, including the reasonable fees, disbursements and other charges of Shearman & Sterling LLP as counsel to the Agents with statements with respect to the foregoing to be submitted to the Borrower prior to the Effective Date (in the case of amounts to be paid on the Effective Date and from time to time thereafter on a quarterly basis) and one counsel in each relevant local jurisdiction approved by, or otherwise retained with the consent of, the Borrower, (ii) to pay or reimburse the Collateral Agent, the Administrative Agent and each Lender for all their reasonable and documented and invoiced out-of-pocket costs and reasonable expenses incurred in connection with the enforcement or preservation of any rights under this Agreement, the other Credit Documents and any such other documents, including the reasonable fees, disbursements and other charges of one firm or counsel to the Administrative Agent and the Collateral Agent and, to the extent required, one firm or local counsel in each relevant local jurisdiction or otherwise retained with the Borrower's consent (such consent not to be unreasonably withheld, conditioned or delayed (which may include a single special counsel acting in multiple jurisdictions), and (iii) to pay, indemnify and hold harmless each Lender, the Administrative Agent, the Collateral Agent, each Joint Lead Arranger, the Joint Bookrunners, the Syndication Agent, each Letter of Credit Issuer and their respective Related Parties (without duplication) (the "Indemnified Parties") from and against any and all other liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, reasonable expenses or

disbursements of any kind or nature whatsoever (including, but not limited to, any action, claim, litigation, investigation, inquiry or other proceeding), including, taken as a whole, reasonable and documented or invoiced out-of-pocket fees, reasonable expenses, disbursements and other charges of one firm of counsel for all Indemnified Parties, taken as a whole (and, in the case of an actual or perceived conflict of interest where the Indemnified Party affected by such conflict notifies the Borrower of any existence of such conflict and in connection with the investigating or defending any of the foregoing (including the reasonable fees) has retained its own counsel, of another firm of counsel for such affected Indemnified Party), and to the extent required, one firm or local counsel in each relevant jurisdiction (which may include a single special counsel acting in multiple jurisdictions) of any such Indemnified Party arising out of or relating to any action, claim, litigation, investigation or other proceeding (including any inquiry or investigation of the foregoing) (regardless of whether such Indemnified Party is a party thereto or whether or not such action, claim, litigation or proceeding was brought by the Borrower, its equity holders, affiliates or creditors or any other third person), arising out of, or with respect to the Transactions or to the execution, delivery, enforcement, performance and administration of this Agreement, the other Credit Documents and any such other documents or the use of the proceeds of the Loans or Letters of Credit, including any of the foregoing relating to the violation of, noncompliance with or liability under, any Environmental Law or any actual or alleged presence of or Release of Hazardous Materials applicable to the Borrower, any of its Subsidiaries or any of the Real Property (all the foregoing in this clause (iii), collectively, the “indemnified liabilities”); provided that the Borrower shall have no obligation hereunder to any Indemnified Party with respect to indemnified liabilities arising from (i) the gross negligence, bad faith or willful misconduct of such Indemnified Party or any of its Related Parties as determined in a final and nonappealable judgment as determined by a court of competent jurisdiction, (ii) a material breach of the obligations of such Indemnified Party or any of its Related Parties under the terms of this Agreement by such Indemnified Party or any of its Related Parties as determined in a final and non-appealable judgment as determined by a court of competent jurisdiction, (iii) in addition to clause (ii) above, in the case of any action, claim, litigation, investigation, inquiry or other proceeding initiated by the Borrower against the relevant Indemnified Party, solely from a breach of the obligations of such Indemnified Party or its Related Parties under the terms of this Agreement as determined in a final and non-appealable judgment by a court of competent jurisdiction, or (iv) any proceeding between and among Indemnified Parties that does not involve an act or omission by the direct parent of the Borrower, the Borrower or its Restricted Subsidiaries; provided that the Administrative Agent, the Collateral Agent, the Letter of Credit Issuers, the Swingline Lenders, the Joint Lead Arrangers, the Joint Bookrunners and the Syndication Agent to the extent acting in their capacity as such, shall remain indemnified in respect of such proceeding, to the extent that none of the exceptions set forth in clause (i), (ii), (iii) or (iv) of the immediately preceding proviso applies to such person at such time. All amounts payable under this Section 13.5(a) shall be paid within 10 Business Days after receipt by the Borrower of an invoice relating thereto setting forth such expense in reasonable detail. The agreements in this Section 13.5 shall survive repayment of the Loans and all other amounts payable hereunder.

(b) No Credit Party nor any Indemnified Party shall have any liability for any punitive, indirect or consequential damages resulting from this Agreement or any other Credit Document or arising out of its activities in connection herewith or therewith (whether before or after the Effective Date); provided that, nothing in this Section 13.5(b) shall limit any Credit

Party's indemnity obligations to the extent such special, indirect, consequential or punitive damages are included in any third party claim in connection with which an Indemnified Party is entitled to indemnification thereunder. No Indemnified Party shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Credit Documents or the transactions contemplated hereby or thereby, except to the extent that such damages have resulted from the willful misconduct, bad faith or gross negligence of any Indemnified Party or any of its Related Parties.

13.6 Successors and Assigns; Participations and Assignments.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any Affiliate of any Letter of Credit Issuer that issues any Letter of Credit), except that (i) except as set forth in Section 10.3(a), the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Affiliate of any Letter of Credit Issuer that issues any Letter of Credit), Participants (to the extent provided in Section 13.6(d)) and, to the extent expressly contemplated hereby, the Indemnified Parties) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in paragraph 13.6(b)(ii), any Lender may assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld or delayed) of:

(A) the Borrower; provided that no consent of the Borrower shall be required (x) for an assignment of any Term Loan to a Lender, an Affiliate of a Lender or an Approved Fund (unless increased costs would result therefrom), (y) for an assignment of any Revolving Credit Loan or Additional/Replacement Revolving Credit Loan to a Revolving Credit Lender or an Additional/Replacement Revolving Credit Lender or (z) if an Event of Default under Section 11 has occurred and is continuing; provided, further, that the Borrower shall be deemed to have consented to any such assignment of a Term Loan unless it shall object thereto by written notice to the Administrative Agent within 10 Business Days after having received notice thereof; provided, further, that it shall be understood that, without limitation, the Borrower shall have the right to withhold its consent to any assignment if, in order for such assignment to comply with Applicable Law, the Borrower would be required to obtain the consent of, or make any filing or registration with, any Governmental Authority, and

(B) the Administrative Agent and, in the case of Revolving Credit Commitments or Revolving Credit Loans, each Swingline Lender and each Letter of Credit Issuer; provided that no consent of the Administrative Agent shall be required for an assignment of any Term Loan to a Lender, an Affiliate of a Lender or an Approved Fund or to any Purchasing Borrower Party or any Affiliated Lender.

Notwithstanding the foregoing or anything to the contrary set forth herein, any assignment of any Loans to a Purchasing Borrower Party or any Affiliated Lender shall also be subject to the requirements of Section 13.6(g).

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of (i) an assignment to a Lender, an Affiliate of a Lender or an Approved Fund or (ii) an assignment of the entire remaining amount of the assigning Lender's Commitments or Loans, the amount of the Commitments or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent) shall not be less than, in the case of Revolving Credit Commitments or Revolving Credit Loans, Additional/Replacement Revolving Credit Commitments or Additional/Replacement Revolving Credit Loans, \$5,000,000 or, in the case of Initial Term Loan Commitments, Tranche B Term Loan Commitments, Tranche B-1 Term Loan Commitments, Incremental Term Loan Commitments or Term Loans, \$1,000,000, unless each of the Borrower and the Administrative Agent otherwise consents; provided that no such consent of the Borrower shall be required if an Event of Default under Section 11 has occurred and is continuing; and provided, further, that contemporaneous assignments to a single assignee made by affiliated Lenders or related Approved Funds or by a single assignor to related Approved Funds shall be aggregated for purposes of meeting the minimum assignment amount requirements stated above;

(B) subject to the terms of Section 13.7(c), the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Acceptance;

(C) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Acceptance together with a processing fee of \$3,500; provided that (x) a single processing fee of \$3,500 will be payable for multiple assignments by Lenders permitted hereunder that comprise one transaction and are implemented substantially concurrently with one another and (y) the Administrative Agent may, in its sole discretion, elect to waive or reduce such processing fee in the case of any assignment, including assignments effected pursuant to the provisions of Section 13.7;

(D) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent any tax form required by Section 5.4 and an administrative questionnaire in a form approved by the Administrative Agent in which the assignee designates one or more credit contacts to whom all syndicate-level information (which may contain material non-public information about the Credit Parties and their Related Parties or their respective securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and Applicable Laws, including Federal and state securities laws; and

(E) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loan or the Commitment assigned, except that this clause (E) shall not prohibit any Lender from assigning all or a portion of its rights and obligations among separate tranches of Loans (if any) on a non-pro rata basis.

Notwithstanding the foregoing or anything to the contrary set forth herein (i) any assignment of any Loans or Commitments to an Affiliated Lender shall also be subject to the requirements set forth in Section 13.6(g) and (ii) no natural person may be an assignee or Participant with respect to any Loans or Commitments.

(iii) Subject to acceptance and recording thereof pursuant to Section 13.6(b)(vi), from and after the effective date specified in each Assignment and Acceptance, the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits and subject to the requirements of Sections 2.10, 2.11, 5.4 and 13.5). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 13.6 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 13.6(d).

(iv) By executing and delivering an Assignment and Acceptance, the assigning Lender thereunder and the assignee thereunder shall be deemed to confirm to and agree with each other and the other parties hereto as follows: (A) such assigning Lender warrants that it is the legal and beneficial owner of the interest being assigned thereby free and clear of any adverse claim and that its Initial Term Loan Commitment, Tranche B Term Loan Commitment, Tranche B-1 Term Loan Commitment, Incremental Term Loan Commitment, Revolving Credit Commitment and Additional/Replacement Revolving Credit Commitment, and the outstanding balances of its Loans, in each case without giving effect to assignments thereof which have not become effective, are as set forth in such Assignment and Acceptance, (B) except as set forth in (A) above, such assigning Lender makes no representation or warranty and assumes no

responsibility with respect to any statements, warranties or representations made in or in connection with this Agreement, or the execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement, any other Credit Document or any other instrument or document furnished pursuant hereto, or the financial condition of Holdings, the Borrower or any Subsidiary or the performance or observance by Holdings, the Borrower or any Subsidiary of any of its obligations under this Agreement, any other Credit Document or any other instrument or document furnished pursuant hereto; (C) such assignee represents and warrants that it is legally authorized to enter into such Assignment and Acceptance; (D) such assignee confirms that it has received a copy of this Agreement, together with copies of the most recent financial statements referred to in Section 8.9 or delivered pursuant to Section 9.1 and such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Acceptance; (E) such assignee will independently and without reliance upon the Administrative Agent, the Collateral Agent, such assigning Lender or any other Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement; (F) such assignee appoints and authorizes the Administrative Agent and the Collateral Agent to take such action as agent on its behalf and to exercise such powers under this Agreement and the other Credit Documents as are delegated to the Administrative Agent and the Collateral Agent, respectively, by the terms hereof, together with such powers as are reasonably incidental thereto; and (G) such assignee agrees that it will perform in accordance with their terms all the obligations which by the terms of this Agreement are required to be performed by it as a Lender; provided, that except to the extent otherwise expressly agreed by the affected parties, no assignment by a Defaulting Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

(v) The Administrative Agent, acting for this purpose as an agent of the Borrower, shall maintain at the Administrative Agent's Office a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amount of the Loans (and interest thereon) and any payment made by any Letter of Credit Issuer under any Letter of Credit owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). Further, the Register shall contain the name and address of the Administrative Agent and the lending office through which each such Person acts under this Agreement. The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Administrative Agent, the Collateral Agent, the Letter of Credit Issuers and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register, as in effect at the close of business on the preceding Business Day, shall be available for inspection by (x) the Borrower, the Letter of Credit Issuers and the Collateral Agent and (y) any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(vi) Upon its receipt of and, if required, consent to, a duly completed Assignment and Acceptance executed by an assigning Lender and an assignee, the assignee's completed administrative questionnaire and any tax form required by Section 5.4 (unless the assignee shall already be a Lender hereunder) and any written consent to such assignment required by Section 13.6(b), the Administrative Agent shall promptly accept such Assignment and Acceptance and record the information contained therein in the Register. No assignment shall be effective for purposes of this Agreement unless and until it has been recorded in the Register as provided in this paragraph.

(c) Notwithstanding any provision to the contrary, any Lender may assign to one or more wholly owned special purpose funding vehicles (each, an “SPV”) all or any portion of its funded Loans (without the corresponding Commitment), without the consent of any Person or the payment of a fee, by execution of a written assignment agreement in a form agreed to by such assigning Lender and such SPV, and may grant any such SPV the option, in such SPV’s sole discretion, to provide the Borrower all or any part of any Loans that such assigning Lender would otherwise be obligated to make pursuant to this Agreement. Such SPVs shall have all the rights which a Lender making or holding such Loans would have under this Agreement, but no obligations. Any such assigning Lender shall remain liable for all its original obligations under this Agreement, including its Commitment (although the unused portion thereof shall be reduced by the principal amount of any Loans held by an SPV). Notwithstanding such assignment, the Administrative Agent and the Borrower may deliver notices to such assigning Lender (as agent for the SPV) and not separately to the SPV unless the Administrative Agent and the Borrower are requested in writing by the SPV to deliver such notices separately to it. Notwithstanding anything herein to the contrary, (i) neither the grant to the SPV nor the exercise by any SPV of such option will increase the costs or expenses or otherwise change the obligations of the Borrower under this Agreement and the other Credit Documents, except, in the case of Section 2.10, 2.11, 3.5 or 5.4, where (A) the increase or change results from a change in any Applicable Law after the SPV becomes an SPV and the assigning Lender notifies the Borrower in writing of such increase or change no later than 90 days after such change in Applicable Law becomes effective or (B) the grant was made with the Borrower’s prior written consent, (ii) the assigning Lender shall for all purposes, including the approval of any amendment, waiver or other modification of any provision of any Credit Document and the receipt of any notices provided by the Administrative Agent and the Borrower (as agent for the SPV) remain the Lender of record hereunder and (iii) no SPV shall be liable for any indemnity or similar payment obligation under this Agreement (all liability for which shall remain with the assigning Lender). The Borrower shall, at the request of any such assigning Lender, execute and deliver to such Person as such assigning Lender may designate, a promissory note, substantially in the form of Exhibit H-1, H-2, H-3 or H-4, as applicable (each, a “Note”), in the amount of such assigning Lender’s original Note to evidence the Loans of such assigning Lender and related SPV.

(d) (i) Any Lender may, without the consent of the Borrower, the Administrative Agent, the Collateral Agent, the Letter of Credit Issuers or the Swingline Lenders, sell participations to one or more banks or other entities (each, a “Participant”) in all or a portion of such Lender’s rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans owing to it); provided that (A) such Lender’s obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, (C) the Borrower, the Administrative Agent, the Collateral Agent, the Letter of Credit Issuers and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Agreement and (D) such Lender shall, at the Borrower’s request and expense, use reasonable efforts to cooperate with the Borrower to effectuate the provisions of Section 13.7 with respect to any Participant. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to

enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement or any other Credit Document; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the first proviso to Section 13.1 that affects such Participant. Subject to paragraph (d) (ii) of this Section, the Borrower agrees that each Participant shall be entitled to the benefits (and subject to the requirements) of Sections 2.10, 2.11, 5.4 and 13.5 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 13.6(b). To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 13.8(b) as though it were a Lender; provided such Participant agrees to be subject to Section 13.8(a) as though it were a Lender.

(ii) A Participant shall not be entitled to receive any greater payment under Section 2.10, 2.11, 3.5 or 5.4 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless (A) the entitlement to a greater payment resulted from a change in any Applicable Law after the Participant became a Participant and the participating Lender notifies the Borrower in writing of such entitlement to a greater payment no later than 90 days after such change in Applicable Law becomes effective or (B) the sale of the participation to such Participant is made with the Borrower's prior written consent. Each Lender having sold a participation in any of its Obligations, acting as a non-fiduciary agent of the Borrower solely for this purpose, shall establish and maintain at its address a record of ownership, in which such Lender shall register by book entry (A) the name and address of each such Participant (and each change thereto, whether by assignment or otherwise) and (B) the rights, interest or obligation of each such Participant in any Obligation, in any Commitment and in any right to receive any interest or principal payment hereunder (the "Participant Register"). Each Lender, acting as a non-fiduciary agent of the Borrower, shall maintain a register of principal, interest and other amounts owing to its Participants. The parties shall treat the Person listed in the Participant Register as the Participant for all purposes of this Agreement notwithstanding notice to the contrary. No Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Credit Event or other obligations under any Credit Document) except to the extent that such disclosure is necessary to establish that any such Commitment, Credit Event or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. Unless otherwise required by the Internal Revenue Service, any disclosure required by the foregoing sentence shall be made by the relevant Lender directly and solely to the Internal Revenue Service. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(e) Any Lender may, without the consent of the Borrower, the Collateral Agent or the Administrative Agent, at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto. In order to facilitate such pledge or assignment, the Borrower hereby agrees that, upon request of any Lender at any time and from time to time after the Borrower has made its initial borrowing hereunder, the Borrower shall provide to such Lender, at the Borrower's own expense, a Note substantially in the form of Exhibit H-1, H-2, H-3 or H-4, as the case may be, evidencing the Term Loans, Revolving Credit Loans, Incremental Term Loans and Additional/Replacement Revolving Credit Loans and Swingline Loans, respectively, owing to such Lender.

(f) Subject to Section 13.16, the Borrower authorizes each Lender to disclose to any Participant, secured creditor of such Lender or assignee (each, a "Transferee") and any prospective Transferee any and all financial information in such Lender's possession concerning the Borrower and its Affiliates that has been delivered to such Lender by or on behalf of the Borrower and its Affiliates pursuant to this Agreement or which has been delivered to such Lender by or on behalf of the Borrower and its Affiliates in connection with such Lender's credit evaluation of the Borrower and its Affiliates prior to becoming a party to this Agreement.

(g) (i) Notwithstanding anything else to the contrary contained in this Agreement, any Lender may assign all or a portion of its Term Loans to any Purchasing Borrower Party or any Affiliated Lender in accordance with Section 13.6(b) (which assignment, if to a Purchasing Borrower Party, will not constitute a prepayment of Loans for any purposes of this Agreement and the other Credit Documents); provided that:

(A) with respect to any assignment to a Purchasing Borrower Party, no Event of Default has occurred or is continuing or would result therefrom;

(B) any Purchasing Borrower Party shall offer to all Lenders of any Class of Term Loans to buy the Term Loans within such Class on a pro rata basis based on the then outstanding principal amount of all Term Loans of such Class, pursuant to procedures to be reasonably agreed between the Administrative Agent and the Borrower;

(C) the assigning Lender and Purchasing Borrower Party or Non-Debt Fund Affiliate purchasing such Lender's Term Loans, as applicable, shall execute and deliver to the Administrative Agent an assignment agreement substantially in the form of Exhibit K hereto (an "Affiliated Lender Assignment and Acceptance") in lieu of an Assignment and Acceptance;

(D) for the avoidance of doubt, Lenders shall not be permitted to assign Revolving Credit Commitments, Revolving Credit Loans, Additional/Replacement Revolving Credit Loans or Additional/Replacement Revolving Credit Commitments to any Purchasing Borrower Party or any Affiliated Lender;

(E) any Term Loans assigned to any Purchasing Borrower Party shall be automatically and permanently cancelled upon the effectiveness of such assignment and will thereafter no longer be outstanding for any purpose hereunder (it being understood that any gains or losses by any Purchasing Borrower Party upon purchase or acquisition and cancellation of such Term Loans shall not be taken into account in the calculation of Excess Cash Flow, Consolidated Net Income and Consolidated EBITDA);

(F) no Purchasing Borrower Party may use the proceeds from Revolving Credit Loans or Swingline Loans or Additional/Replacement Revolving Credit Loans to purchase any Term Loans;

(G) no Term Loan may be assigned to a Non-Debt Fund Affiliate or a Purchasing Borrower Party pursuant to this Section 13.6(g), if after giving effect to such assignment, Non-Debt Fund Affiliates and Purchasing Borrower Parties in the aggregate would own in excess of 25% of the Term Loans of any Class then outstanding (determined as of the time of such purchase);

(H) any purchases (or assignments) of Loans by a Purchasing Borrower Party or a Non-Debt Fund Affiliate made through “dutch auctions” shall (i) be conducted pursuant to procedures to be established by the Administrative Agent that are consistent with this 13.6(g)(i) and are otherwise reasonably acceptable to the Borrower and (ii) require that such Person (A) make a customary representation to all assigning or assignee Lenders, as applicable, that it does not possess material non-public information with respect to the Borrower and its Subsidiaries that either (1) has not been disclosed to the Lenders generally (other than Lenders that have elected not to receive such information) or (2) if not disclosed to the Lenders, could reasonably be expected to have a material effect on, or otherwise be material to (a) a Lender’s decision to participate in any such “dutch auction” or (b) the market price of the Loans (for the avoidance of doubt, no such representation will be required in the case of open market purchases by any Purchasing Borrower Party or any such Non-Debt Fund Affiliate, which may possess such non-material non-public information) and (B) clearly identify itself as a Purchasing Borrower Party or a Non-Debt Fund Affiliate, as the case may be, in any assignment and assumption agreement executed in connection with such purchases or assignments;

(I) Neither the Administrative Agent nor any Joint Lead Arranger will have any obligation to participate in, arrange, sell or otherwise facilitate, and will have no liability in connection with, any open market purchases (or assignments) of Loans by any Purchasing Borrower Party.

(ii) Notwithstanding anything to the contrary in this Agreement, no Non-Debt Fund Affiliate or a Purchasing Borrower Party shall have any right to (A) attend (including by telephone) any meeting or discussions (or portion thereof) among the Administrative Agent or any Lender to which representatives of the Credit Parties are not invited, (B) receive any information or material prepared by Administrative Agent or any Lender

or any communication by or among the Administrative Agent and/or one or more Lenders, except to the extent such information or materials have been made available to any Credit Party or its representatives (and in any case, other than the right to receive notices of prepayments and other administrative notices in respect of its Loans required to be delivered to Lenders pursuant to Sections 2.1, 3.1, 4.1 and 5.1 of this Agreement), or (C) make or bring (or participate in, other than as a passive participant in or recipient of its pro rata benefits of) any claim, in its capacity as a Lender, against the Administrative Agent, the Collateral Agent or any other Lender with respect to any duties or obligations or alleged duties or obligations of such Agent or any other such Lender under the Credit Documents, except to the extent such claim arises from the gross negligence, bad faith or willful misconduct of the Administrative Agent, the Collateral Agent or any other Lender as determined by a court of competent jurisdiction in a final and non-appealable decision.

(iii) By its acquisition of Term Loans, a Non-Debt Fund Affiliate shall be deemed to have acknowledged and agreed that, if any Credit Party shall be subject to any voluntary or involuntary proceeding commenced under any Debtor Relief Law:

(A) each such Non-Debt Fund Affiliate shall not take any step or action (whether directly or indirectly) in such proceeding to object to, impede, or delay the exercise of any right or the taking of any action by the Administrative Agent (or the taking of any action by a third party to which the Administrative Agent has consented with respect to any disposition of assets by the Borrower or any equity or debt financing to be made to the Borrower), including, without limitation, the filing of any pleading by the Administrative Agent) in (or with respect to any matters related to) the proceeding so long as the Administrative Agent is not taking any action to treat such Non-Debt Fund Affiliate's Loans in a manner that is less favorable to such Non-Debt Fund Affiliate in any material respect than the proposed treatment of similar Obligations held by other Lenders (including, without limitation, objecting to any debtor-in-possession financing, use of cash collateral, grant of adequate protection, sale or disposition, compromise or plan of reorganization); and

(B) each Non-Debt Fund Affiliate shall not have the right to vote in accordance with its discretion, but shall be deemed to have voted in such proceedings in the same proportion as the allocation of voting with respect to such matter by those Lenders who are not Non-Debt Fund Affiliate that have purchased Term Loans, except to the extent that any plan under the Bankruptcy Code proposes to treat the Obligations held by such Non-Debt Fund Affiliate in a manner that is less favorable to such Non-Debt Fund Affiliate in any material respect than the proposed treatment of similar Obligations held by other Lenders. For the avoidance of doubt, except to the extent that any plan under the Bankruptcy Code proposes to treat the Obligations held by any such Non-Debt Fund Affiliate in a manner that is less favorable to such Non-Debt Fund Affiliate in any material respect than the proposed treatment of similar Obligations held by other Lenders, the Administrative Agent is hereby

irrevocably authorized and empowered (in the name of such Non-Debt Fund Affiliate) to vote on behalf of such Non-Debt Fund Affiliate or consent on behalf of such Non-Debt Fund Affiliate in any such proceedings with respect to any and all claims of such Non-Debt Fund Affiliate relating to the Obligations. Each Non-Debt Fund Affiliate acknowledges that the foregoing constitutes an irrevocable proxy in favor of the Administrative Agent to vote or consent on behalf of such Non-Debt Fund Affiliate in any proceeding in the manner set forth above and that such Non-Debt Fund Affiliate shall be irrevocably bound to any such votes made or consents given and further shall not challenge or otherwise object to such votes or consents and shall not itself vote or provide consents in the proceeding.

(h) Notwithstanding anything in Section 13.1 or the definition of “Required Lenders” to the contrary, for purposes of determining whether the Required Lenders or any other requisite Class vote required by this Agreement have (i) consented (or not consented) to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Credit Document or any departure by any Credit Party therefrom, (ii) otherwise acted on any matter related to any Credit Document, or (iii) directed or required the Administrative Agent, Collateral Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Credit Document, (A) all Term Loans held by any Non-Debt Fund Affiliate or a Purchasing Borrower Party shall be deemed to be not outstanding for all purposes of calculating whether the Required Lenders (or requisite vote of any Class of Lenders) have taken any actions and (B) the aggregate amount of Term Loans held by Debt Fund Affiliates will be excluded to the extent in excess of 50% of the amount required to constitute “Required Lenders” (any such excess amount shall be deemed to be not outstanding on a pro rata basis among all Debt Fund Affiliates).

(i) Upon any contribution of Term Loans to the Borrower or any Restricted Subsidiary and upon any purchase of Term Loans by a Purchasing Borrower Party (A) the aggregate principal amount (calculated on the face amount thereof) of such Term Loans shall automatically be cancelled and retired by the Borrower on the date of such contribution or purchase (and, if requested by the Administrative Agent, with respect to a contribution of Term Loans, any applicable contributing Lender shall execute and deliver to the Administrative Agent an Assignment and Acceptance, or such other form as may be reasonably requested by the Administrative Agent, in respect thereof pursuant to which the respective Lender assigns its interest in such Loans to the Borrower for immediate cancellation) and (B) the Administrative Agent shall record such cancellation or retirement in the Register.

(j) The Borrower shall maintain at its offices a copy of each Assignment and Acceptance delivered to it by any Non-Debt Fund Affiliate (the “Affiliated Lender Register”). Each Non-Debt Fund Affiliate shall advise the Borrower and the Administrative Agent in writing of (i) any proposed disposition of Term Loans by such Lender. Additionally, if any Lender becomes a Non-Debt Fund Affiliate at a time that such Lender holds any Term Loans, such Lender shall promptly advise the Borrower and the Administrative Agent that such Lender is a Non-Debt Fund Affiliate. Copies of the Affiliated Lender Register shall be provided to the Administrative Agent and the Non-Debt Fund Affiliate upon request. Notwithstanding the

foregoing if at any time (if applicable, after giving effect to any proposed assignment to a Non-Debt Fund Affiliate), all Non-Debt Fund Affiliates own or would, in the aggregate own more than 25% of the principal amount of all any Class of Term Loans then outstanding (i) any proposed pending assignment to a Non-Debt Fund Affiliate that would cause such threshold to be exceeded shall not become effective or be recorded in the Affiliated Lender Register, (ii) in the event that a Non-Debt Fund Affiliate has acquired any Term Loans pursuant to an assignment which was not recorded in the Affiliated Lender Register, the assignment of such Term Loans shall be null and void *ab initio* and (iii) if such threshold is exceeded solely as a result of a Lender becoming a Non-Debt Fund Affiliate after it has acquired Term Loans, such Non-Debt Fund Affiliate shall assign sufficient Term Loans of such Class so that Non-Debt Fund Affiliates in the aggregate own less than 25% of the aggregate principal amount of Term Loans of such Class then outstanding. The Administrative Agent may conclusively rely upon the Affiliated Lender Register in connection with any amendment or waiver hereunder and shall not have any responsibility for monitoring any acquisition or disposition of Term Loans by any Non-Debt Fund Affiliate or for any losses suffered by any Person as a result of any purported assignment to or from an Affiliated Lender.

13.7 Replacements of Lenders under Certain Circumstances. (a) The Borrower, at its sole expense, shall be permitted to replace any Lender (or any Participant) that (a) requests reimbursement for amounts owing pursuant to Section 2.10, 2.11, 3.5 or 5.4, (b) is affected in the manner described in Section 2.10(a)(ii) and as a result thereof any of the actions described in such Section is required to be taken or (c) becomes a Defaulting Lender, with a replacement bank, financial institution or other investor that is an Eligible Assignee; provided, that (i) such replacement does not conflict with any Applicable Law, (ii) no Event of Default shall have occurred and be continuing at the time of such replacement, (iii) the Borrower shall repay (or the replacement bank, financial institution or other investor that is an Eligible Assignee shall purchase, at par) all Loans and pay all other amounts (other than any disputed amounts) owing to such replaced Lender hereunder (including, for the avoidance of doubt, pursuant to Section 2.10, 2.11, 3.5 or 5.4, as the case may be) and under the other Credit Documents prior to the date of replacement of such Lender, (iv) the replacement bank, financial institution or other investor, if not already a Lender, and the terms and conditions of such replacement, shall be reasonably satisfactory to the Administrative Agent, (v) the replaced Lender shall be obligated to make such replacement in accordance with the provisions of Section 13.6 and (vi) any such replacement shall not be deemed to be a waiver of any rights that the Borrower, the Administrative Agent or any other Lender shall have against the replaced Lender or that the replaced Lender shall have against the Borrower and the other parties for indemnity, contribution, payment of disputed and other unpaid amounts and otherwise.

(b) If any Lender (such Lender a “Non-Consenting Lender”) has failed to consent to a proposed amendment, waiver, discharge or termination, which pursuant to the terms of Section 13.1 requires the consent of all of the Lenders affected and with respect to which the Required Lenders shall have granted their consent, then, provided no Event of Default has occurred and is continuing, the Borrower shall have the right (unless such Non-Consenting Lender grants such consent) at its own cost and expense to replace such Non-Consenting Lender by requiring such Non-Consenting Lender to assign its Loans and Commitments to one or more Eligible Assignees reasonably acceptable to the Administrative Agent, provided that: (i) all Obligations of the Borrower owing to such Non-Consenting Lender being replaced shall be paid

in full (including any applicable premium under Section 5.1(b)) to such Non-Consenting Lender concurrently with such assignment, (ii) the replacement Lender shall purchase the foregoing by paying to such Non-Consenting Lender a price equal to the principal amount thereof plus accrued and unpaid interest thereon, (iii) the replacement Lender shall consent to the proposed amendment, waiver, discharge or termination and (iv) all Lenders (except all Non-Consenting Lenders which are simultaneously replaced) have consented to such proposed amendment, waiver, discharge or termination. In connection with any such assignment, the Borrower, the Administrative Agent, such Non-Consenting Lender and the replacement Lender shall otherwise comply with Section 13.6.

(c) Notwithstanding anything herein to the contrary, each party hereto agrees that any assignment pursuant to the terms of this Section 13.7 may be effected pursuant to an Assignment and Acceptance executed by the Borrower, the Administrative Agent and the assignee and that the Lender making such assignment need not be a party thereto.

13.8 Adjustments; Set-off. (a) Except as otherwise set forth herein, if any Lender (a "**Benefited Lender**") shall at any time receive any payment of all or part of the principal amount of any of its Revolving Credit Loans, Term Loans, Additional/Replacement Revolving Credit Loans and/or the participations in letter of credit obligations or swingline loans held by it, or receive any collateral in respect thereof (whether voluntarily or involuntarily, by set-off, pursuant to events or proceedings of the nature referred to in Section 11.5, or otherwise), resulting in such Lender receiving payment of a greater proportion of the aggregate amount at the Revolving Credit Loans, Term Loans, Additional/Replacement Revolving Credit Loans and/or participations in letter of credit obligations or swingline loans and accrued interest thereon than the proportion received by any other Lender that is entitled thereto, such Benefited Lender shall (i) notify the Administrative Agent of such fact, and (ii) purchase for cash at face value from the other Lenders a participating interest in such portion of each such other Lender's Revolving Credit Loans, Term Loans, Additional/Replacement Revolving Credit Loans and/or participations in letter of credit obligations or swingline loans, as applicable, or shall provide such other Lenders with the benefits of any such collateral, or the proceeds thereof, as shall be necessary to cause such Benefited Lender to share the excess payment or benefits of such collateral or proceeds ratably in accordance with the aggregate principal of and accrued interest on their respective Revolving Credit Loans, Term Loans, Additional/Replacement Revolving Credit Loans and/or participations in letter of credit obligations or swingline loans, as applicable and other amounts owing them; provided that, (A) if all or any portion of such excess payment or benefits is thereafter recovered from such Benefited Lender, such purchase shall be rescinded, and the purchase price and benefits returned, to the extent of such recovery, but without interest and (B) the provisions of this paragraph shall not be construed to apply to (x) any payment made by Holdings, the Borrower or any other Credit Party pursuant to and in accordance with the express terms of this Agreement and the other Credit Documents, (y) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans, Commitments or participations in a Letter of Credit Borrowing or Swingline Loans to any assignee or participant or (z) any disproportionate payment obtained by a Lender of any Class as a result of the extension by Lenders of the maturity date or expiration date of some but not all Loans or Commitments of that Class or any increase in the Applicable Margin (or other pricing term, including any fee, discount or premium) in respect of Loans or Commitments of Lenders that have consented to any such extension. Each Credit Party consents to the foregoing and agrees, to the extent it may effectively do so under Applicable Law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against such Credit Party rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of such Credit Party in the amount of such participation.

(b) After the occurrence and during the continuance of an Event of Default, in addition to any rights and remedies of the Lenders provided by law, each Lender, Swingline Lender and Letter of Credit Issuer shall have the right, without prior notice to the Borrower, any such notice being expressly waived by the Borrower to the extent permitted by Applicable Law, upon any amount becoming due and payable by the Borrower hereunder (whether at the stated maturity, by acceleration or otherwise) to setoff and appropriate and apply against such amount any and all deposits (general or special, time or demand, provisional or final), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by such Lender or any branch, agency or Affiliate thereof to or for the credit or the account of the Borrower, as the case may be; provided, that in the event that any Defaulting Lender shall exercise any such right of set-off, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.16 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent, the Swingline Lenders, the Letter of Credit Issuers and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of set-off. Each Lender, Swingline Lender and Letter of Credit Issuer agrees promptly to notify the Borrower and the Administrative Agent after any such set-off and application made by such Lender; provided that the failure to give such notice shall not affect the validity of such set-off and application. Notwithstanding anything in this Section 13.8(b) to the contrary, no Lender nor Swingline Lender or Letter of Credit Issuer will exercise, or attempt to exercise, any right of set-off, banker's lien or the like against any deposit account or property of the Borrower or any other credit party held or maintained by such Lender, Swingline Lender or Letter of Credit Issuer, as applicable, in each case to the extent the deposits or other proceeds of such exercise, or attempt to exercise, any right of set-off, banker's lien or the like are, or are intended to be or are otherwise are held out to be applied to the Obligations hereunder or otherwise secured by the Collateral, without the prior written consent of the Administrative Agent or Collateral Agent.

13.9 Counterparts. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts (including by facsimile or other electronic transmission (i.e., a "pdf" or "tif")), and all of said counterparts taken together shall be deemed to constitute one and the same instrument. A set of the copies of this Agreement signed by all the parties shall be lodged with the Borrower and the Administrative Agent.

13.10 Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

13.11 Integration. This Agreement and the other Credit Documents represent the agreement of Holdings, the Borrower, the Administrative Agent, the Collateral Agent and the Lenders with respect to the subject matter hereof, and there are no promises, undertakings, representations or warranties by the Collateral Agent, the Administrative Agent or any Lender relative to subject matter hereof not expressly set forth or referred to herein or in the other Credit Documents.

(d) agrees that nothing herein shall affect the right of the Collateral Agent or any other Secured Party to effect service of process in any other manner permitted by law or shall limit the right of the Collateral Agent or any other Secured Party to sue in any other jurisdiction; and

(e) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section 13.13 any special, exemplary, punitive or consequential damages.

13.14 No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Credit Document), each of the Borrower and Holdings acknowledges and agrees, and acknowledges its Affiliates' understanding, that:

(a) (i) the arranging and other services regarding this Agreement provided by

(c) the Administrative Agent, the Collateral Agent and each Joint Lead Arranger and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower, Holdings and their respective Affiliates, and none of the Administrative Agent, the Collateral Agent or the Joint Lead Arrangers has any obligation to disclose any of such interests to the Borrower, Holdings or any of their respective Affiliates. To the fullest extent permitted by law, each of the Borrower and Holdings hereby agrees that it will not make any claims against the Administrative Agent, the Collateral Agent or the Joint Lead Arrangers with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated here.

HOLDINGS, THE BORROWER, THE ADMINISTRATIVE AGENT, THE COLLATERAL AGENT, THE LETTER OF CREDIT ISSUERS AND THE LENDERS HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVE TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER CREDIT DOCUMENT AND FOR ANY COUNTERCLAIM THEREIN.

13.18 Legend. Term Loans may be issued with original issue discount ("OID") for U.S. Federal income tax purposes. The issue price, amount of OID, issue date and yield to maturity of such Term Loans may be obtained by writing to the Administrative Agent at the address set forth in Section 13.2.

13.19 Release of Collateral and Guarantee Obligations; Subordination of Liens.

(a) The Lenders hereby irrevocably agree that the Liens granted to the Collateral Agent by the Credit Parties on any Collateral shall be automatically released (i) in full, as set forth in clause (b) below, (ii) upon the sale, transfer or other disposition of such Collateral (including as part of or in connection with any other sale, transfer or other disposition permitted hereunder) to any Person other than another Credit Party, to the extent such sale, transfer or other disposition is made in compliance with the terms of this Agreement (and the Collateral Agent may rely conclusively on a certificate to that effect provided to it by any Credit Party upon its reasonable request without further inquiry), (iii) to the extent such Collateral is comprised of property leased to a Credit Party by a Person that is not a Credit Party, upon termination or expiration of such lease, (iv) if the release of such Lien is approved, authorized or ratified in writing by the Required Lenders (or such other percentage of the Lenders whose consent may be required in accordance with Section 13.1), (v) to the extent the property constituting such Collateral is owned by any Guarantor, upon the release of such Guarantor from its obligations under the Guarantee (in accordance with the second succeeding sentence and Section 25 of the Guarantee), (vi) as required by the Collateral Agent to effect any sale, transfer or other disposition of Collateral in connection with any exercise of remedies of the Collateral Agent pursuant to the Security Documents and (vii) to the extent such Collateral otherwise becomes Excluded Capital Stock or Excluded Property (as defined in the Security Agreement). Management Agreements and (iii) any contingent or indemnification obligations not then due. Any such release of Obligations shall be deemed subject to the provision that such Obligations shall be reinstated if after such release any portion of any payment in respect of the Obligations guaranteed thereby shall be rescinded or must otherwise be restored or returned upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Borrower or any Guarantor, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, the Borrower or any Guarantor or any substantial part of its property, or otherwise, all as though such payment had not been made.

(d) Notwithstanding the foregoing or anything in the Credit Documents to the contrary, at the direction of the Required Lenders, the Administrative Agent may, in exercising remedies, take any and all necessary and appropriate action to effectuate a credit bid of all Loans (or any lesser amount thereof) for the Borrower's assets in a bankruptcy, foreclosure or other similar proceeding, forbear from exercising remedies upon an Event of Default, or in a bankruptcy proceeding, enter into a settlement agreement on behalf of all Lenders.

13.20 Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Credit Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Lender that is an EEA Financial Institution arising under any Credit Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender that is an EEA Financial Institution; and

(b) the effects of any Bail-in Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Credit Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

13.21 Acknowledgement Regarding Any Supported QFCs. To the extent that the Credit Documents provide support, through a guarantee or otherwise, for Hedging Agreements or any other agreement or instrument that is a QFC (such support “QFC Credit Support” and each such QFC a “Supported QFC”), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the “U.S. Special Resolution Regimes”) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Credit Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

In the event a Covered Entity that is party to a Supported QFC (each, a “Covered Party”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Credit Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Credit Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender hereunder shall in no event affect the rights of any Covered Party under a Supported QFC or any QFC Credit Support.

LPL FINANCIAL ANNOUNCES COMPLETION OF LEVERAGE-NEUTRAL TRANSACTION AMENDING SENIOR SECURED CREDIT FACILITIES AND OFFERING SENIOR UNSECURED NOTES

SAN DIEGO – March 15, 2021 – LPL Financial Holdings Inc. (Nasdaq: LPLA) today announced that its wholly owned subsidiary, LPL Holdings, Inc. (“LPL Holdings”), has completed its previously announced amendment of its revolving credit facility (the “credit agreement amendment”) and offering of senior unsecured notes (the “senior notes”).

LPL Holdings used the net proceeds from the senior notes offering, together with cash available for corporate use, to redeem its existing \$900 million of senior unsecured notes due 2025 (the “2025 notes”) and to pay fees and expenses related to the senior notes offering and the credit agreement amendment. The senior notes bear interest at a rate of 4.000% to be paid semi-annually in arrears on March 15 and September 15 of each year, beginning on September 15th, 2021. The senior notes were priced at 100% of the aggregate principal amount, and will mature on March 15th, 2029. As a result of the credit agreement amendment, LPL Holdings increased the size of its revolving credit facility from \$750 million to \$1.0 billion and extended the maturity date of the revolving credit facility from 2024 to 2026.

LPL Holdings’ outstanding indebtedness following the senior notes offering and credit agreement amendment is summarized in the following table:

	Outstanding Principal Amount (dollars in thousands)	Current Applicable Margin	Yield At Issuance	Maturity
Revolving Credit Facility (a)	\$ —	LIBOR + 125 bps(d)		3/15/2026
Senior Secured Term Loan B (b)	1,059,300	LIBOR + 175 bps(d)		11/12/2026
2027 Senior Unsecured Notes (c)	400,000	4.625% Fixed	4.625%	11/15/2027
2029 Senior Unsecured Notes (c)	900,000	4.000% Fixed	4.000%	3/15/2029
Total	\$ 2,359,300			

- (a) The revolving credit facility consists of aggregate principal committed amount of \$1.0 billion, and was undrawn at closing. Loans, if any, will bear interest at a floating rate, which in the case of LIBOR loans will be LIBOR plus 125-175 basis points per annum, depending on the secured net leverage ratio of LPL Holdings and its restricted subsidiaries.
- (b) The senior secured term loan B was issued with 25 basis points of original issue discount and has no leverage or interest coverage maintenance covenants.
- (c) The 2027 and 2029 senior unsecured notes have no leverage or interest coverage maintenance covenants.
- (d) The LIBOR option is one-, two-, three- or six-month LIBOR, as selected by LPL Holdings, or, with the approval of the applicable lenders, twelve-month LIBOR or the LIBOR for another period acceptable to the administrative agent (including a shorter period). LIBOR is subject to an interest rate floor of 0%.

LPL Holdings incurred approximately \$38 million of costs as a result of the senior notes offering and the credit agreement amendment, approximately \$12 million of which is expected to be capitalized and amortized over the life of the debt. The company expects approximately \$25 million of costs to be expensed in Q1 2021. As a result of the senior notes offering and the redemption of the 2025 notes, and taking into account related costs, including costs related to the credit agreement amendment, the Company (as defined below) estimates approximately \$13 million of annual interest expense savings at current interest rates.

The credit agreement amendment was managed by an arranger group of fourteen banks led by JPMorgan Chase Bank, N.A.

This press release does not constitute an offer to sell or the solicitation of an offer to buy the senior notes. The senior notes have not been, and will not be, registered under the Securities Act of 1933 and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements of the Securities Act of 1933. The senior notes are being offered only to persons reasonably believed to be qualified institutional buyers in reliance on Rule 144A under the Securities Act of 1933 and outside the United States only to non-U.S. investors pursuant to Regulation S.
